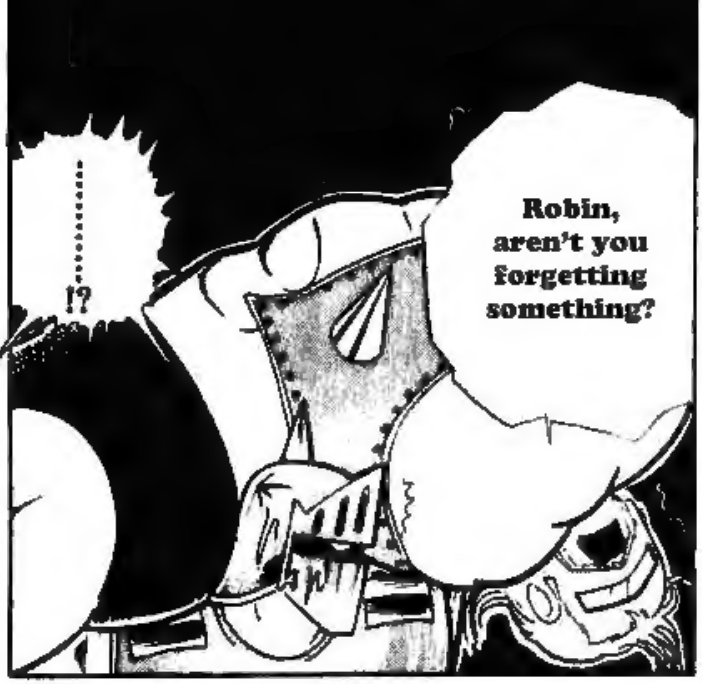
Dream Chojin Tag Arc 17
Tenacious Robin Mask!
This is my revenge for Warsman!
Robin Mask has caught Neptuneman in a Tower Bridge!
A Team Kinniku Release

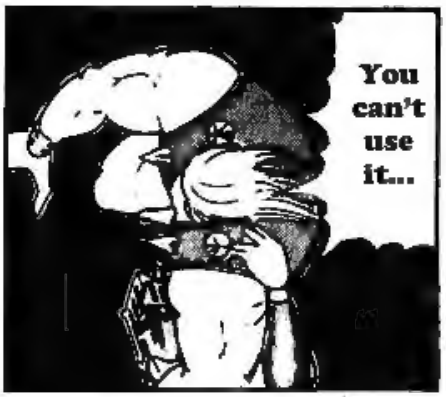


!?
Robin, aren't you forgetting something?

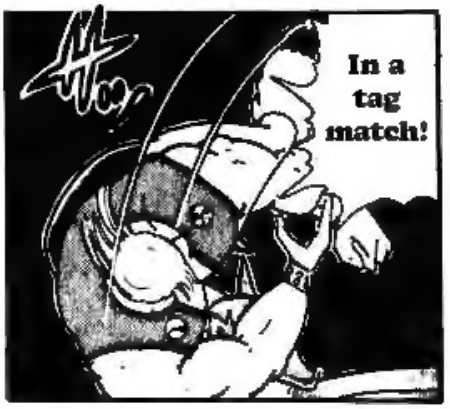
Alright! Give up, Neptune-man!

You can only use this kind of technique in a singles match!
Your Tower Bridge is a first-class finishing move, but you have no reason to be asking me to give up!

Here, Budo!

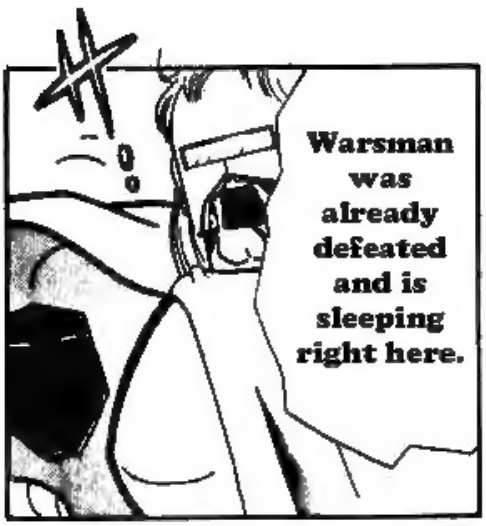


You can't use it...

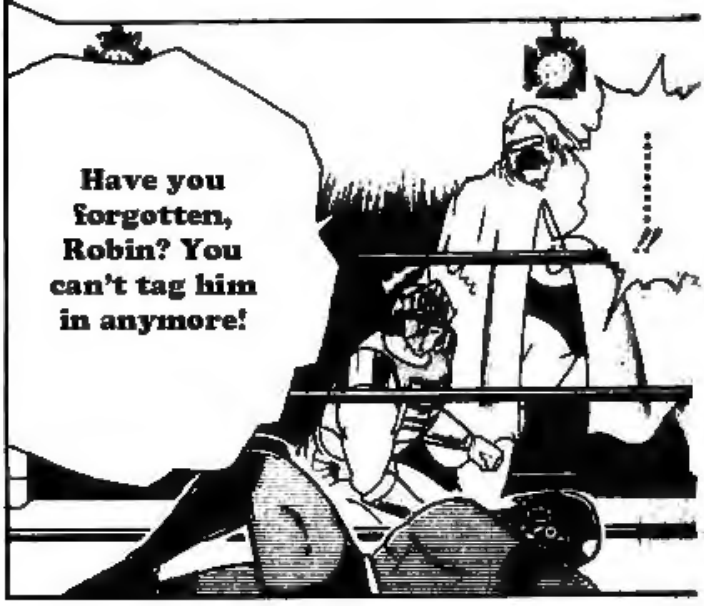


In a tag match!

Skull Crash!
Neptuneman has skillfully used his partner Budo and escaped from the Tower Bridge!
Switch with me, Wars...
He hit me with a flying blow...
Understand? This match is a tag match! You can use any hold you want, but Budo will cut them down!



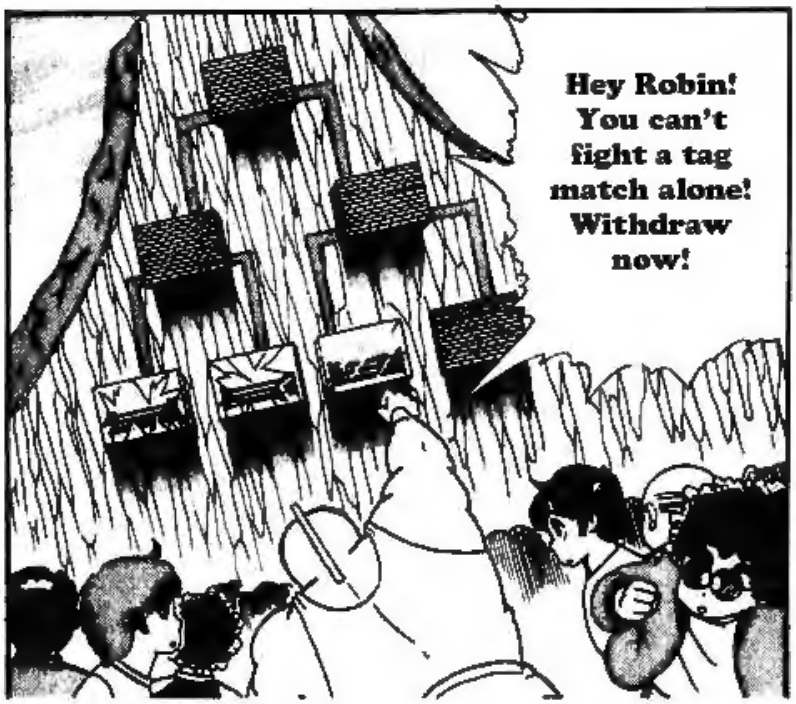
Warsman was already defeated and is sleeping right here.



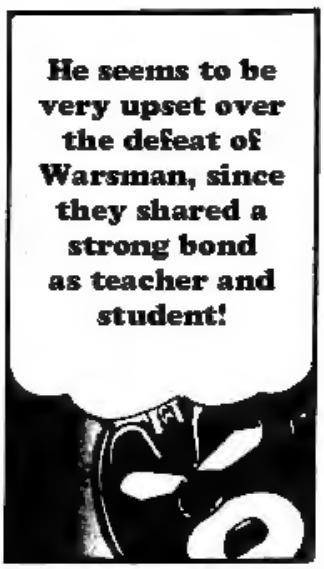
Have you forgotten, Robin? You can't tag him in anymore!

In other words, the Chojin Teacher/Student Combo is now only you!

What's going on? The normally cool Robin Mask seems to be tripping up.

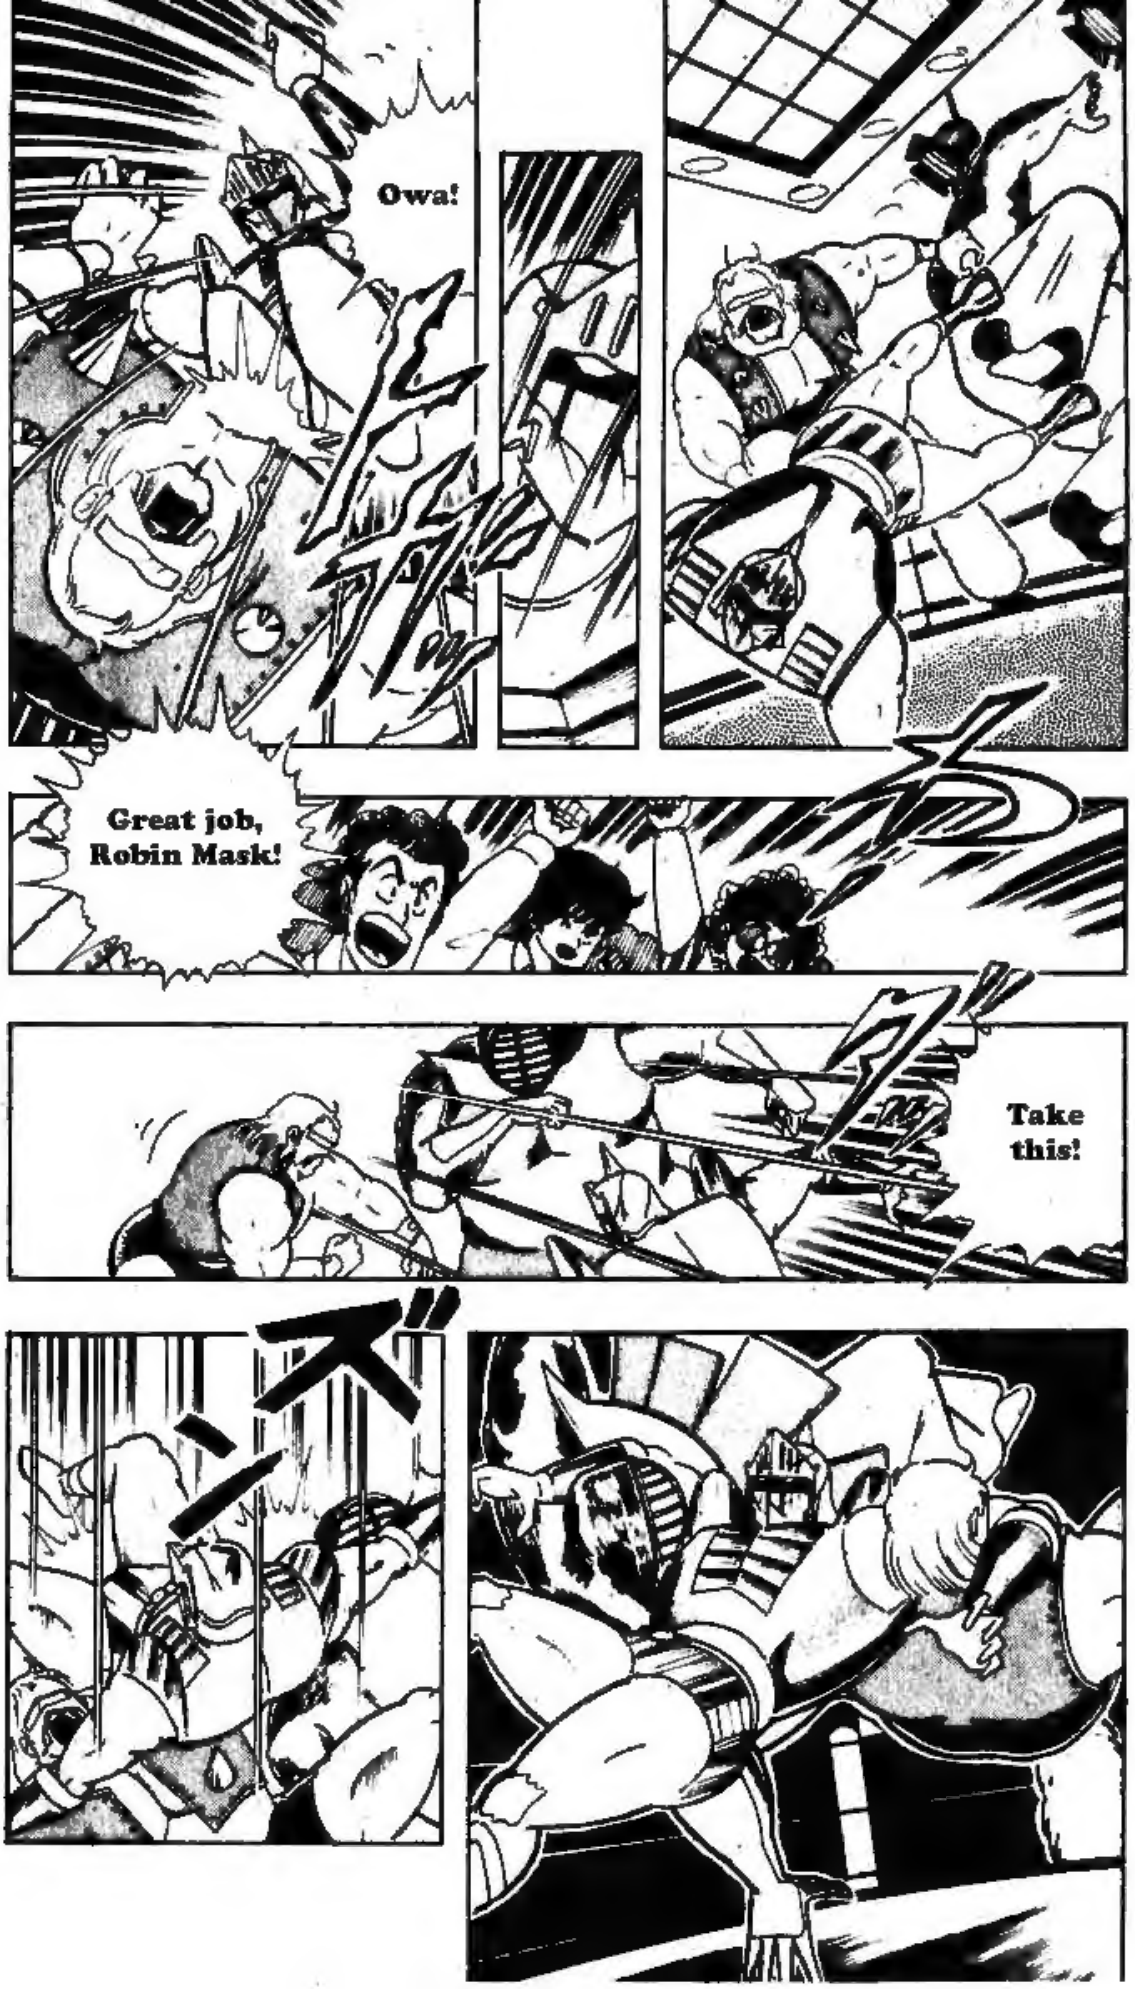


Hey Robin! You can't fight a tag match alone! Withdraw now!

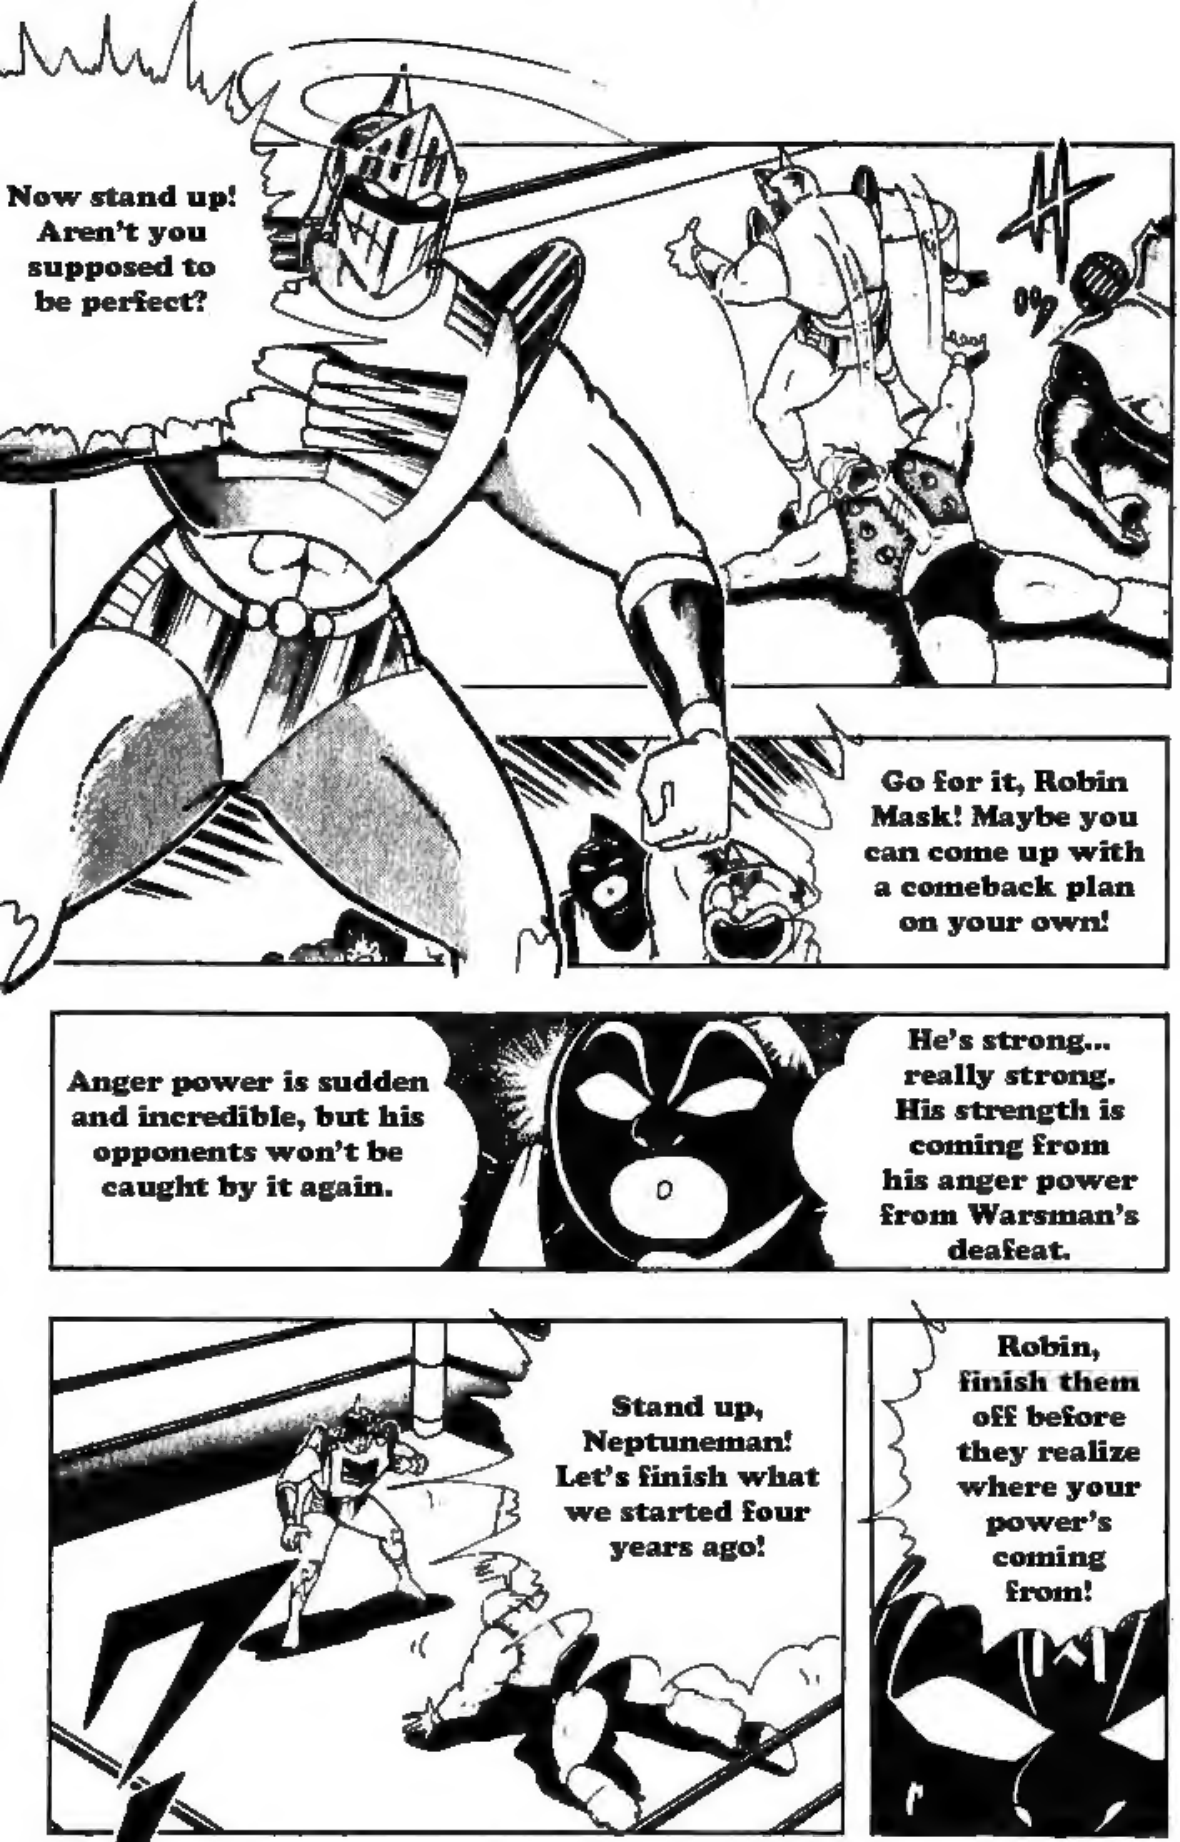


He seems to be very upset over the defeat of Warsman, since they shared a strong bond as teacher and student!

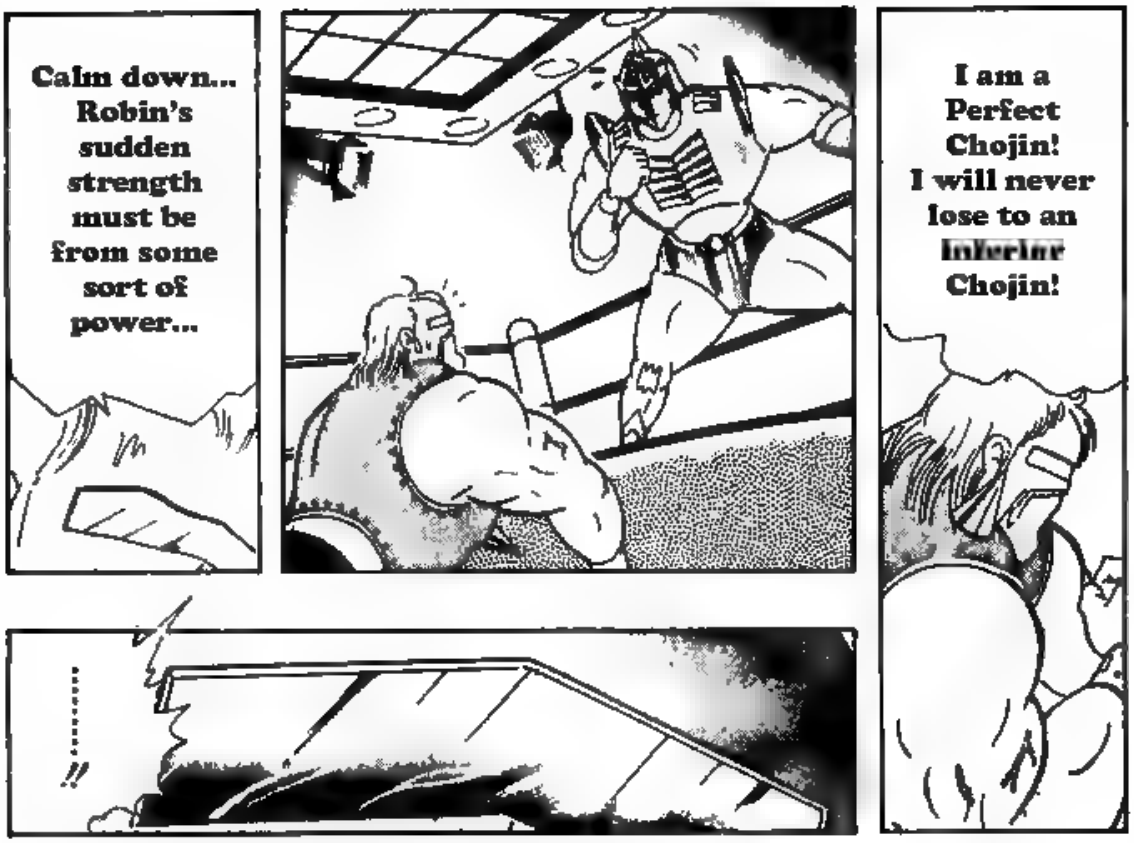
Warsman is here with me.
I'm not alone.
It's impossible to face the two of us alone. You can quietly end this by joining Warsman on my cape!
Thank you, Kinniku-man...
This this: Bear Claw!
Guh!
Crap...
Robin Mask has gotten out of this pinch!



Owa!
Great job, Robin Mask!
Take this!

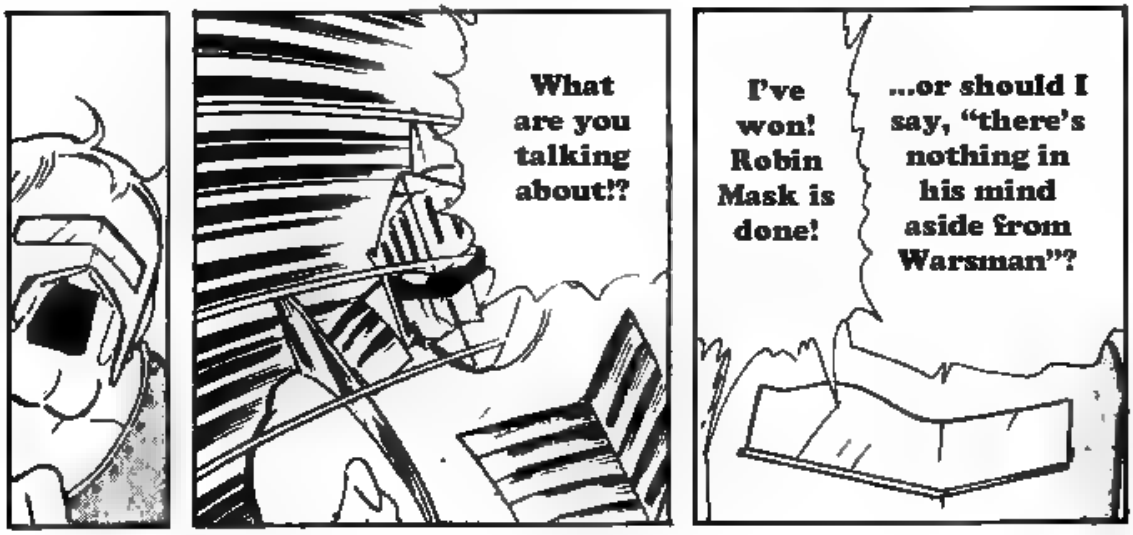


Now stand up! Aren't you supposed to be perfect?
Go for it, Robin Mask! Maybe you can come up with a comeback plan on your own!
Anger power is sudden and incredible, but his opponents won't be caught by it again.
He's strong... really strong. His strength is coming from his anger power from Warsman's deafeat.
Stand up, Neptuneman! Let's finish what we started four years ago!
Robin, finish them off before they realize where your power's coming from!

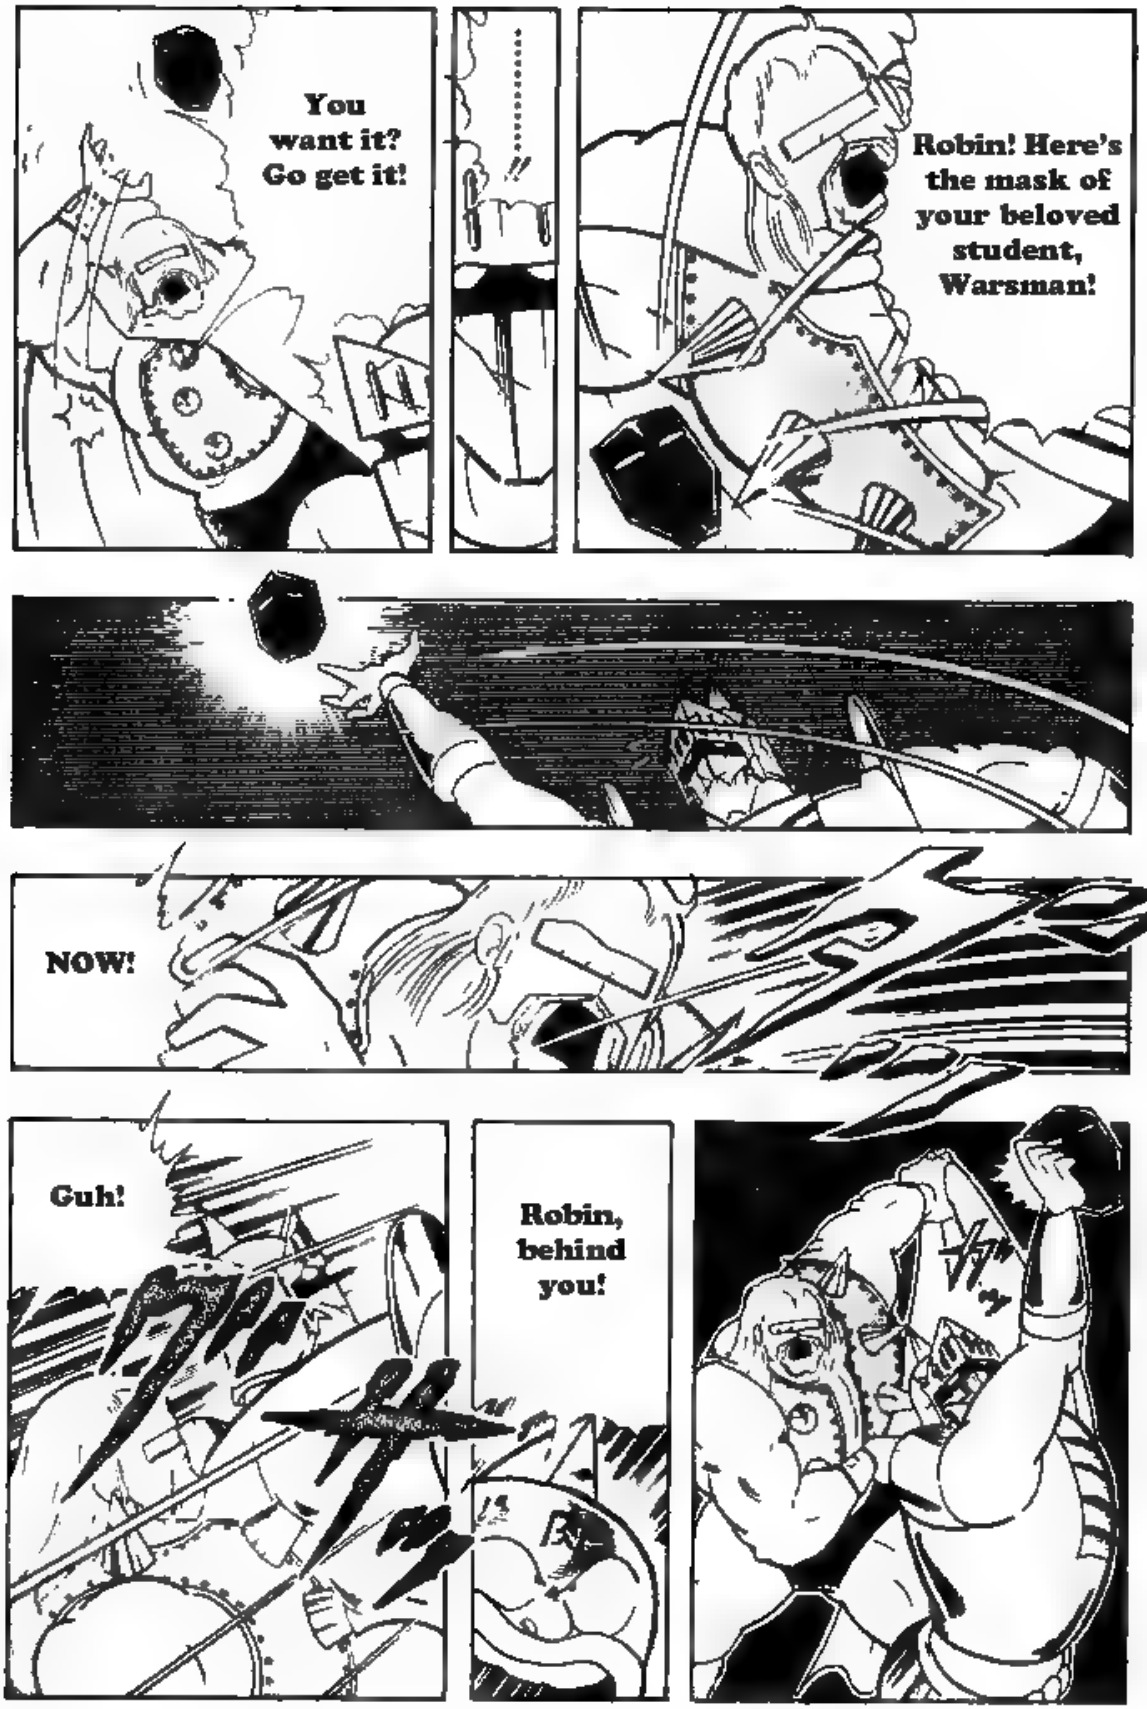


Calm down... Robin's sudden strength must be from some sort of power...
I am a Perfect Chojin! I will never lose to an inferior Chojin!
!!

Robin's mind is filled with rage from me killing Warsman!
Oh, I see...



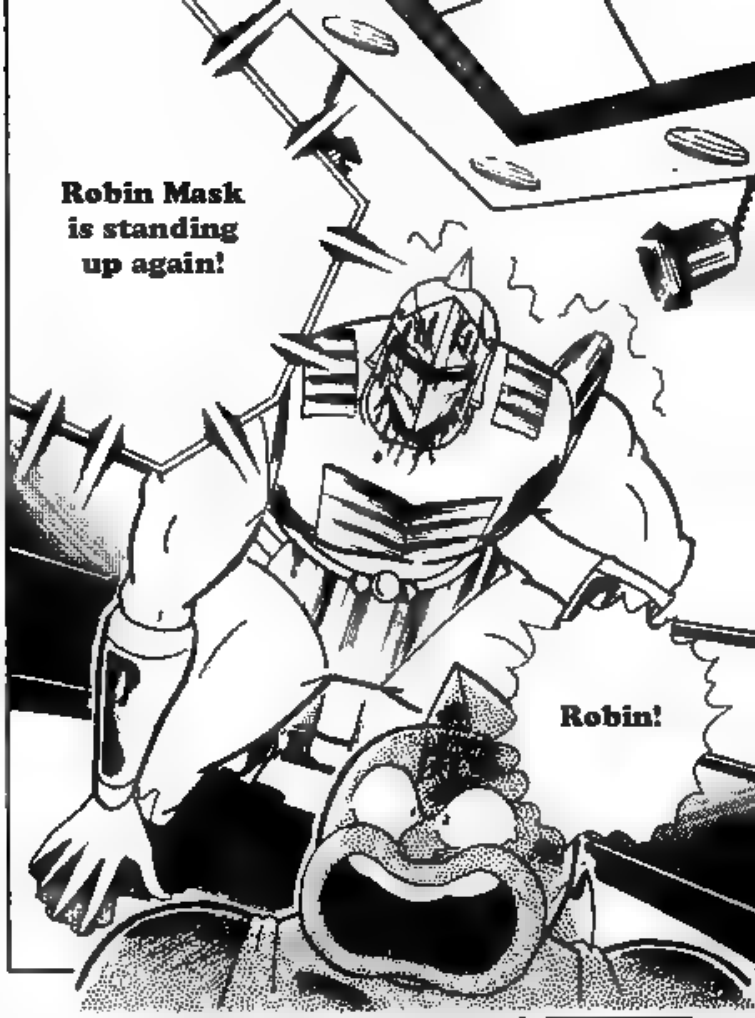
What are you talking about!?
I've won! Robin Mask is done!
...or should I say, "there's nothing in his mind aside from Warsman"?



You want it? Go get it!
Robin! Here's the mask of your beloved student, Warsman!
NOW!
Guh!
Robin, behind you!

Huh?
Kinnikuman, this isn't good. Not only will he lose, but his face will be exposed like Warsman...
Robin!

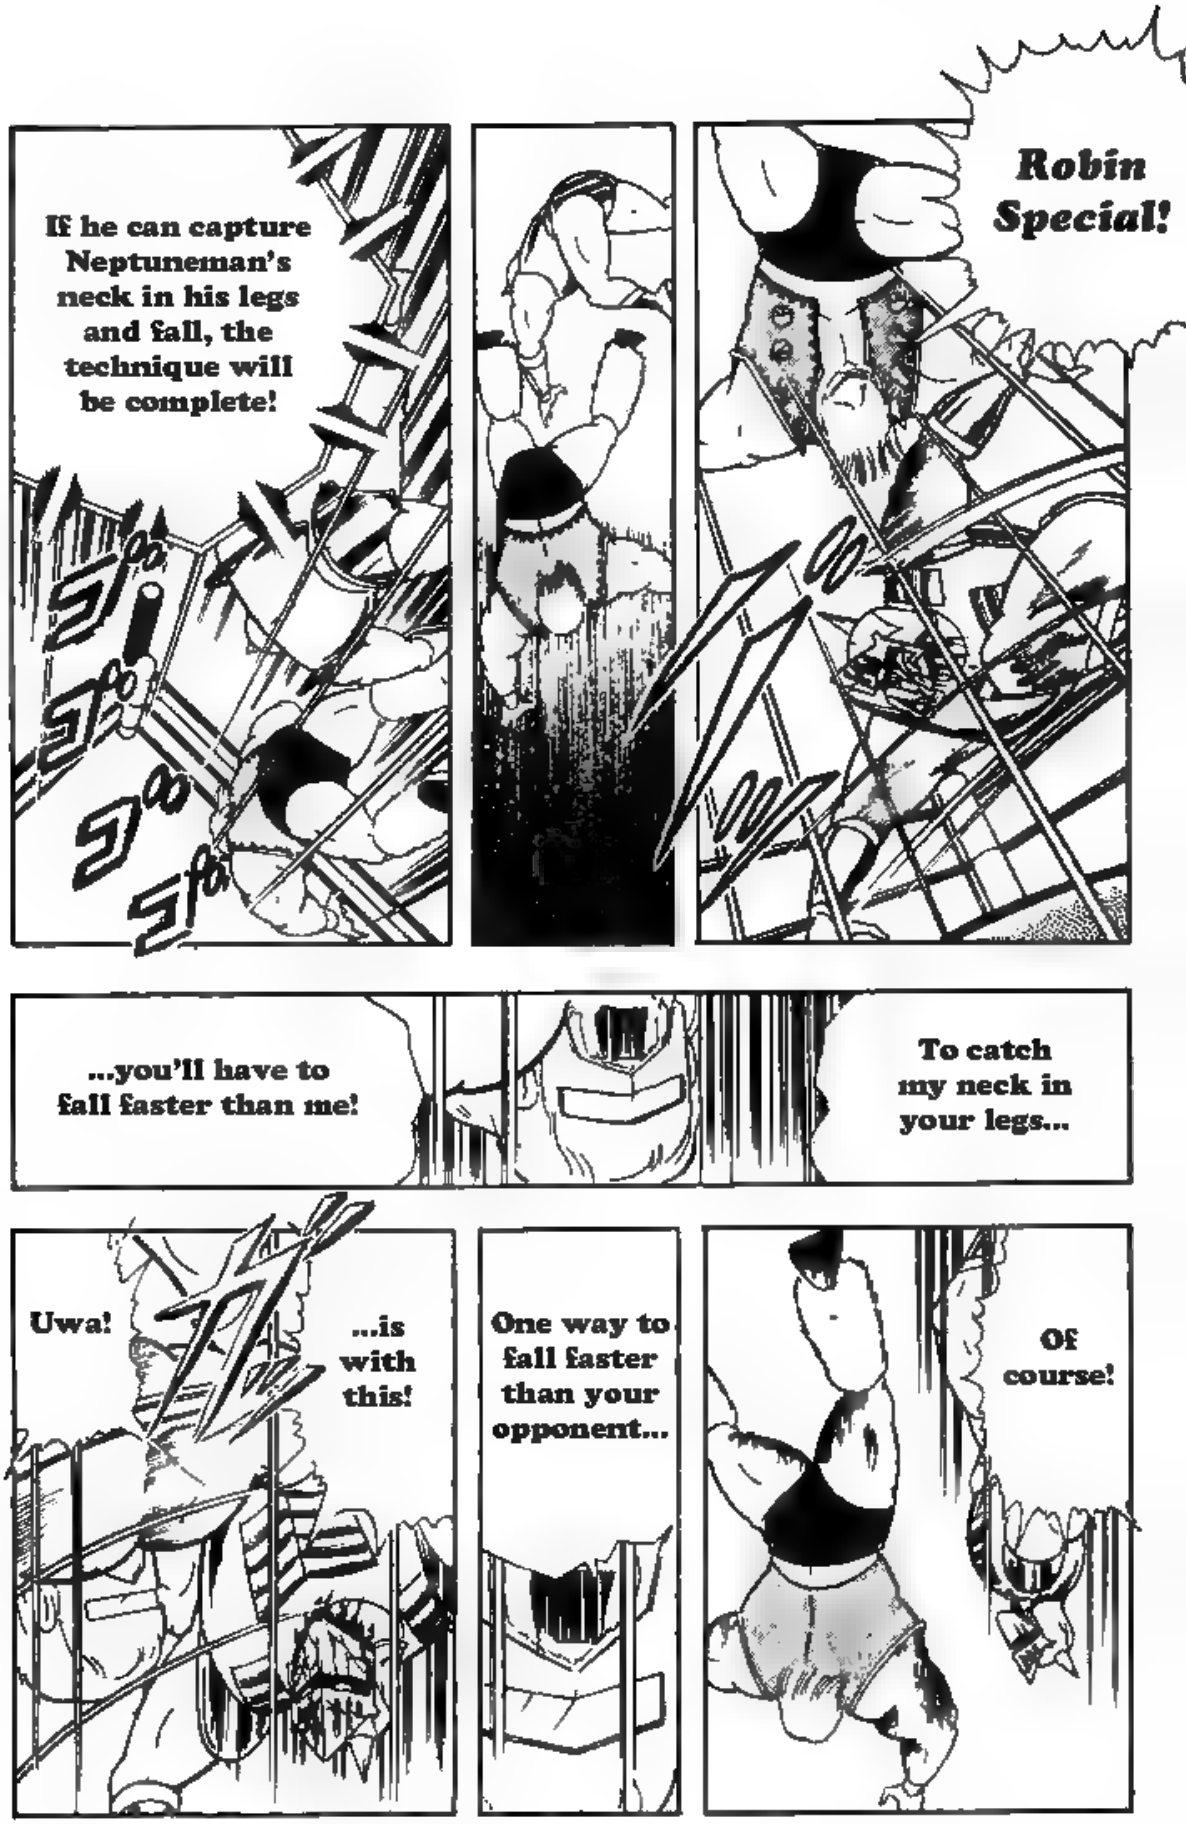
Do you think I can forgive him after taking advantage of my relationship with my old friend?



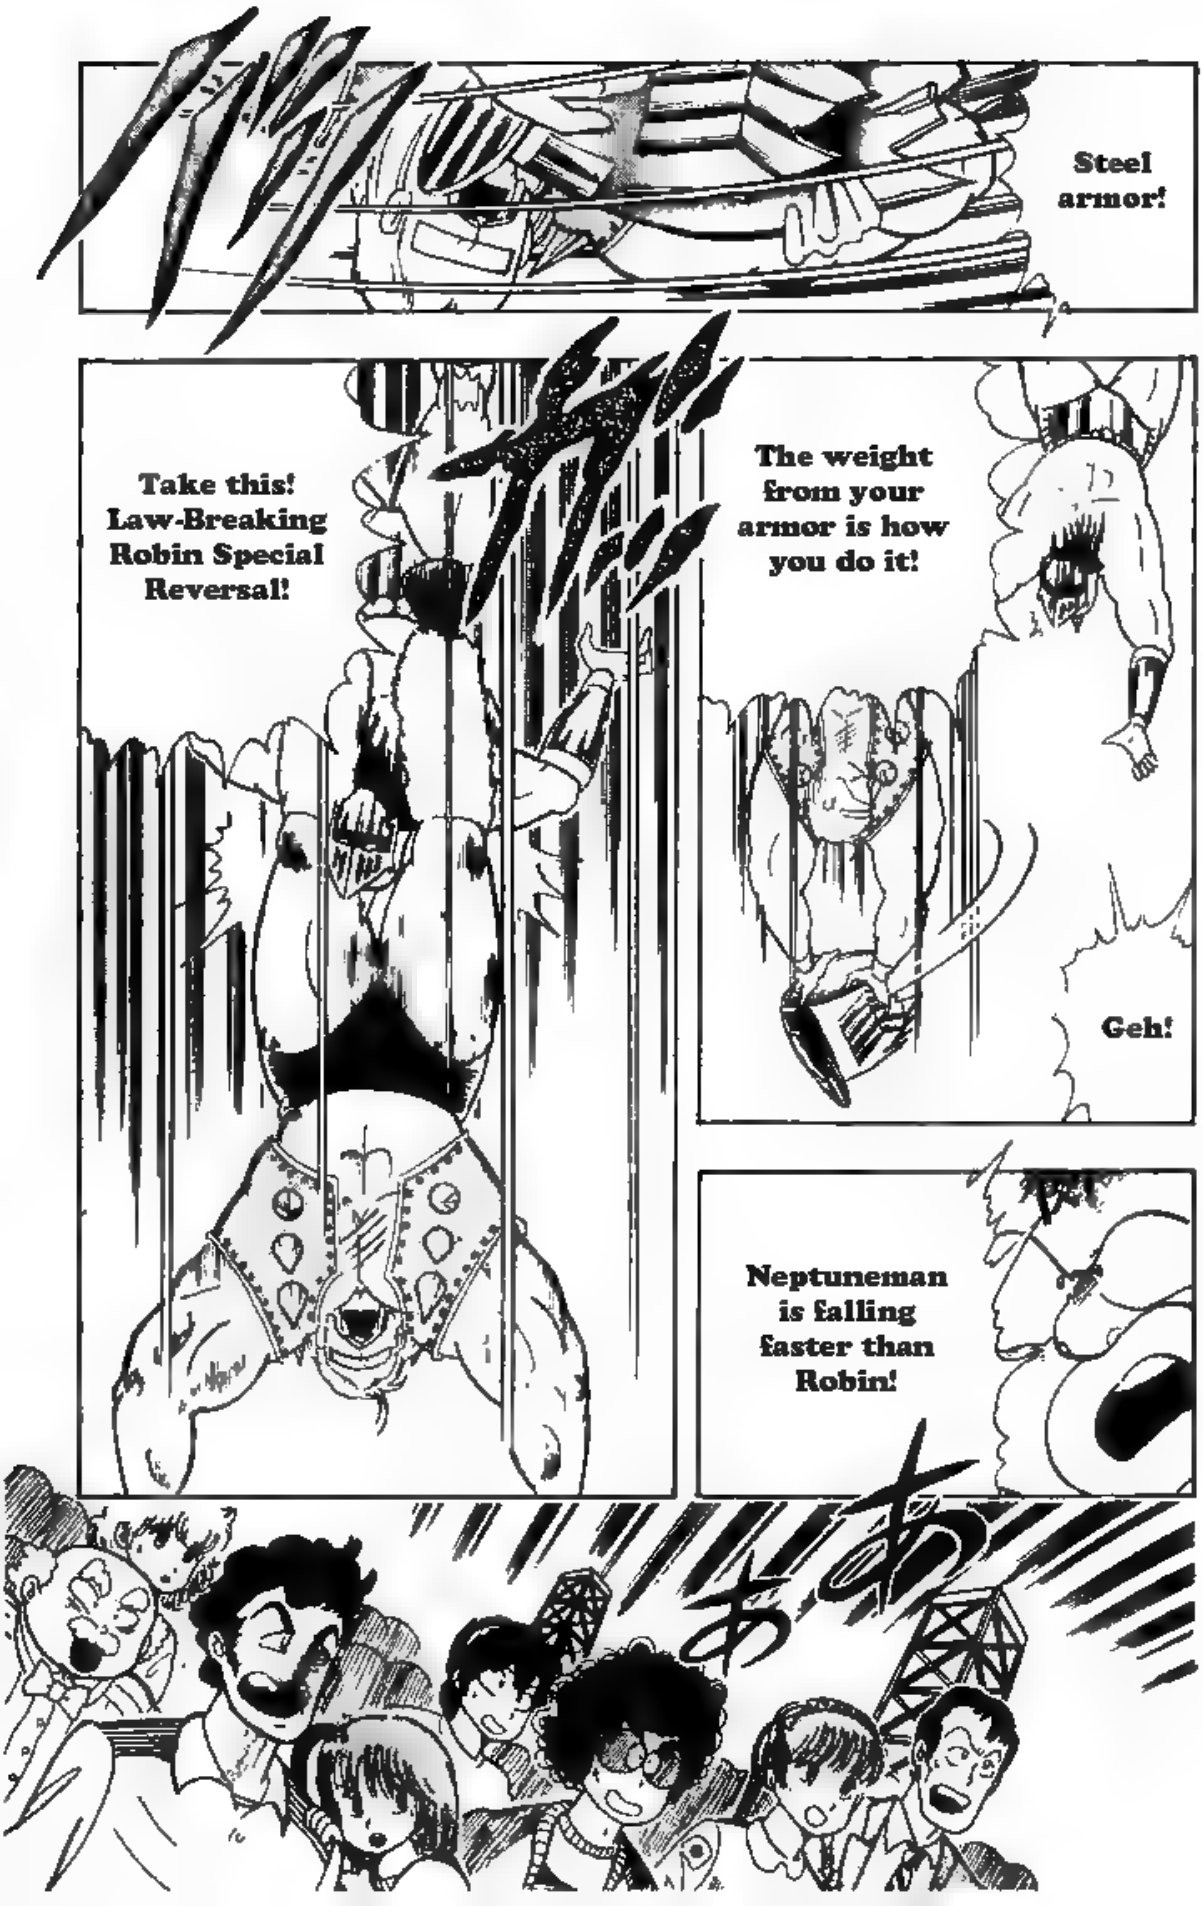
Robin Mask is standing up again!
Robin!

So, you want me to take your mask, too?

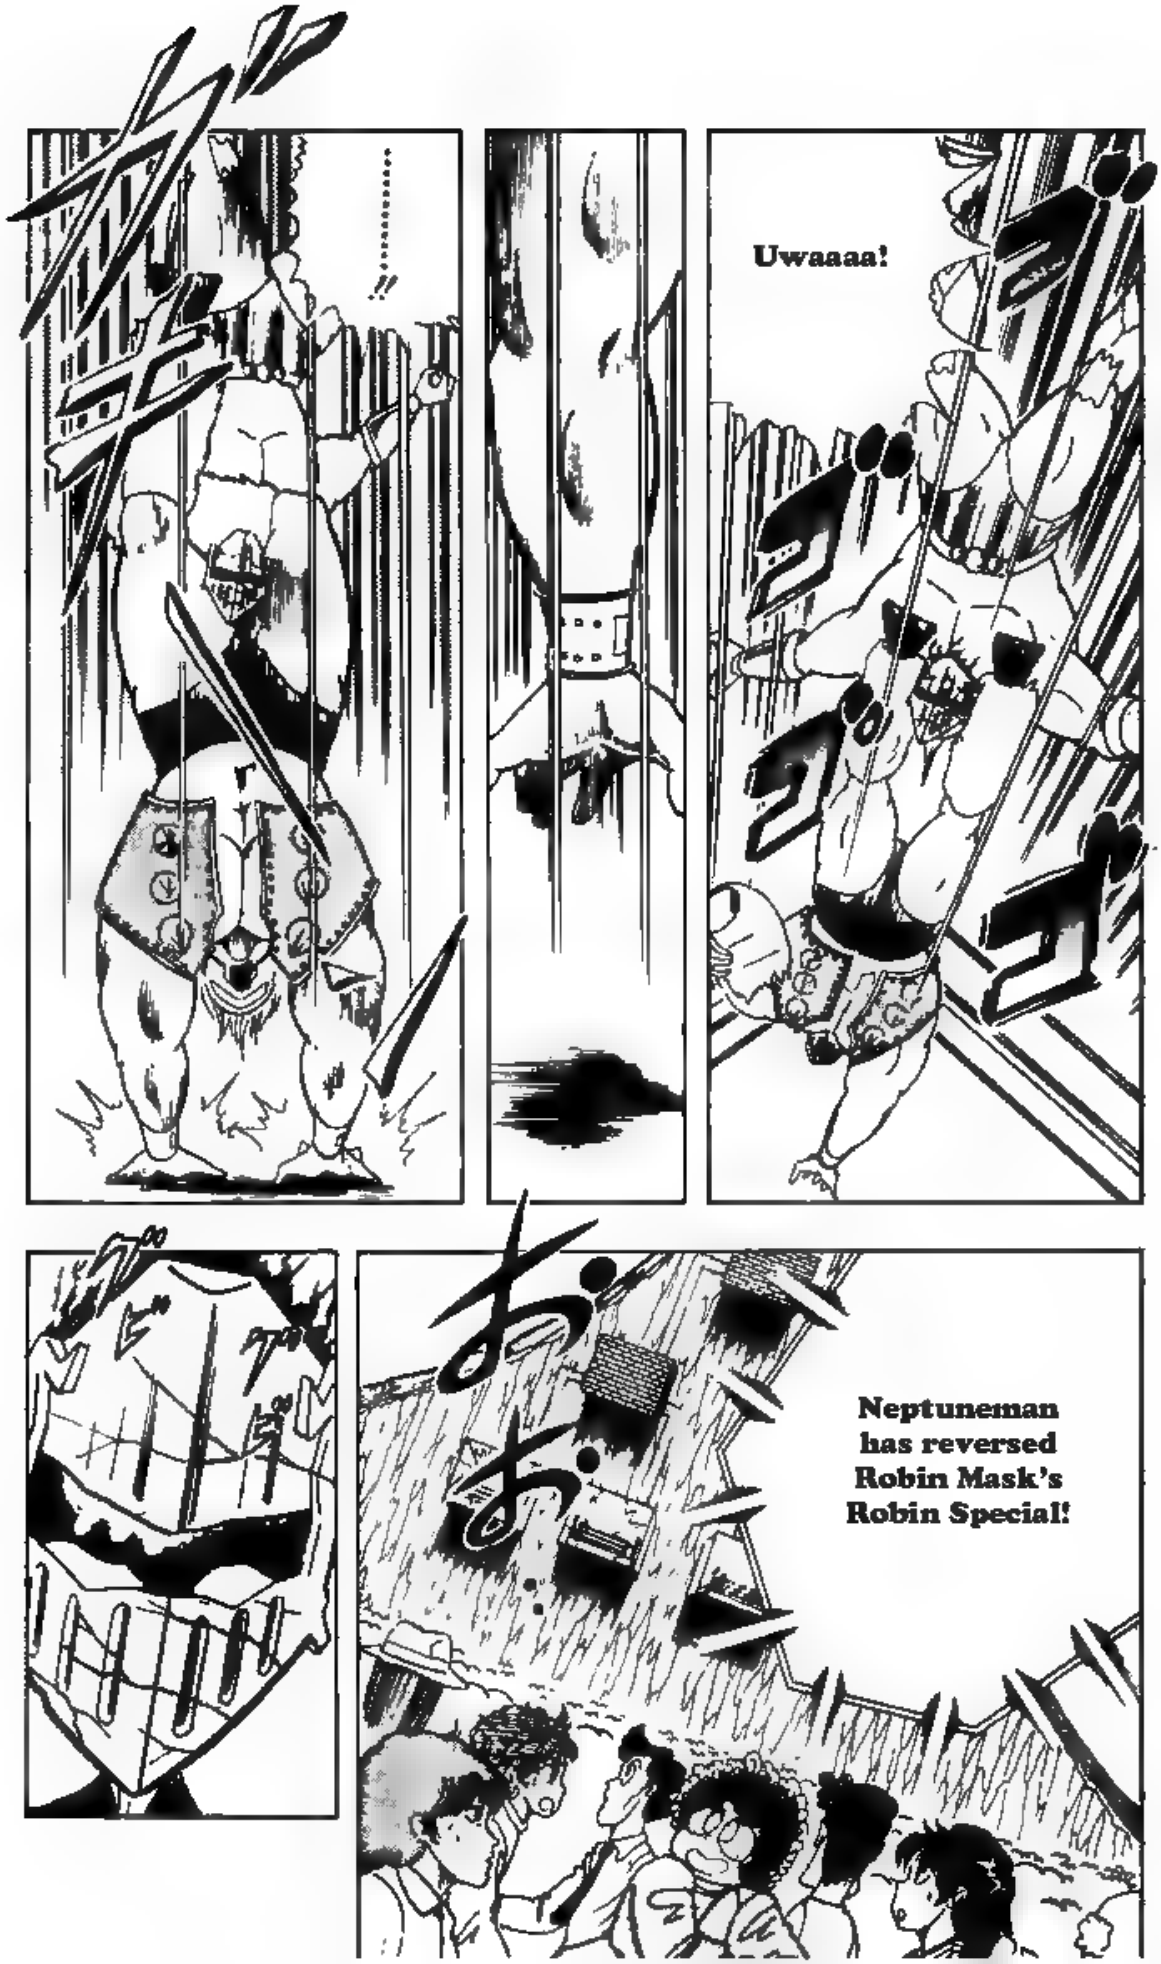
That's the stance for the Robin Special!
I can't try that technique on you!
I'm standing!



If he can capture Neptuneman's neck in his legs and fall, the technique will be complete!
Robin Special!
...you'll have to fall faster than me!
To catch my neck in your legs...
Uwa!
...is with this!
One way to fall faster than your opponent...
Of course!

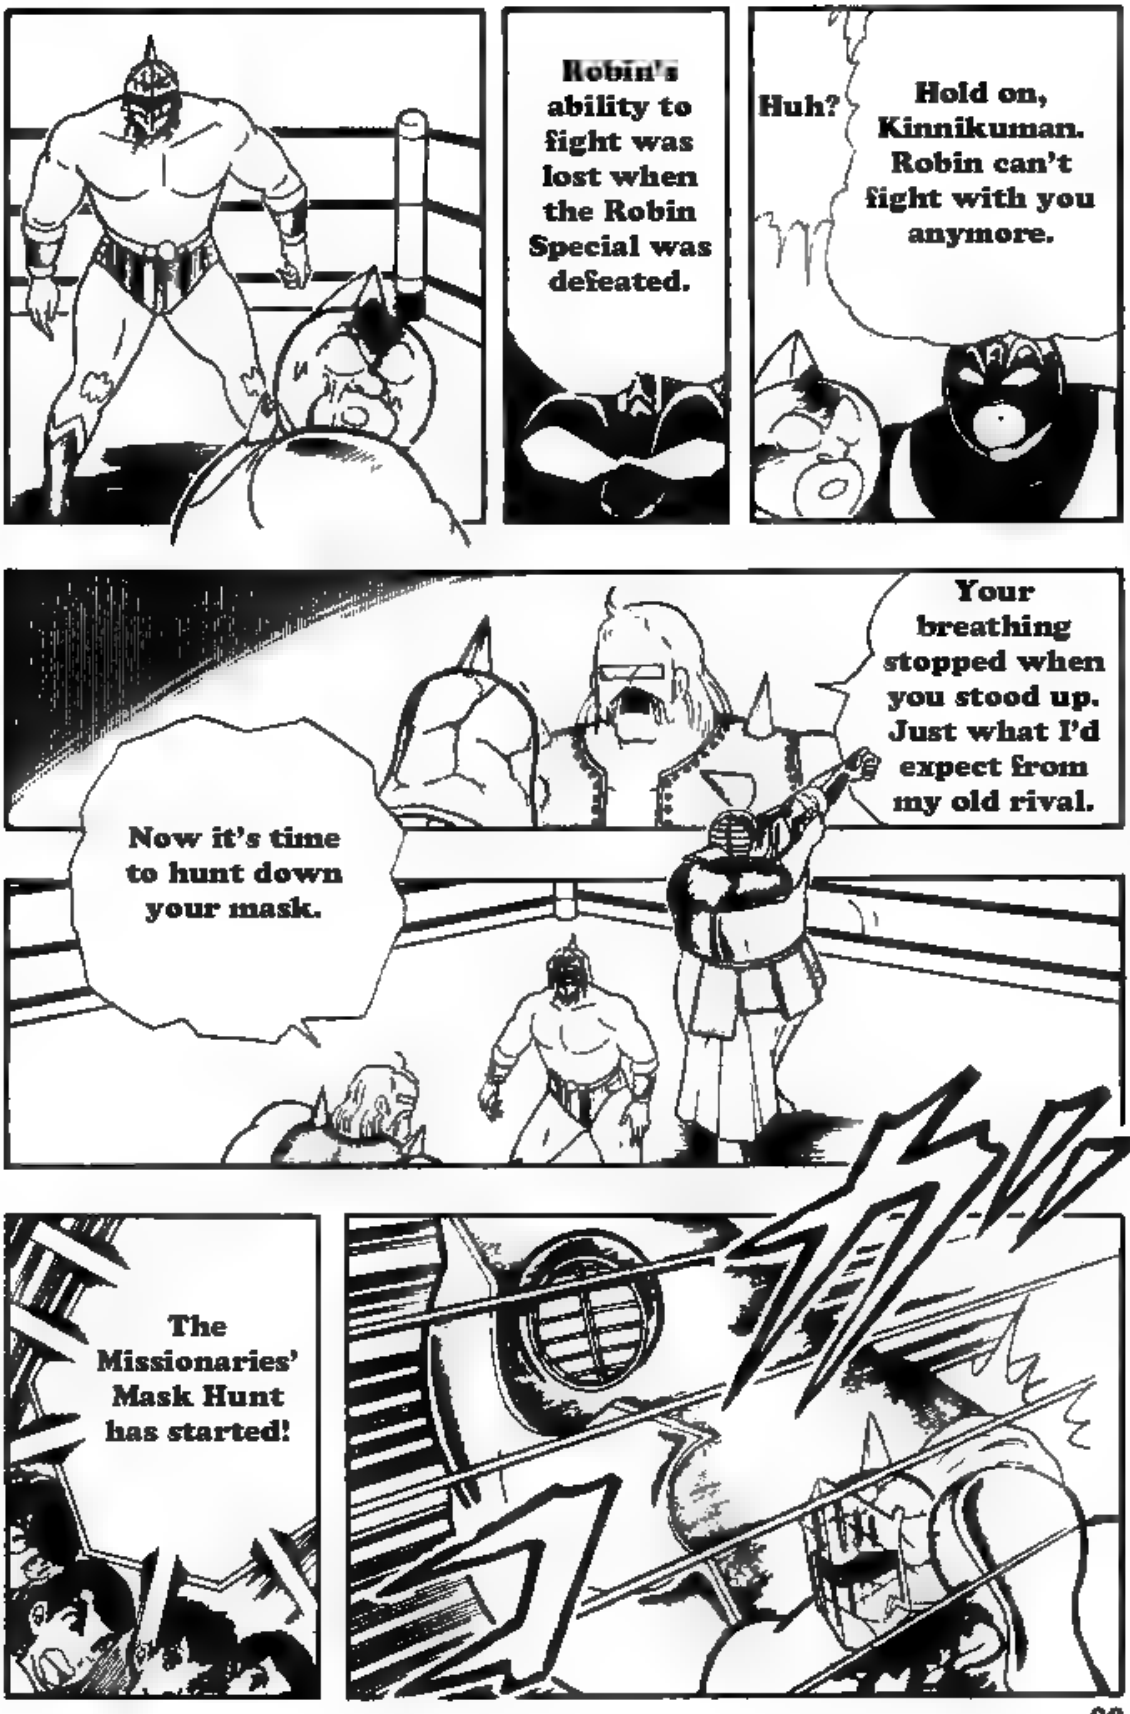


Steel armor!
Take this! Law-Breaking Robin Special Reversal!
The weight from your armor is how you do it!
Geh!
Neptuneman is falling faster than Robin!
あ



Uwaaaa!
Neptuneman has reversed Robin Mask's Robin Special!

It's over this time.
Don't worry, Robin! I'll leave the Muscle Brothers and join the Chojin Teacher/Student Combo!
Robin is tenacious! He's stood back up for a third time!



Robin's ability to fight was lost when the Robin Special was defeated.
Huh?
Hold on, Kinnikuman. Robin can't fight with you anymore.
Your breathing stopped when you stood up. Just what I'd expect from my old rival.
Now it's time to hunt down your mask.
The Missionaries' Mask Hunt has started!

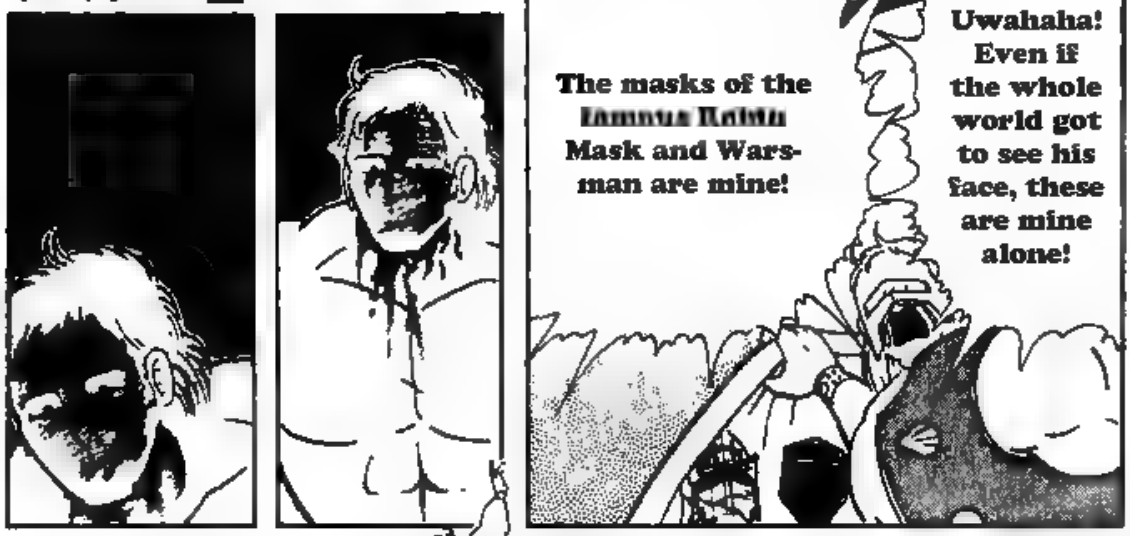
Cross Bomber!
Hardness 10: Diamond Power!

Dream Chojin Tag Arc 18

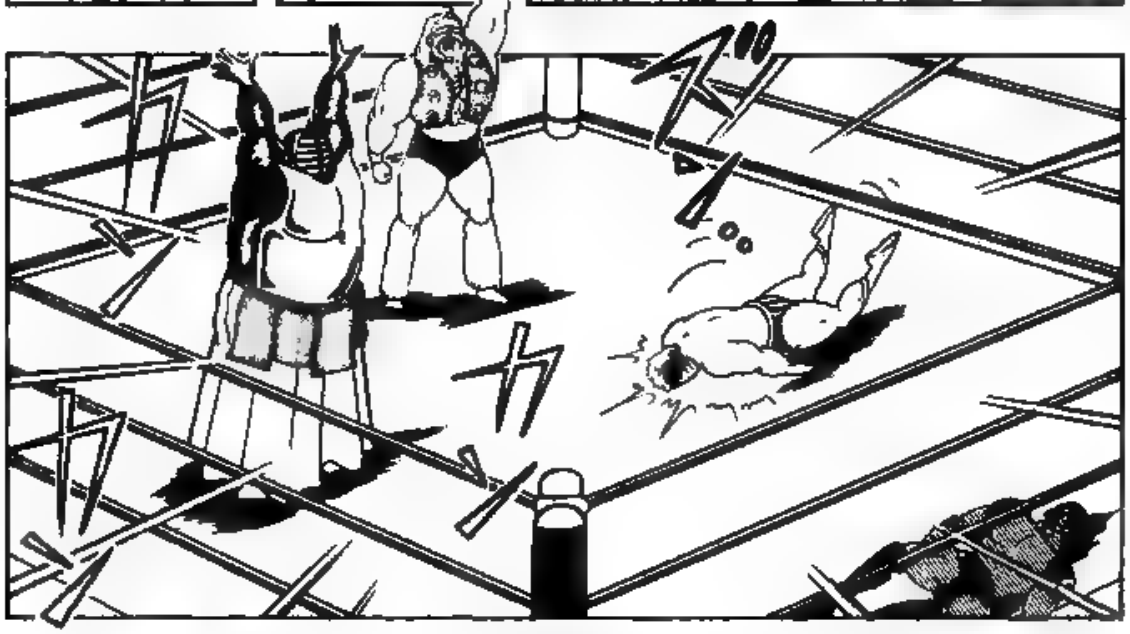
The Devils' Little Box!

A Team Kinniku Release

It's been removed!
This is the first time I've seen it.
Robin Mask's real face!
...are just Chojin masks!
I don't care about Robin Mask's real face. All I care about...
The face of Robin Mask, who's been a Masked Chojin for years, has been exposed to the world!



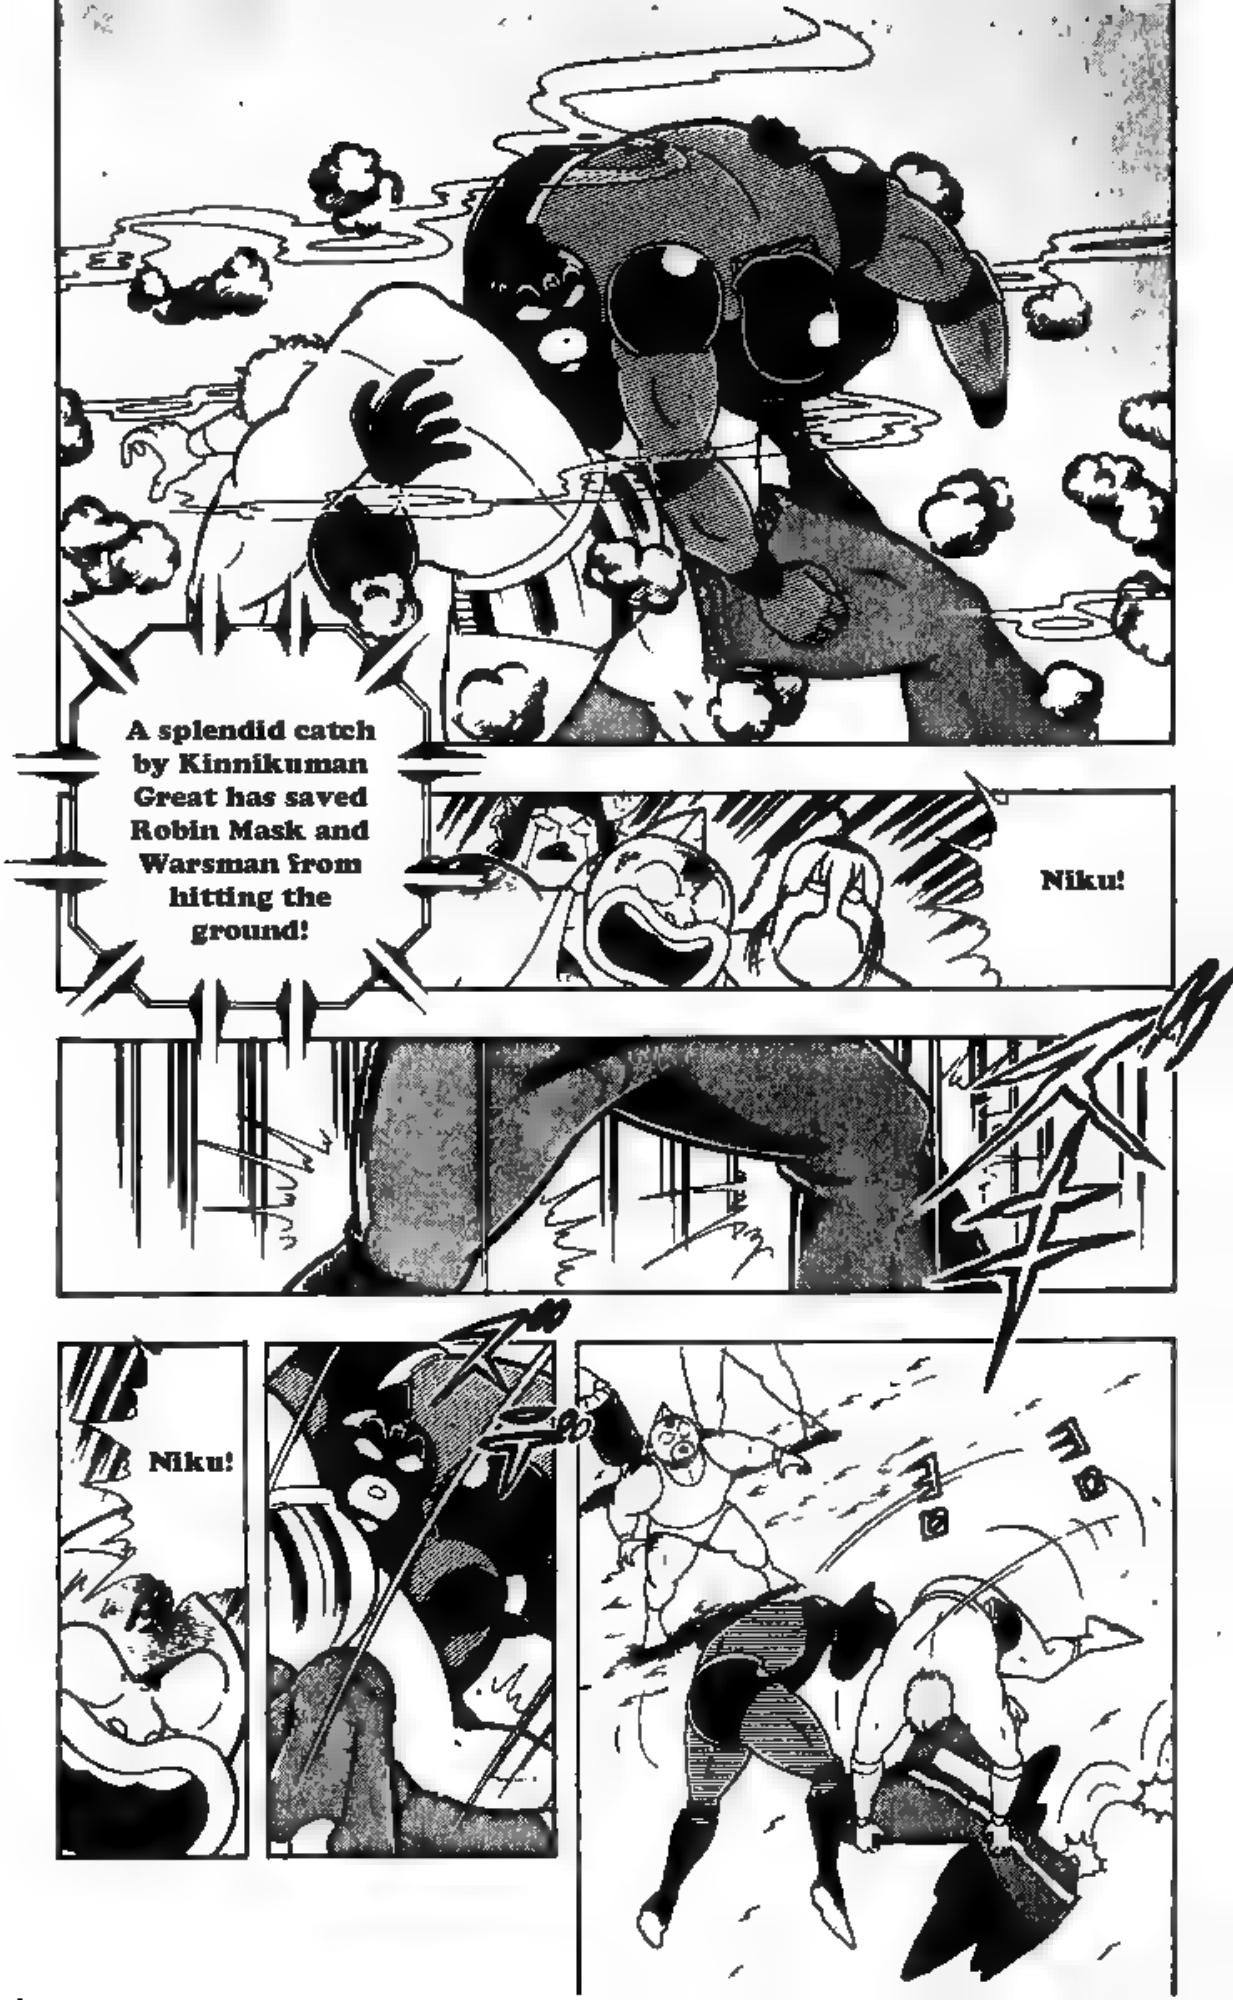
The masks of the Kamuna Kaishu Mask and Warsman are mine!
Uwahaha! Even if the whole world got to see his face, these are mine alone!



Missionaries!
This is a huge upset! The Missionaries, who were completely unkown until this match, have taken down the favored Chojin Teacher/Student Combo!
Those terrible...

What are they thinking?
Right.
Alright, Budo. Why don't we let the audience get a closer look at their real faces?
Take a good look...
Huh?
...at the faces of the Chojin Teacher/ Student Combo!
Stop!

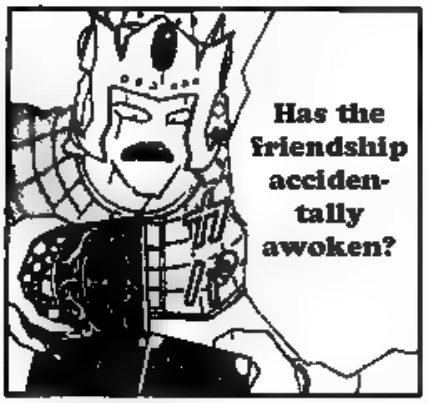
Aaah!
!
Robin Mask and Warsman have been thrown off Tournament Mountain!
.....!!



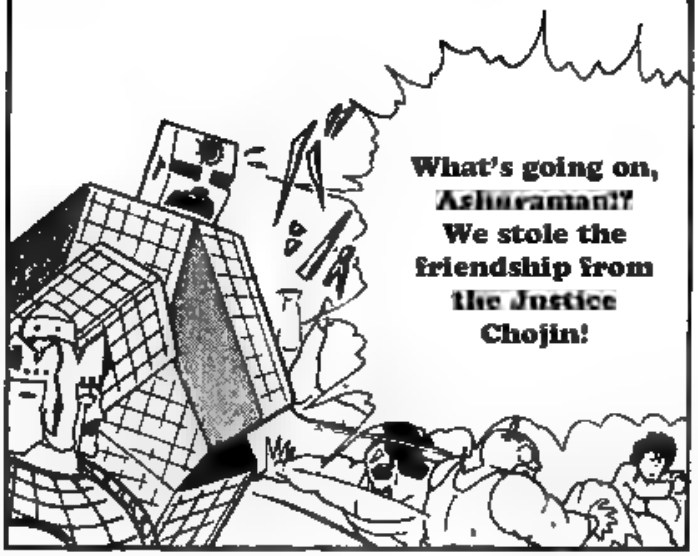
A splendid catch by Kinnikuman Great has saved Robin Mask and Warsman from hitting the ground!
Niku!
Niku!

We've got Robin's real face!
Please, forgive me for this photo.
This is the scoop of the century!
He's incredibly handsome under that mask!
Heh... Humans are such cruel beings...
I can't believe them! Taking pictures of Robin's face like that!
Stop!

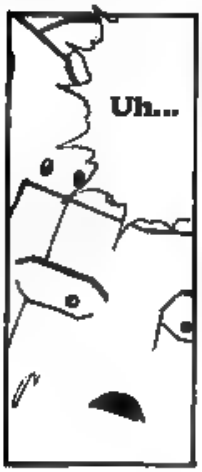
We'll help, too!
As a Masked Chojin myself, I can't forgive this!
Uwa!
Robin, put this on your face!
We won't let this go, either!
We couldn't bring our power together, afterall...
It was a mistake... to want to test my abilities against my wonderful friends...



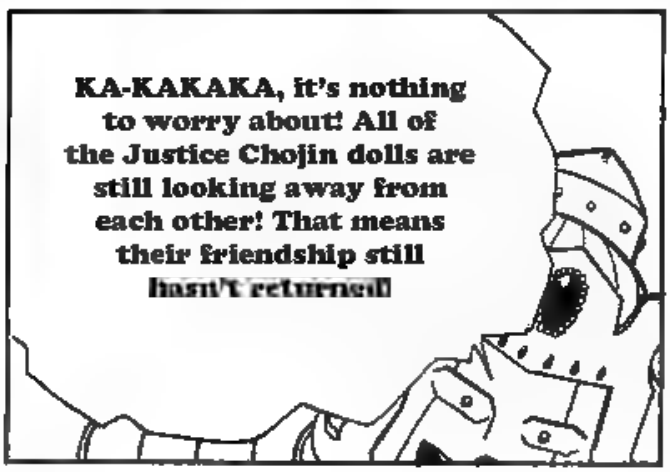
Has the friendship accidentally awoken?



What's going on, Ashuraman!? We stole the friendship from the Justice Chojin!

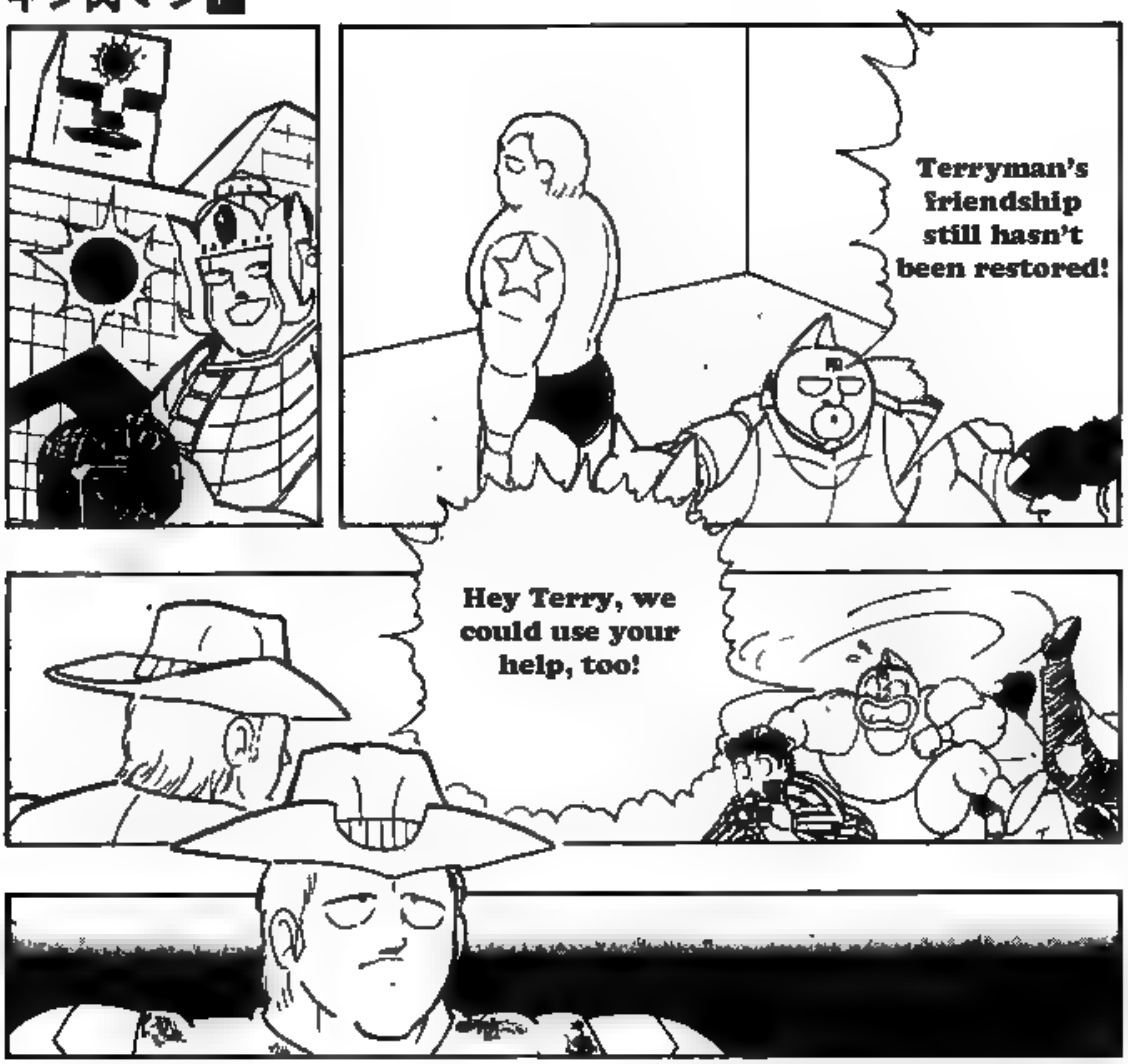


Uh...

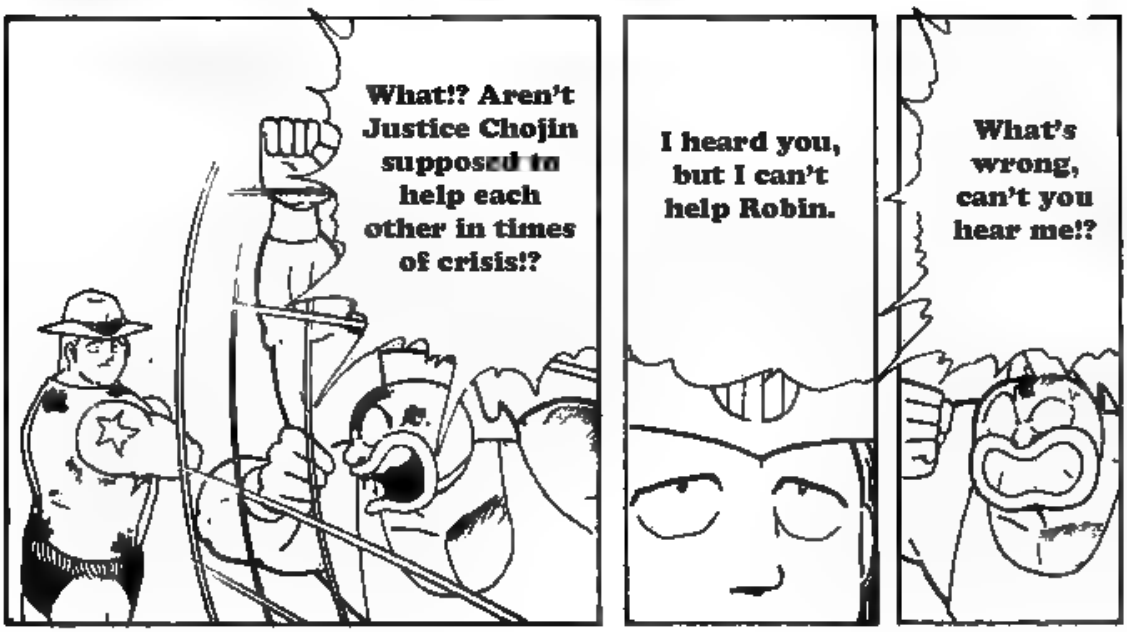


KA-KAKAKA, it's nothing to worry about! All of the Justice Chojin dolls are still looking away from each other! That means their friendship still hasn't returned!

Geh!
Of the nine dolls, five of them have had their friendship returned!
The odds are still in our favor.
Their relationship is back to normal.



Terryman's friendship still hasn't been restored!
Hey Terry, we could use your help, too!

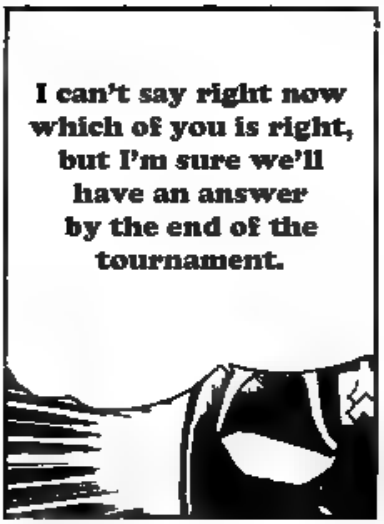


What!? Aren't Justice Chojin supposed to help each other in times of crisis!?
I heard you, but I can't help Robin.
What's wrong, can't you hear me!?

I share Terryman's opinion on this one.
Fine, I won't ask you again. Geronimo, come help Robin!
I can't help him! Robin Mask was defeated by Neptuneman's power and had his mask removed! Isn't it natural for the loser to be exposed in his shame?
It's thanks to the blind optimism called "Kindness" that I've made two major mistakes in the past.
Terry, you're normally the kindest of the Justice Chojin...

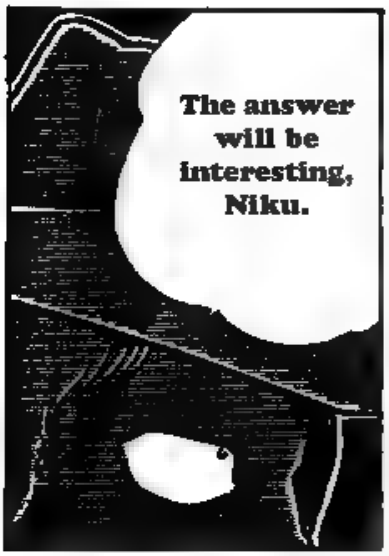
The second was during the second Chojin Olympics' Bullet Train competetion. I got disqualified because I saved a puppy.
The first was during the first Chojin Olympics! I got shot in the leg saving you from Kinkotsuman's rifle and ended up getting third place!
From now on I'm New Terryman! Geronimo and I are going to win the Tag Championship!
However, watching Neptuneman has got me thinking! I won't make those mistakes again!
You...
How dare you talk like that!?

You wanna settle this!?



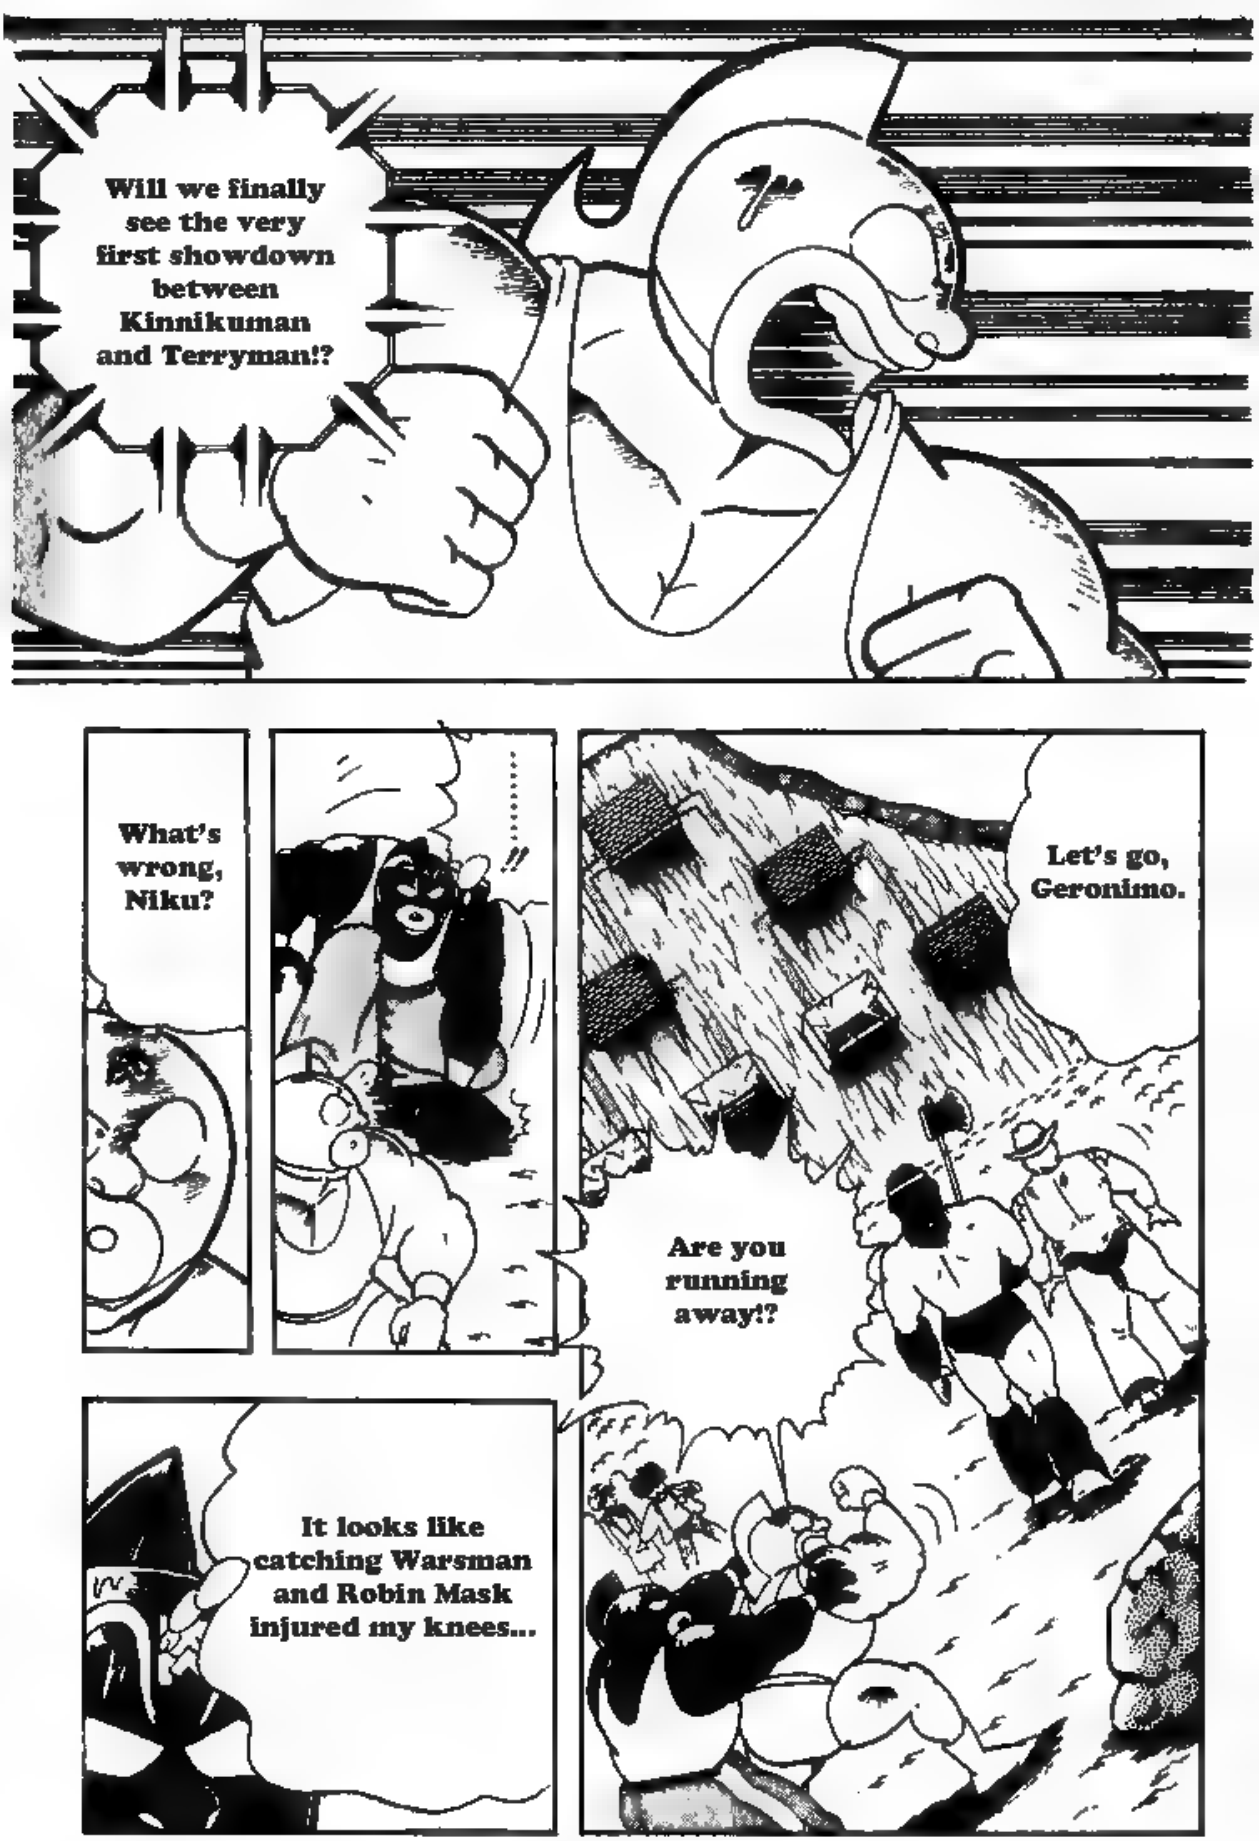
I can't say right now which of you is right, but I'm sure we'll have an answer by the end of the tournament.

Let go, Niku!
Stop it, Kinniku-man!



The answer will be interesting, Niku.

.....



Will we finally see the very first showdown between Kinnikuman and Terryman!?
What's wrong, Niku?
!!
Let's go, Geronimo.
Are you running away!?
It looks like catching Warsman and Robin Mask injured my knees...

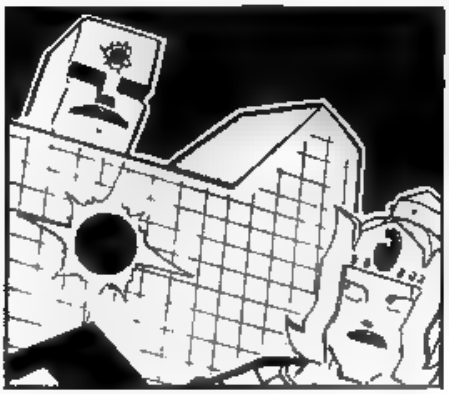
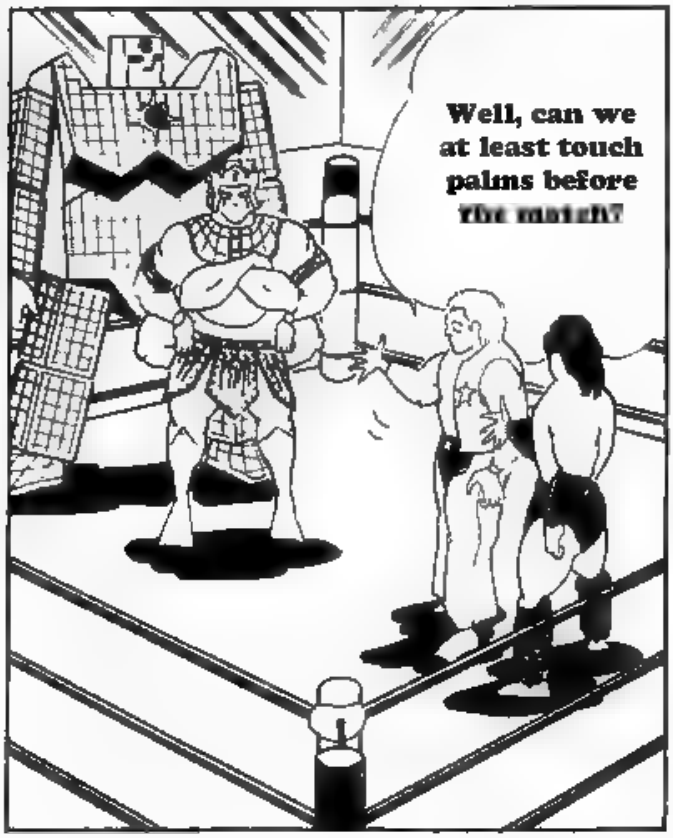
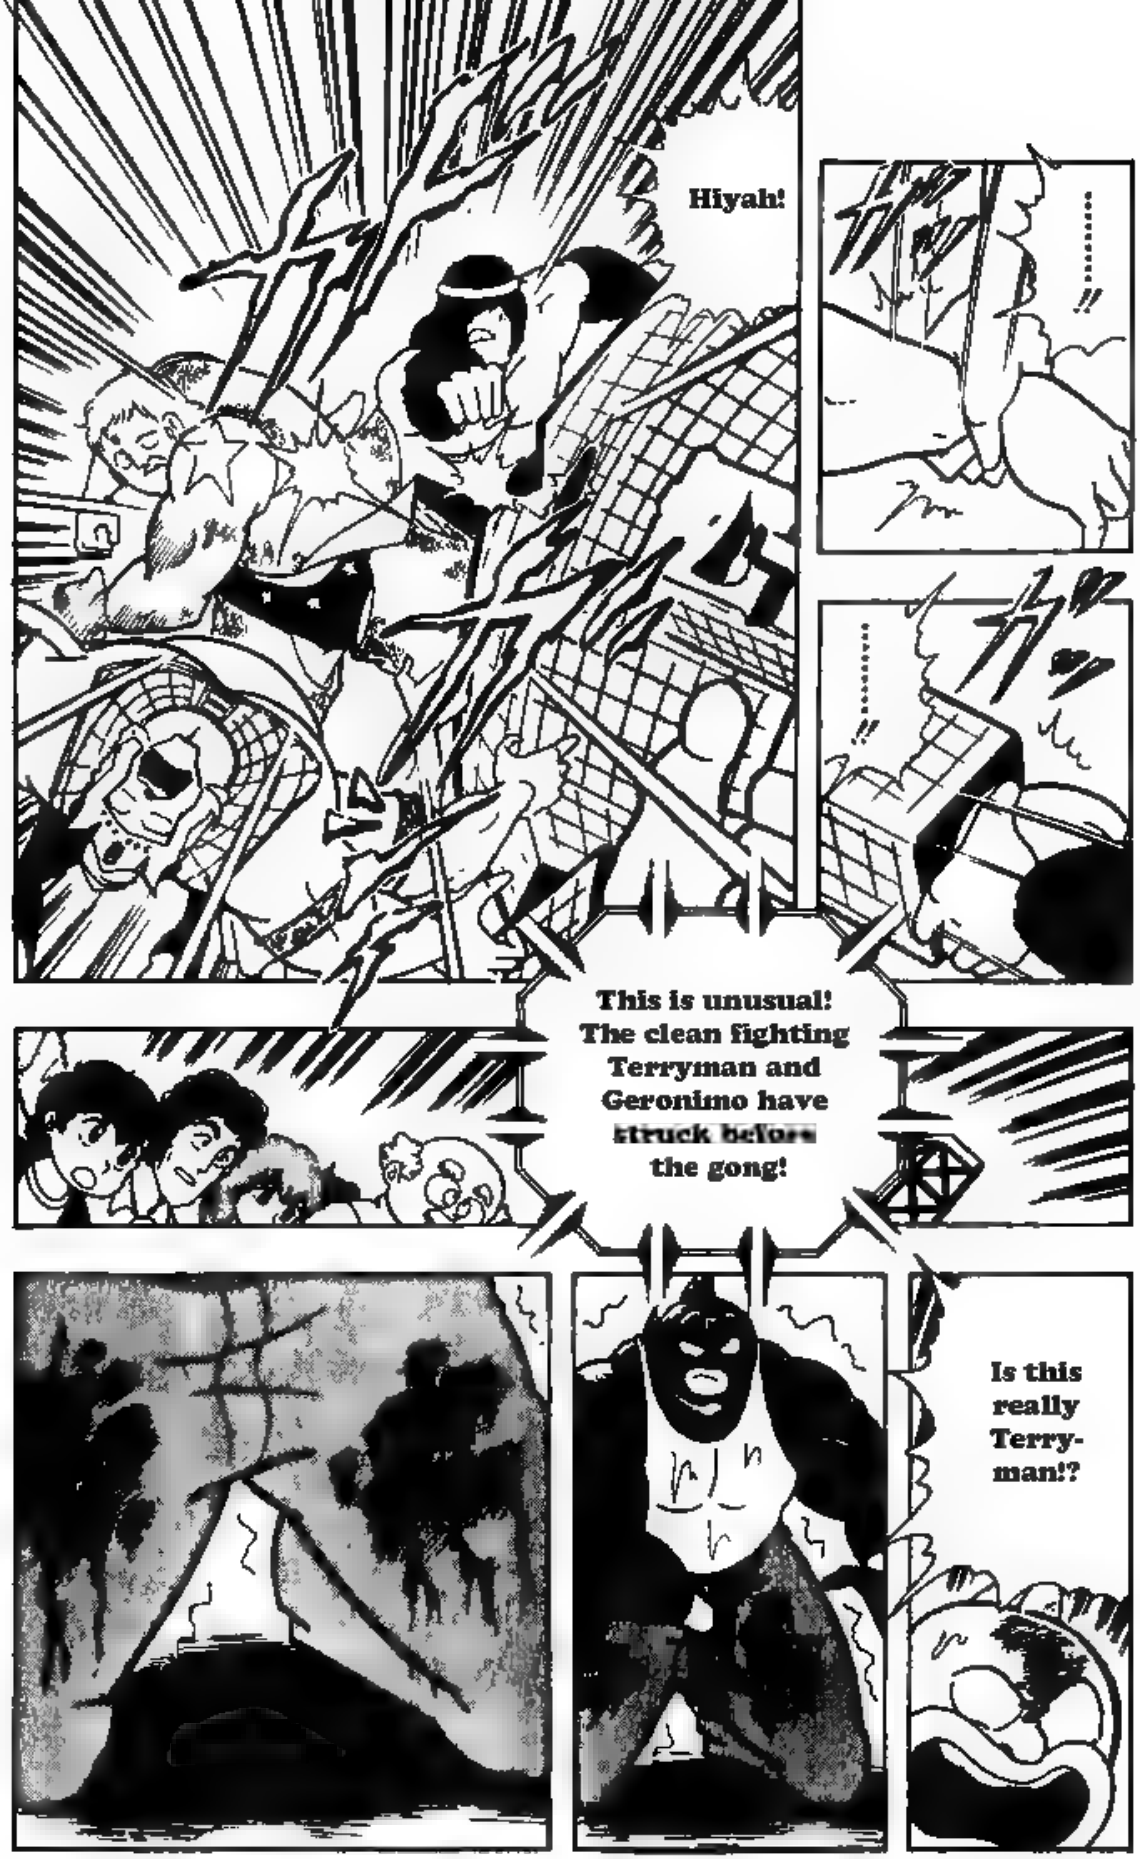
Stray Devil Chojin
Well, the first round has reached it's final match with the New Machine-guns and the Stray Devil Chojin Combo!



In honor of our future victory, we'll grand you a handshake.



Well, can we at least touch palms before the match?



Hiyah!
This is unusual! The clean fighting Terryman and Geronimo have struck before the gong!
Is this really Terry-man!?

悪には悪を!! の巻
With a surprise attack from Terryman and Geronimo before the gong, the Stray Devil Chojin Combo are down!
Has struck before the gong!
It can't be... The clean-fighting Terryman...
Our new style will continue even after the gong!
And the gong sounds!

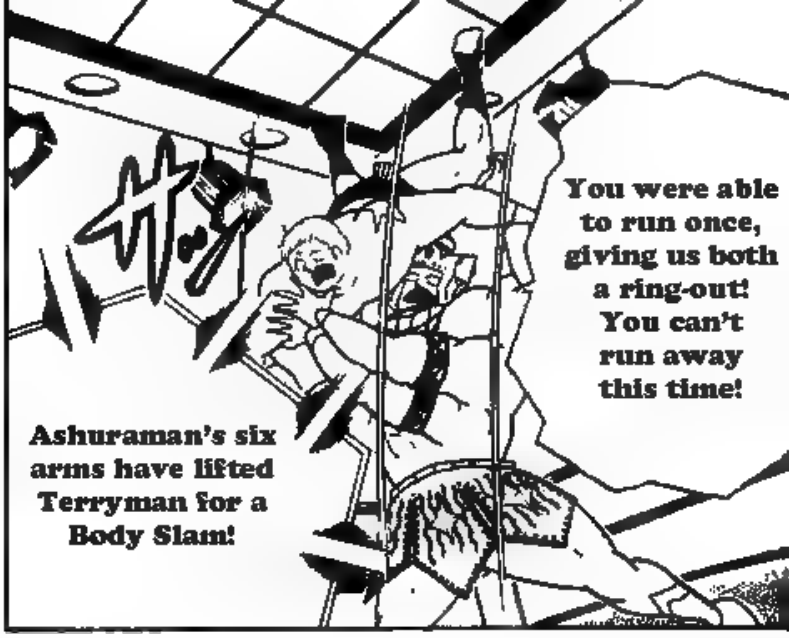
Dream Chojin Tag Arc 19

Fighting Evil with Evil!

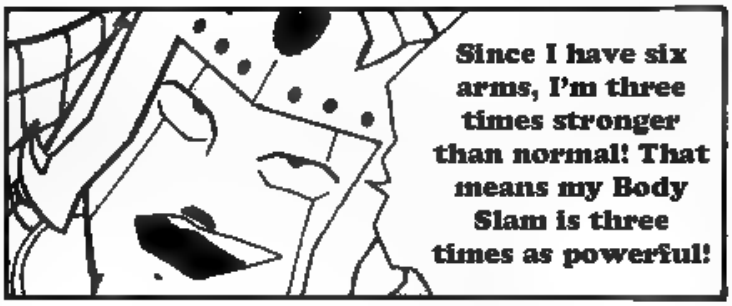
A Team Kinniku Release

What's with this new Terryman!? I'm going to punch him in the face for this dirty attack!
Gya!
Almost as if they've switched places with the Devils, Terryman's dirty fight continues!
Now I'm glad I broke up our tag partnership.
Right! Like Kinnikuman said, you're more evil than we are!
Way to go, Ashura-man!
You heretic!

Triple Body Slam!



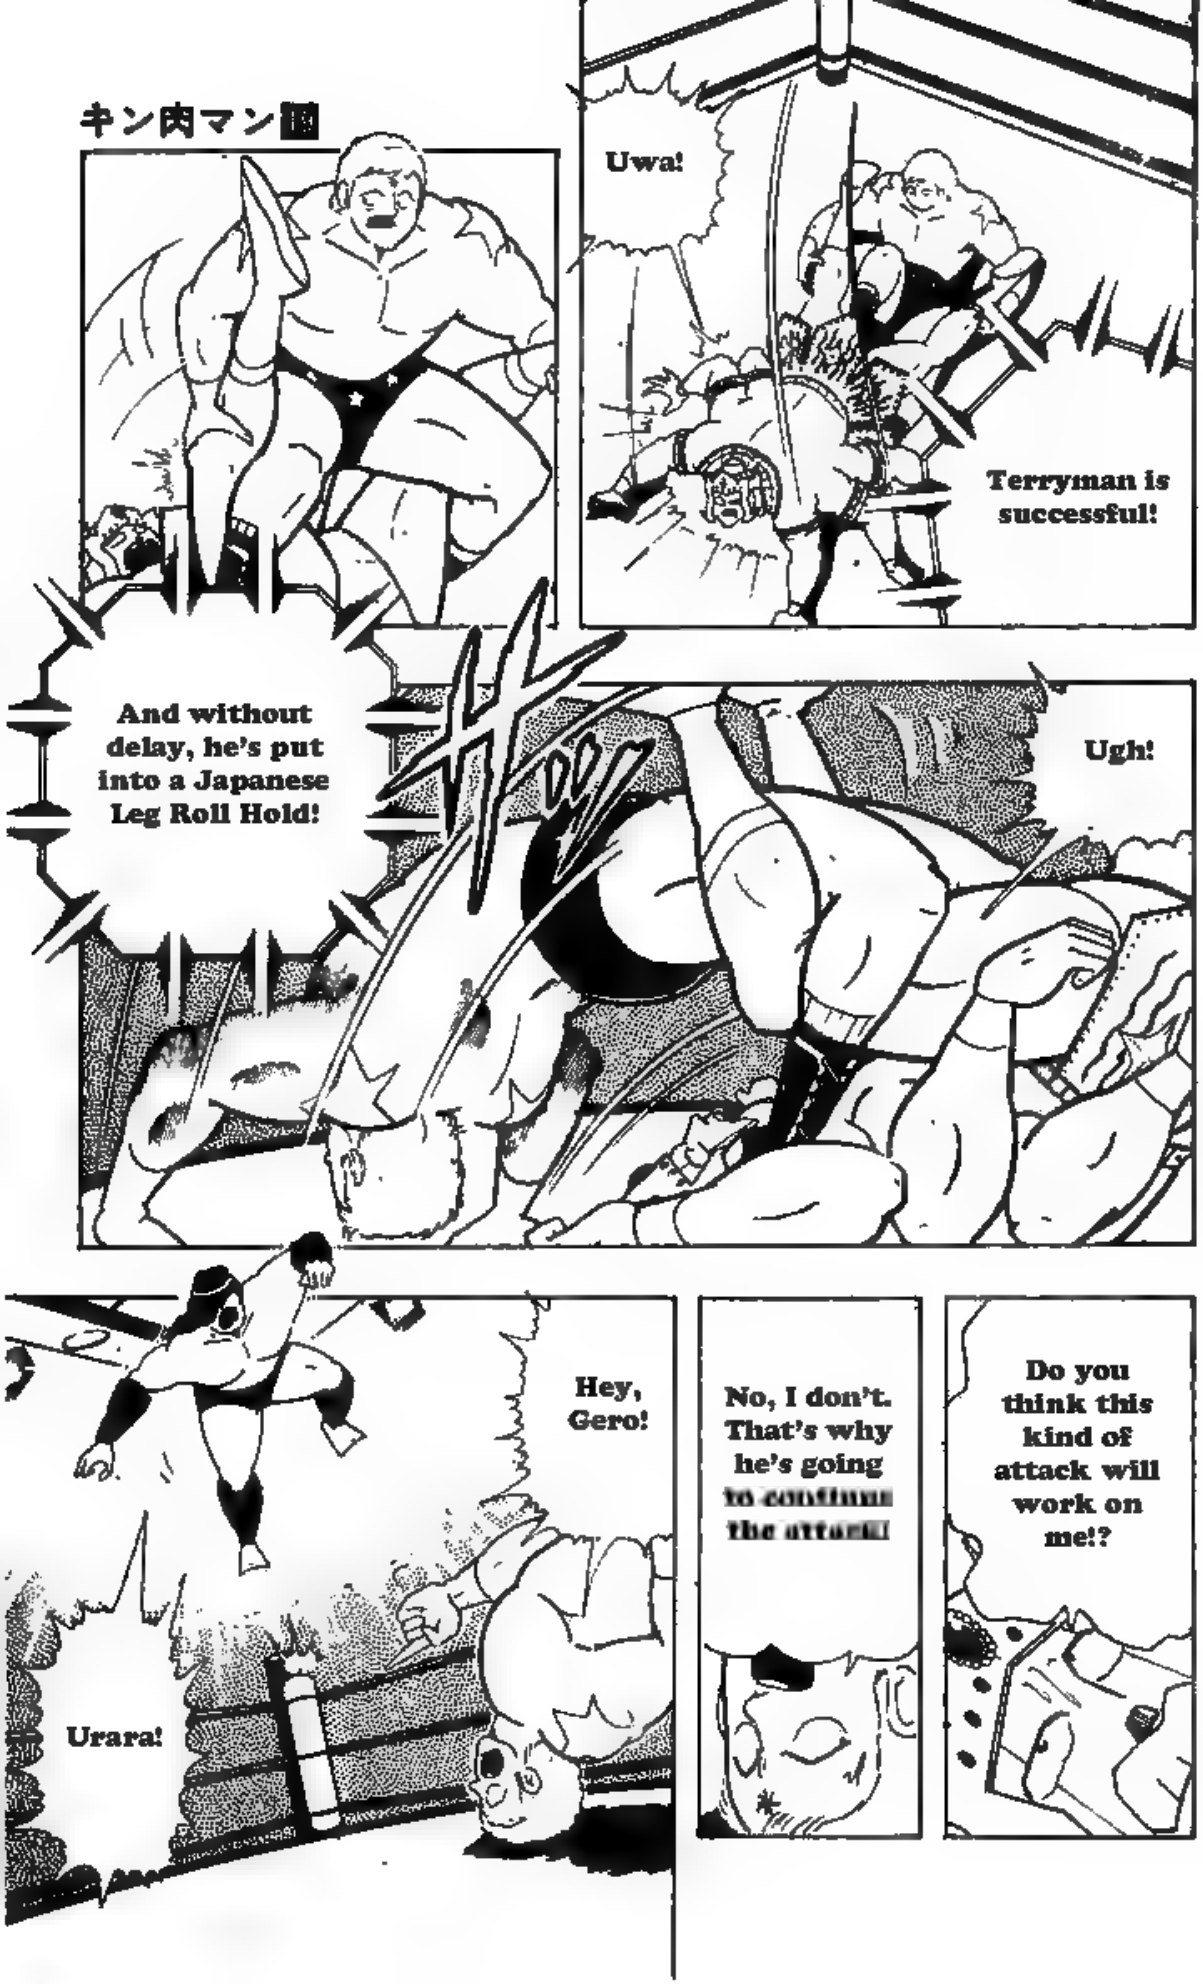
Ashuraman's six arms have lifted Terryman for a Body Slam!
You were able to run once, giving us both a ring-out! You can't run away this time!



Since I have six arms, I'm three times stronger than normal! That means my Body Slam is three times as powerful!

Geh!

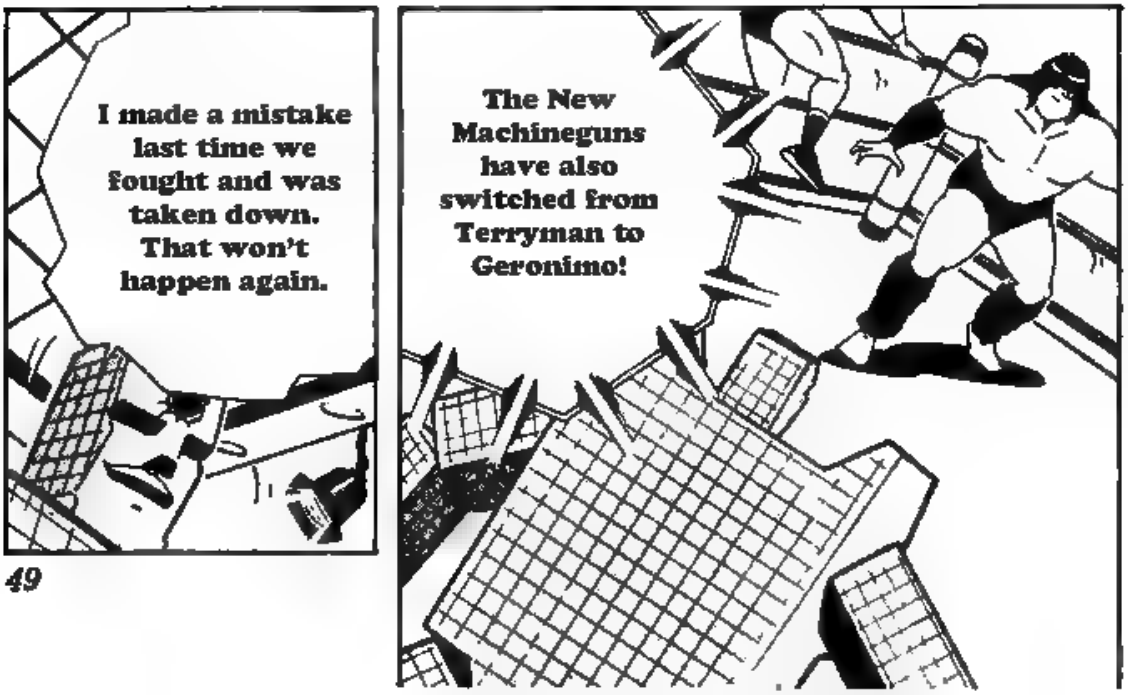
Do you think I'm still the same Terryman I was before!?



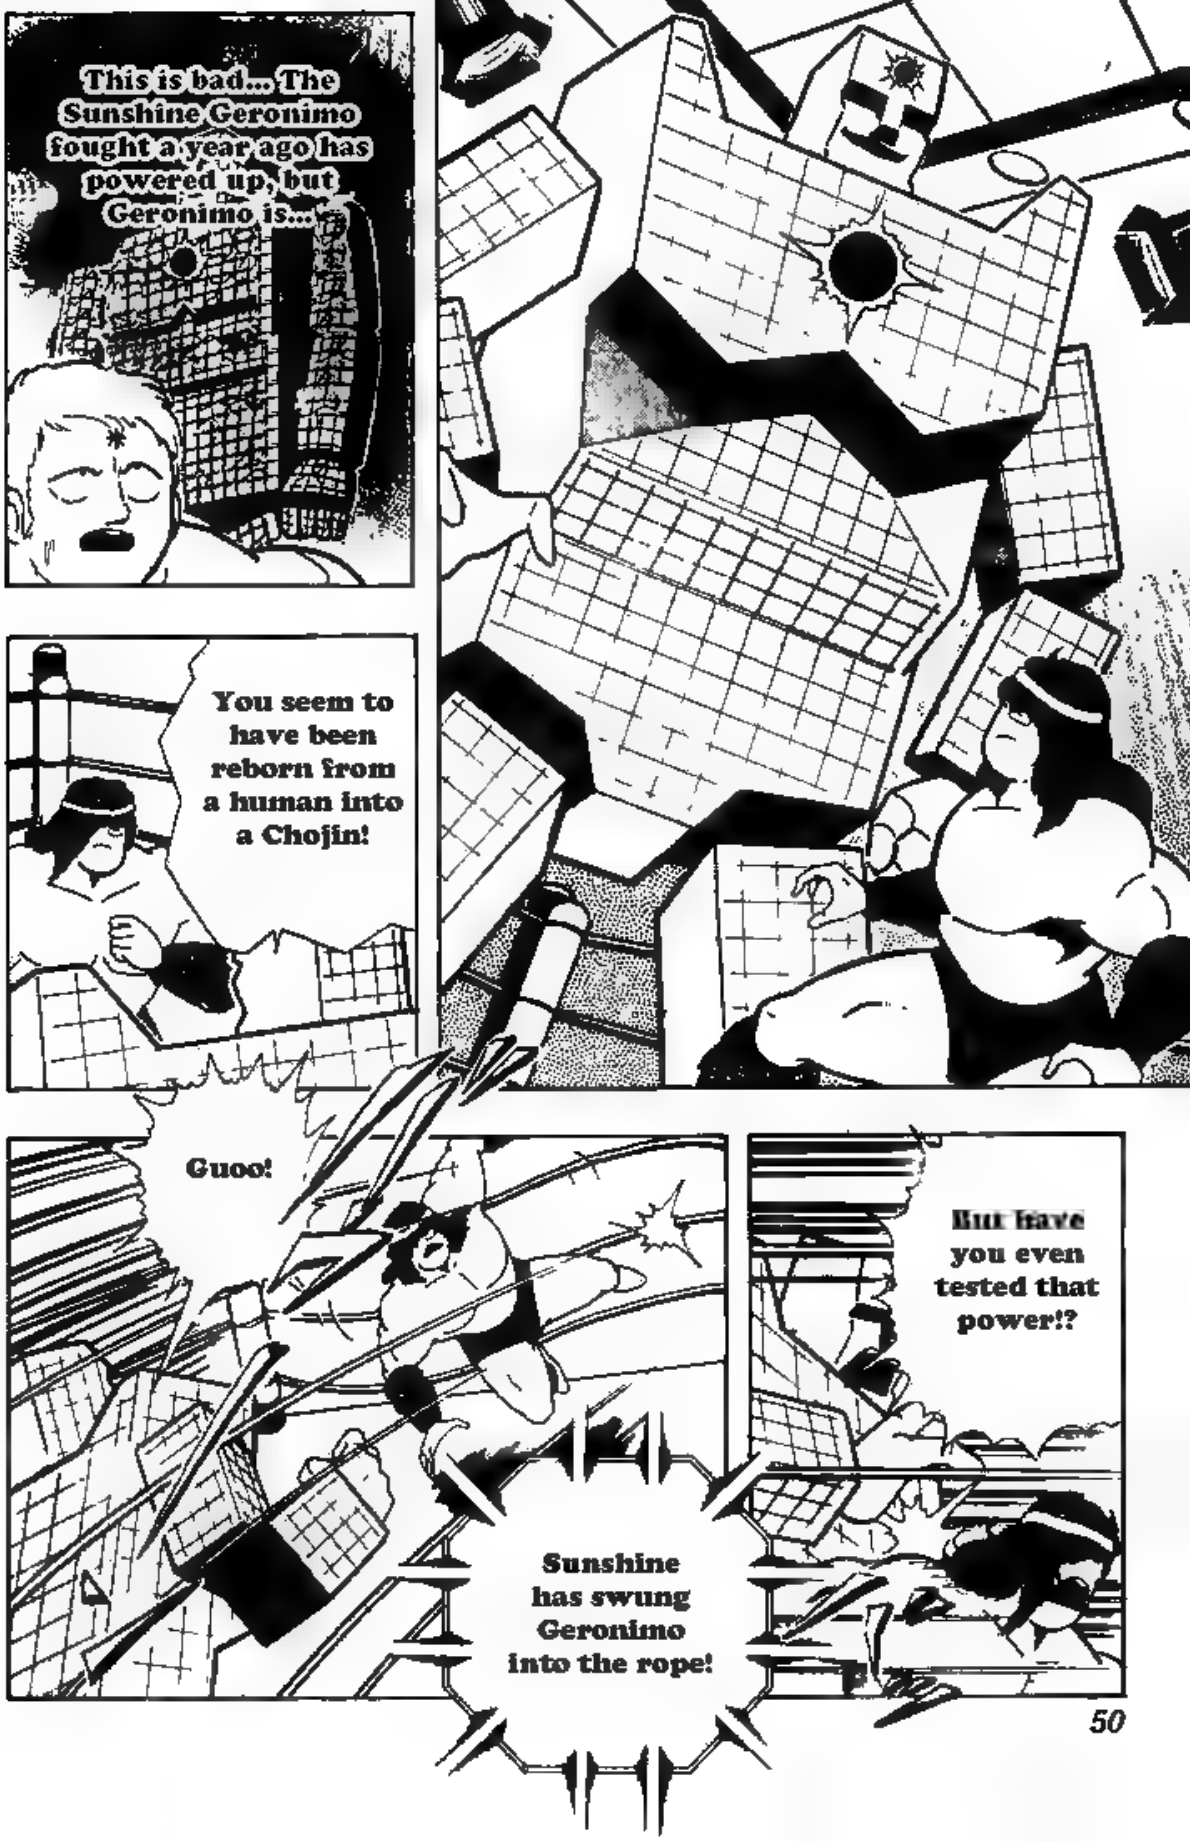
Uwa!
Terryman is successful!
And without delay, he's put into a Japanese Leg Roll Hold!
Ugh!
Hey, Gero!
Urara!
No, I don't. That's why he's going to continue the attack!
Do you think this kind of attack will work on me!?

Urara!
Geronimo is jumping on top of Terryman's bridge!
The destructive power that was added to the Leg Roll Hold when Geronimo jumped on it was a terrifying combination!
Hmph! This is a circus!
Guo fuo fuo! You won't be able to do this against me!
Surprisingly, the Stray Devil Combo is in a pinch!
The Stray Devil Combo has switched from Ashuramaan to the giant, Sunshine!

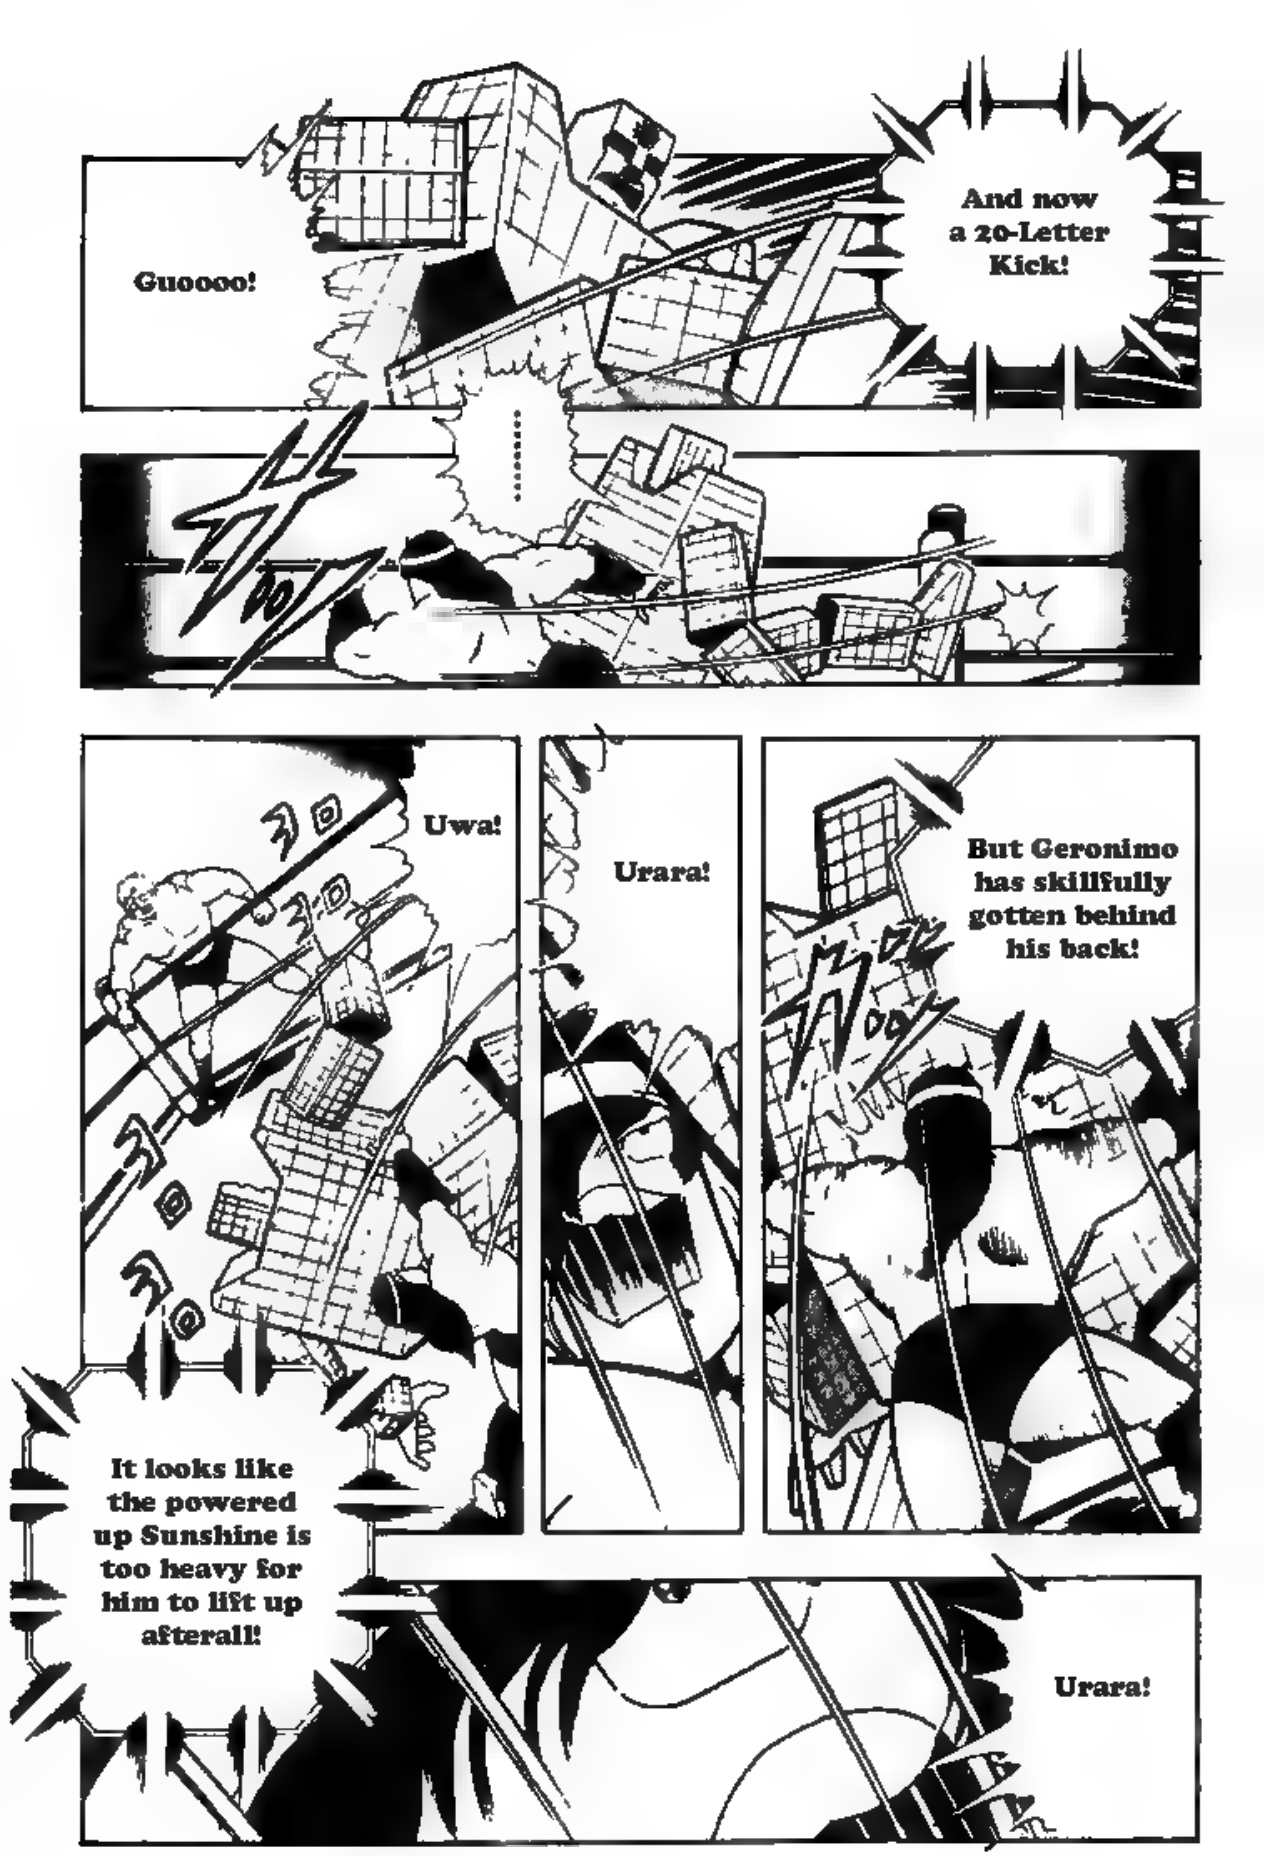
Right, you've fought [redacted] before, so you can wear him down.
Go, Geronimo!



I made a mistake last time we fought and was taken down. That won't happen again.
The New Machineguns have also switched from Terryman to Geronimo!

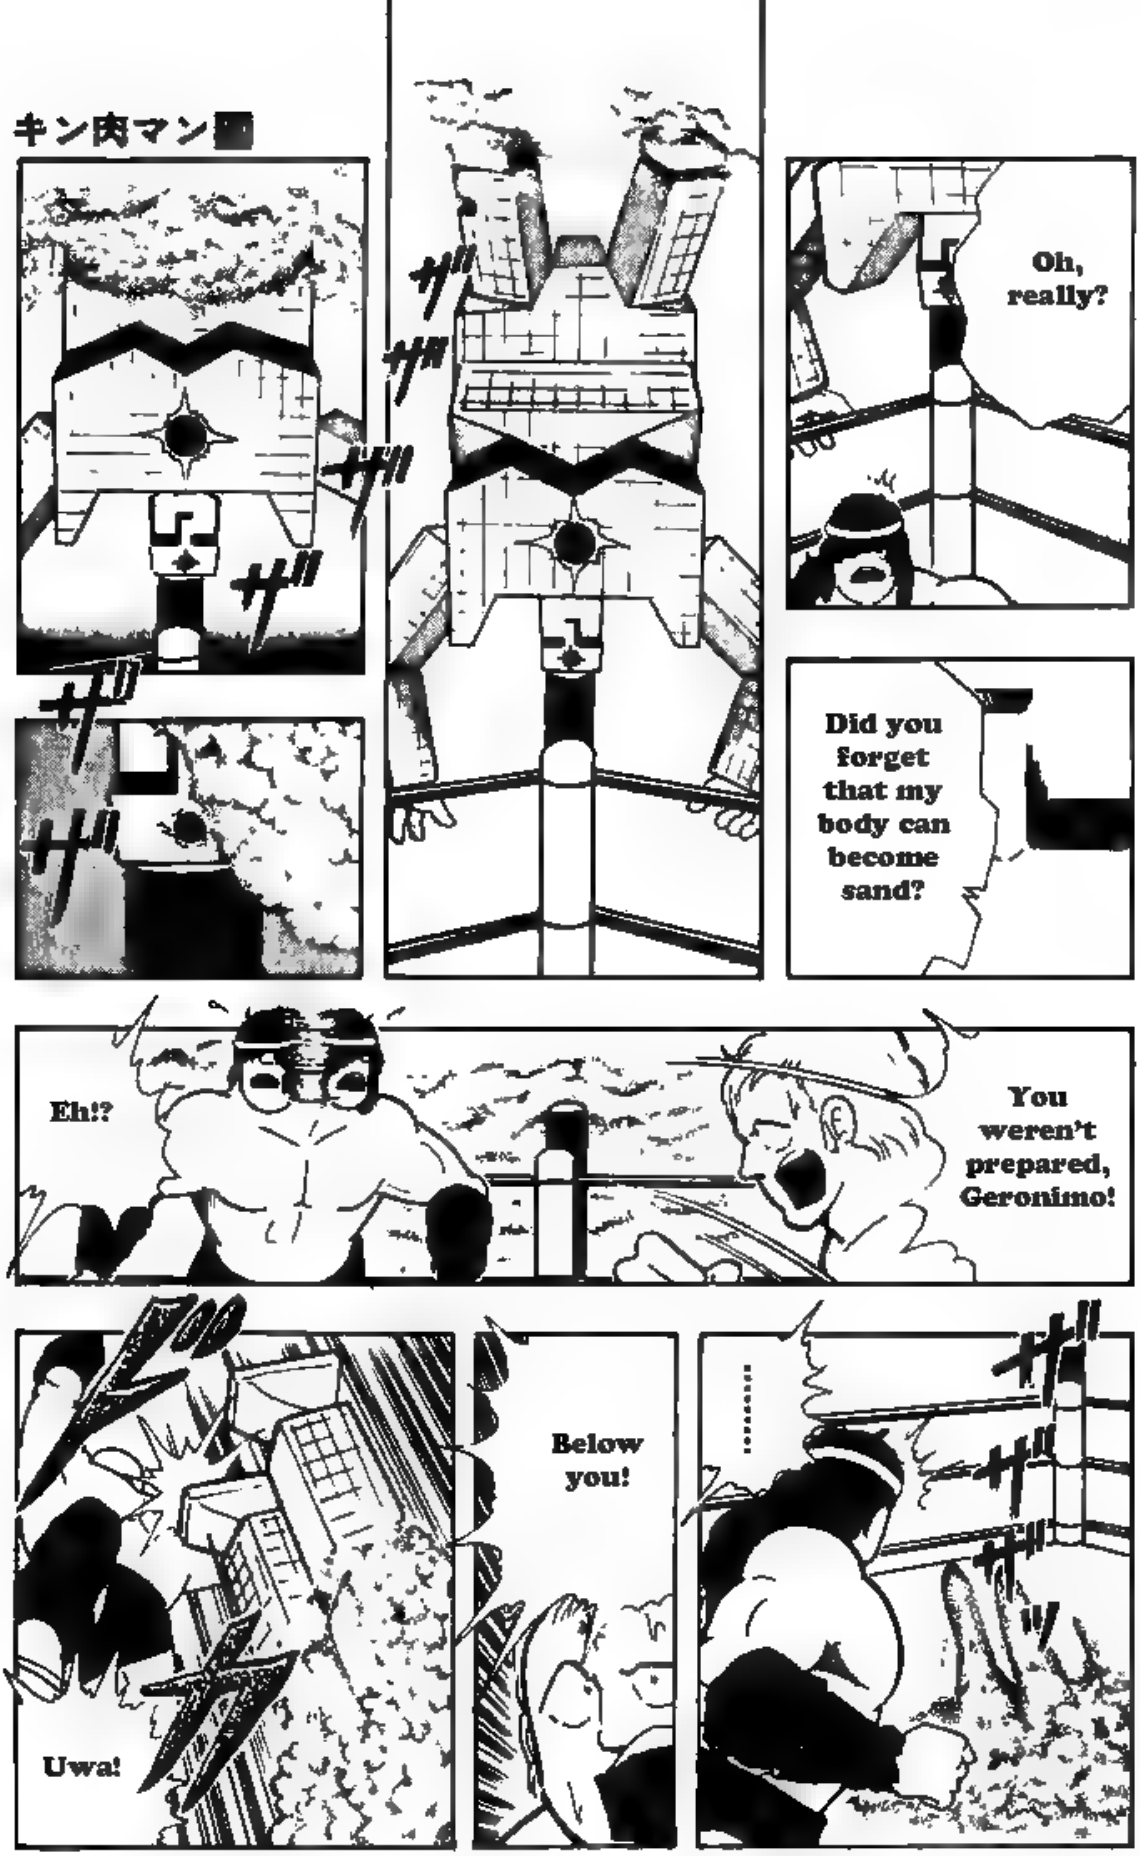


This is bad... The Sunshine Geronimo fought a year ago has powered up, but Geronimo is...
You seem to have been reborn from a human into a Chojin!
Guoo!
But have you even tested that power!?
Sunshine has swung Geronimo into the rope!

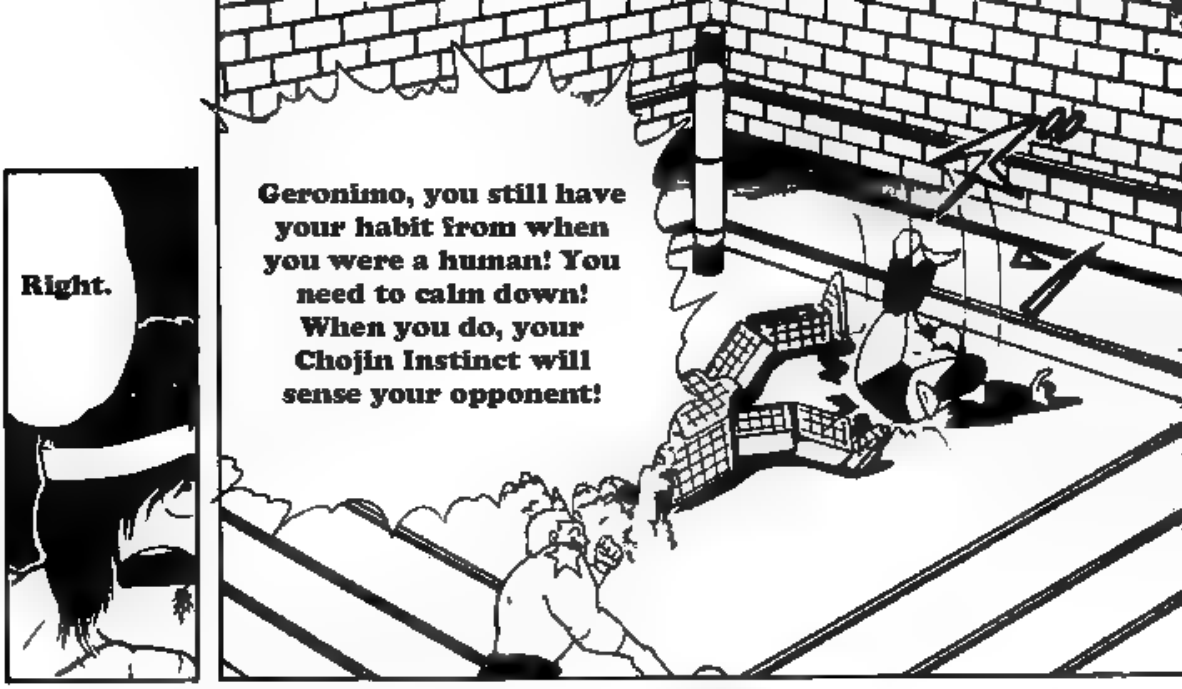


Guoooo!
And now a 20-Letter Kick!
Uwa!
Urara!
But Geronimo has skillfully gotten behind his back!
It looks like the powered up Sunshine is too heavy for him to lift up afterall!
Urara!

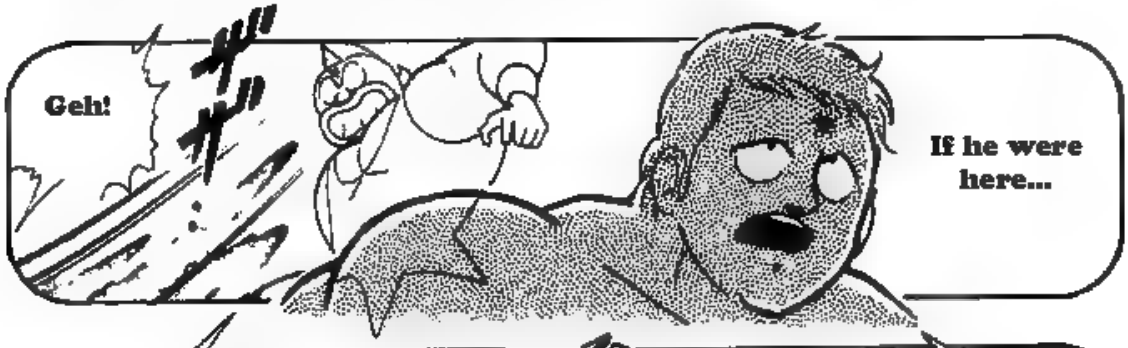
They're floating!
Urara!
This is Geronimo's Chojin Power!
My power up has surpassed yours!
Geronimo's greatest jump was able to hit Sunshine's head on the iron pole with a Back Drop!



Oh, really?
Did you forget that my body can become sand?
Eh!?
You weren't prepared, Geronimo!
Uwa!
Below you!
.....



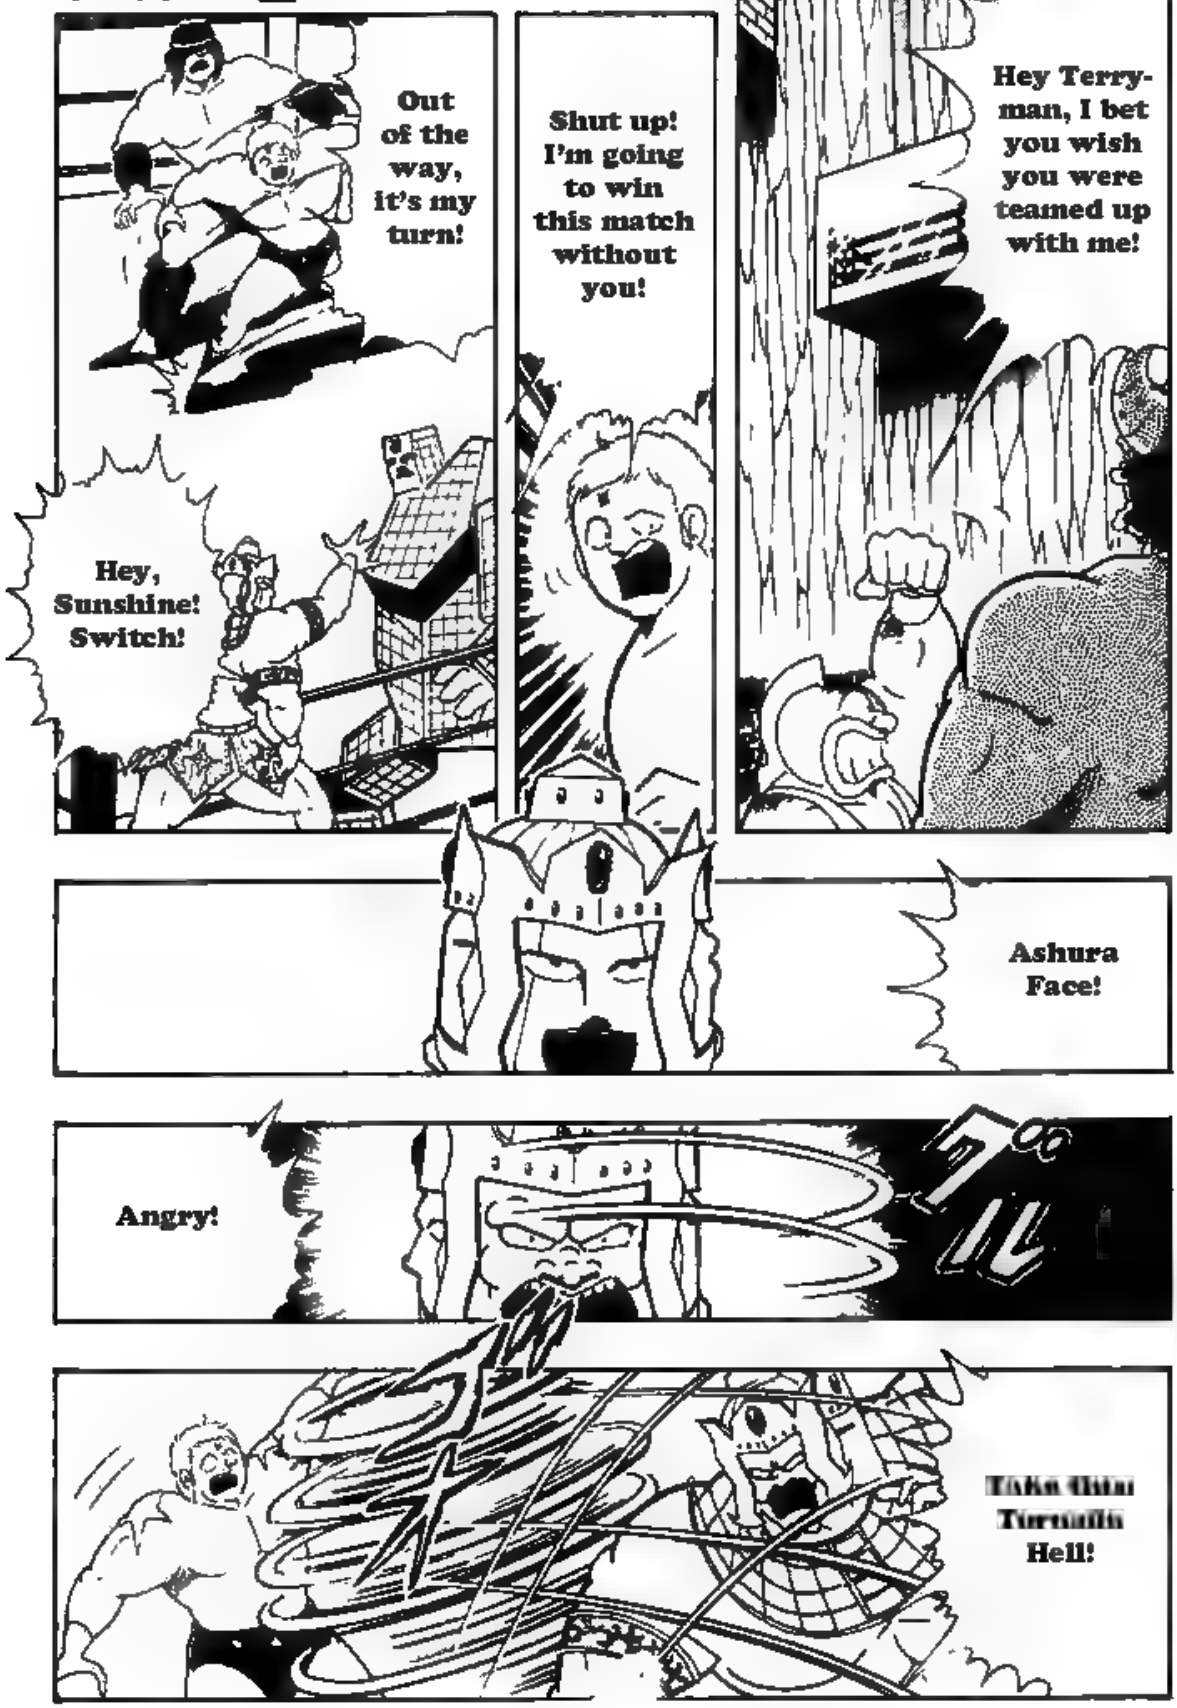
Right.
Geronimo, you still have your habit from when you were a human! You need to calm down! When you do, your Chojin Instinct will sense your opponent!



Geh!
If he were here...

Hiyah!
Burning Inner Strength!

I formed the New Machineguns to test my own strength!
No, I've split up with him!



Out of the way, it's my turn!
Shut up! I'm going to win this match without you!
Hey Terry-man, I bet you wish you were teamed up with me!
Hey, Sunshine! Switch!
Ashura Face!
Angry!
Tokyo Ghoul Tornado Hell!

Ashuraman's six arms shoot a tornado at Terryman!
Terry!
Uwa!
KAKAKA! Terryman is getting burned due to his rivalry with Kinnikuman! We'll be able to cook the New Machineguns easily, now!
It's all thanks to the stolen friendship between Terryman and Kinnikuman...
Huh? That box those devils have... it may be connected to the Justice Chojin's friendship!

I've got it! I know a way we can destroy the Tornado Hell and round up the Stray Devil Chojin at the same time!
I did.
While we're at it, a Chojin shouldn't just attack either, even when the opponent is on the offense. You also need to think ahead.
I'm fine...
Are you alright, Terry-man!?
Under-stood.
Urara!
Let's go, Geronimo! Devil exterminating!
The New Machineguns' Team Arm Breaker has broken off two of his arms!
What!?

Tornado Hell!
KAKAKAKA! You've only broken two of my many arms! I still have four left, and that's enough for a tornado!
Since we have four arms, too!
So we can return it!
Alright, his tornado is smaller with only four arms!

Uwa!
Gya!
Tornado Hell Return!
Oh no! Terryman's team has blown away their own destiny along with the devils!

Uwaaa!
Terryman and Geronimo's Tornado Hell reversal has blown away the Stray Devil Combo!
Terryman and Geronimo's Destiny Dolls!
They did it! Great job!

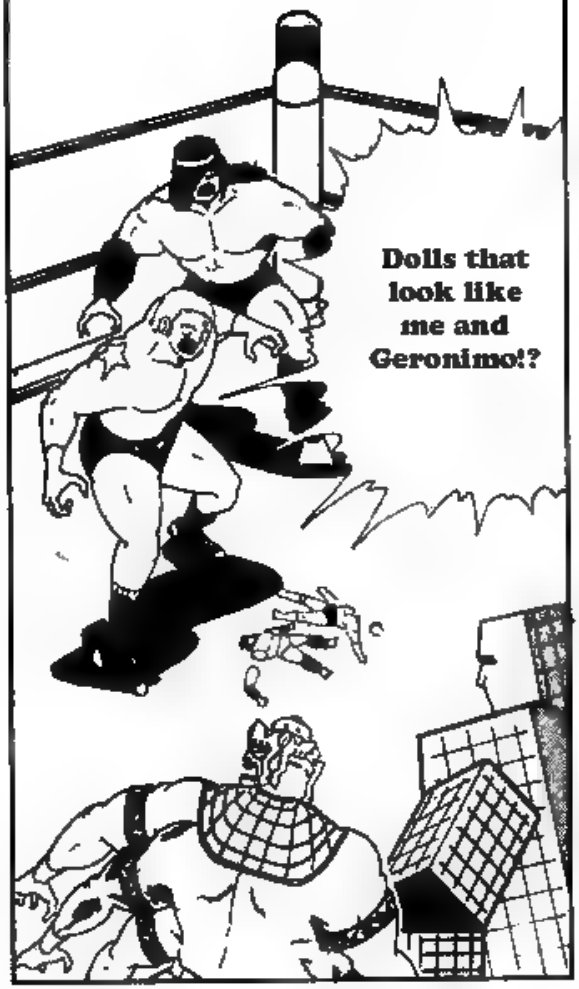
Dream Chojin Tag Arc 20

Marionettes of Destiny!

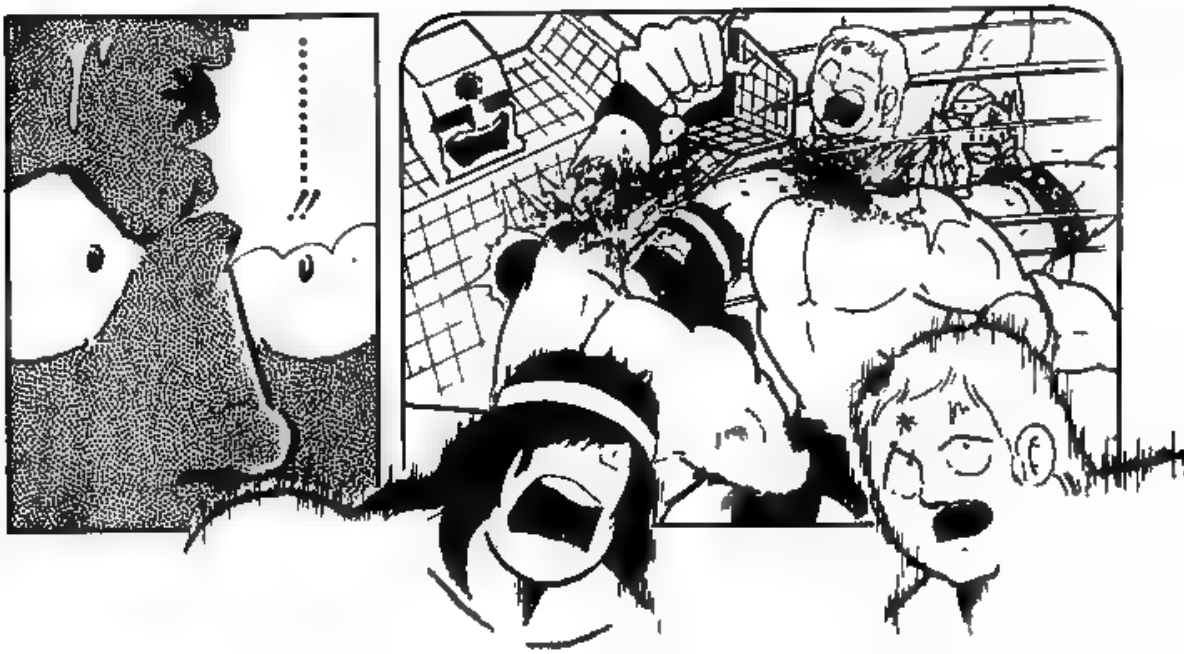


Dolls that look like me and Geronimo!?

What does that mean!?

You haven't noticed yet? Take a look by your feet.

Predict our destiny...?
Those dolls predict your destiny!

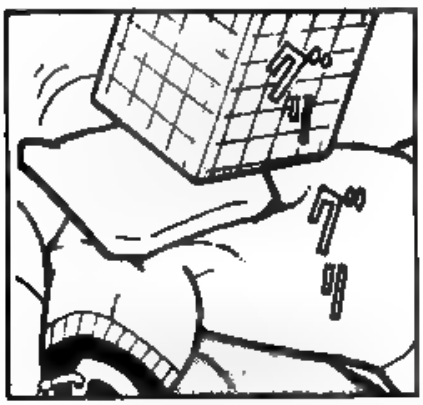


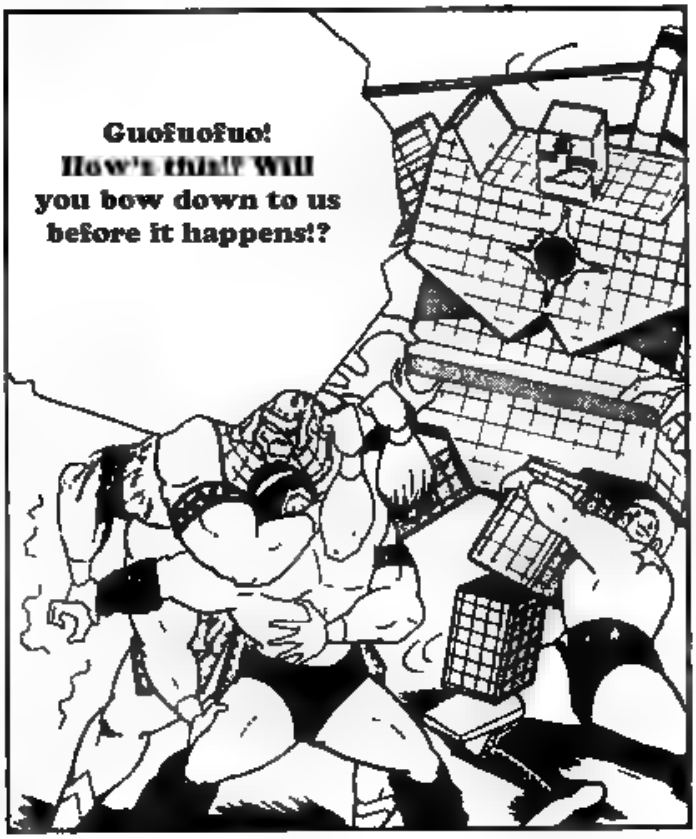
!!

What's wrong with Terryman's team!? They should be ahead after that reversal!
Weird... I have a sudden urge to use the bathroom.

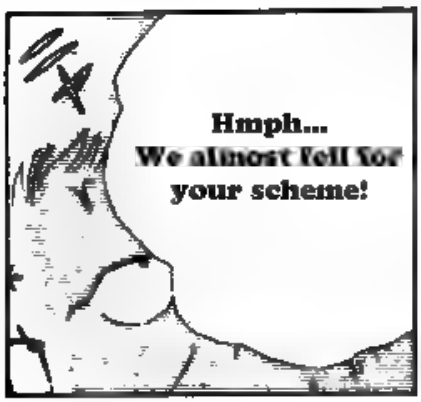
KA-KAKAKA! Your fate is so cruel that you're speechless!

.....!!

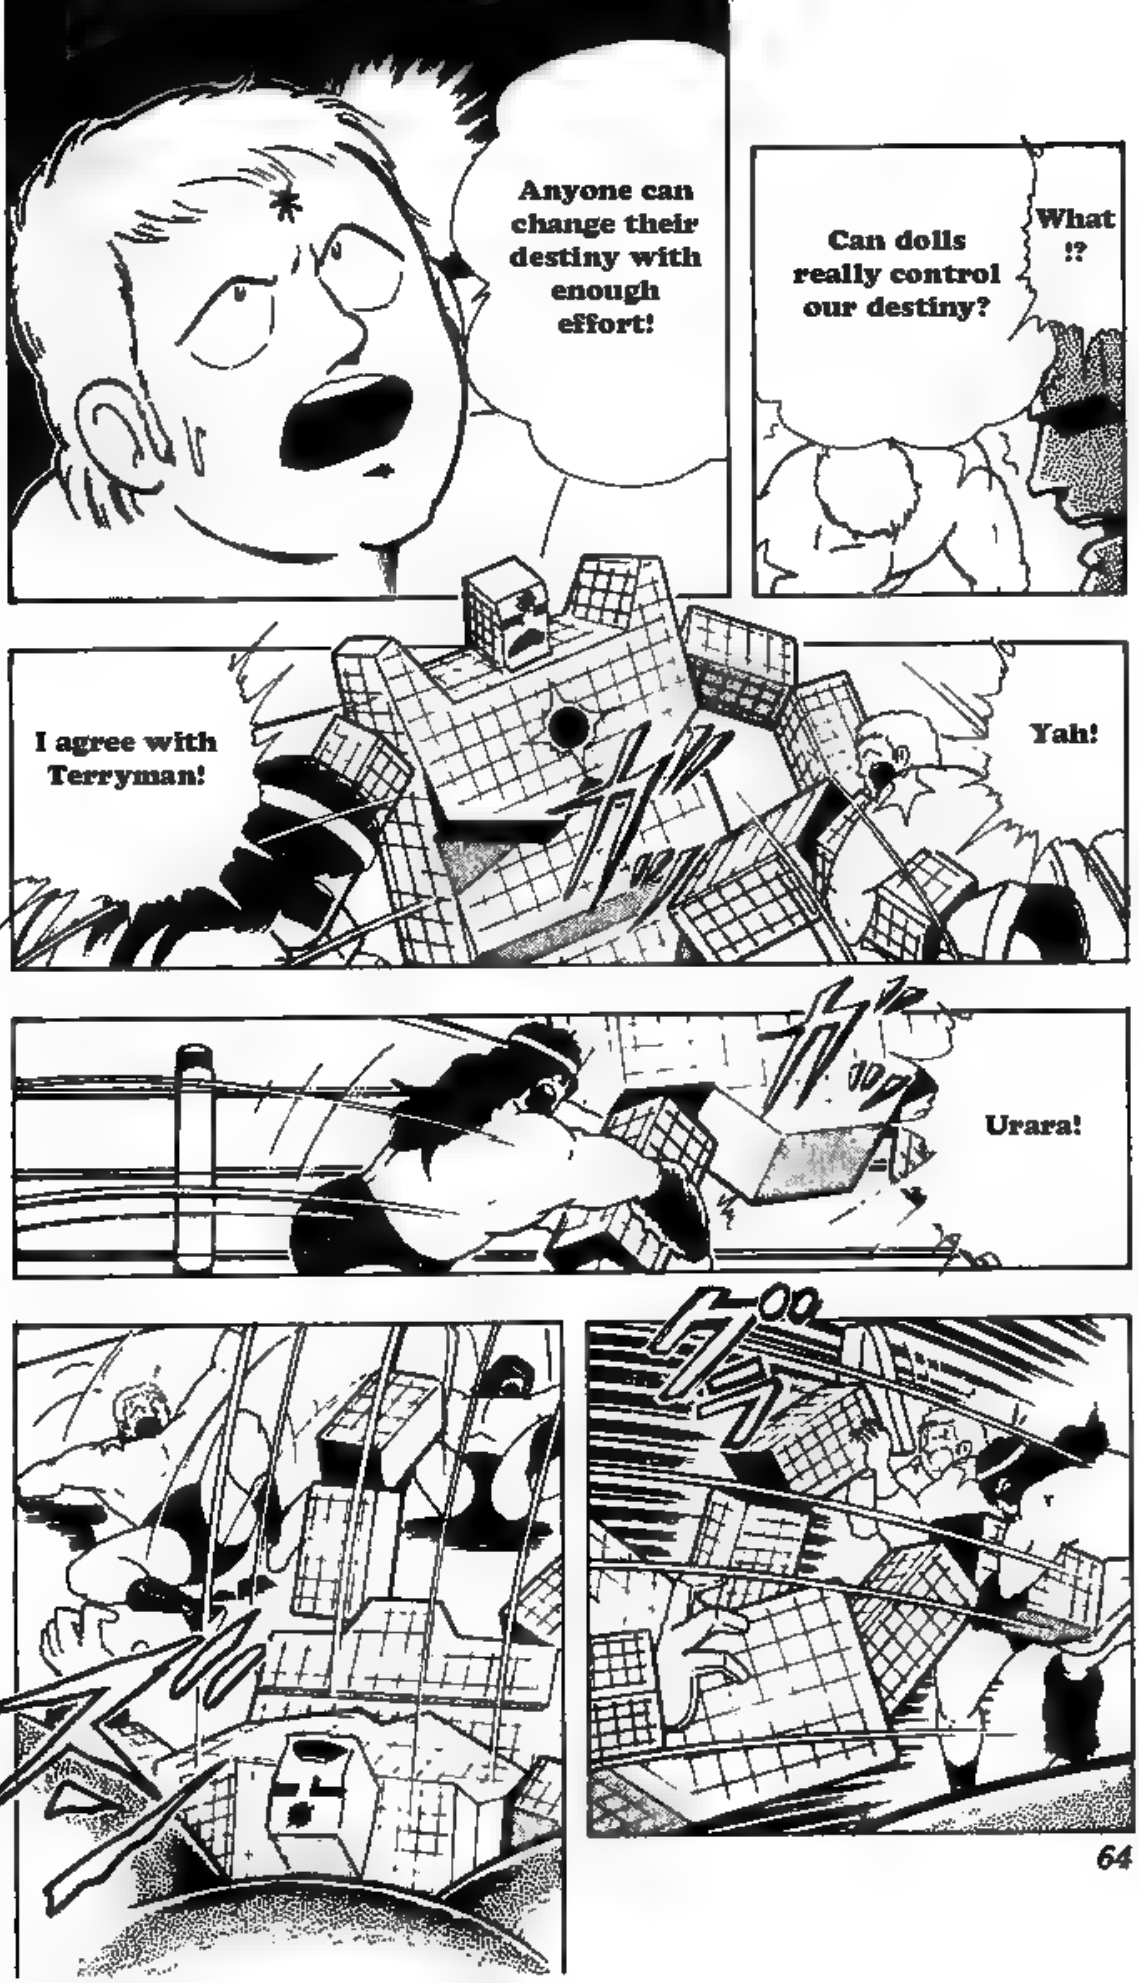




Guofuofuo! How's this!? Will you bow down to us before it happens!?



Hmph... We almost fell for your scheme!



Anyone can change their destiny with enough effort!
Can dolls really control our destiny?
What !?
I agree with Terryman!
Yah!
Urara!

No, Terryman! What the devils are saying isn't just a story! Those dolls really do mold your destiny!
The New Machineguns are fired up again!
It's great for us if you don't want to believe it! I'm sure you'll come to regret that choice!

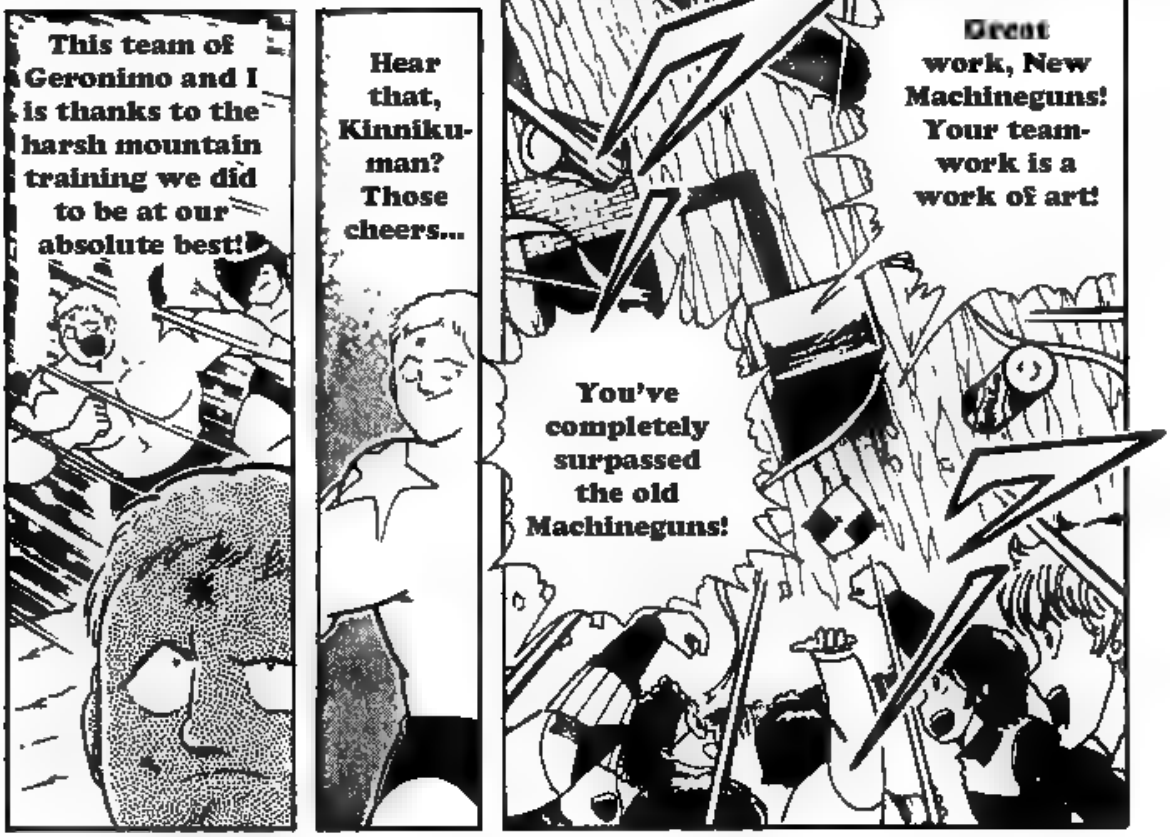
Terryman is hitting Kaiyaman with a rain of punches!

The world of fighting is decided only by force!

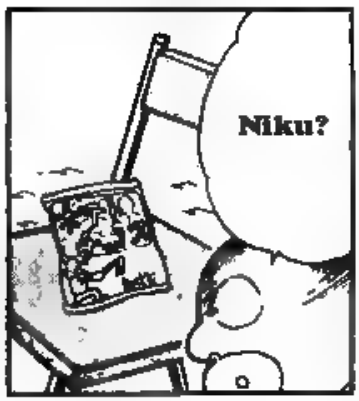
Guh!
It isn't controlled by make-believe!
Heh heh... The door to your destiny has been opened!
Ashuraman is down!
Terry! Terry!

Terryman will be killed!
At this rate, if the match isn't stopped...
Terry! Terry!
Terry! Terry!
Terry! Terry!
Terry! Terry!
OK !!
Geronimo, use a Leg Drop from the top of the ropes!
Terryman and Geronimo are showing an amazing connection!

I'll throw you with a Back Drop!
Alright, Geronimo! Now a Headlock!
Frog Kick!
Ugh!
Now, Gerocut!
Thanks to the instructions from team leader Terryman, Geronimo is doing great!



This team of Geronimo and I is thanks to the harsh mountain training we did to be at our absolute best!
Hear that, Kinniku-man? Those cheers...
Great work, New Machineguns! Your team-work is a work of art!
You've completely surpassed the old Machineguns!



Niku?

Hey Niku, hand me those chips I bought earlier!

It was nice having a team with you, but now I can brag that the New Machineguns is even better!

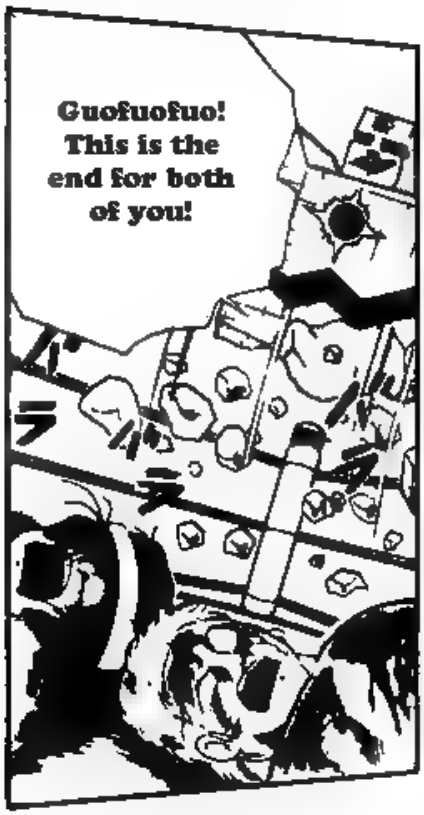
Blood?

I don't care.

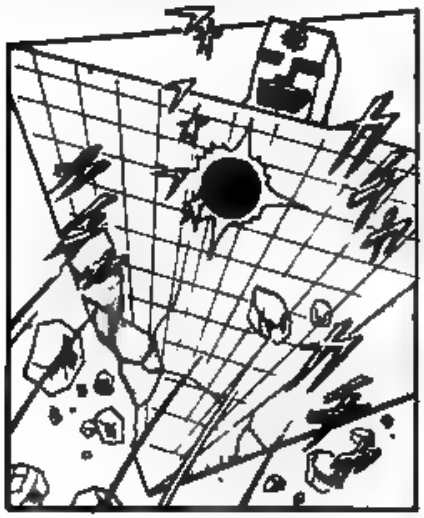
Has he gone to the medical office to treat his injuries?
My only choice is to go to the other side and climb up!
It's impossible to get in through the front entrance...
KA-KAKAKA! You're foolish!
In the ring, Geronimo's Reverse Romero Special is taking down Ashuraman!
So, do you give up!?
He'll brink out if you're not careful!
Even though you think you have him...

Sunshine is surging in!
Ugh!
Geronimo, tag!
Uwa!
Below, Ashuraman has Geronimo in a Romero Special, too!
Sunshine caught him in a jumping Romero Special!

That's the move they used on Specialman and Canadianman before the tournament!

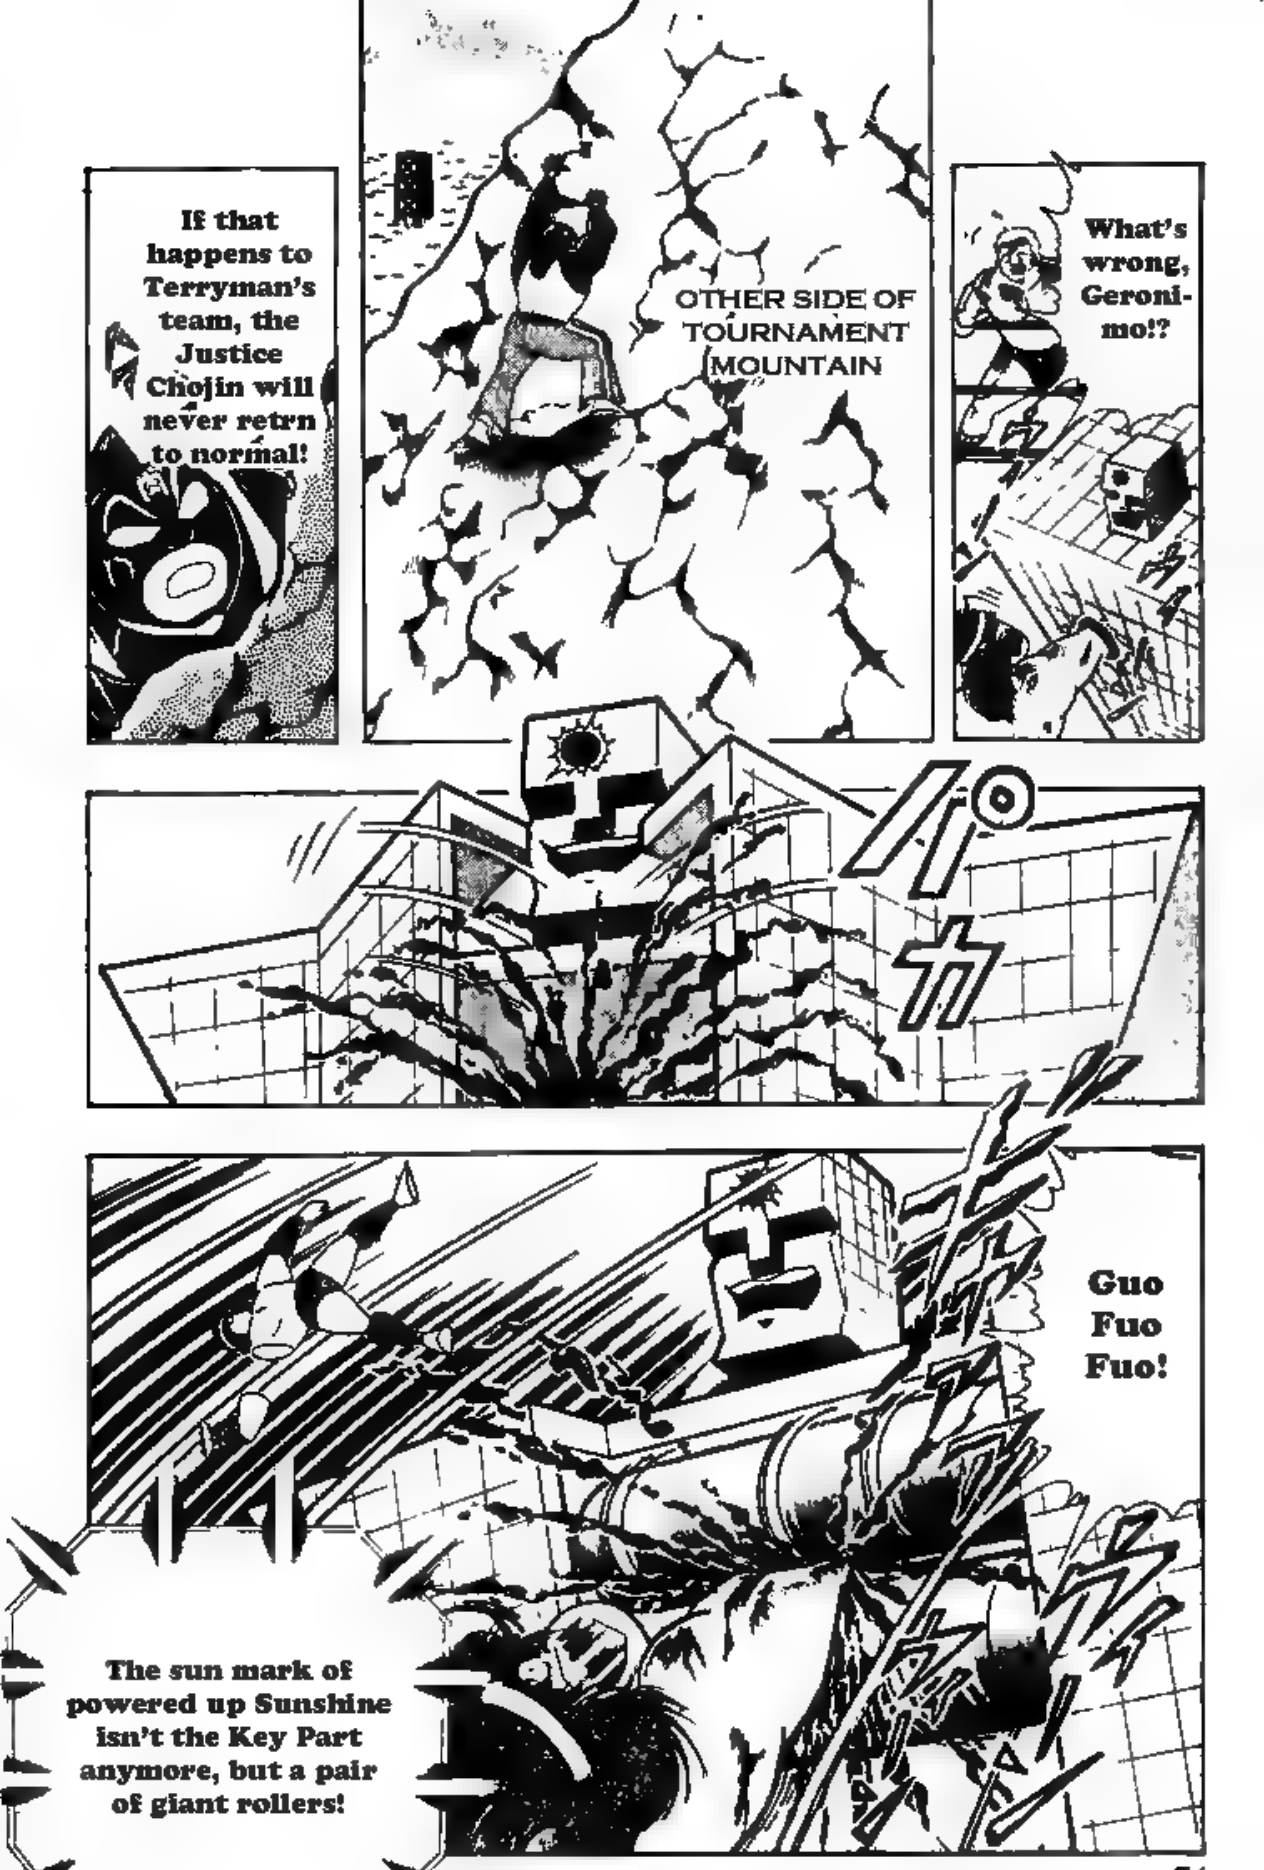


Guofuofuo! This is the end for both of you!



Hell's Combination!

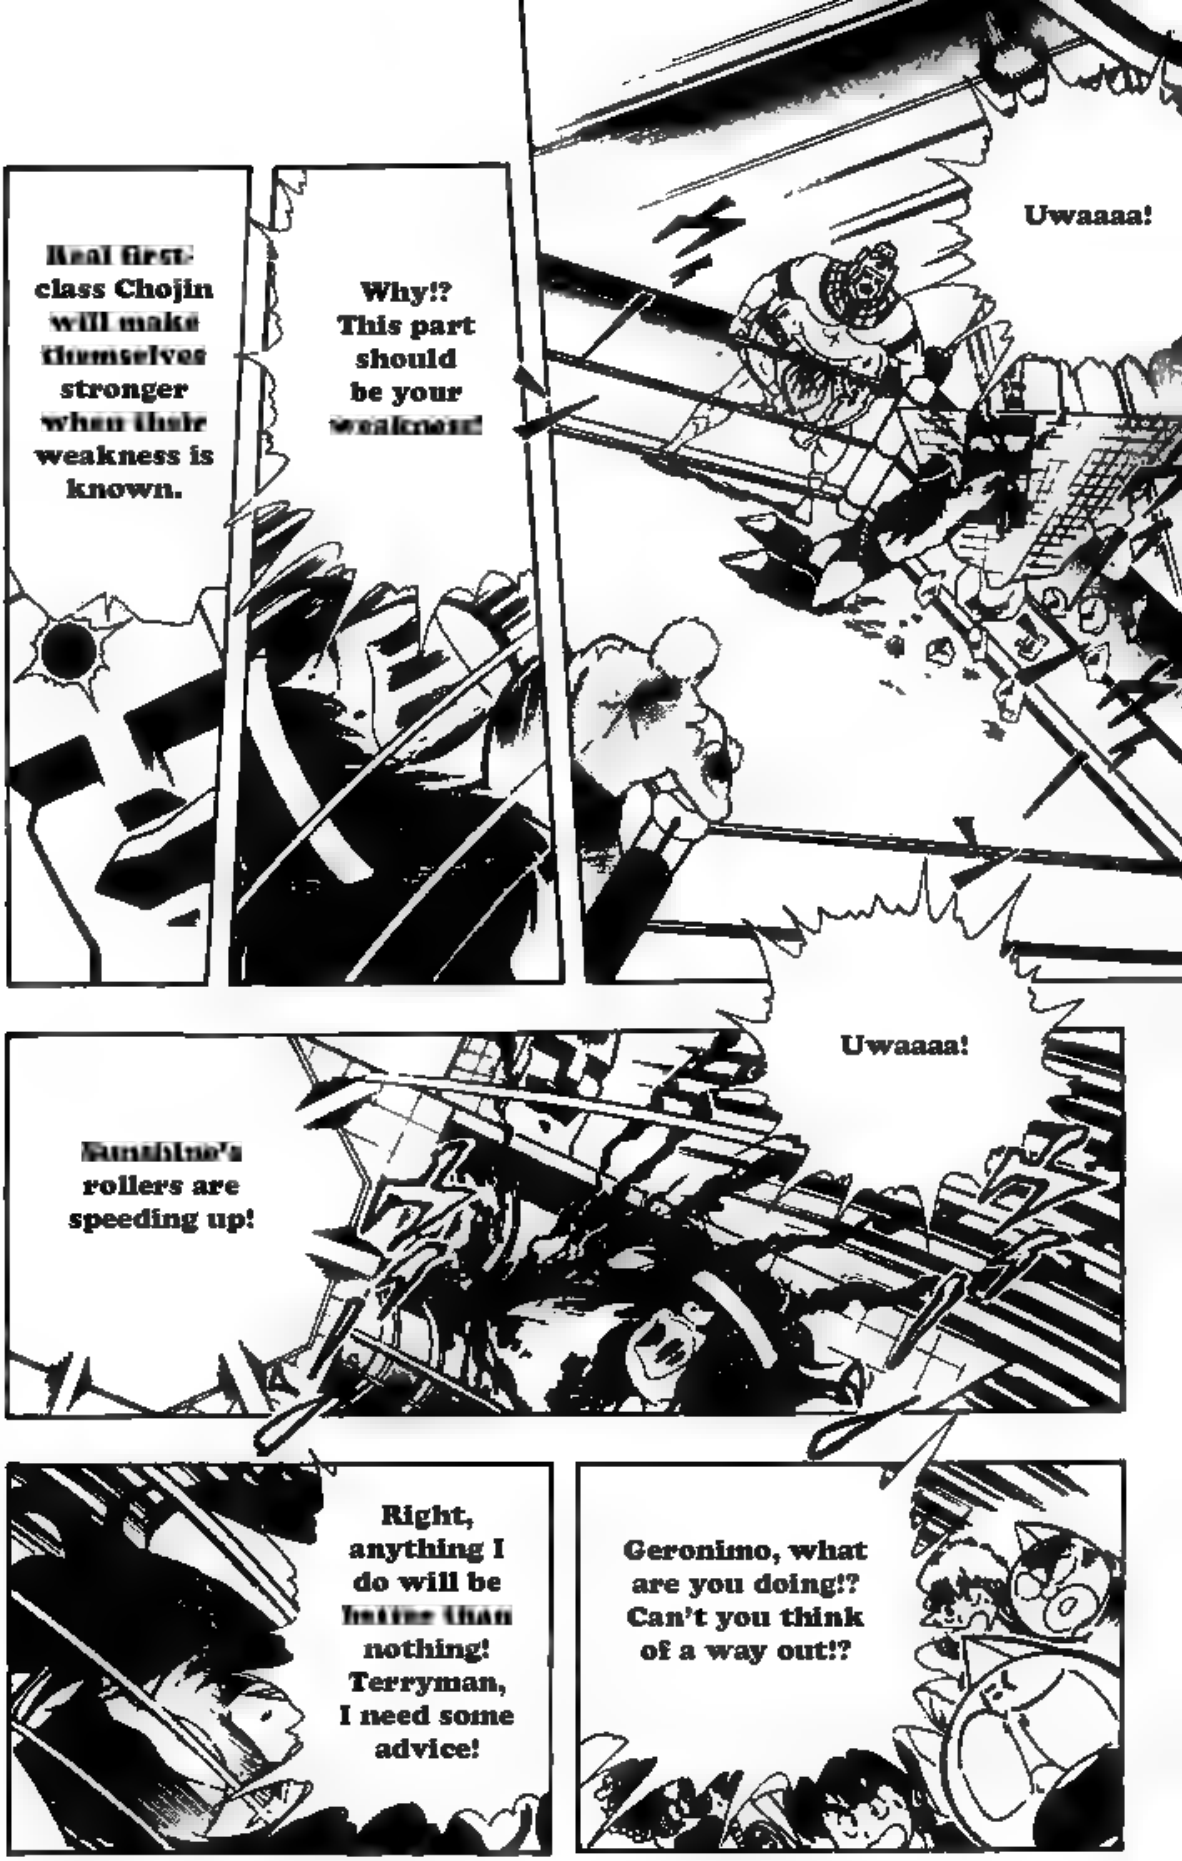
Take this!
Hell Pyramid!
That Key Part is your sun mark!
Don't you remember? Your body is made up of lots of little pieces and a key part that holds them all together! If I remove that part, your body starts falling apart and can't return to normal!
What are you doing?
What's happening to my arm!?
Guofuofuo... There's somethign I haven't told you about that...



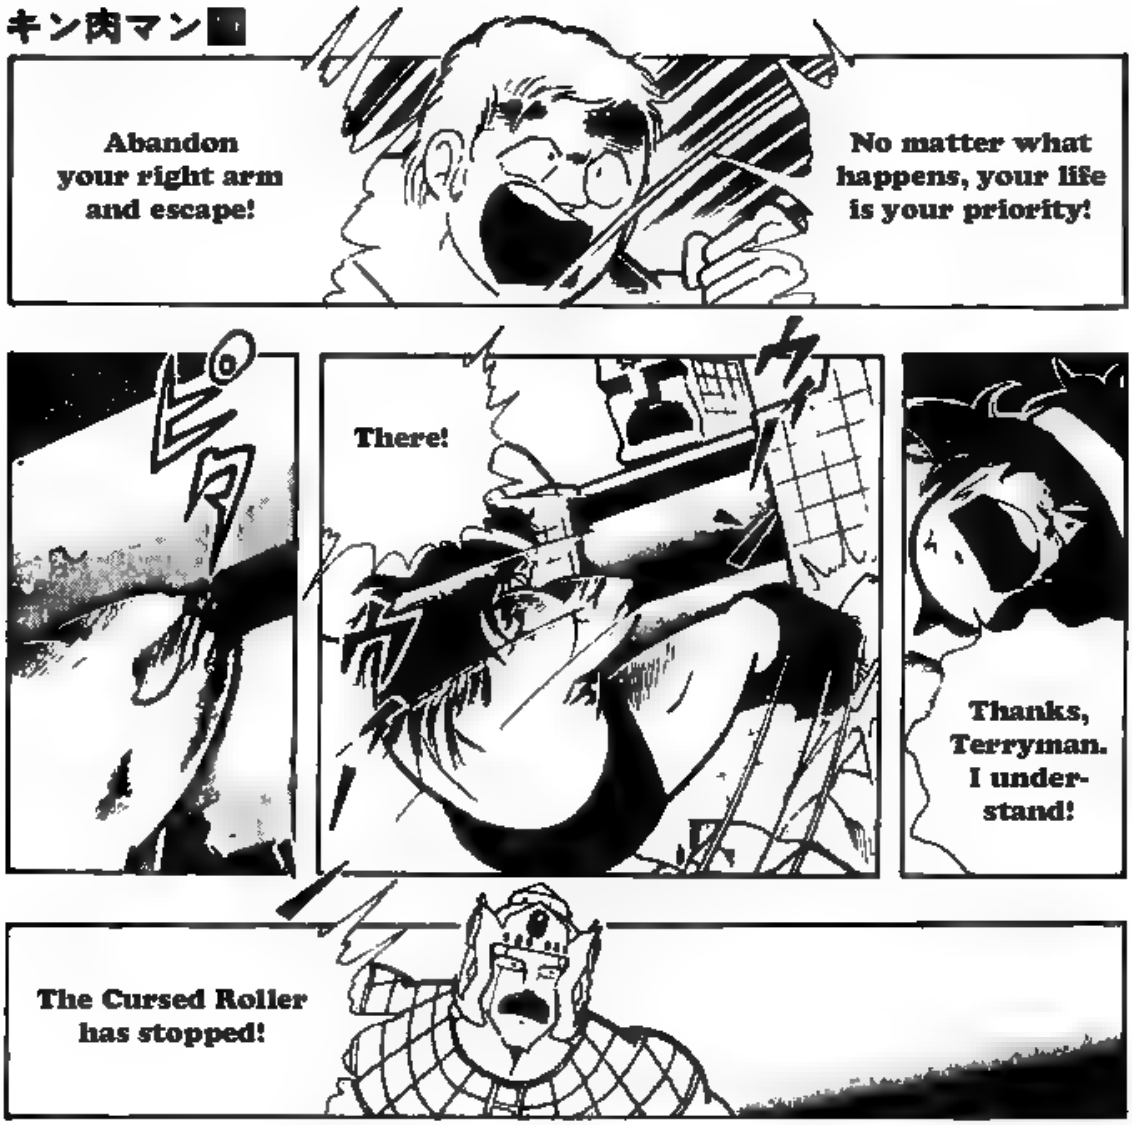
If that happens to Terryman's team, the Justice Chojin will never retrn to normal!
OTHER SIDE OF TOURNAMENT MOUNTAIN
What's wrong, Geroni-mo!?
Guo Fuo Fuo!
The sun mark of powered up Sunshine isn't the Key Part anymore, but a pair of giant rollers!

Dream Chojin Tag Arc 21

Devil Combo on the Offense!



Uwaaaa!
Real first-class Chojin will make themselves stronger when their weakness is known.
Why!? This part should be your weakness!
Uwaaaa!
Sunshine's rollers are speeding up!
Right, anything I do will be better than nothing! Terryman, I need some advice!
Geronimo, what are you doing!? Can't you think of a way out!?

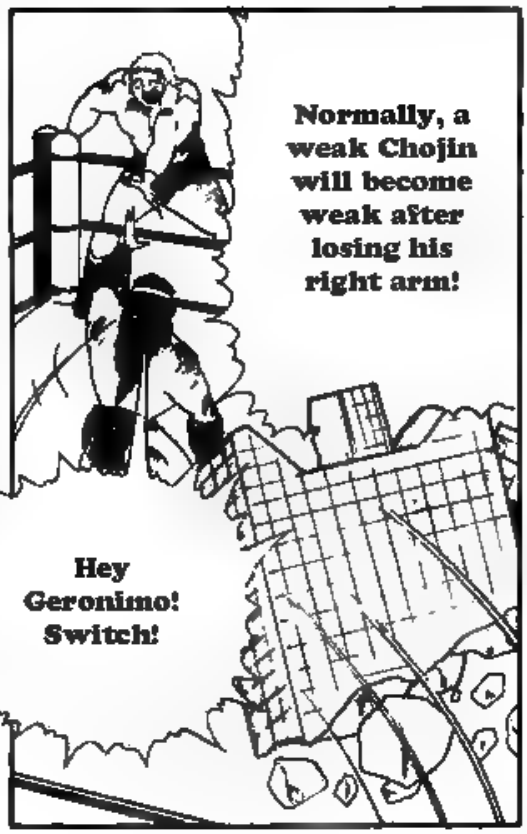


Abandon your right arm and escape!
No matter what happens, your life is your priority!
There!
Thanks, Terryman. I understand!
The Cursed Roller has stopped!
URARA!

あぁ…

Geronimo has escaped, forcibly tearing his right arm from Sunshine's roller!
ズ

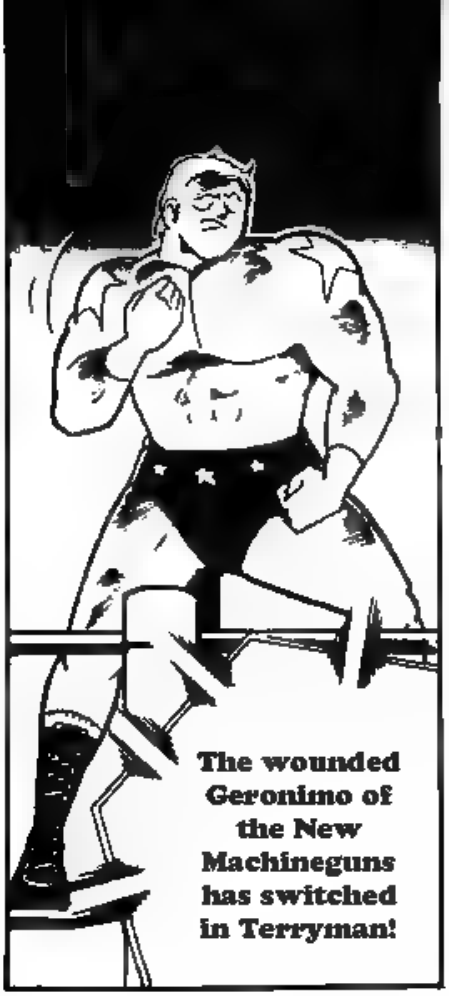
I'll let you rest up a bit.
Sorry, it's my fault.



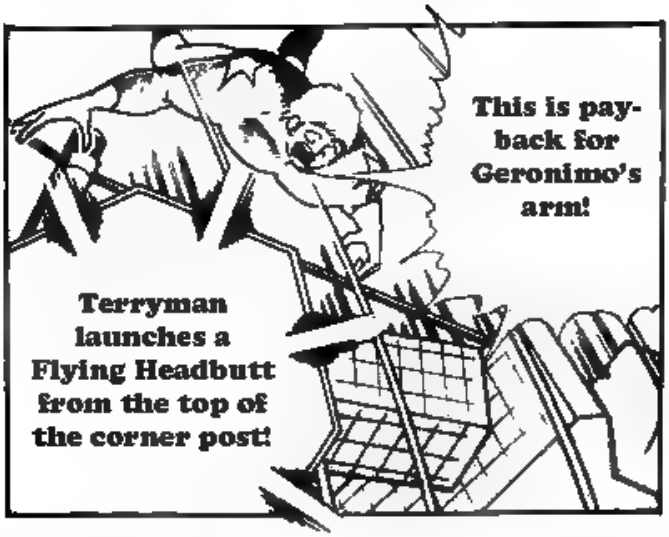
Normally, a weak Chojin will become weak after losing his right arm!
Hey Geronimo! Switch!

My right arm... It's dead...

He looks kind of strange...
Terry!

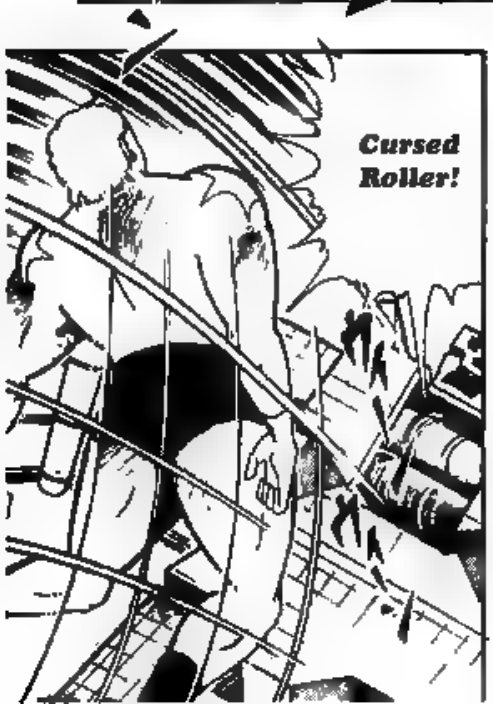


The wounded Geronimo of the New Machineguns has switched in Terryman!



This is pay-back for Geronimo's arm!
Terryman launches a Flying Headbutt from the top of the corner post!

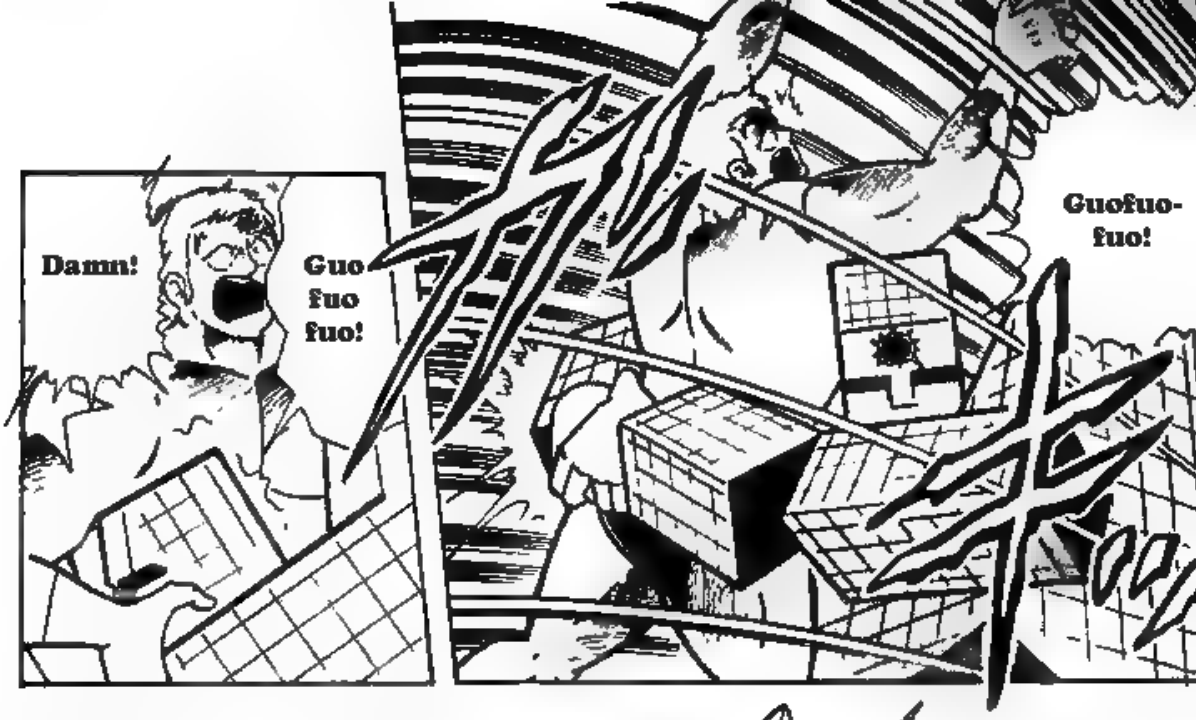
Don't forget, Terryman! Geronimo wasn't the only one with a broken doll! Your prediction will come true soon enough!



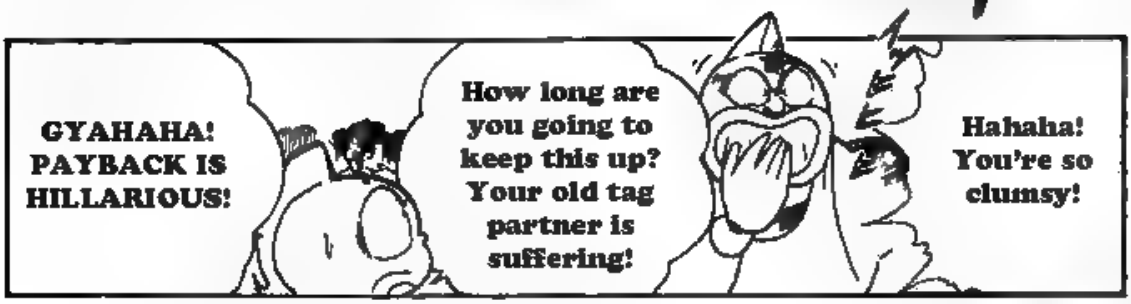
Cursed Roller!

No!

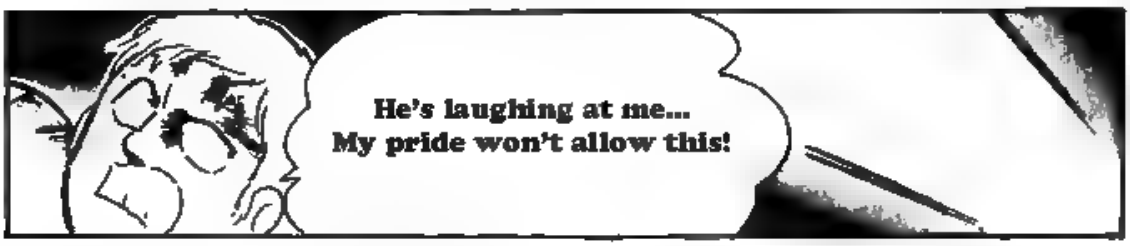
Ah!



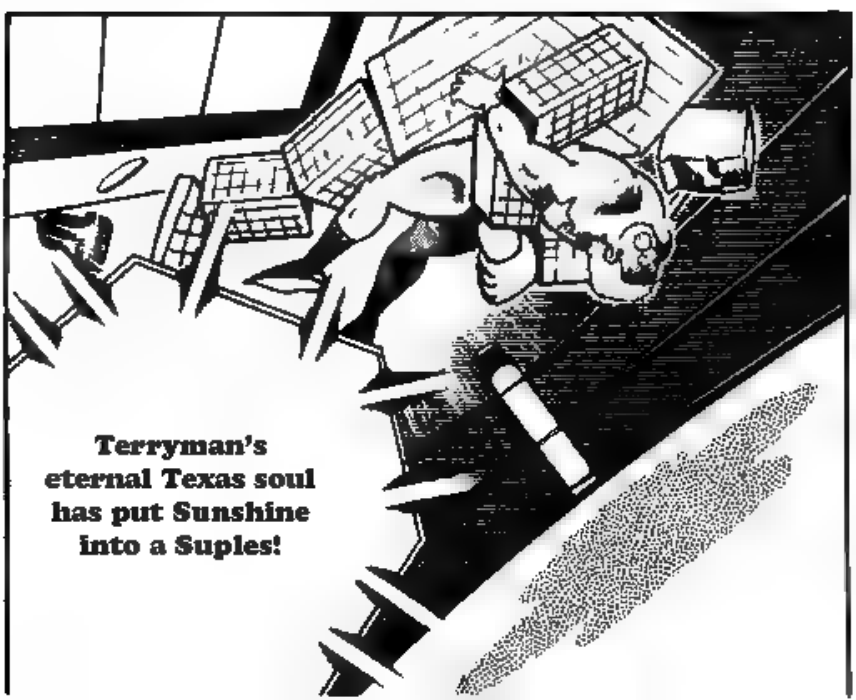
Damn!
Guo fuo fuo!
Guofuo-fuo!



GYAHAHA! PAYBACK IS HILLARIOUS!
How long are you going to keep this up? Your old tag partner is suffering!
Hahaha! You're so clumsy!

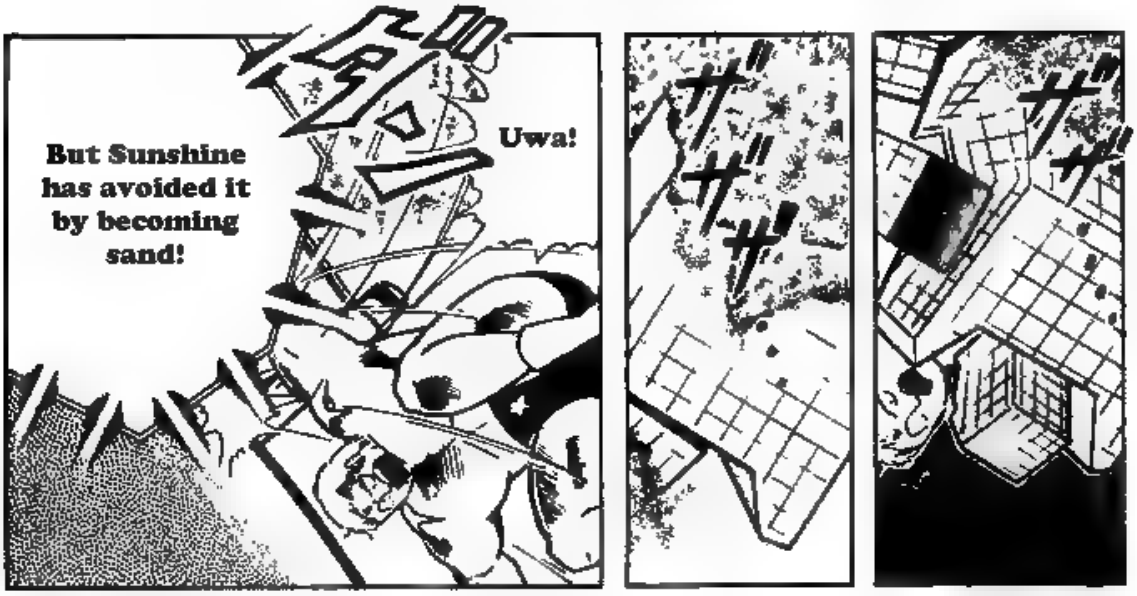


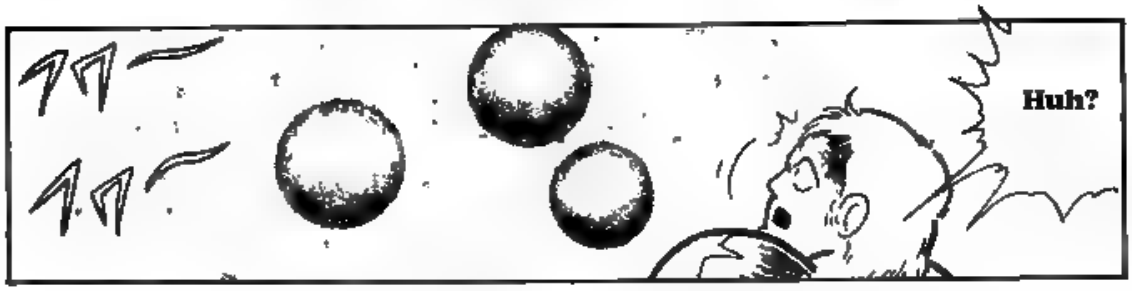
He's laughing at me... My pride won't allow this!

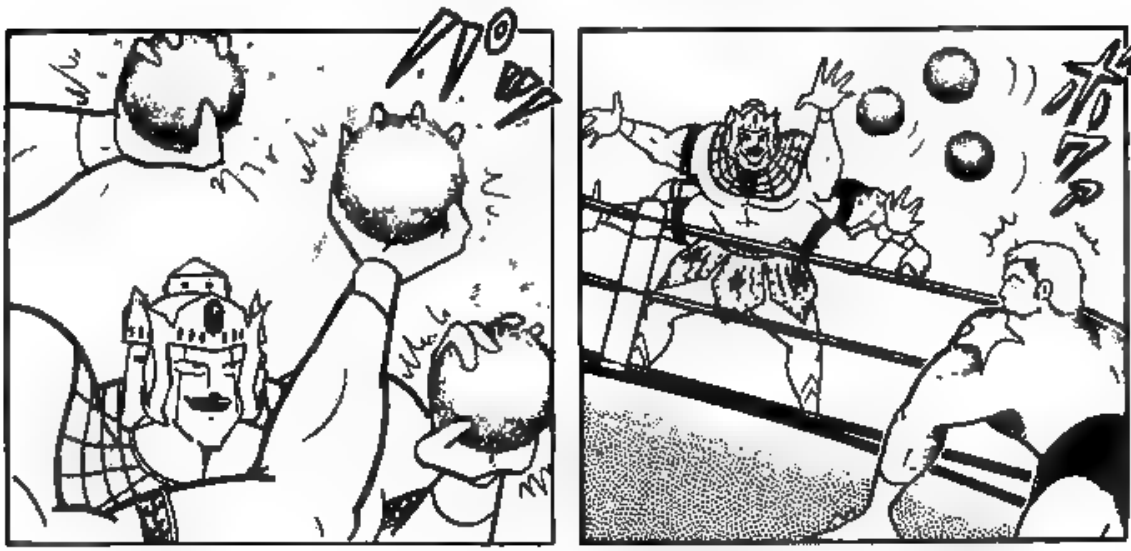


Terryman's eternal Texas soul has put Sunshine into a Suples!

Uryah!







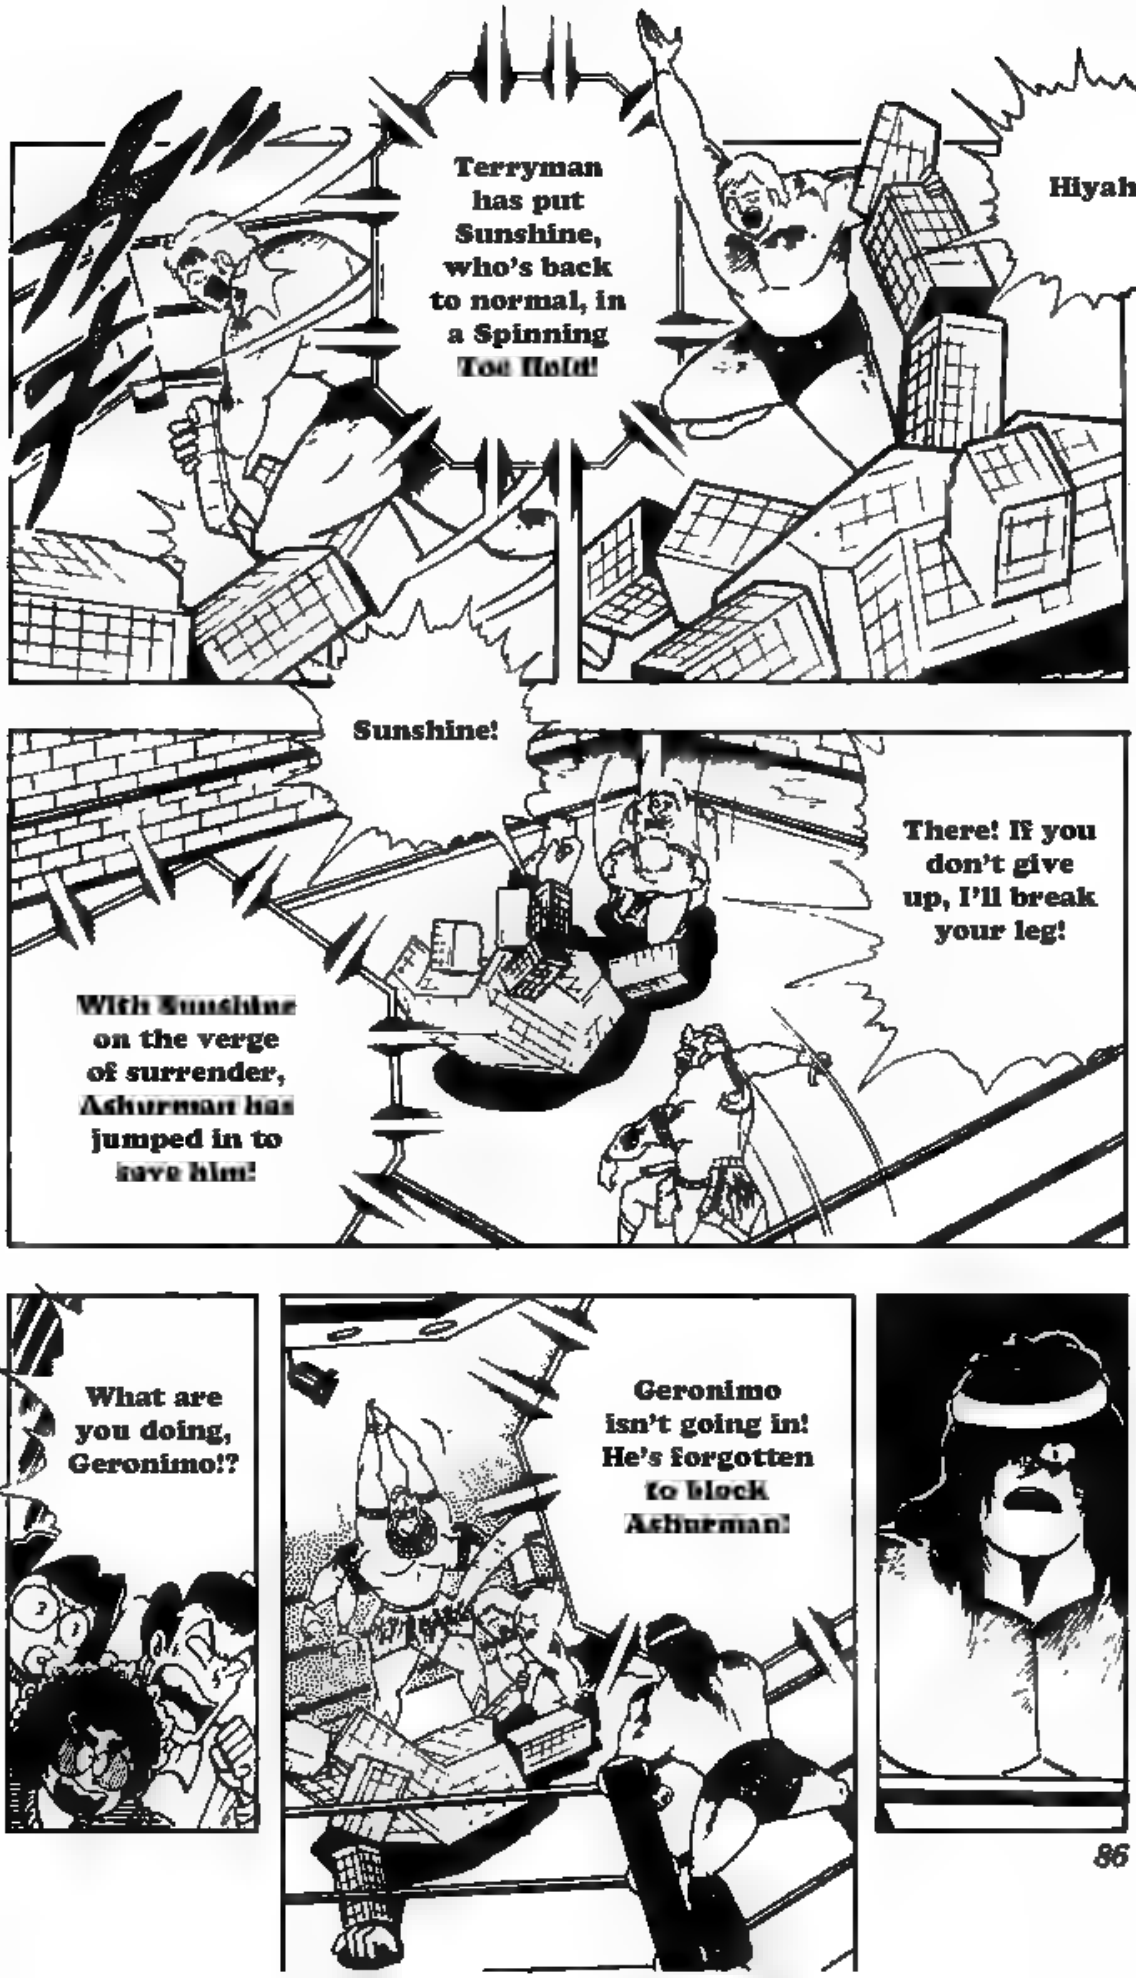
note: Dango are Japanese dumplings that normally come in the form of three balls on a stick.

Hell Sand Dango!
This'll strangle your neck in an instant!
Ugh!
Ashruaman hit him with a Sand Dango!
Uwa! What!?
This is...
Let go!
Now for his bottom half!
The true form of the Sand Dango is the bottom top half of Sunshine's body!

Now Terryman can't move!
Uwa!
The bottom of Sunshine's body from the second Dango has captured Terryman's body!
I have to hurry and stop this match... If I can't get those Destiny Dolls back, then..
OTHER SIDE OF TOURNAMENT MOUNTAIN
Terryman, on the verge of suffication, is using his left arm to signal for help, but his tag partner doesn't seem to understand!
Geronimo, what are you doing!? Come help me!
Al-right!

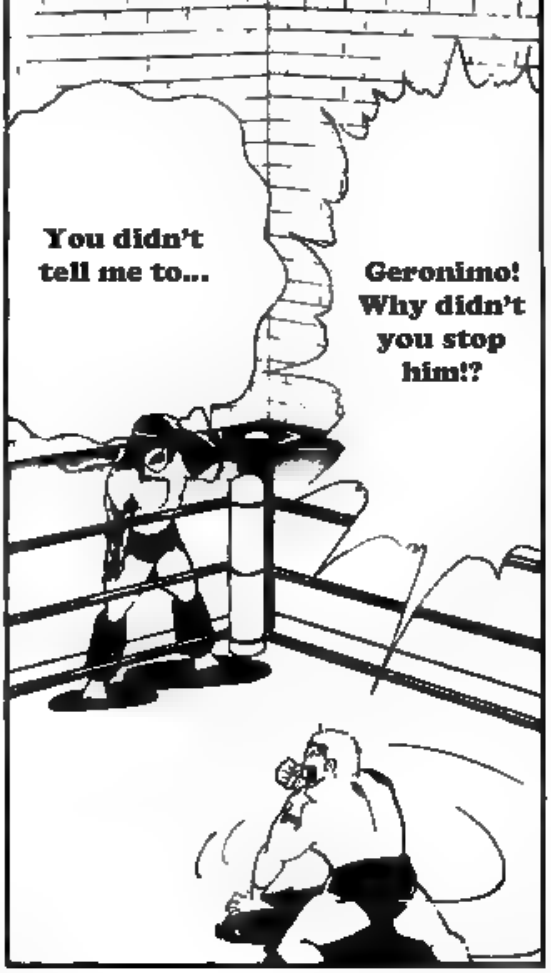
Geronimo, who was about to enter and save Terryman, was intercepted by Ashuraman!
Uwa!
If you can, that is!
He's laughing again!
The New Machineguns' teamwork has been broken, leaving them in a bad position!
SFX: HA HA HA HA!
Ha ha ha ha... What's wrong, Terryman? Why are you being so clumsy today?
Prince, how could you!?
Prince...

Hiyah!
If that's the case, I'll have to escape myself!
I think it's best if you took a rest...
I'm... Sorry...
...but I can't abandon my ally!
It would be nice to rest...



Terryman has put Sunshine, who's back to normal, in a Spinning Toe Hold!
Hiyah!
Sunshine!
There! If you don't give up, I'll break your leg!
With Sunshine on the verge of surrender, Ashurman has jumped in to save him!
What are you doing, Geronimo!?
Geronimo isn't going in! He's forgotten to block Ashurman!

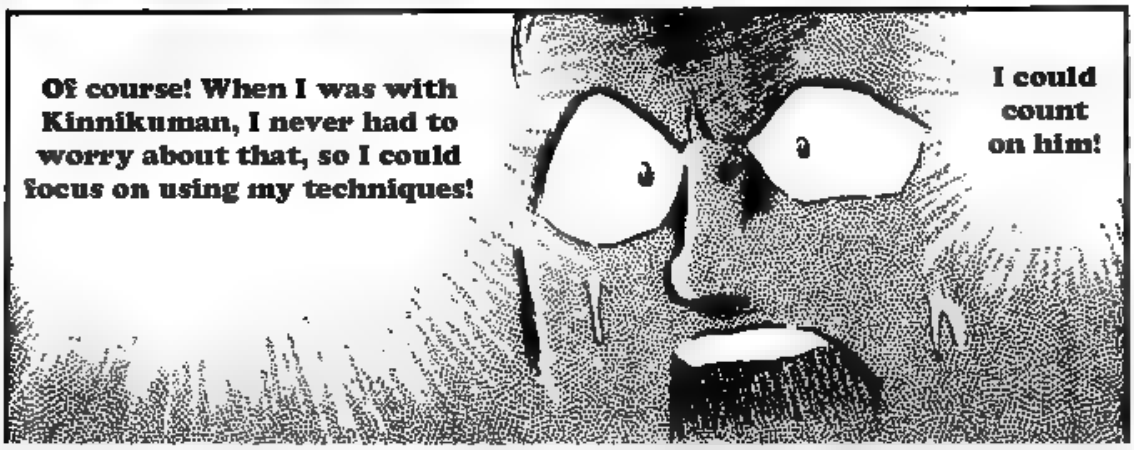
It's just common sense to do that, you don't need me to tell you that!



You didn't tell me to...
Geronimo! Why didn't you stop him!?

Ugh!

Back when I was teamed up with Kinnikuman, I could always count on him to do that!



Of course! When I was with Kinnikuman, I never had to worry about that, so I could focus on using my techniques!
I could count on him!

When I was covered in blood from an attack, he'd tag in without delay...
Back then, Kinnikuman always watched over me!
When caught in a technique, he'd cut in without delay...
I could always count on Kinnikuman, so all I had to worry about was the match!
Aah, I'm so stupid! Why did I treat him like my enemy!?
HEY, WHAT ARE YOU DOING!? LOOK TO YOUR SIDE, TERRYMAN!
Terry...

That voice!
Way to go!
KINNIKUMAN!
Always be aware of your surroundings, Terryman!

Kinnikuman!
For the time being, let's have a truce! I'll help you out, Terryman!
Alright Terry, Spinning Knee Pat!
Front this time!

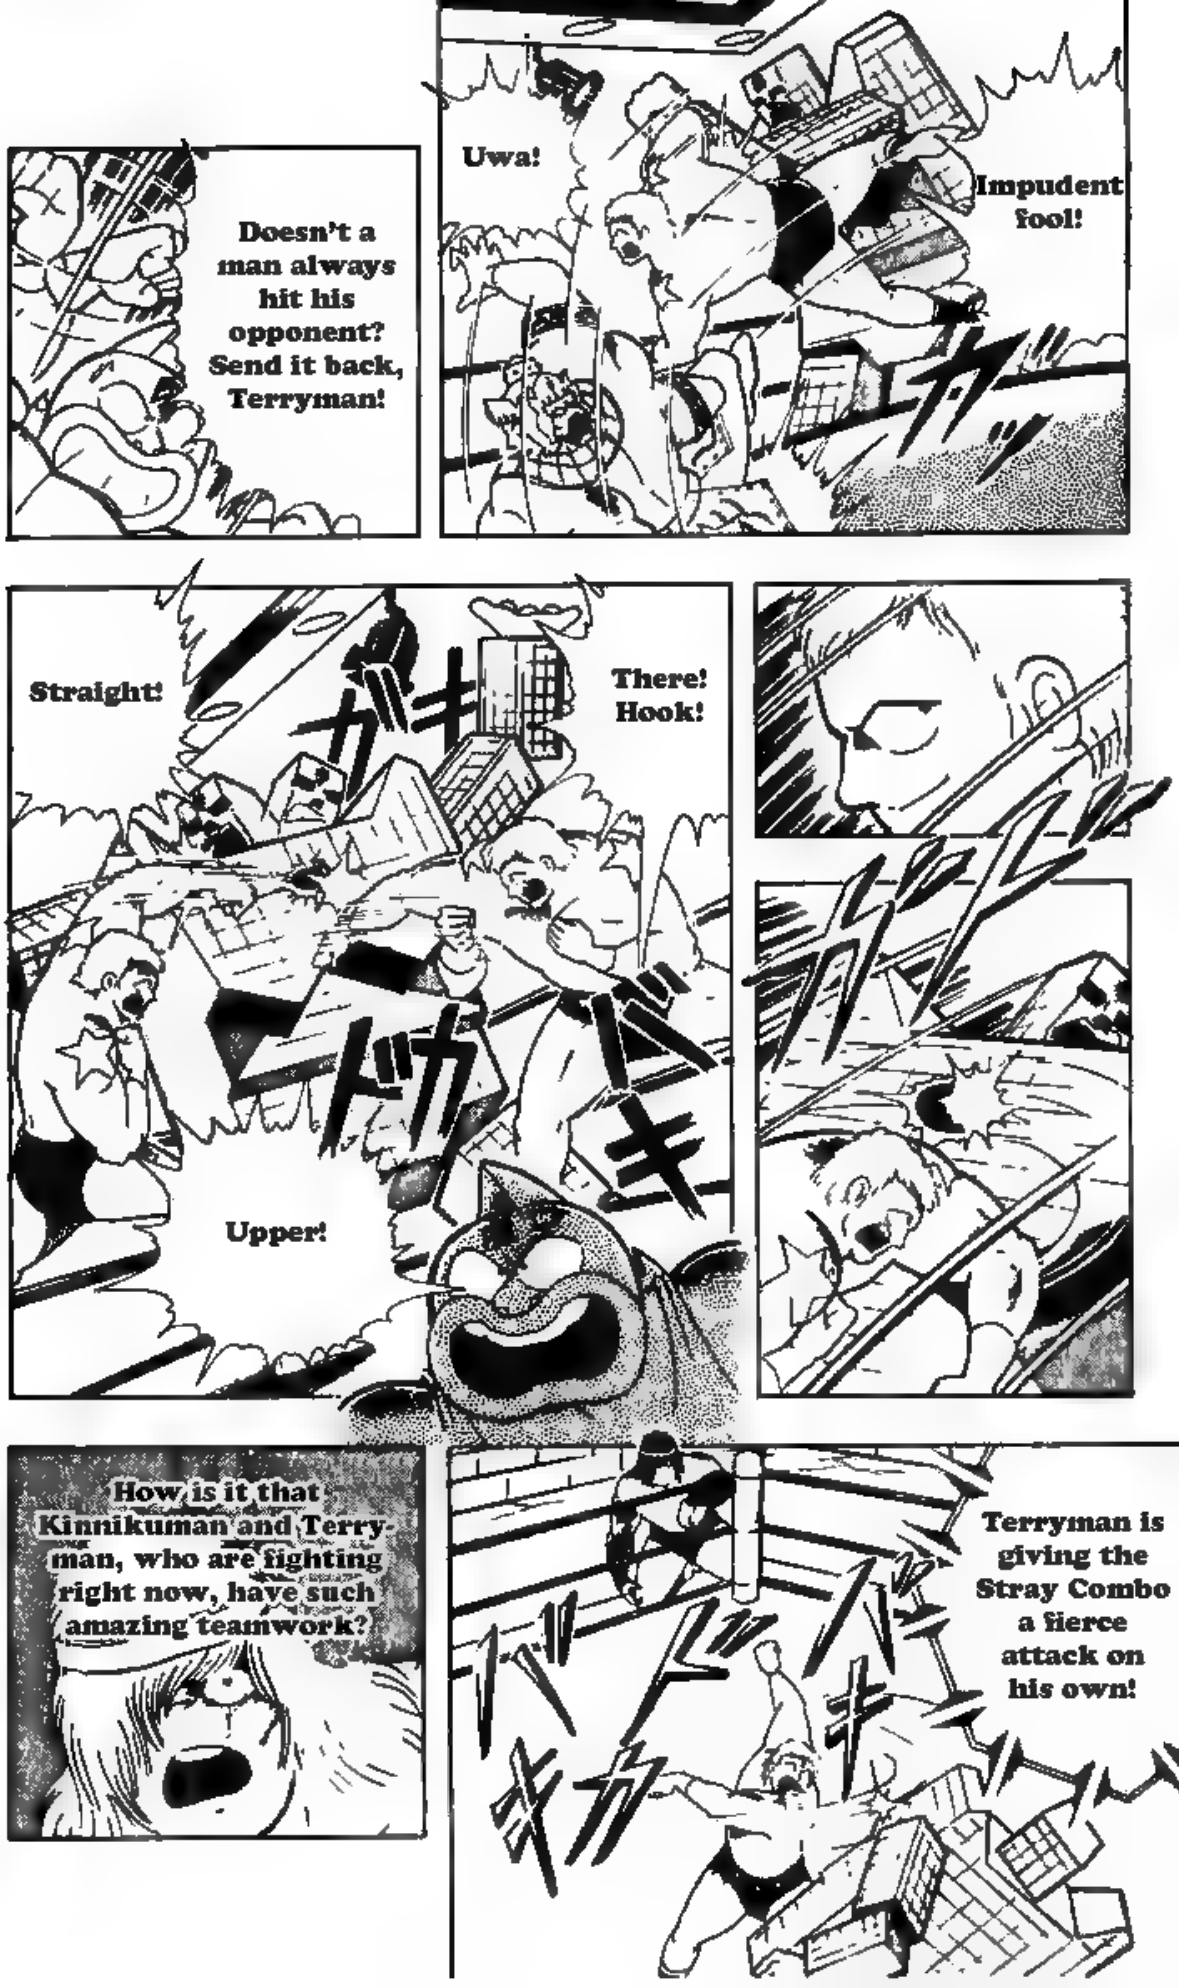
Whatever just happened, Terryman's movements have suddenly changed for the better!
Alright, Devil! I'll take you on no matter which direction you come from!
Terryman is shining from Kinnikuman's words!
Terryman, jump!
Guh!
Crap!



Doesn't a man always hit his opponent? Send it back, Terryman!
Uwa!
Impudent fool!
Straight!
There! Hook!
Upper!
How is it that Kinnikuman and Terryman, who are fighting right now, have such amazing teamwork?
Terryman is giving the Stray Combo a fierce attack on his own!

Their many years together lets them veiw each other as rivals and allies who compete to increase their technique...
It's obvious now that I can't take full advantage of the advice Terryman gives!

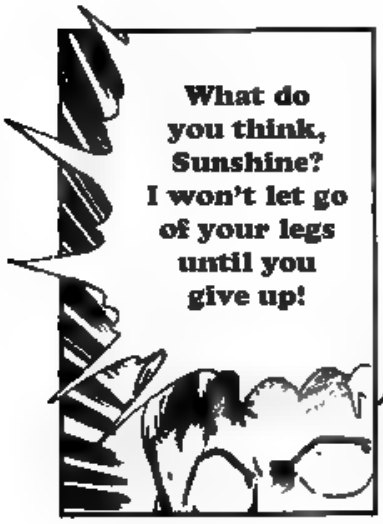
Those two quarrel, but...

End it...

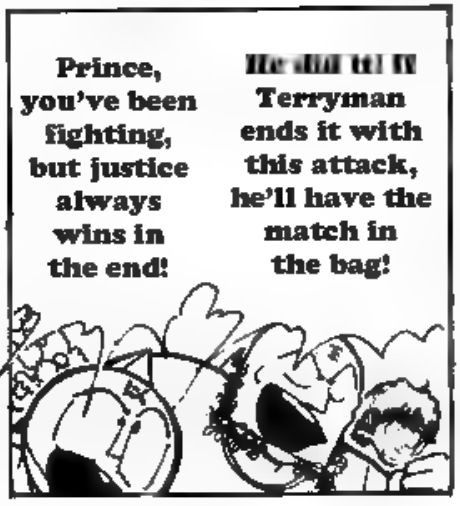
Alright!

With the Texas Clover Hold!

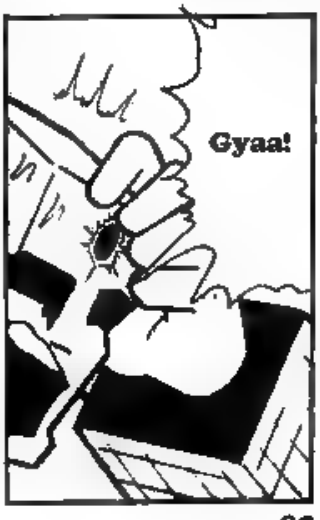
Terryman is finishing with the Texas Clover Hold, which he was learning before the tournament!



What do you think, Sunshine? I won't let go of your legs until you give up!



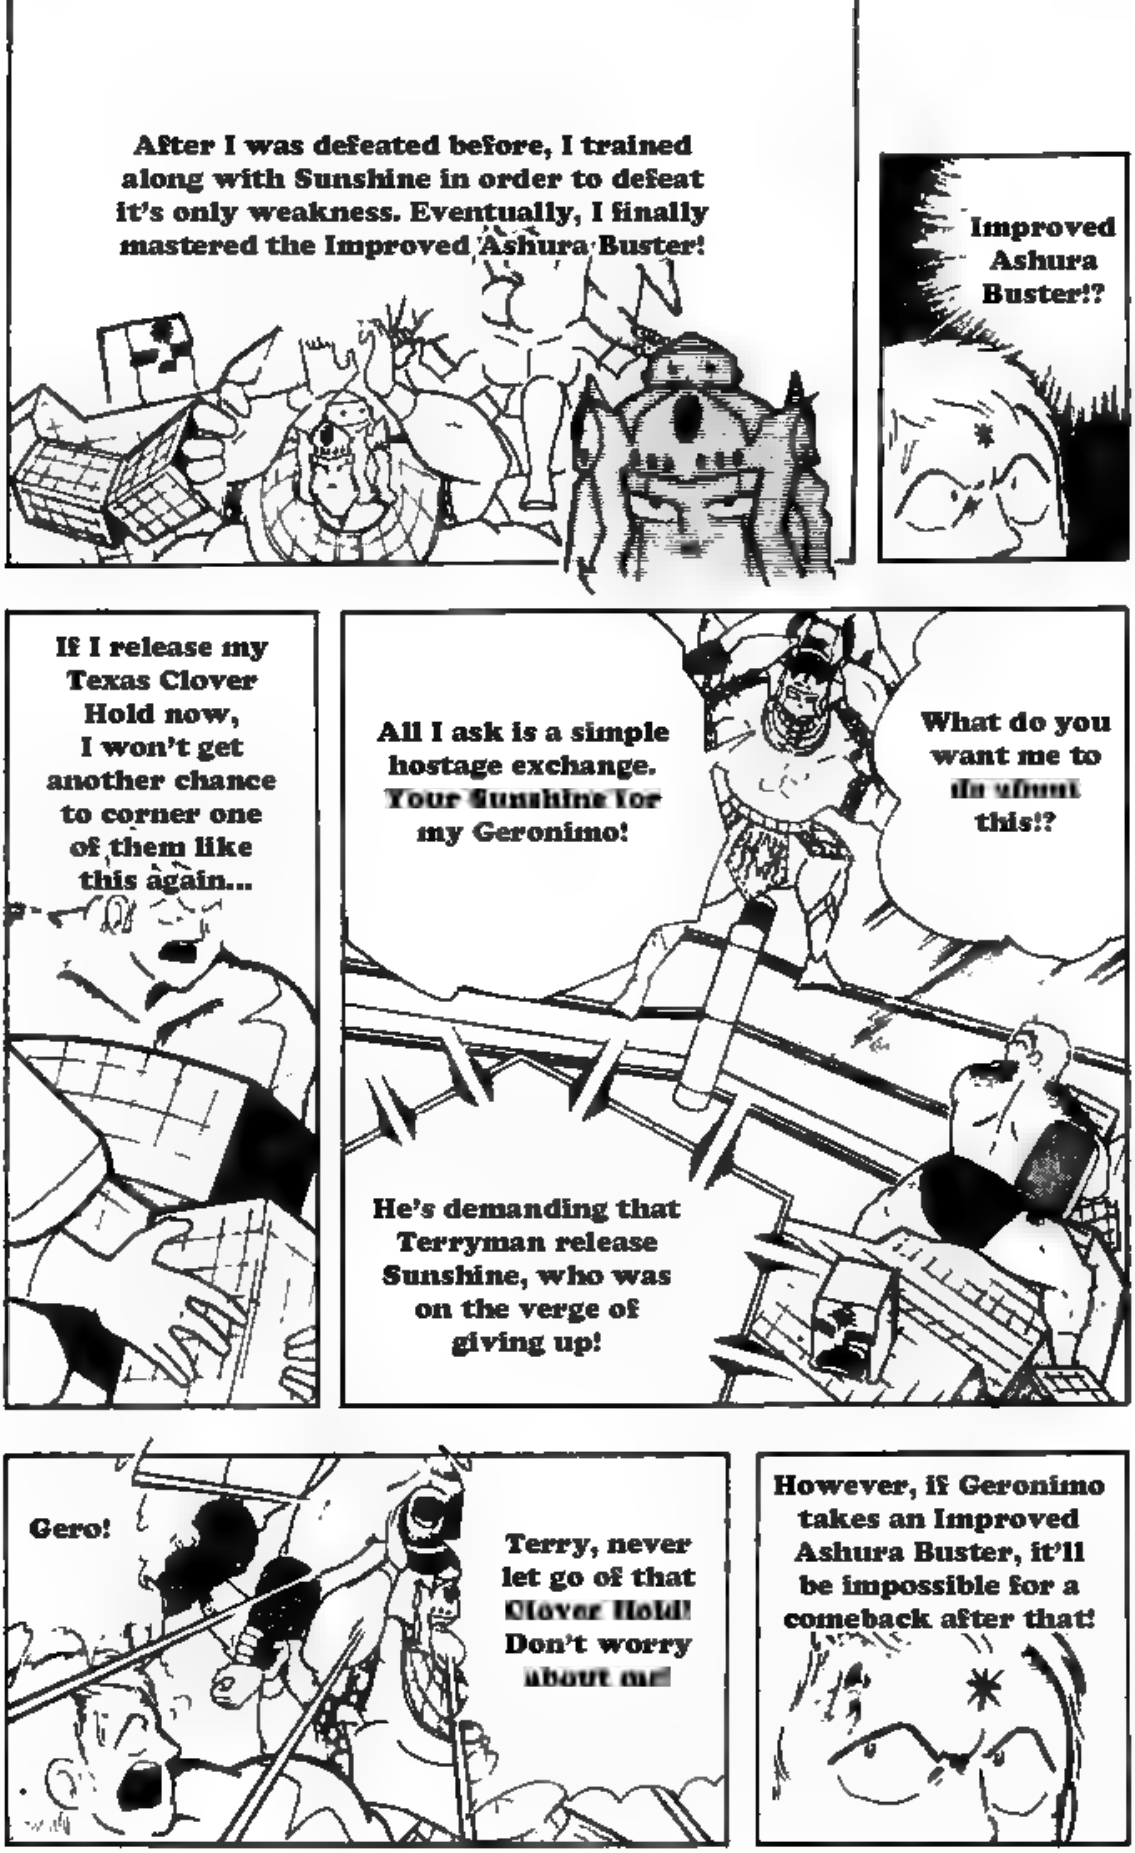
Prince, you've been fighting, but justice always wins in the end!
He did it! Terryman ends it with this attack, he'll have the match in the bag!



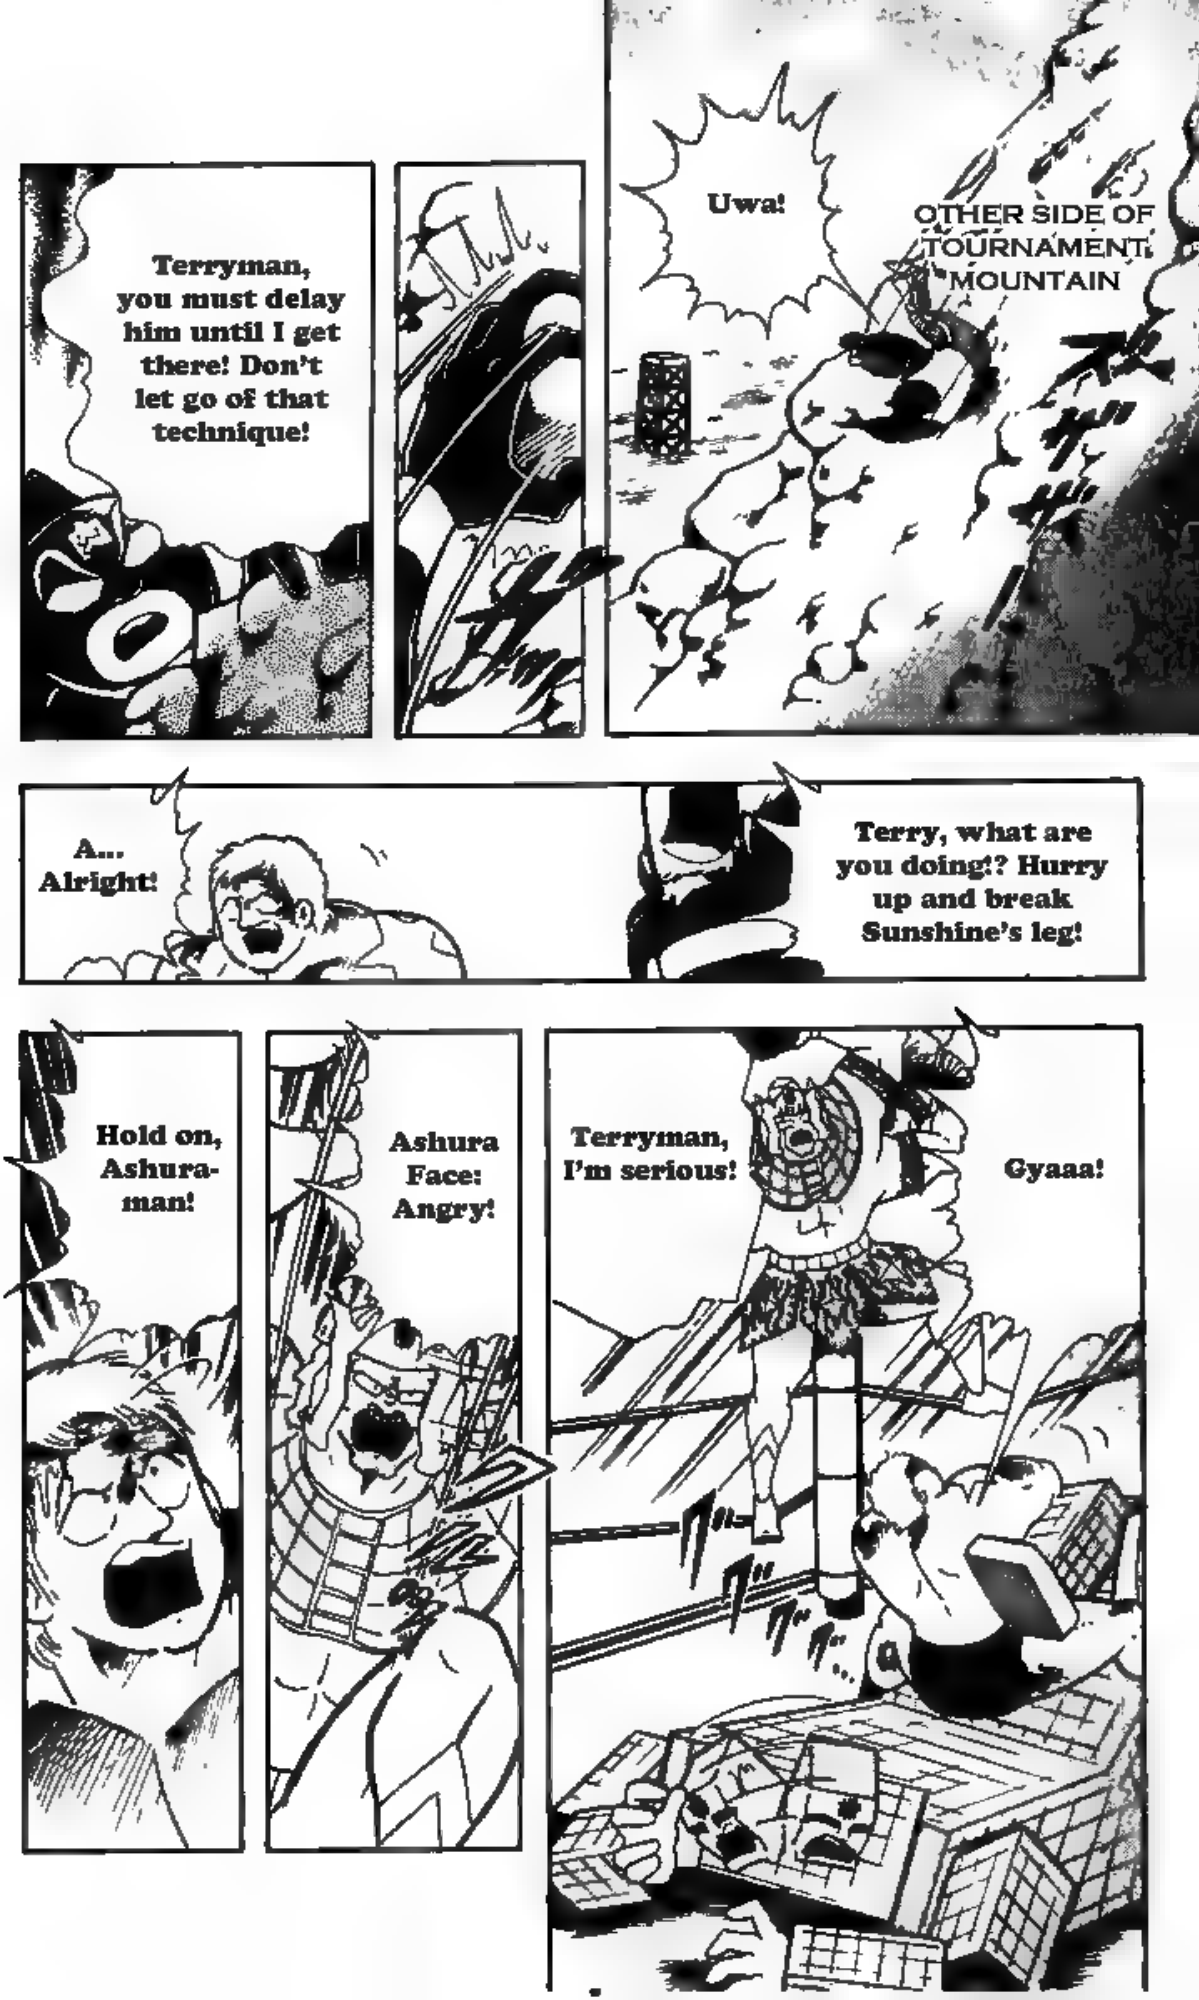
Gyaa!

Sunshine's going to give up!
I... give...
Sunshine, you've fought well. Nobody will complain if give up.
Terryman is quickly persuading Sunshine with enough force to break his legs!
ア ア!!
Give... u...
Gero nimo!
If this were a single match, you could KO Sunshine with the Texas Clover Hold and win the match. Unfortunatly, this is a tag match, and you were too busy pretending Kinnikuman was your partner to worry about your real one!
Geh!
Hold on! A Devil Chojin never gives up!

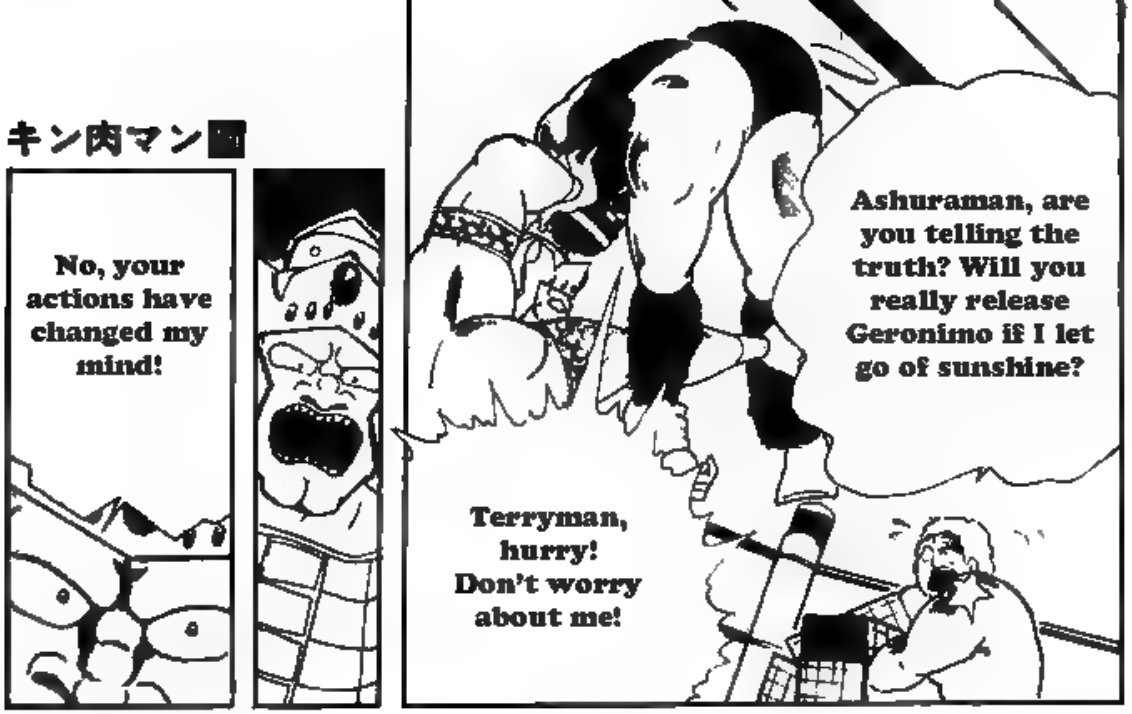
Isn't that the Ashura Buster that Suguru defeated?
No, it's not! The version I defeated could be escaped becasue his six arms weren't holding the neck area!
I call it the Improved Ashura Buster!
He has no way of getting out!
This version even has the neck area held tightly!



After I was defeated before, I trained along with Sunshine in order to defeat it's only weakness. Eventually, I finally mastered the Improved Ashura Buster!
Improved Ashura Buster!?
If I release my Texas Clover Hold now, I won't get another chance to corner one of them like this again...
All I ask is a simple hostage exchange. Your Sunshine for my Geronimo!
What do you want me to do about this!?
He's demanding that Terryman release Sunshine, who was on the verge of giving up!
Gero!
Terry, never let go of that Clover Hold! Don't worry about me!
However, if Geronimo takes an Improved Ashura Buster, it'll be impossible for a comeback after that!



Terryman, you must delay him until I get there! Don't let go of that technique!
Uwa!
OTHER SIDE OF TOURNAMENT MOUNTAIN
A... Alright!
Terry, what are you doing!? Hurry up and break Sunshine's leg!
Hold on, Ashura-man!
Ashura Face: Angry!
Terryman, I'm serious!
Gyaaa!



No, your actions have changed my mind!
Ashuraman, are you telling the truth? Will you really release Geronimo if I let go of sunshine?
Terryman, hurry! Don't worry about me!

Now I demand that the New Machineguns surrender in exchange for Geronimo's life!

These star marks!?
If you agree, prove your surrender by removing the star marks on your arms that represent your fighting spirit!

Terryman has released the Texas Clover Hold!
That was too close!
That's crazy! Don't do it, Terryman!
Crazy or not, you'll be killed if I refuse.
Terry!
I'm still too inexperienced to serve as your tag partner!
Don't put yourself down like that, Geronimo...
I know it! I've seen how you and Kinnikuman work together!
Why did you do that for someone as useless as me!?

Even if you are useless...
So why did you let go of your technique!?
If my death will help you win, I'm ready to die!
In the end, you're still my tag partner!
With the surrender of the New Machineguns, the Stray Devil Combo have won the fourth match of the Chojin Tag Tournament and are headed to the second round!
That idiot!
Terry!

KA-KAKAKA! We devils didn't care about the match from the beginning!
Hey, the match is over!
Guo fuo fuo, we've got you, Terry-man!
Improved Ashura Buster!
Aah!
Gero!

Terry-man!
Cursed Roller!
Uwa!
Guo fuo fuo! We'll do the same thing to you that we did to Geronimo!
Hold on!

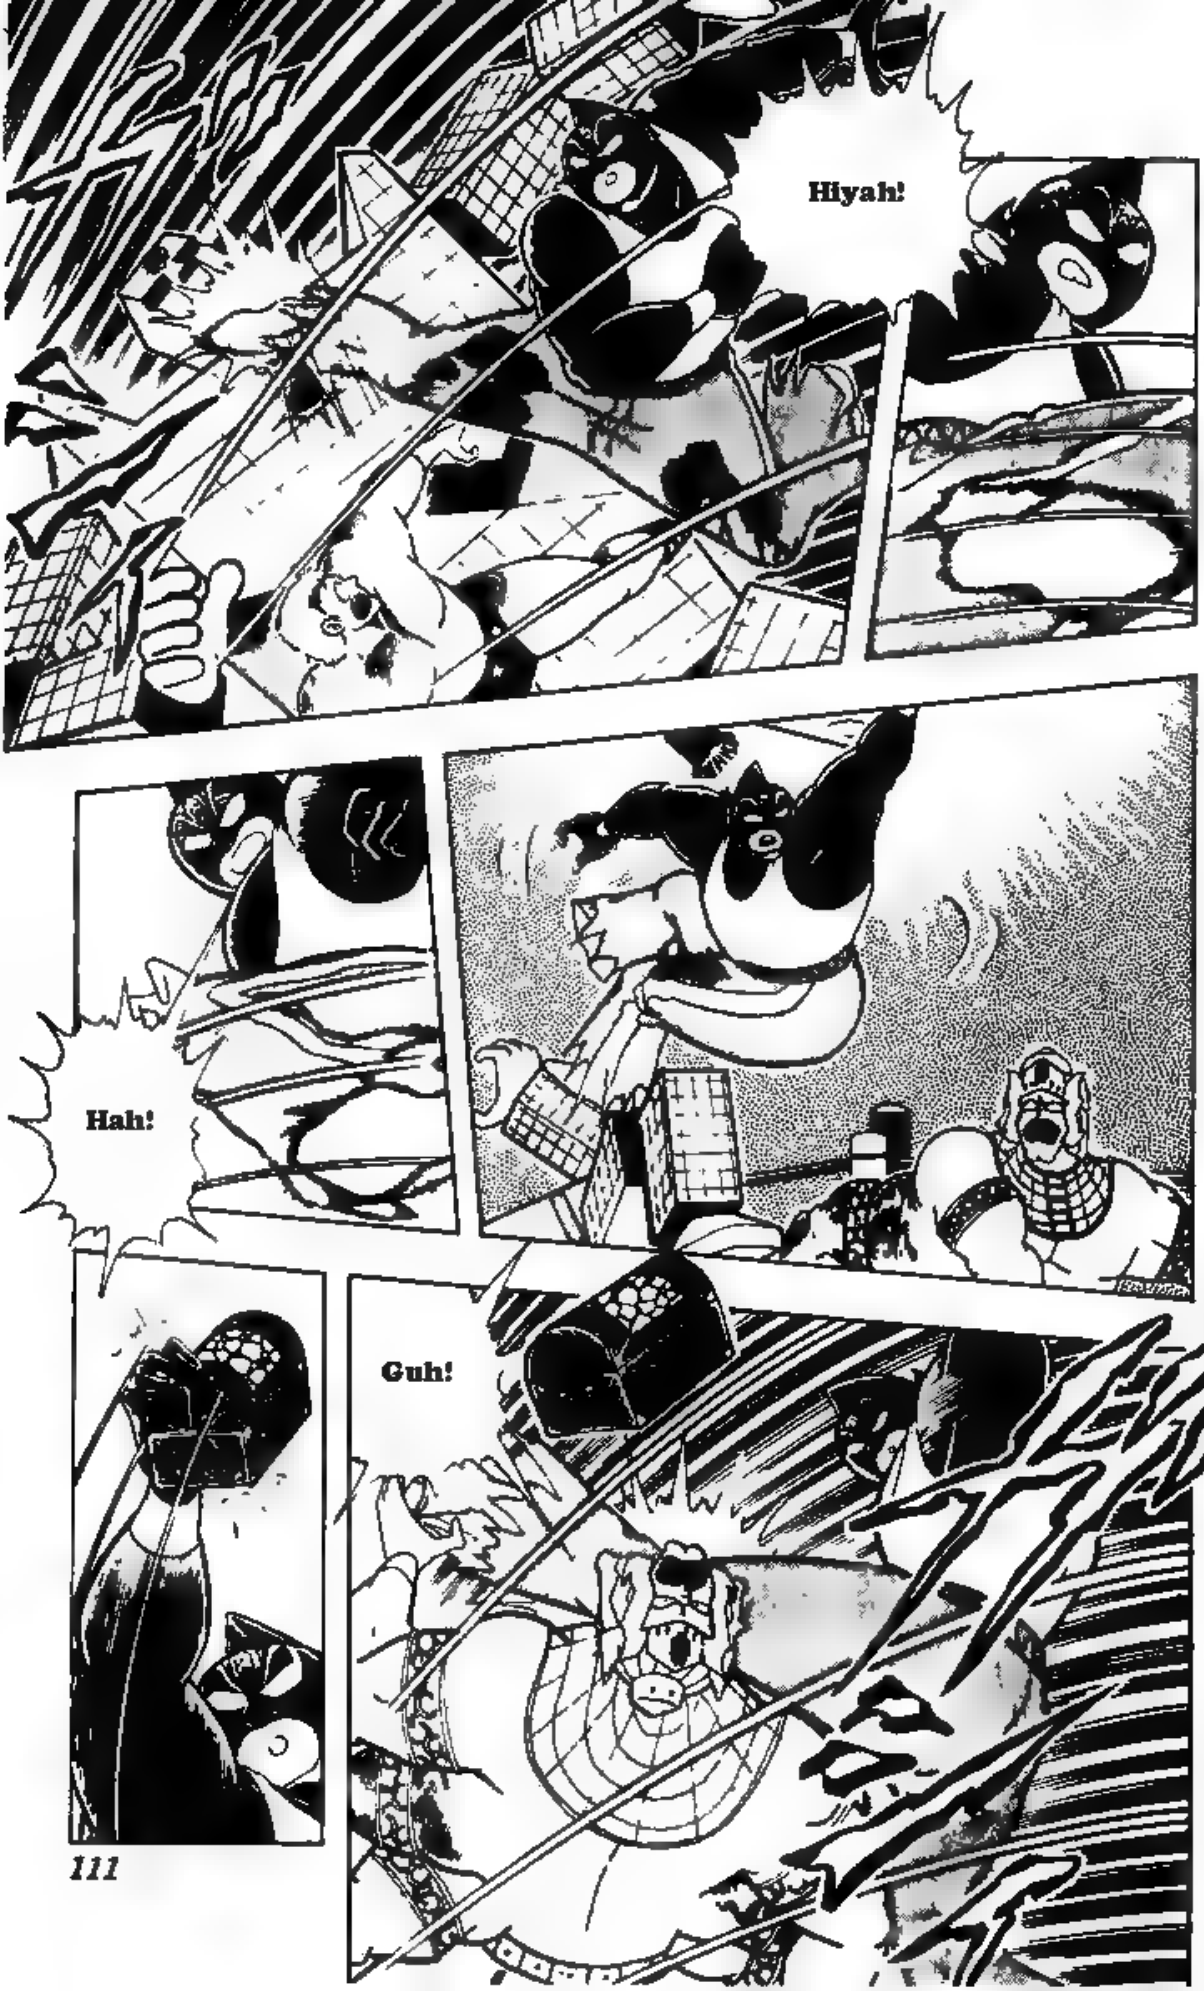
Friendship Forever...!

Kinnikuman Great has suddenly appeared in the ring of the match between the Stray Devils and the New Machineguns!
Kinniku-man...
...Great!

You've gone out of control, so I've come to save the New Machineguns.
Why are you here!?
Way to go, Master Kameha...
This explains why I didn't see you earlier. You were climbing Tournament Mountain, even though you were wounded, to save Terryman's team!
Gah...
Prince, you promised to keep his true identity a secret!
According to the rules of the match, we're beating up the New Machineguns legally. You're the one who's in violation by trespassing on our match!
KA-KAKAKA! What do you mean?

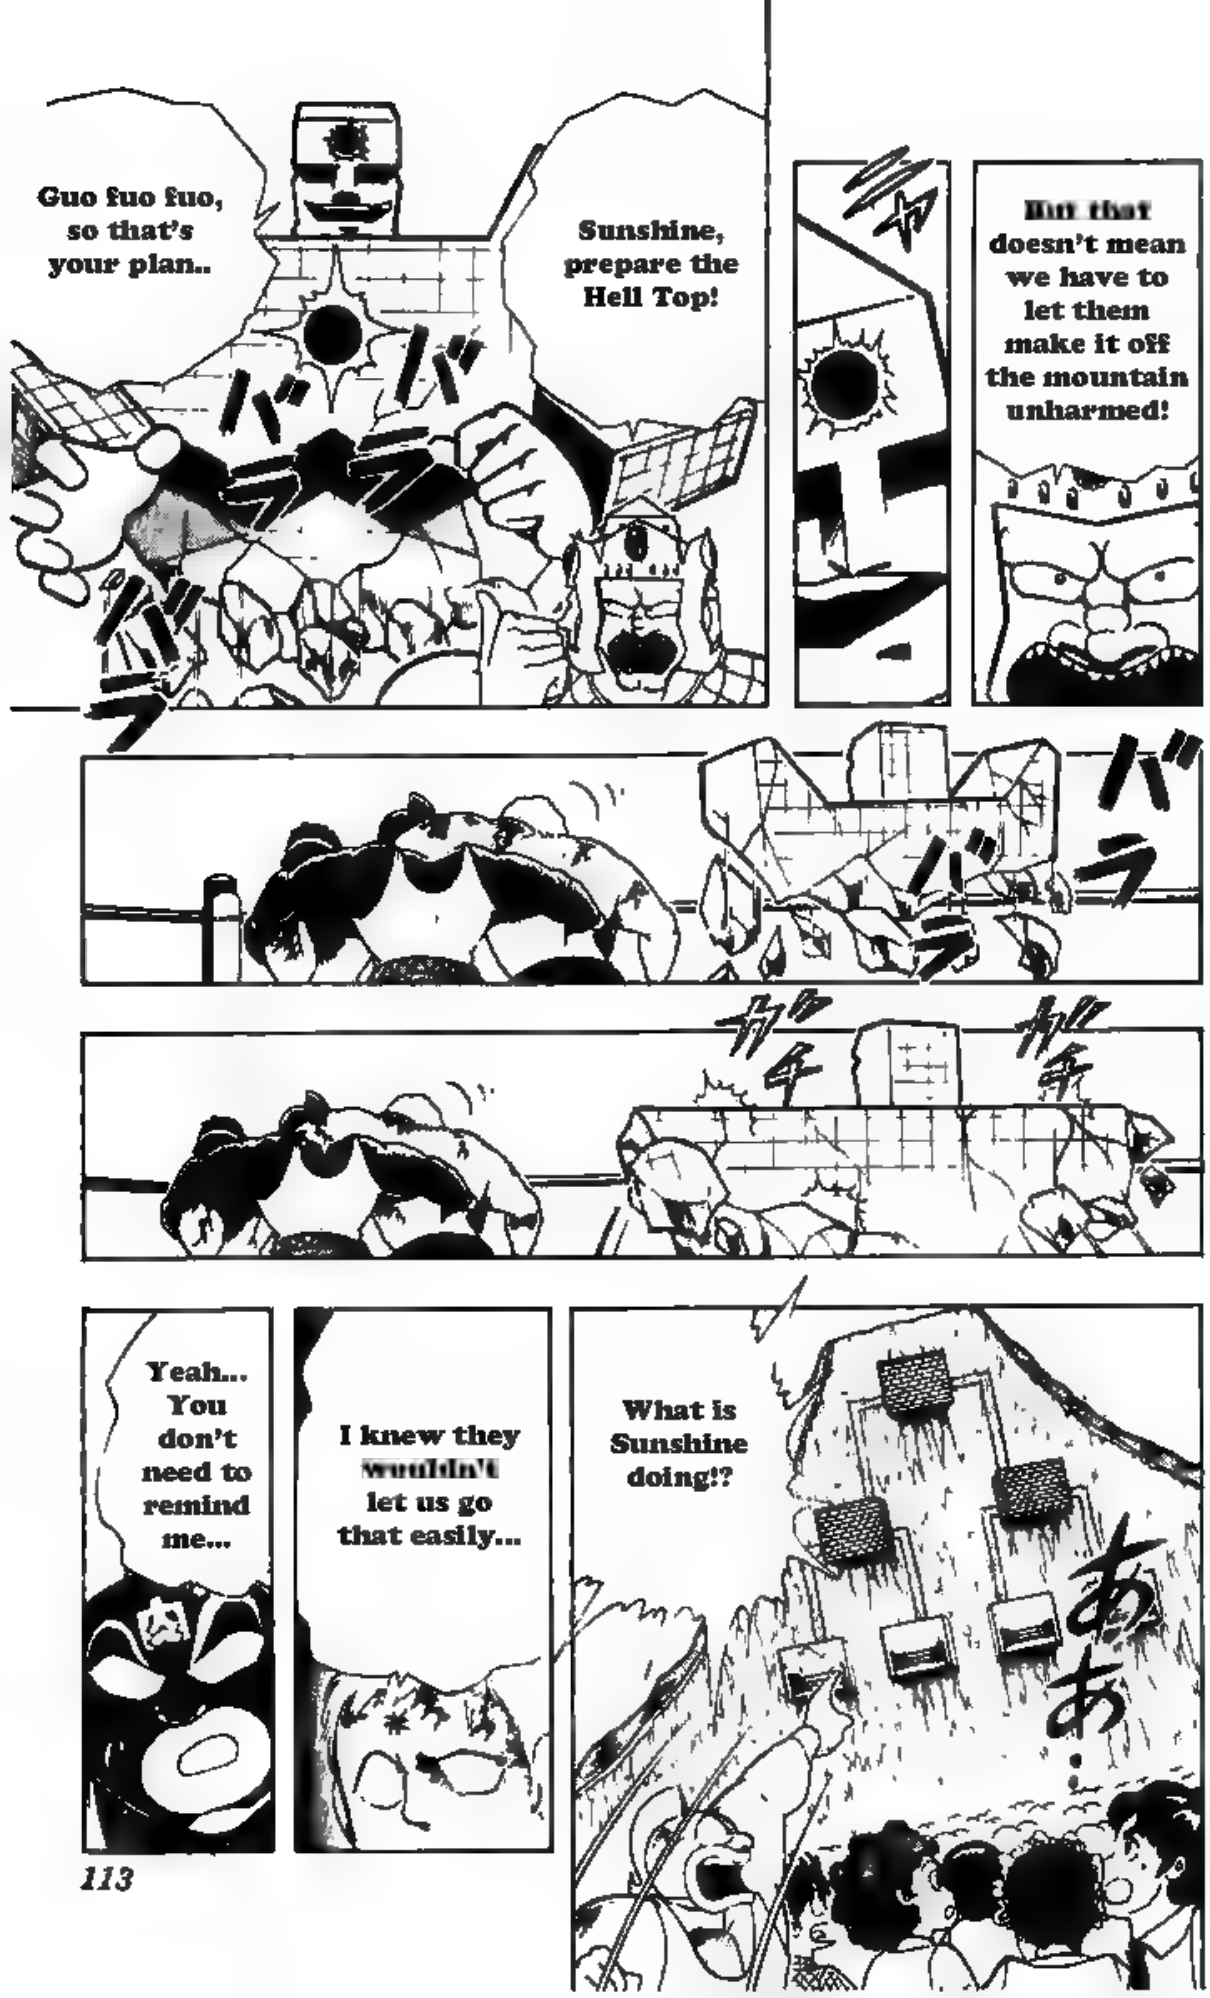
It's true that interrupting a match is against the rules...
...but the New Machineguns forfeited the match as soon as Terryman removed his stars!
Ha
That means I can help the New Machineguns with no problems!
KAKAKA! Interesting. If you think you can help them, go ahead and try!
That's...
...the box with the friendship that was stolen from the Justice Chojin!

Huh?
If you had opened that box lately, you'd have noticed that the stolen friendship has already been returned!!
What!?
I got you, Devil Chojin!
Guh!
Zoop
What are you talking about? The Destiny Dolls that represent the stolen friendship are all still in here...

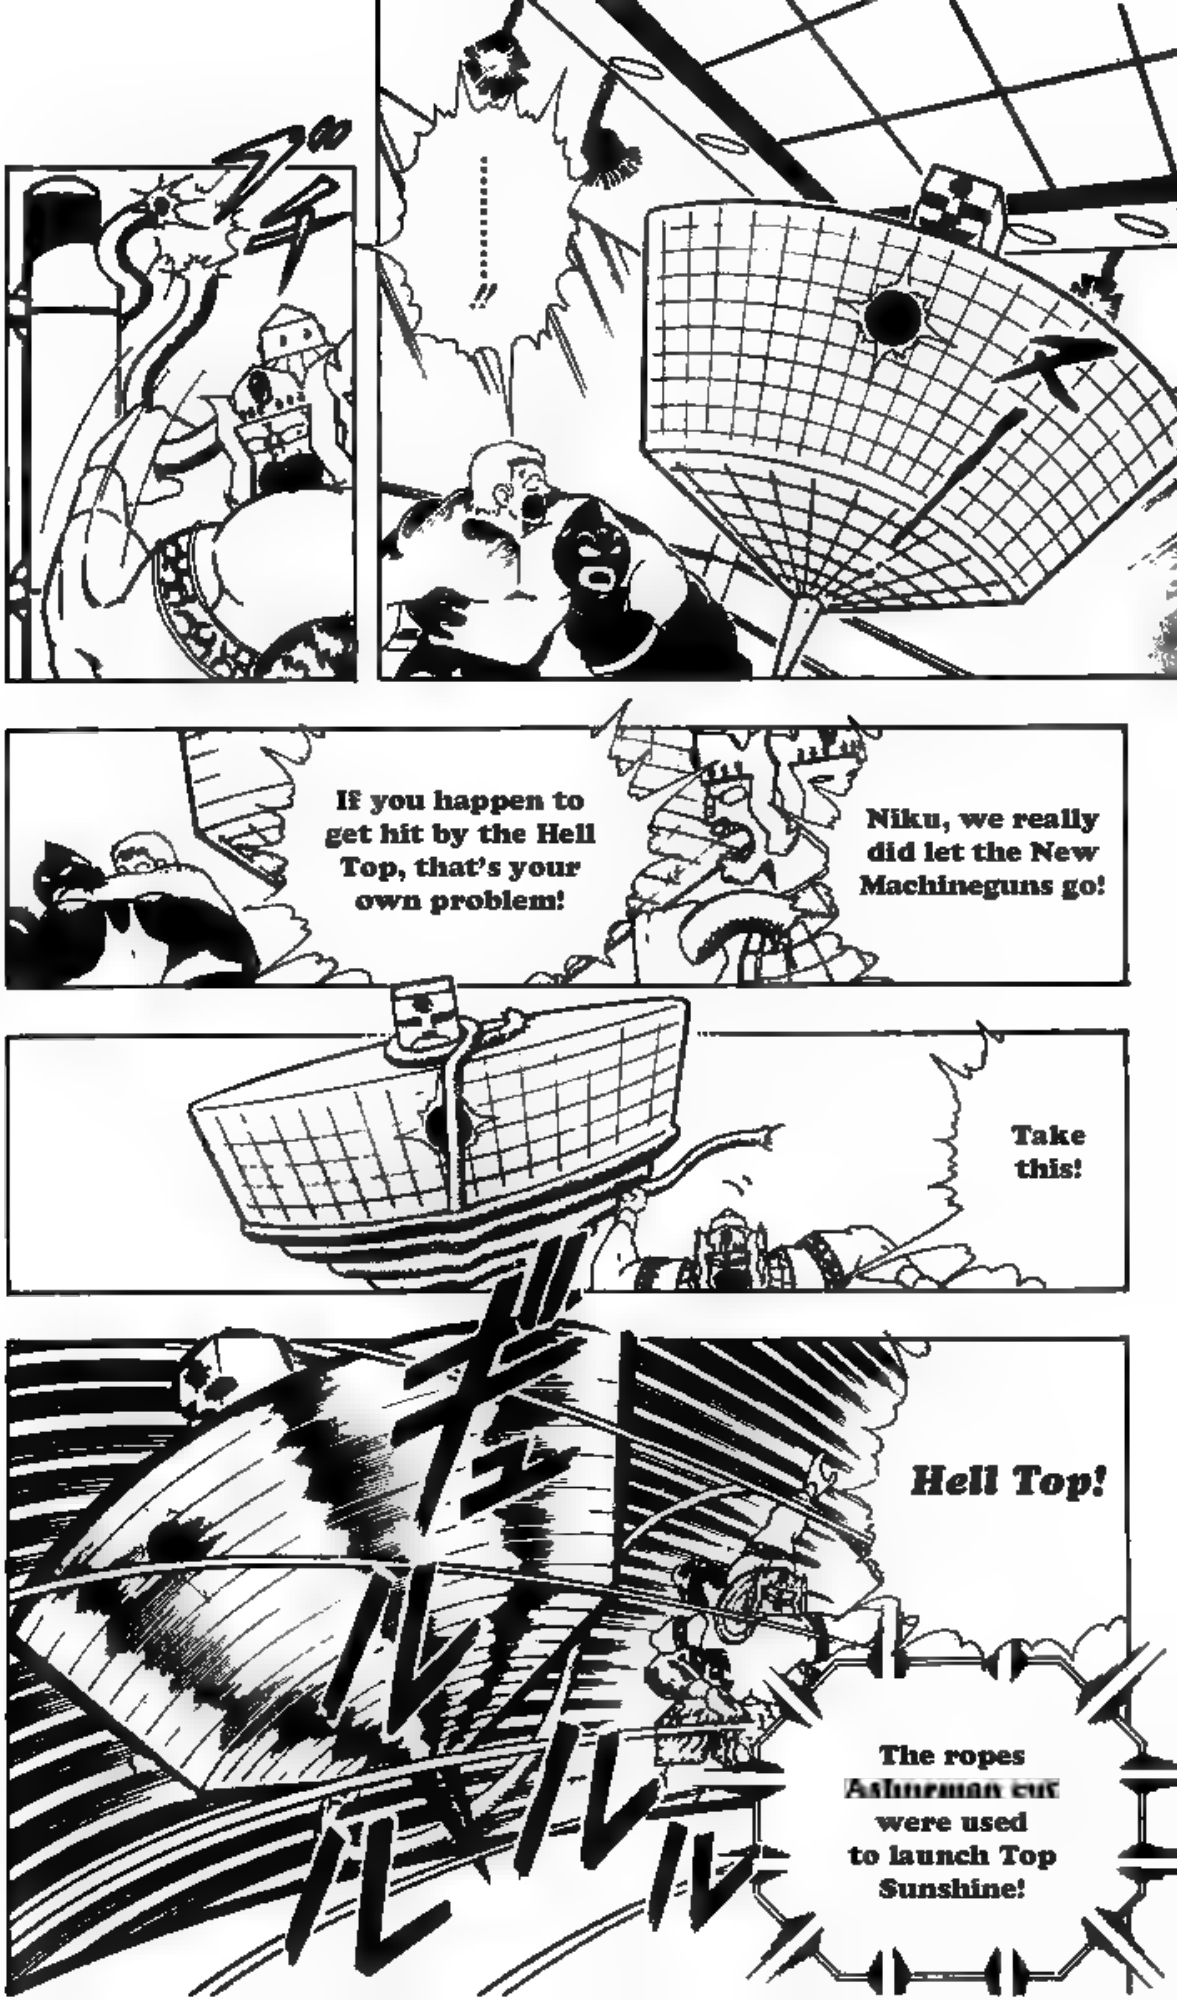


Hiyah!
Hah!
Guh!

That amazing judgement and precision are like nothing I've ever seen before. Who on earth is this guy!?
I've already taken back Terryman, Geronimo, and the friendship box.
Like you just told me, you used those Chojin dolls inside the box in order to steal the Justice Chojin's friendship!
You...
See!? This is Niku's full power!
Hehehe, we know when we're beat.
Yes, really.
Brother! Are we really just going to let them go!?
The two of you have finally become real winners.
You win this time. We'll let the New Machine-guns go.



Guo fuo fuo, so that's your plan..
Sunshine, prepare the Hell Top!
But that doesn't mean we have to let them make it off the mountain unharmed!
バラバラ
ガチ
Yeah... You don't need to remind me...
I knew they wouldn't let us go that easily...
What is Sunshine doing!?
あ・あ・



If you happen to get hit by the Hell Top, that's your own problem!
Niku, we really did let the New Machineguns go!
Take this!
Hell Top!
The ropes Ashuraman cut were used to launch Top Sunshine!

The Justice Chojin have been thrown back!
Uwa!
Tuh!
!
KA-KAKA! Did you really think you'd take our box that easily!?
Niku...!
Niku!
Uwa!

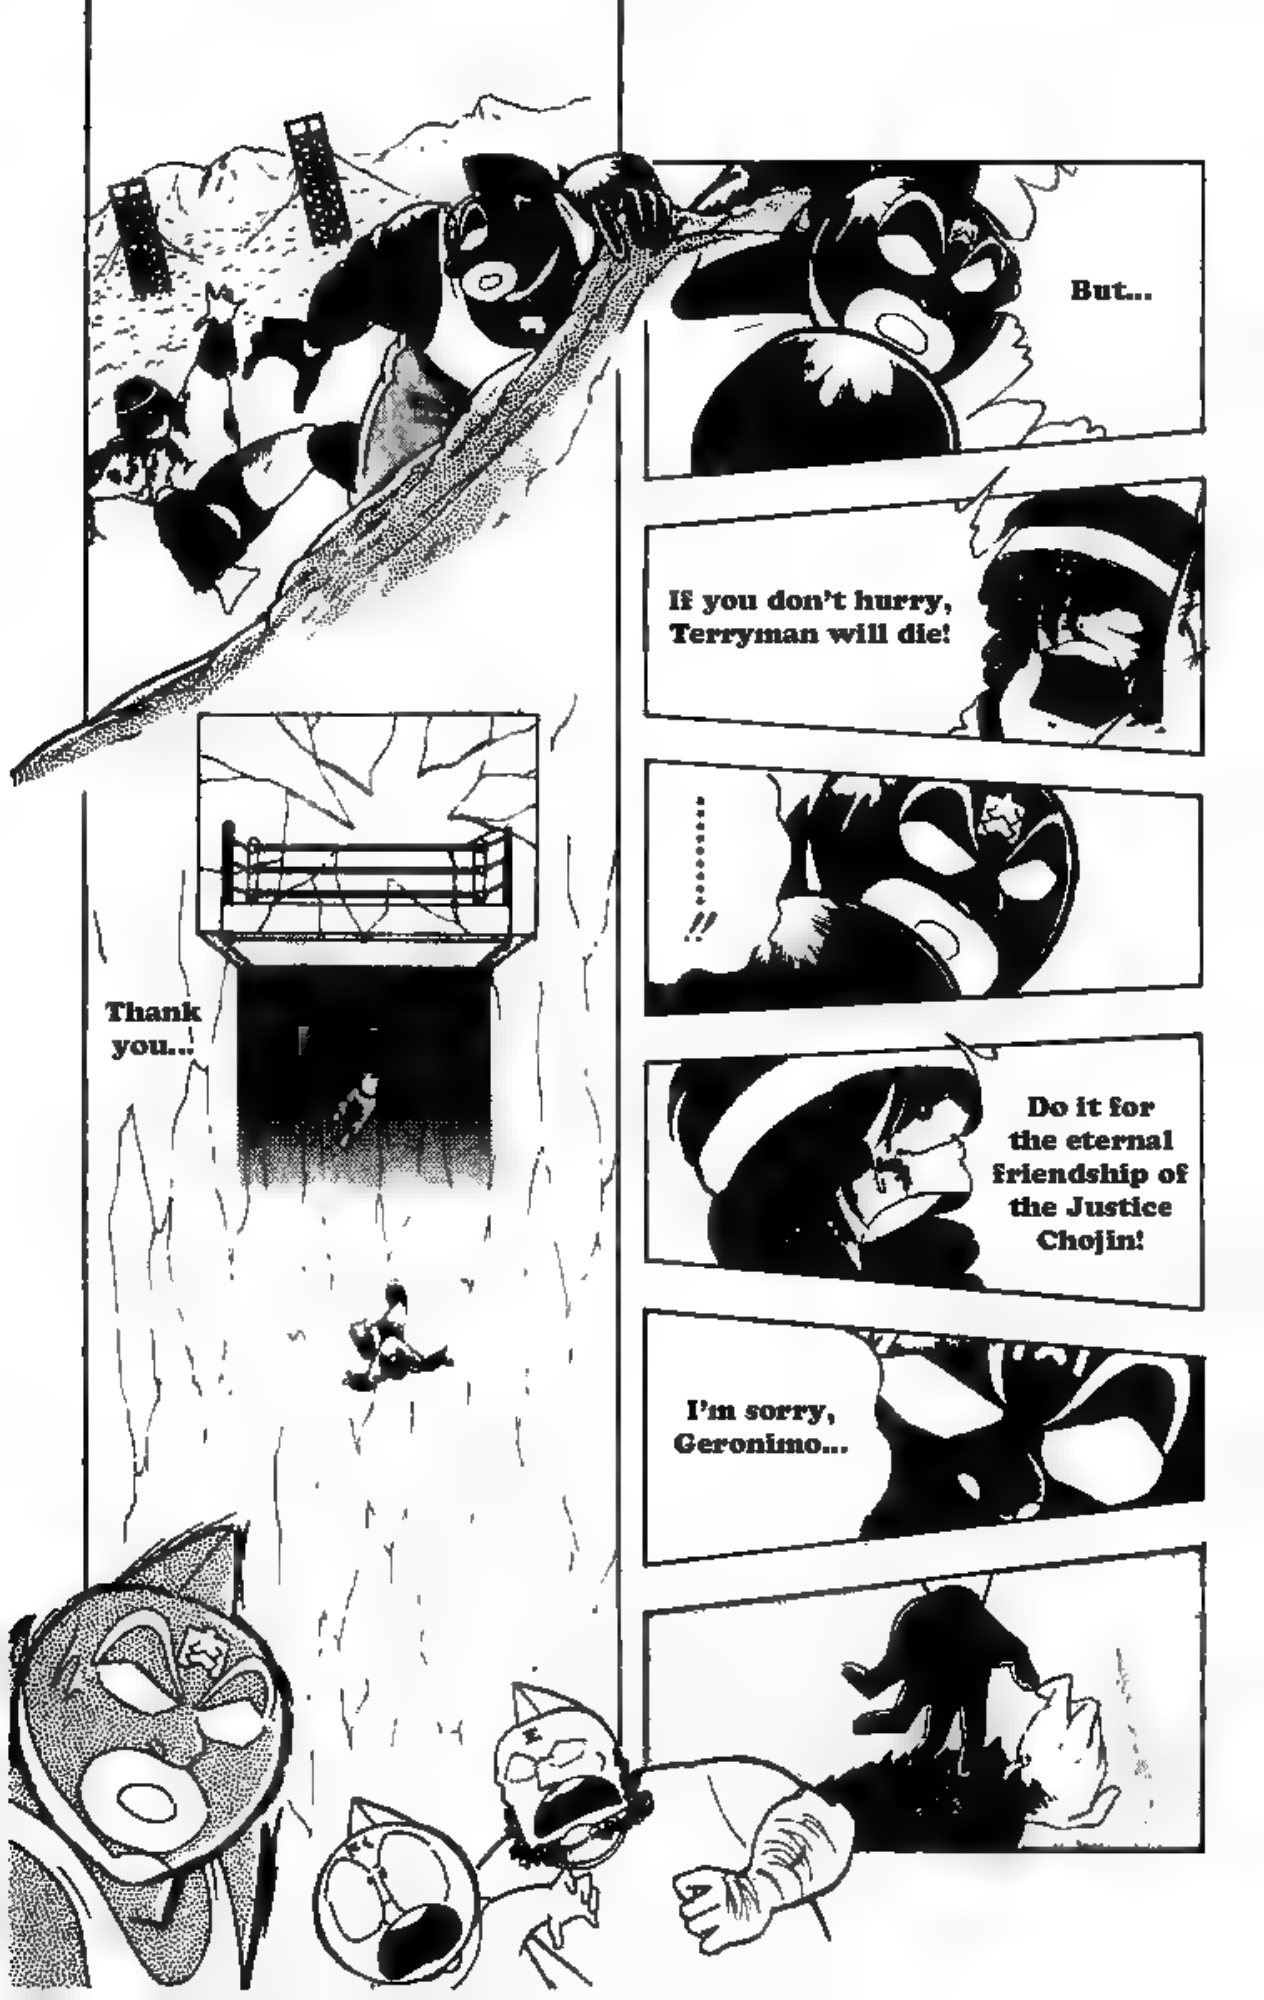
Okay, I'll save you!
It's alright. Geronimo is safe, too!
Ugh!
KA-KAKA! I can't let you do that!
We just have to take care of Terryman!
KA-KAKAKA! It's only a matter of time before their injuries catch up with them and they fall off Tournament Mountain, anyway!
Niku, please! Just focus on saving Geronimo!
You know, the doll's prediction of Terry's head being ripped off still hasn't happened yet...

Ugh!
Hiyah!
Terry!
The Devil Chojin Clothesline!
You need to worry about what's inside!
Ignore what's going on outside of the ring...
KA-KAKAKA!

They can't take Terry's head!
Guo fuo fuo!
Here, Sunshine!
How'd it work? Did his head get blown off?
No more holding back!
It must be stuck!
Nope, it still hasn't come off yet...
Niku...

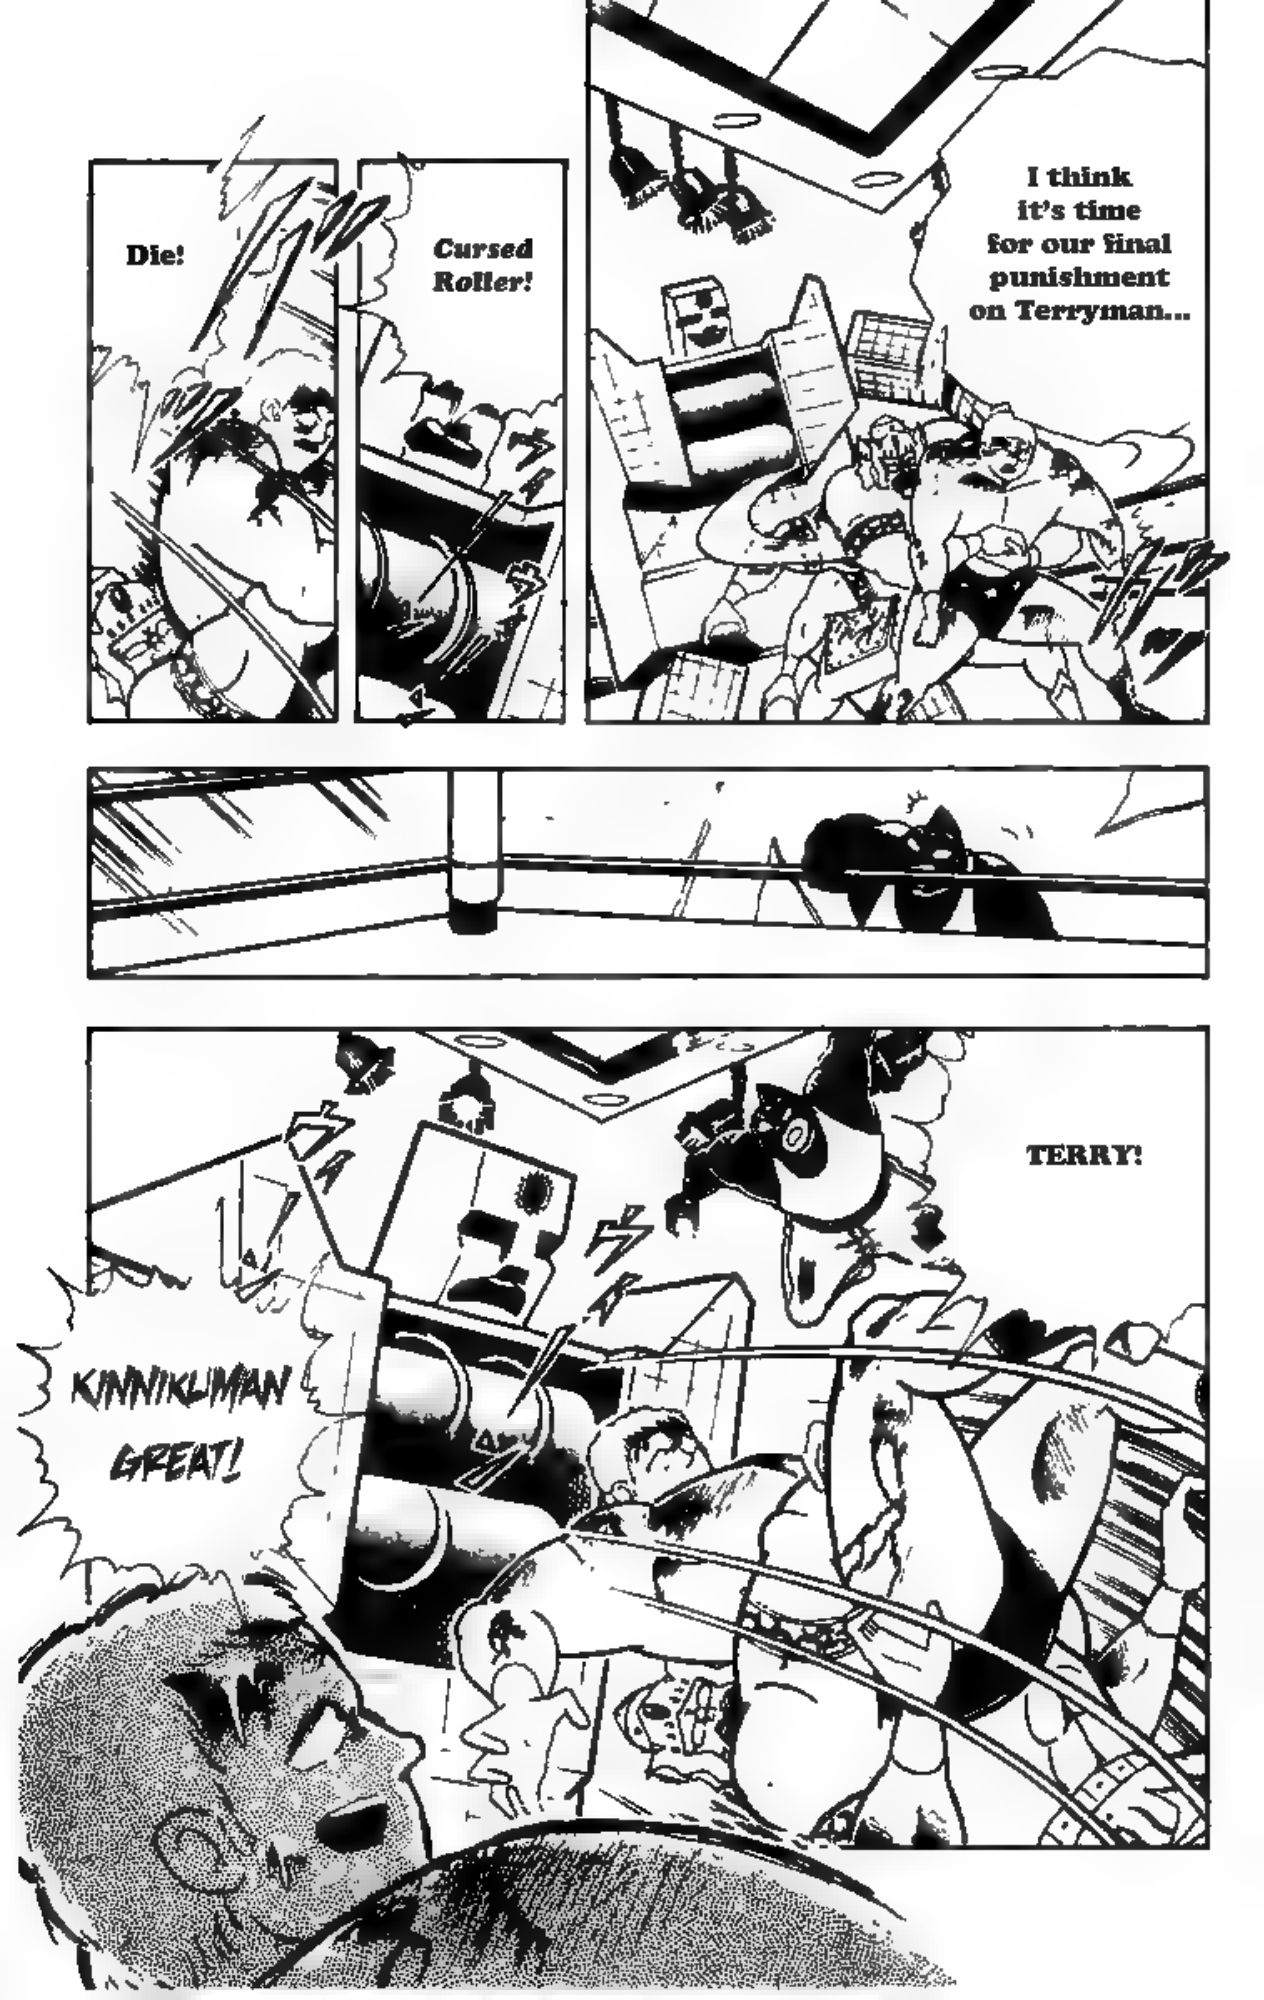
N... Niku...
Ge... Gero...
So, do you just want me to stand by and watch!?
Hold on! Don't be so rash, Suguru! If you climb Tournament Mountain now, they'll have already broken Terryman's neck by the time you reach the top!
I can't believe this! Are you just killing him for fun!?
Terry!
Just believe in those two...!

You've done enough for me already! Just save Terryman!
If I could just use both arms...
Uwa!
And since you're a good person, you should be able to understand that you need to leave me behind to save Terryman! With Kinnikuman and Terryman together, I know they can defeat the Devil Chojin AND the Perfect Chojin!
You wear a stern mask, but you're a good person under it.
I want to see Terryman and Kinnikuman as The Machineguns again, too.
What are you saying, Geornimo?
Terryman isn't a Chojin who can die now! He has to survive and revive his tag-team with Kinnikuman!



But...
If you don't hurry, Terryman will die!
!!
Thank you...
Do it for the eternal friendship of the Justice Chojin!
I'm sorry, Geronimo...

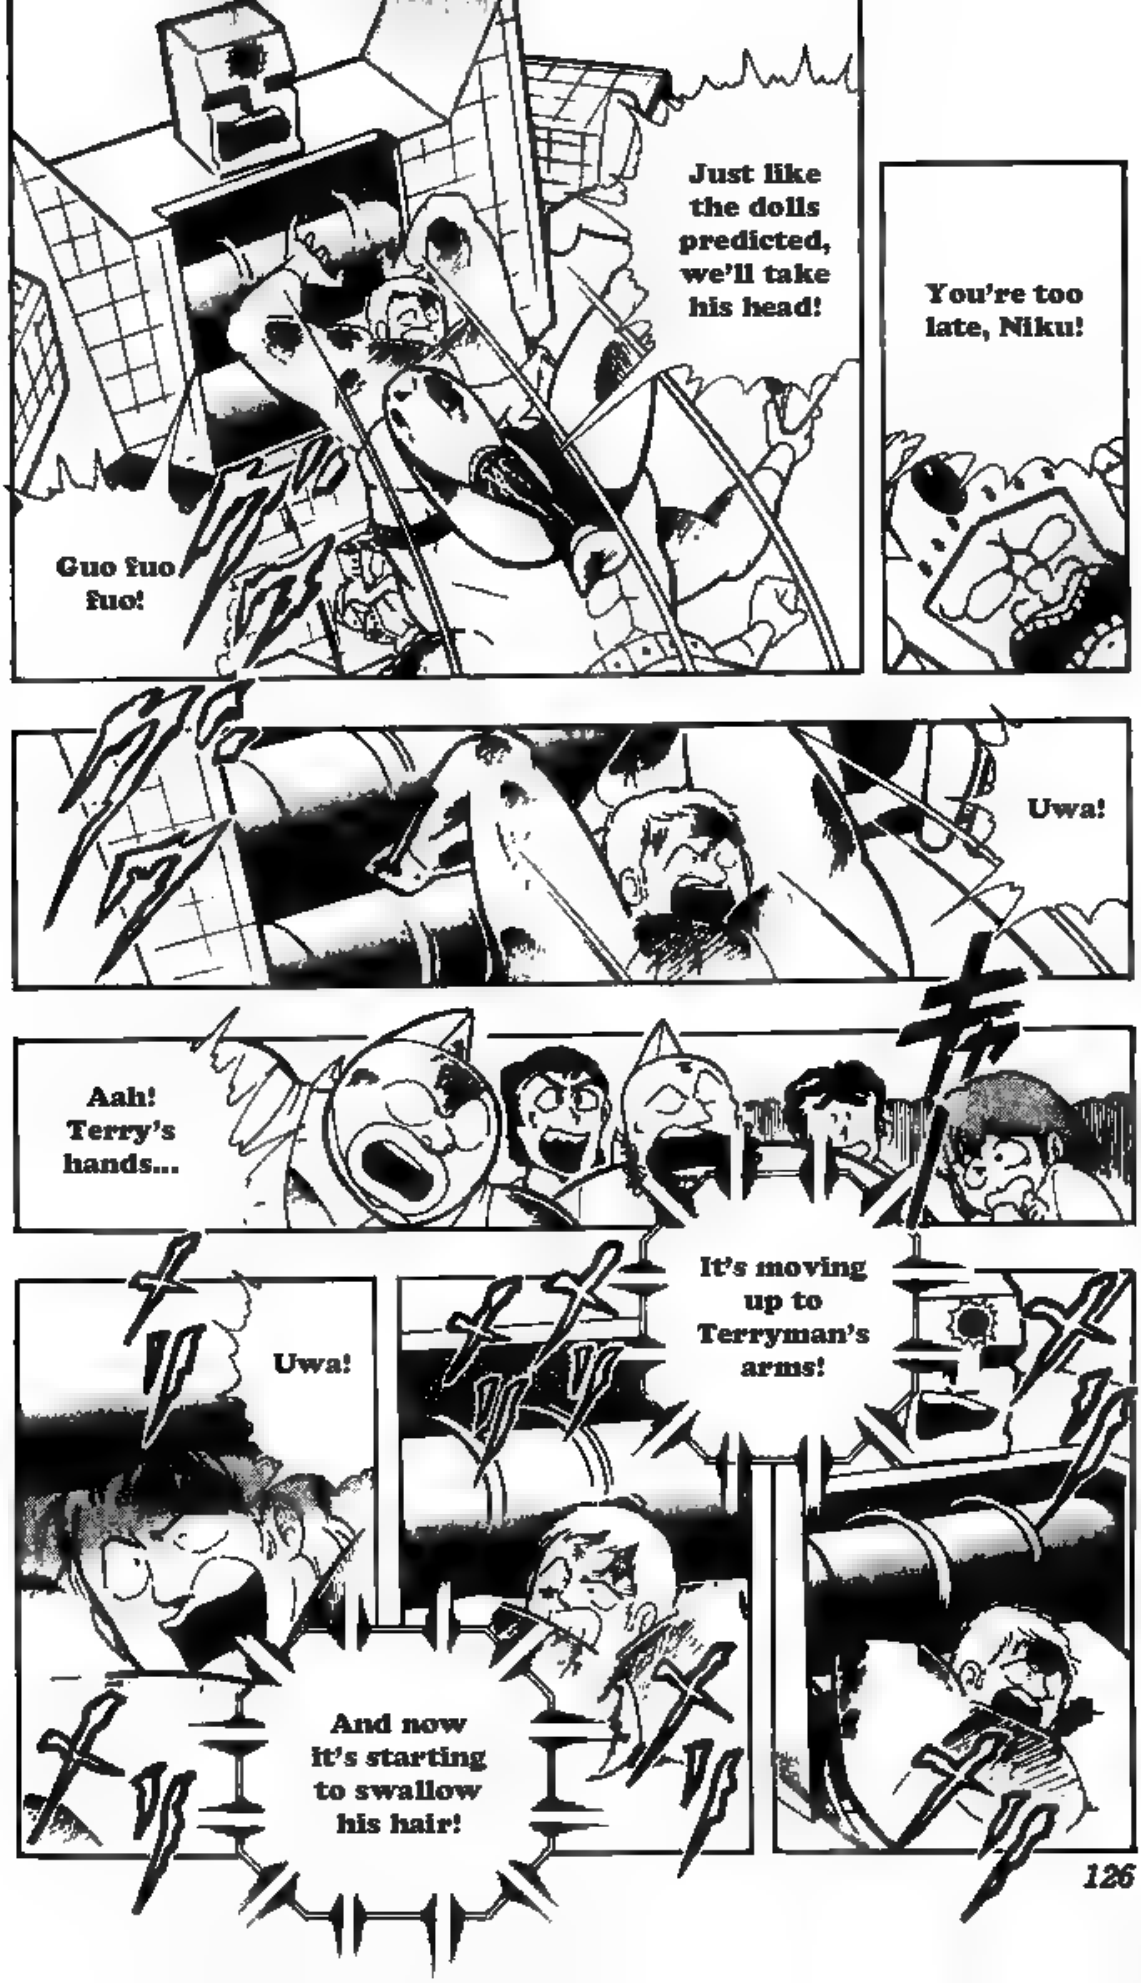
Niku's starting to climb!
I'm coming, Terry-man!
I have to take care of Geronimo! Watch over Terryman for me!
Suguru! Now Terryman won't be killed!



Die!
Cursed Roller!
I think it's time for our final punishment on Terryman...
TERRY!
KINNIKUMAN GREAT!

Realized! The Prediction of Destiny!

Terry!
Kinnikuman Great!
Right before Terryman gets hit with the evil power of the Cursed Roller, Kinnikuman Great jumps in to rescue him!

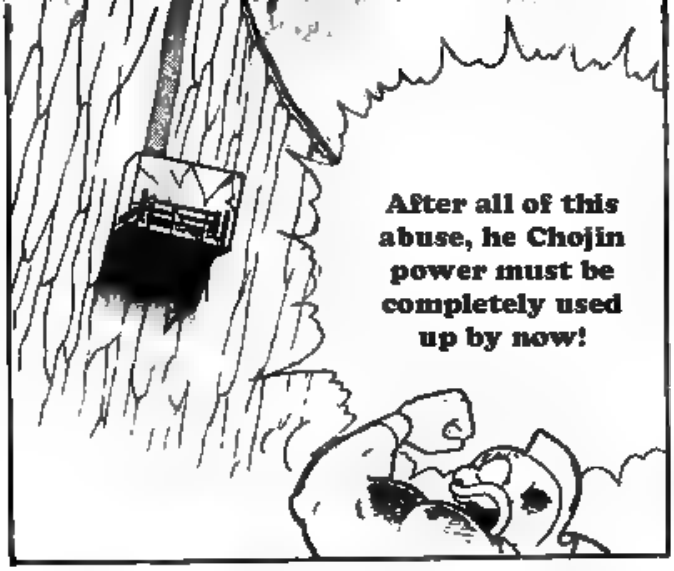


Guo fuo fuo!
Just like the dolls predicted, we'll take his head!
You're too late, Niku!
Uwa!
Aah! Terry's hands...
Uwa!
It's moving up to Terryman's arms!
And now it's starting to swallow his hair!

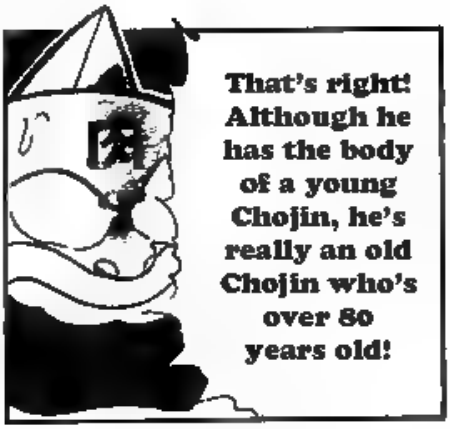
Aah!
Terry!
I made it in time...
Niku!
Kinnikuman Great makes it just in the nick of time!
You...

Like this...
Guo...
I'll get you out of there!
It's draining my power...
Pulling him from this roller....
Thanks to Kinnikuman Great's amazing Chojin power, Sunshine's rollers are being pulled in reverse!
No!

He did it!
Kinnikuman Great has successfully rescued Terryman!
He did it!
He did it!
Hahaha!
After that, he damaged his legs rescuing Warsman and Robin Mask when they were thrown off Tournament Mountain.
Don't forget, Kinnikuman Great was just in a deadly struggle against the 4-D Killer Combo in the first match.
Don't worry, he's still young...
Now he's hurt himself again rescuing Geronimo and Terryman. That would be too much for anyone, no matter what age they are.

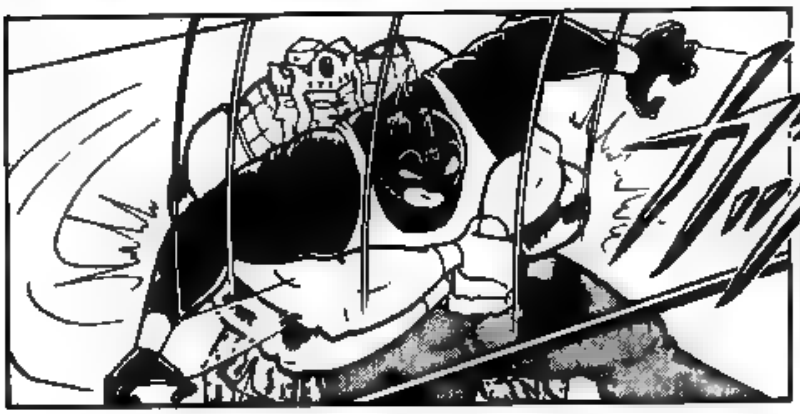


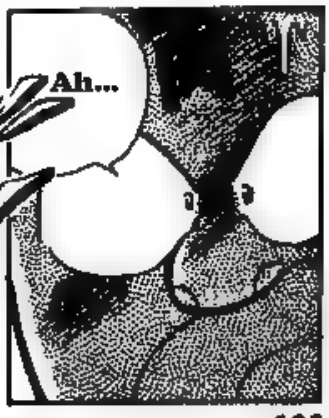
After all of this abuse, he Chojin power must be completely used up by now!



That's right! Although he has the body of a young Chojin, he's really an old Chojin who's over 80 years old!

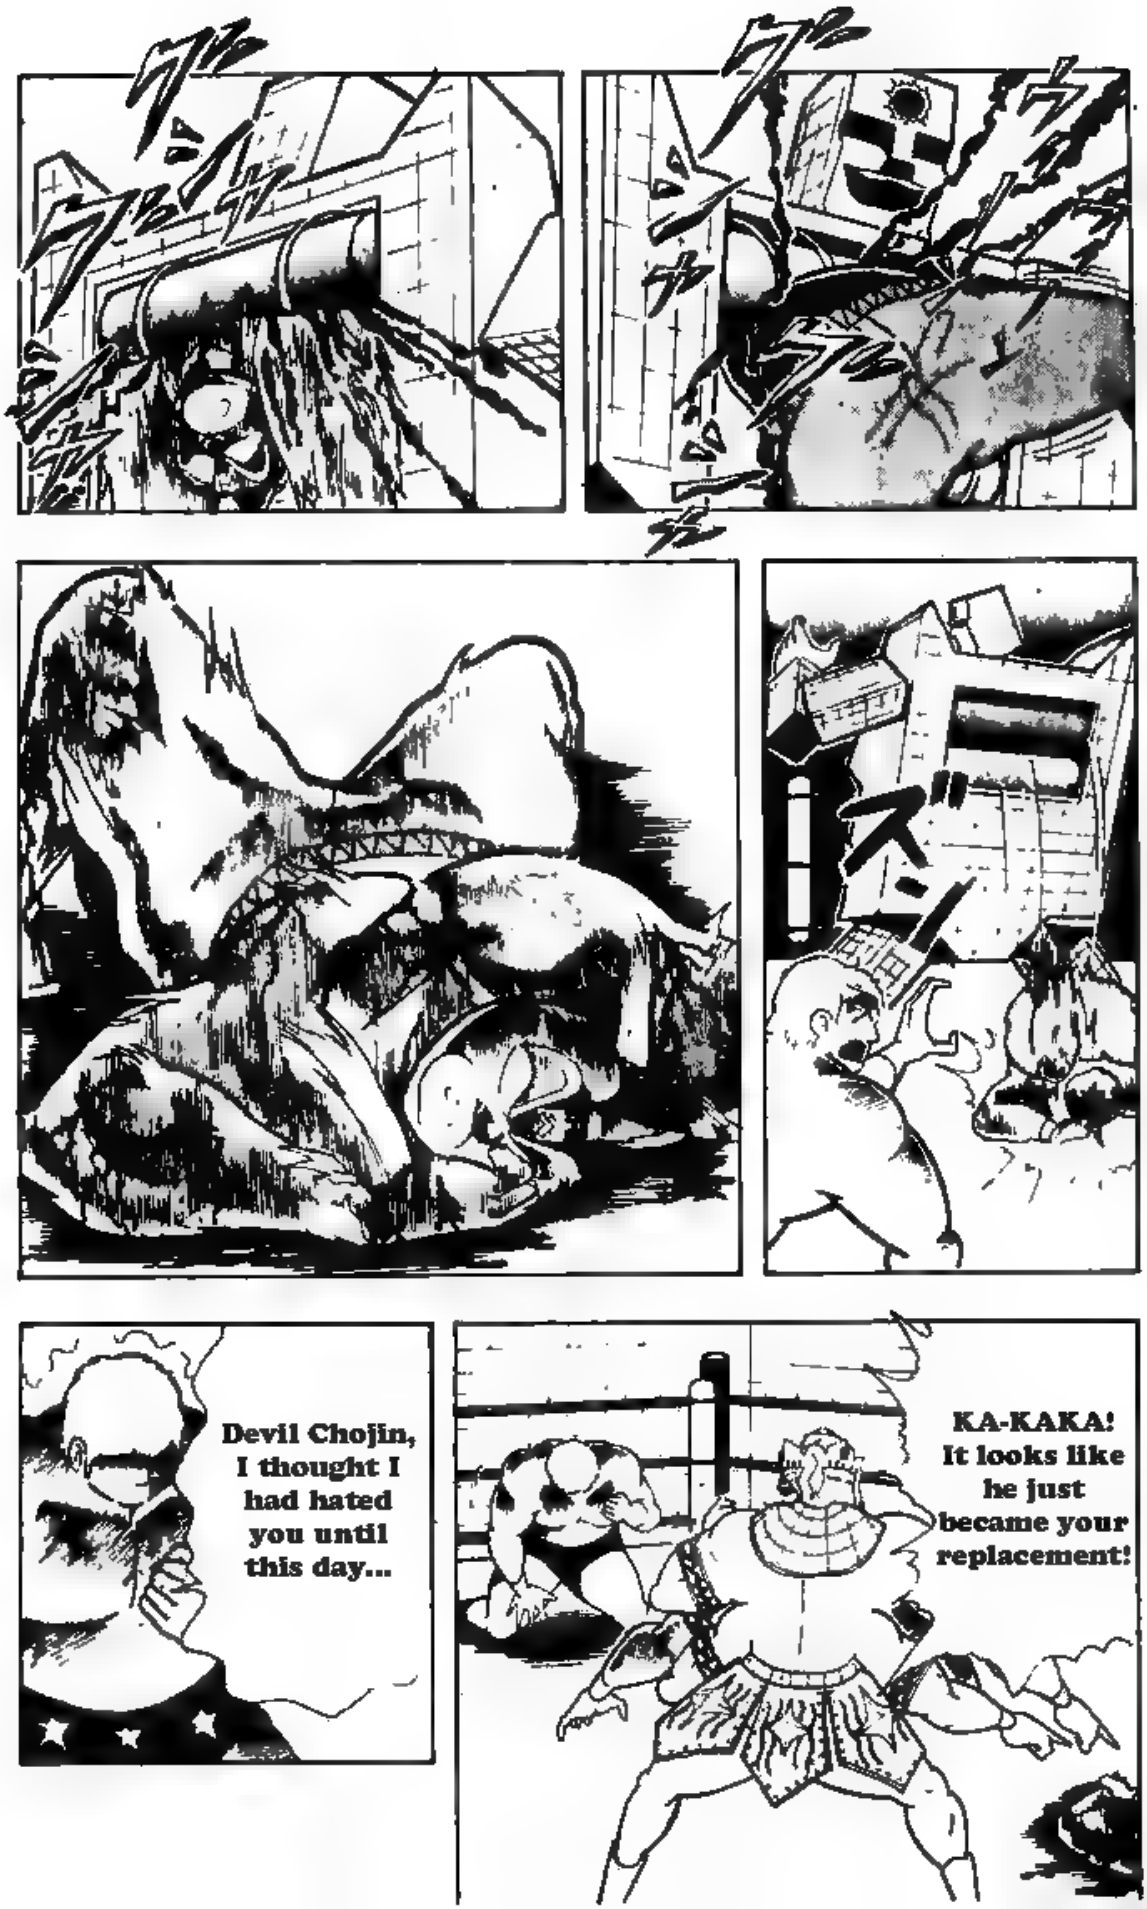
I can still...



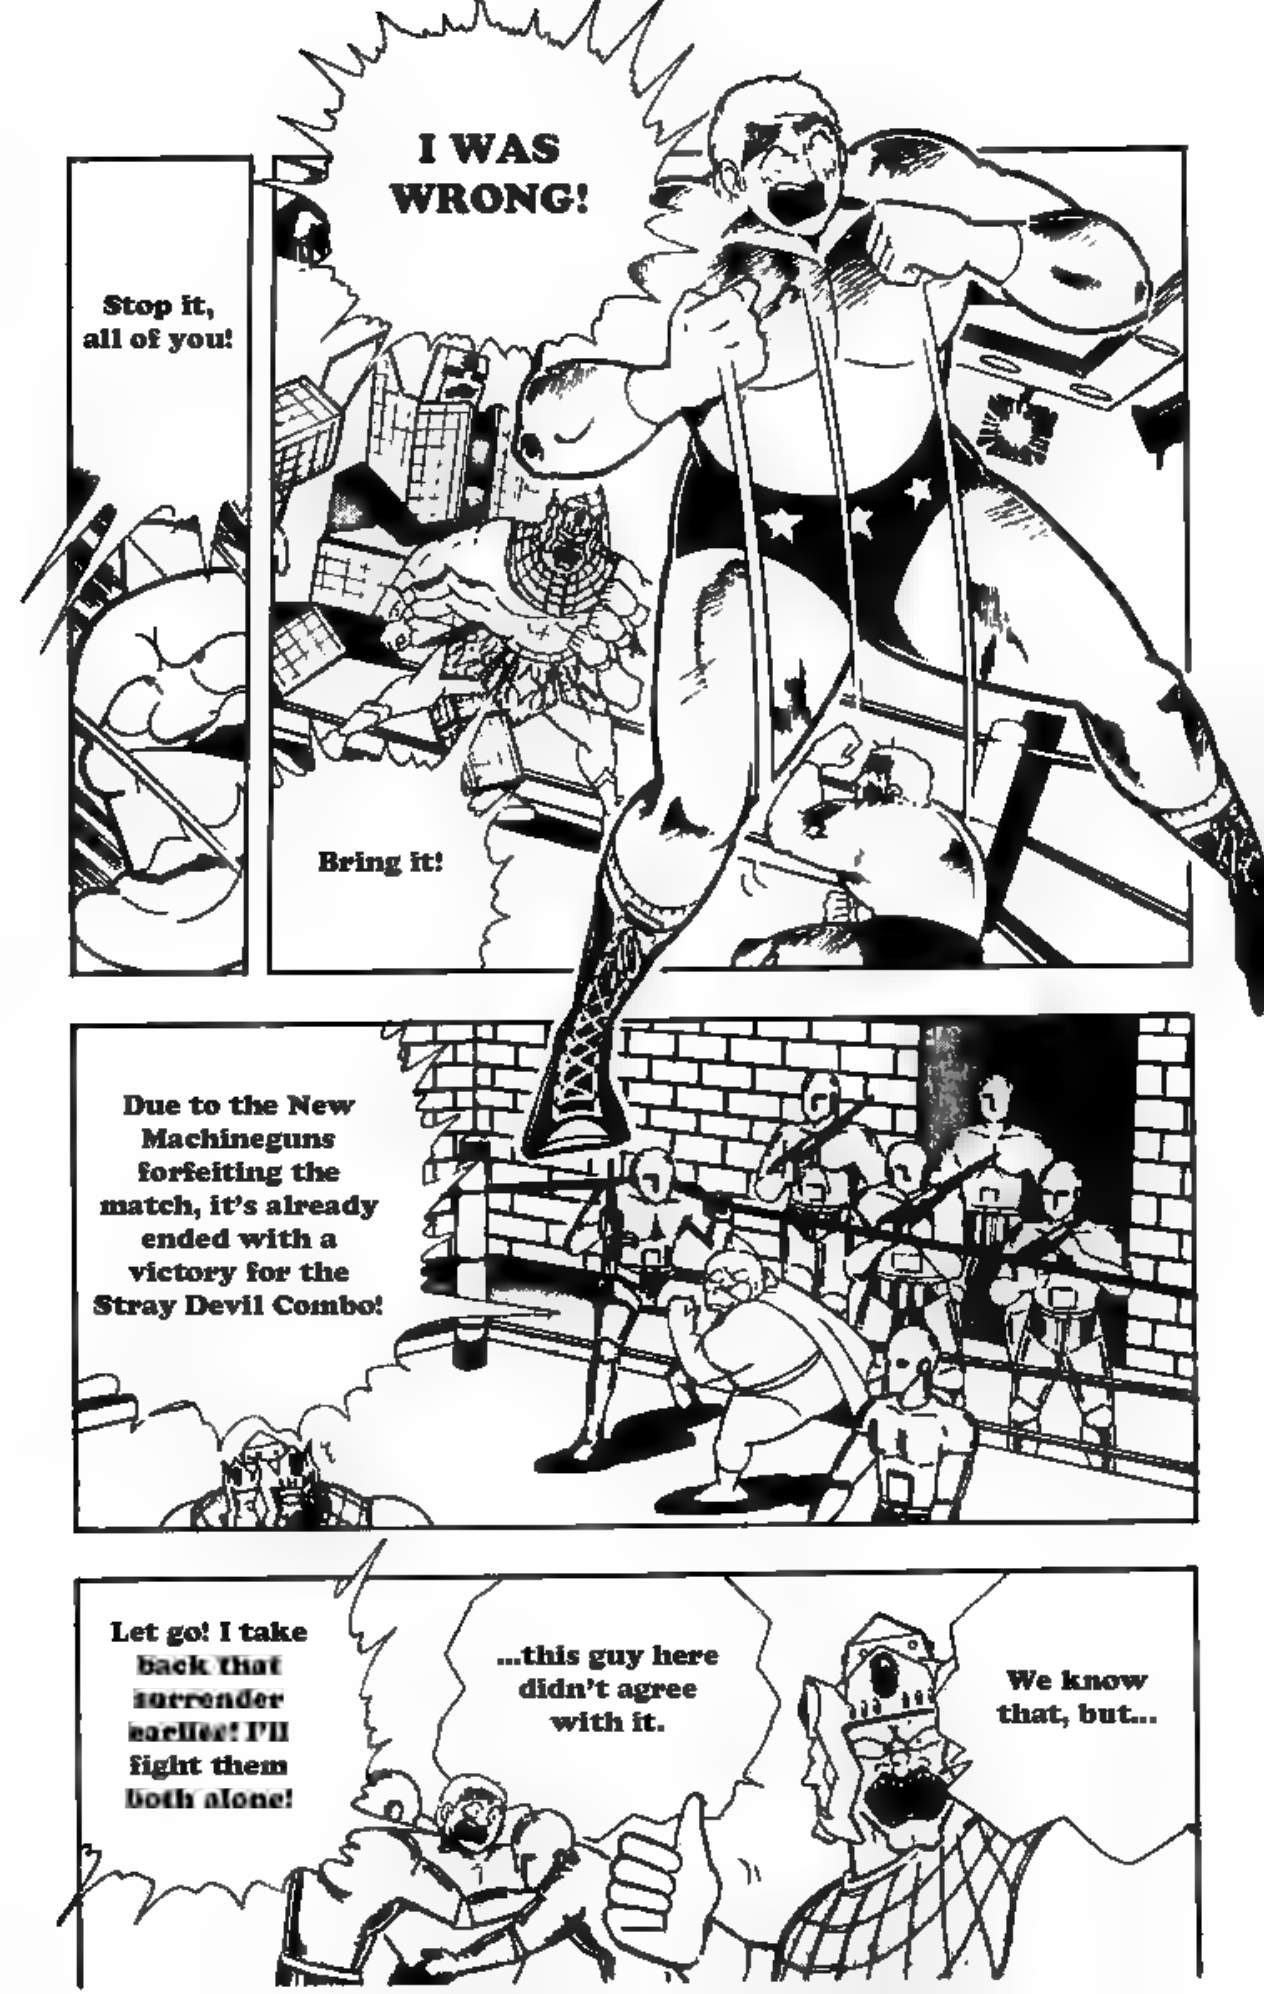


Ah...

I guess no body will really mind the change, as long as it's a big-name Chojin!
KA-KAKA! This works out well! We can use him in place of Terryman!
Die!
Aah!
Niku...!



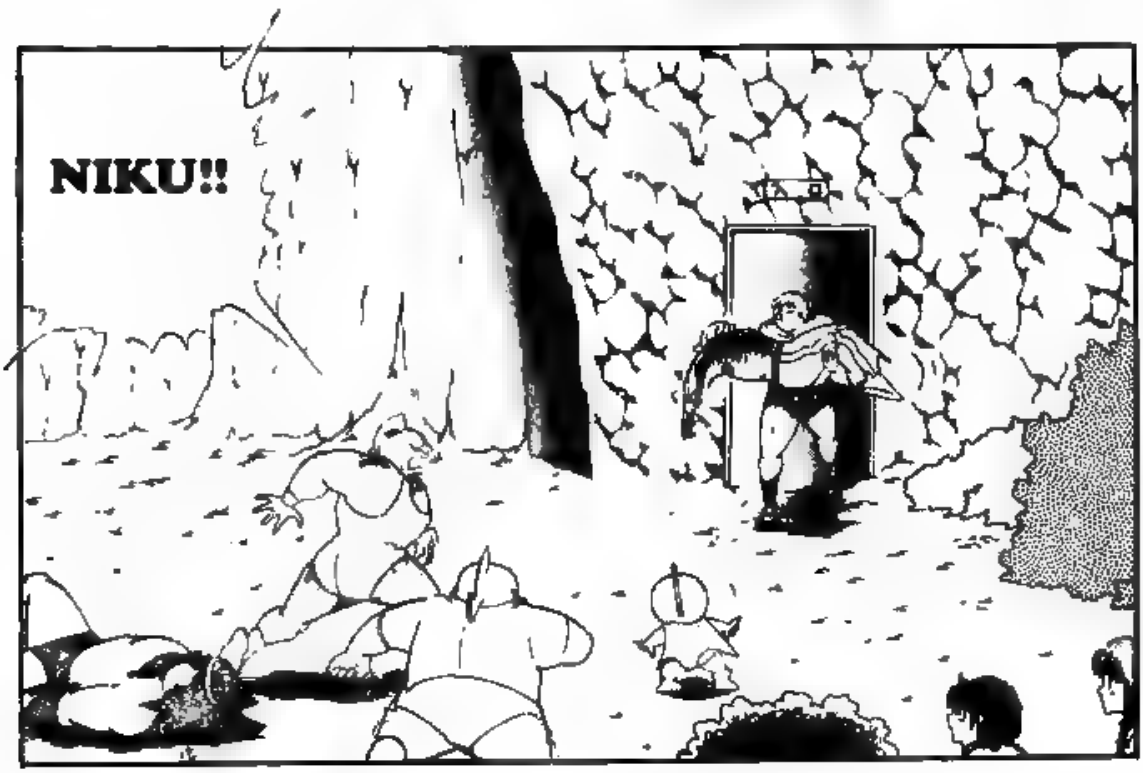
Devil Chojin, I thought I had hated you until this day...
KA-KAKA! It looks like he just became your replacement!



I WAS WRONG!
Stop it, all of you!
Bring it!
Due to the New Machineguns forfeiting the match, it's already ended with a victory for the Stray Devil Combo!
Let go! I take back that surrender earlier! I'll fight them both alone!
...this guy here didn't agree with it.
We know that, but...

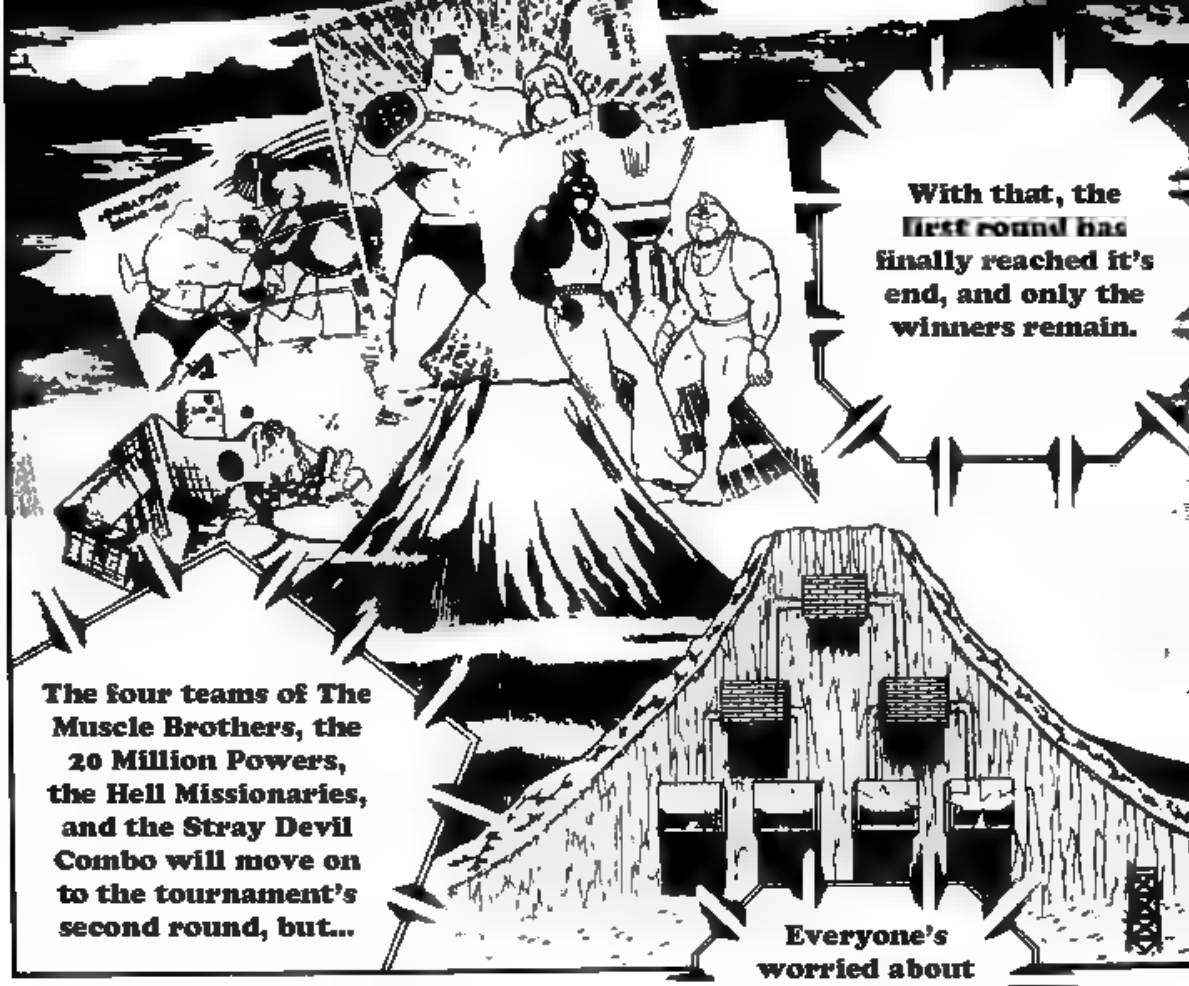
Please leave the ring at once!
Let go!
Give it up, Terryman! This tournament isn't a death match! Here we follow the rules exactly!
A judgment can't be overturned once it's been made! The defeat of the New Machineguns, Terryman and Geronimo, is already official.
"Unforeseen Circumstance"!? Hahahaha! That's great! These rules that you Justice Chojin make do nothing but protect the Devil Chojin!
Eeh!?
What about Kinnikuman Great!? He's already formed a team with Kinnikuman and won the first round!
A participant who enters the ring aside from your tag partner is not allowed. Therefore, he'll be forced to give up due to unforeseen circumstance!

Of course, that's the chairman's answer...

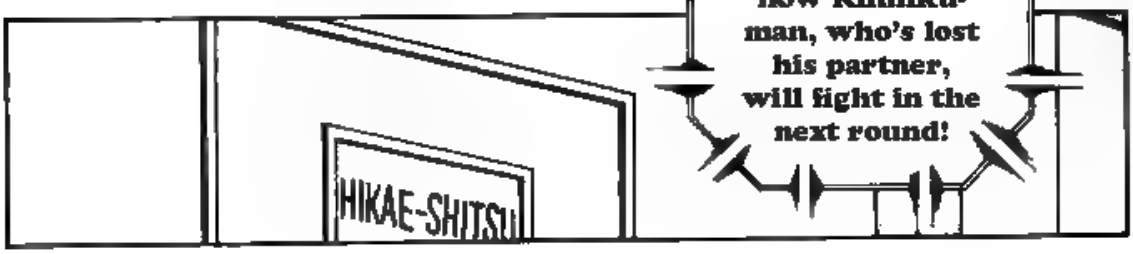


NIKU!!

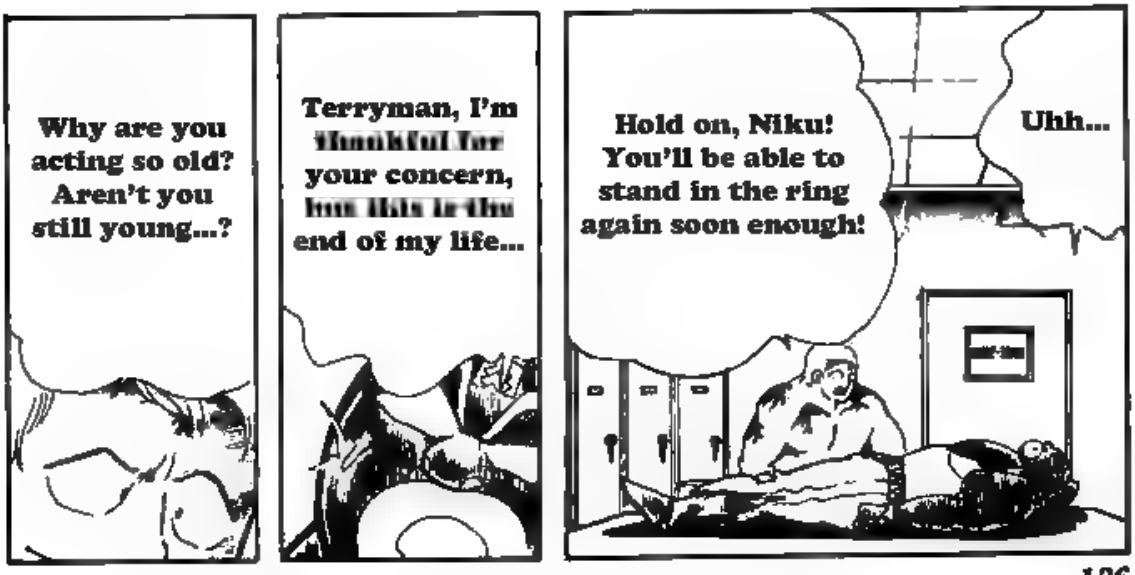
Terry...
Kinnikuman, I'm sorry that your partner has become this way... If I could, I'd give my life to revive him...



With that, the first round has finally reached it's end, and only the winners remain.
The four teams of The Muscle Brothers, the 20 Million Powers, the Hell Missionaries, and the Stray Devil Combo will move on to the tournament's second round, but...
Everyone's worried about how Kinniku-man, who's lost his partner, will fight in the next round!



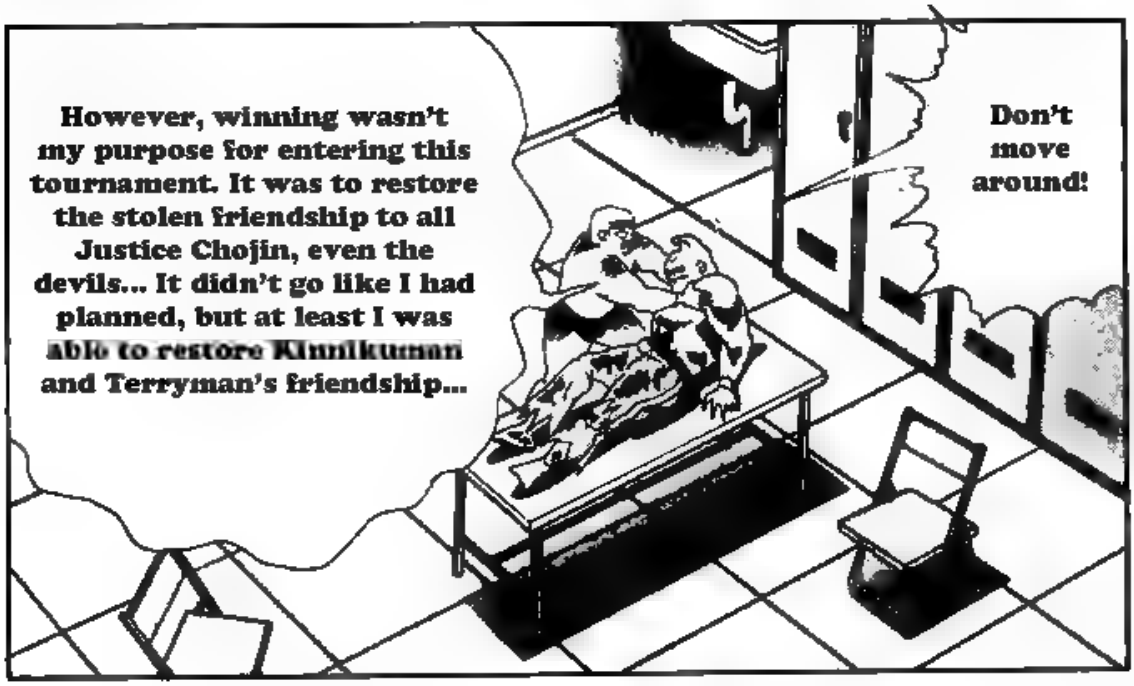
HIKAE-SHITSU



Why are you acting so old? Aren't you still young...?
Terryman, I'm thankful for your concern, but this is the end of my life...
Hold on, Niku! You'll be able to stand in the ring again soon enough!
Uhh...

Is my real face!
I may look young...
But this...
You're Prince Kamehame, said to be the strongest Chojin in Hawaii!

I'm glad that I didn't lose against the young Chojin in this tournament, but in the end, I couldn't win against time.
Of course! I can't believe you're Kinnikuman Great! That explains why he was so strong!
Heh... So you know of my glory...

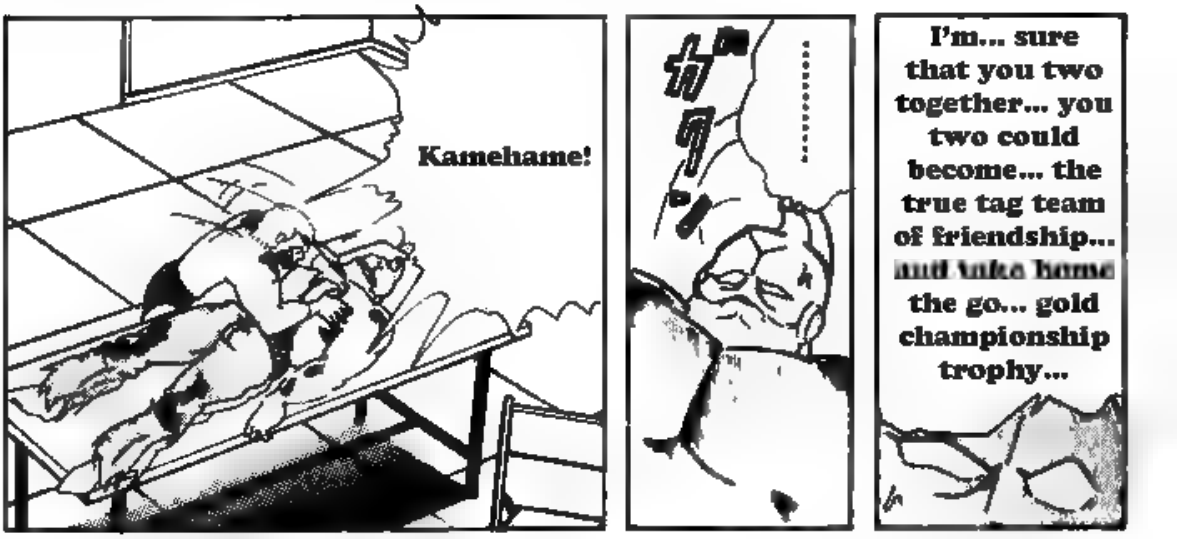


However, winning wasn't my purpose for entering this tournament. It was to restore the stolen friendship to all Justice Chojin, even the devils... It didn't go like I had planned, but at least I was able to restore Kinnikuman and Terryman's friendship...
Don't move around!

Terryman, do you remember the prediction of the Devil Chojin's Destiny Dolls?
No, I couldn't even win the first round of the tournament and was eliminated...
My duty is over, but I know that you can win back Mongolman and Buffaloman!

No, that prediction will come true here! Your head will not be torn off by the Devil Chojin, but by me!
You mean the prediction that my head would be torn off? That didn't happen.
Huh!?
Uwa!

Huh!? I'm Kinniku-man Great!?
The head of the New Machineguns' Terryman has been removed by me and replaced with the head of Kinnikuman Great!
The Great Mask!



Kamehame!
ガラ
I'm... sure that you two together... you two could become... the true tag team of friendship... and take home the go... gold championship trophy...

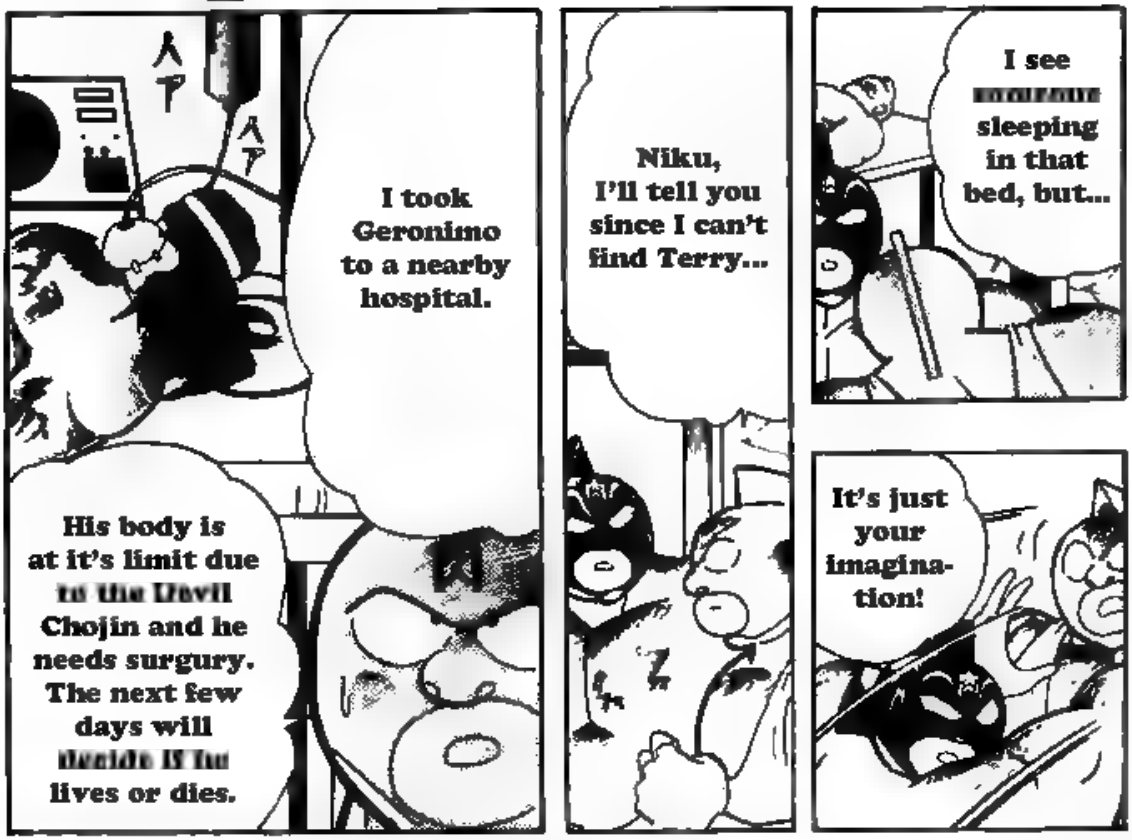
ドンドン
Hey, it's locked! Did something happen in there!?
Kinniku-man's voice...!
Hey Terryman, how's Niku doing? Tell him to hurry up so we can prepare for our match!
ドン

What bad timing...
I need to do something, quick!
ドンドン
Open up or I'll break down the door!

Dream Chojin Tag Arc 25

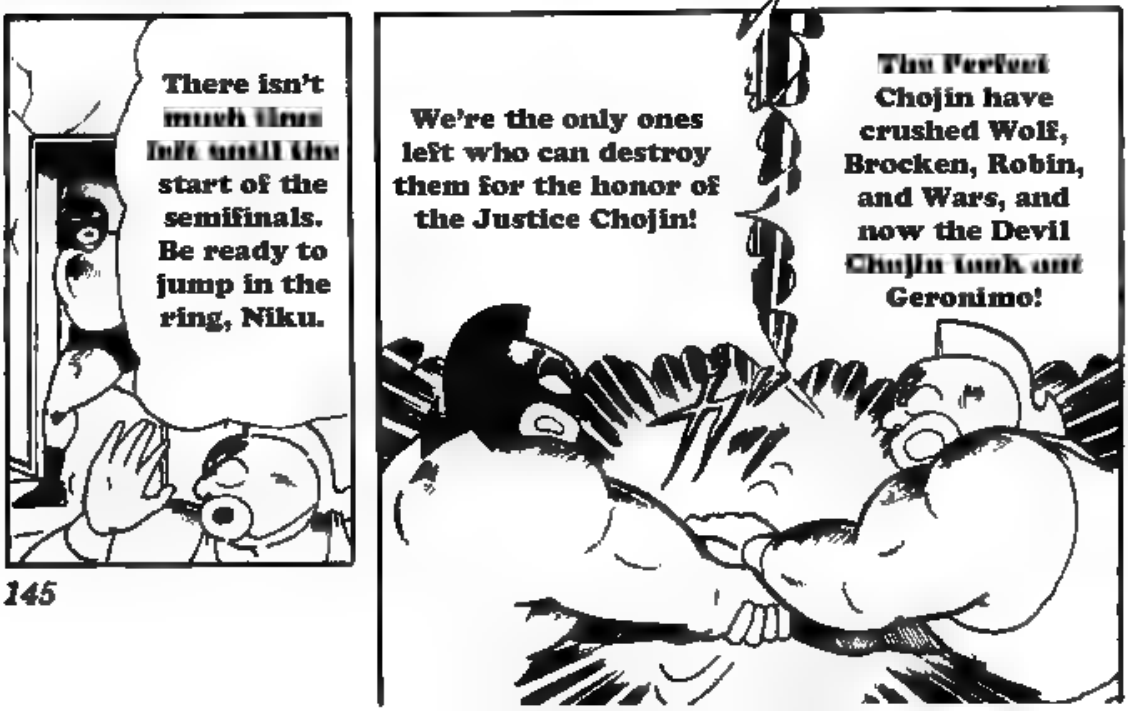
Birth of the 2nd Great!

Uwa!
Alright, I'm opening it now!
If you don't open the door, I'll break it down!
It's you...
Yes. I've completely recovered thanks to the great nursing of Terryman!
Oh, hey Master! Are your wounds from the Devil Chojin healed already?
Terryman had urgent buisiness and left earlier.
Now that you mention it, I don't see him, either!
Where is he, anyway?
Yeah, that's it!



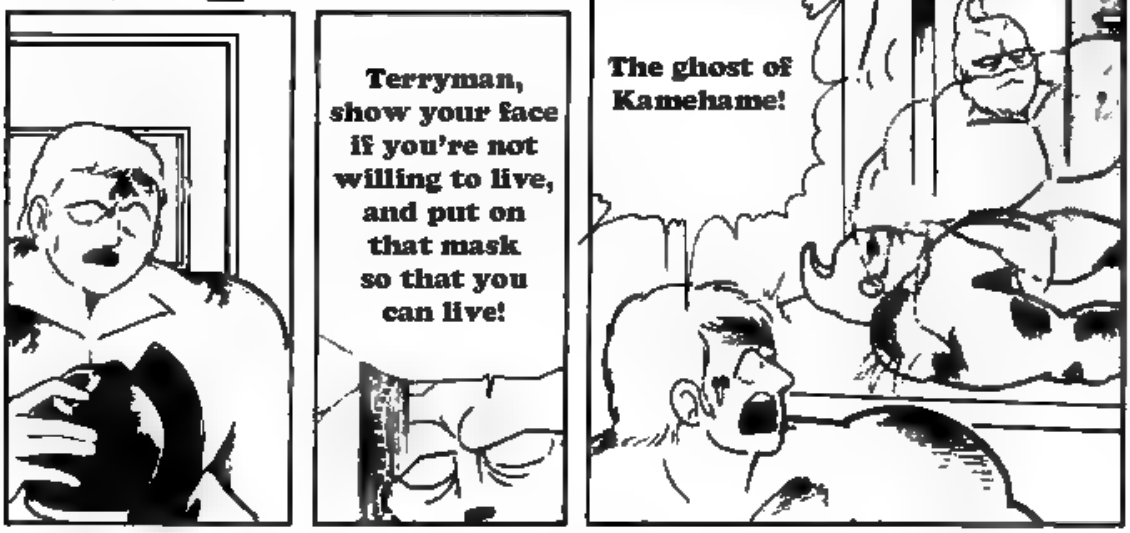
I took Geronimo to a nearby hospital.
His body is at it's limit due to the Devil Chojin and he needs surgury. The next few days will decide if he lives or dies.
Niku, I'll tell you since I can't find Terry...
I see sleeping in that bed, but...
It's just your imagination!

That's how bad his condition is!?

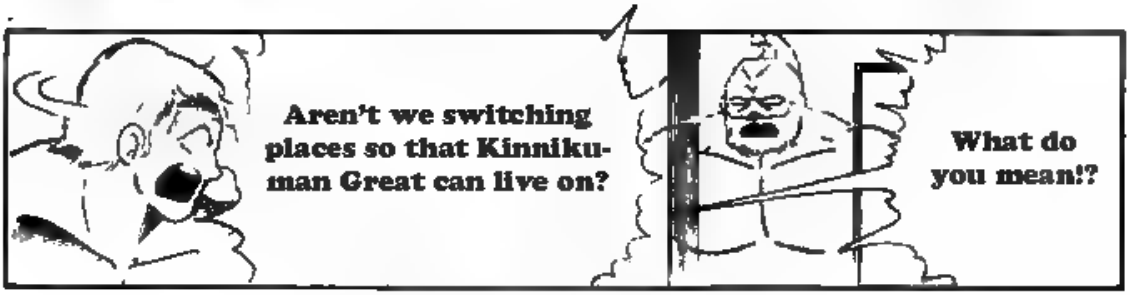


There isn't much time left until the start of the semifinals. Be ready to jump in the ring, Niku.
We're the only ones left who can destroy them for the honor of the Justice Chojin!
The Perfect Chojin have crushed Wolf, Brocken, Robin, and Wars, and now the Devil Chojin took out Geronimo!

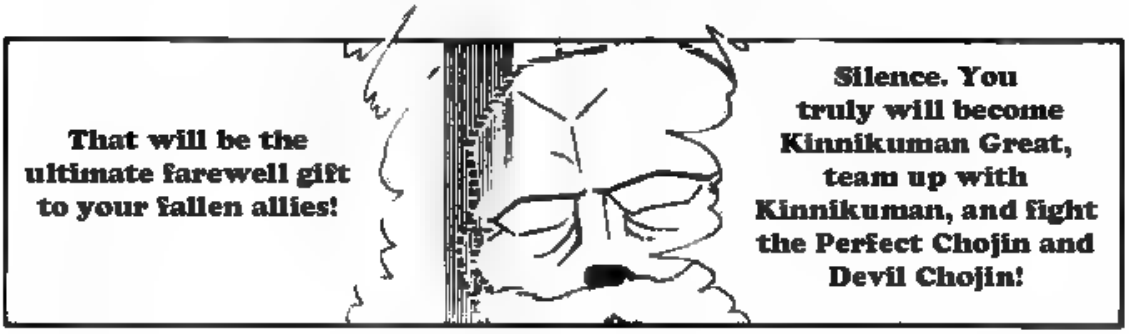
They really believed I was Kinnikuman Great...
I'm not healed! Going now after hearing of all the Justice Chojin lost and Geronimo's coniditon... Why did Kamehame have to die!?
With Kamehame dead and Geronimo defeated, I have to help him! I just need to get better!
I just have to be like him! I need to survive by removing my cowardice and my shame!
Terryman, what are you so worried about?
But I'll die too if I do that!



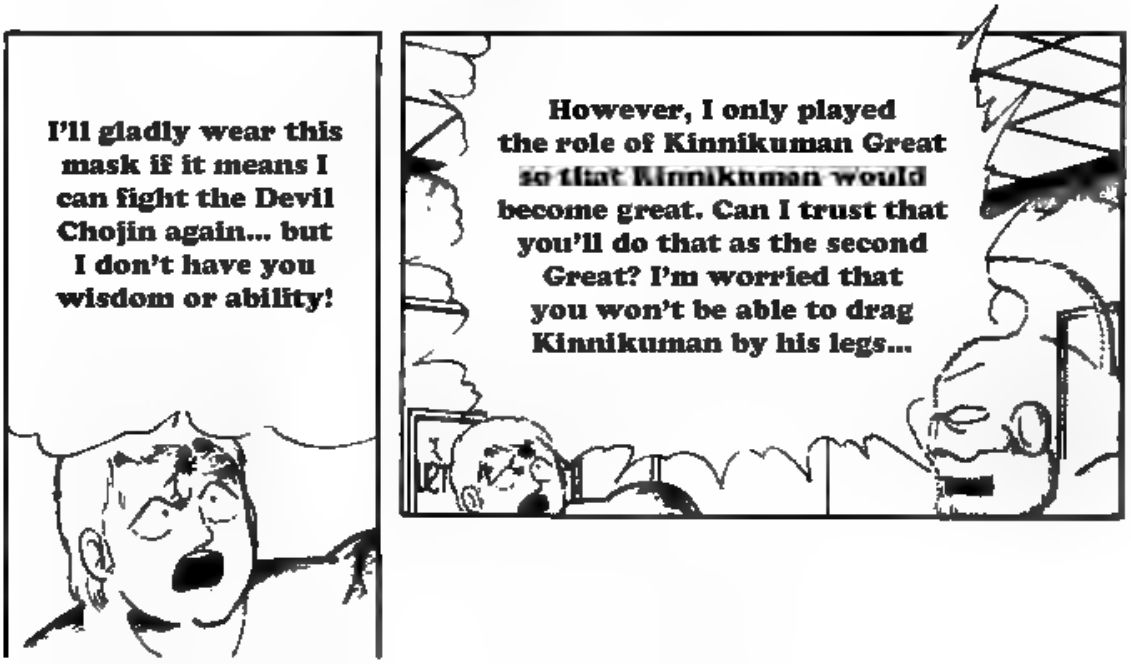
Terryman, show your face if you're not willing to live, and put on that mask so that you can live!
The ghost of Kamehame!



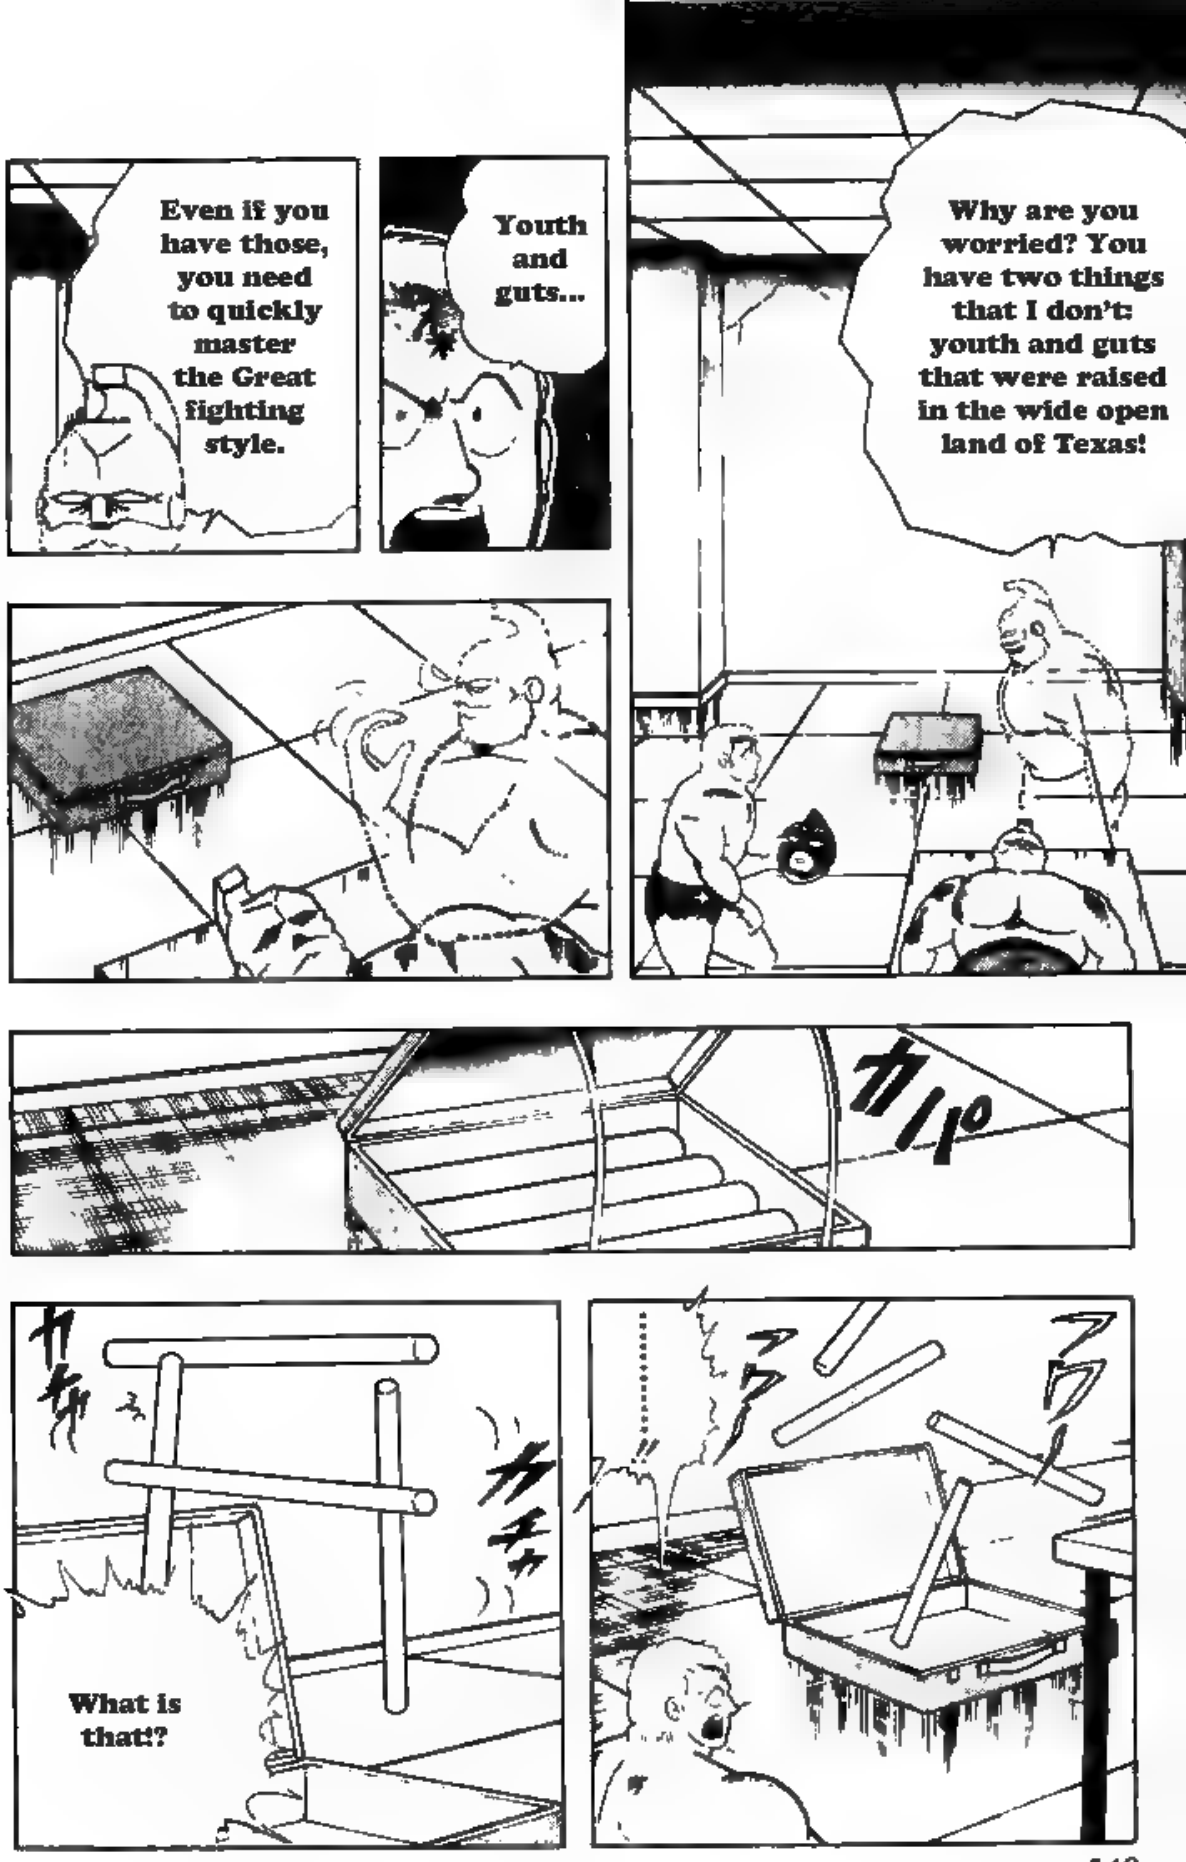
Aren't we switching places so that Kinnikuman Great can live on?
What do you mean!?



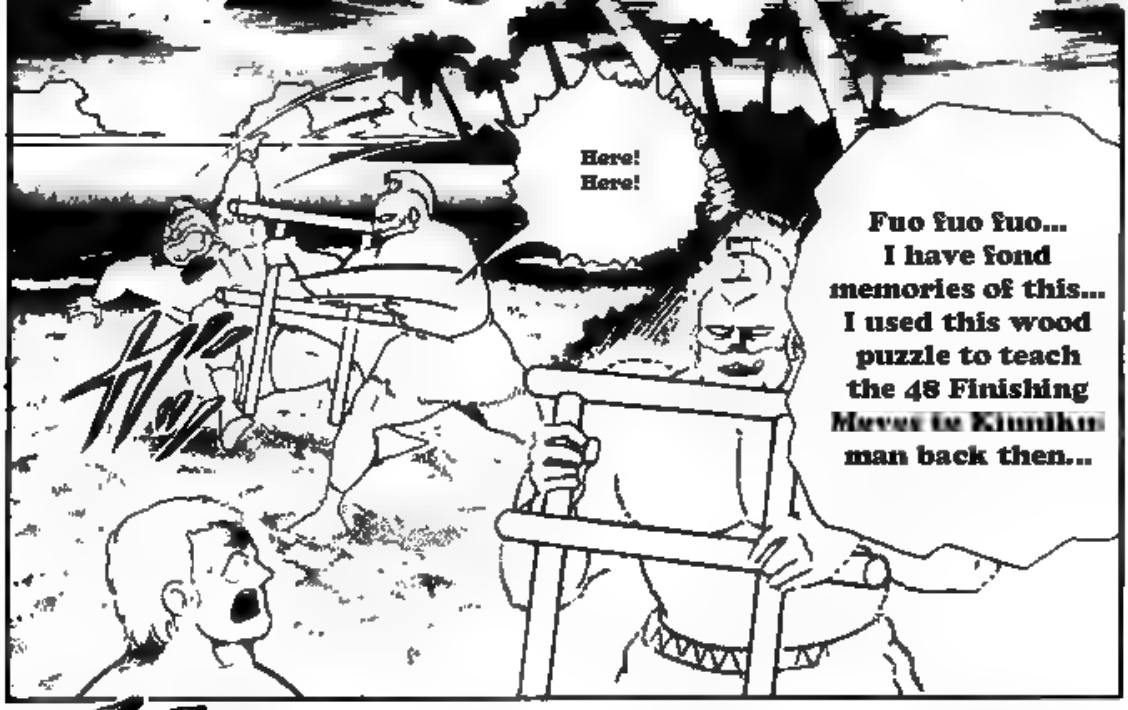
That will be the ultimate farewell gift to your fallen allies!
Silence. You truly will become Kinnikuman Great, team up with Kinnikuman, and fight the Perfect Chojin and Devil Chojin!



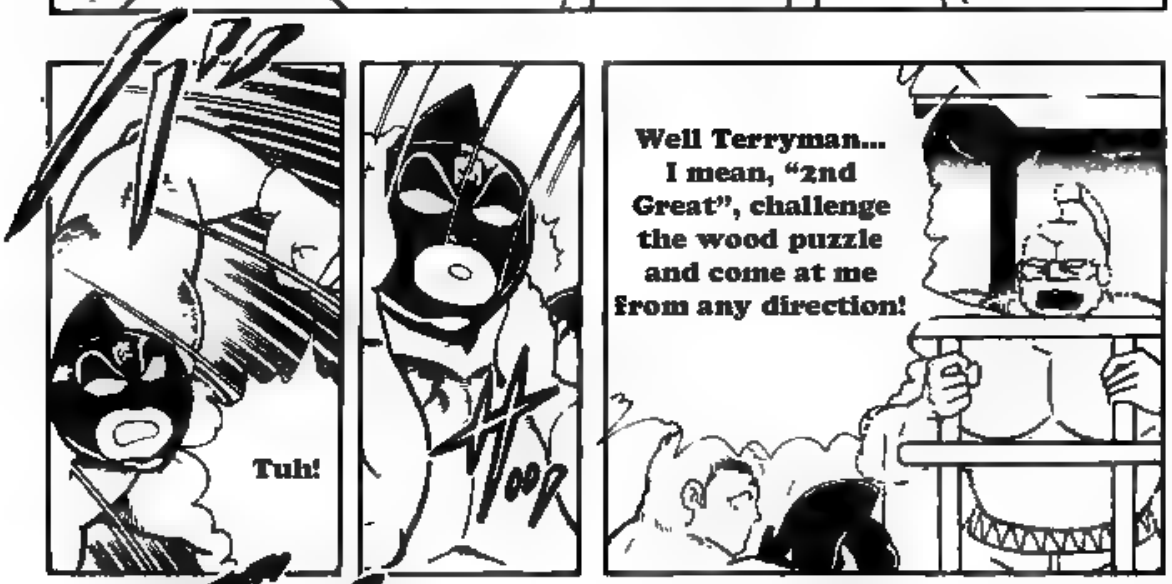
I'll gladly wear this mask if it means I can fight the Devil Chojin again... but I don't have you wisdom or ability!
However, I only played the role of Kinnikuman Great so that Kinnikuman would become great. Can I trust that you'll do that as the second Great? I'm worried that you won't be able to drag Kinnikuman by his legs...



Even if you have those, you need to quickly master the Great fighting style.
Youth and guts...
Why are you worried? You have two things that I don't: youth and guts that were raised in the wide open land of Texas!
What is that!?



Here!
Here!
Fuo fuo fuo... I have fond memories of this... I used this wood puzzle to teach the 48 Finishing Moves to Kinnikun man back then...

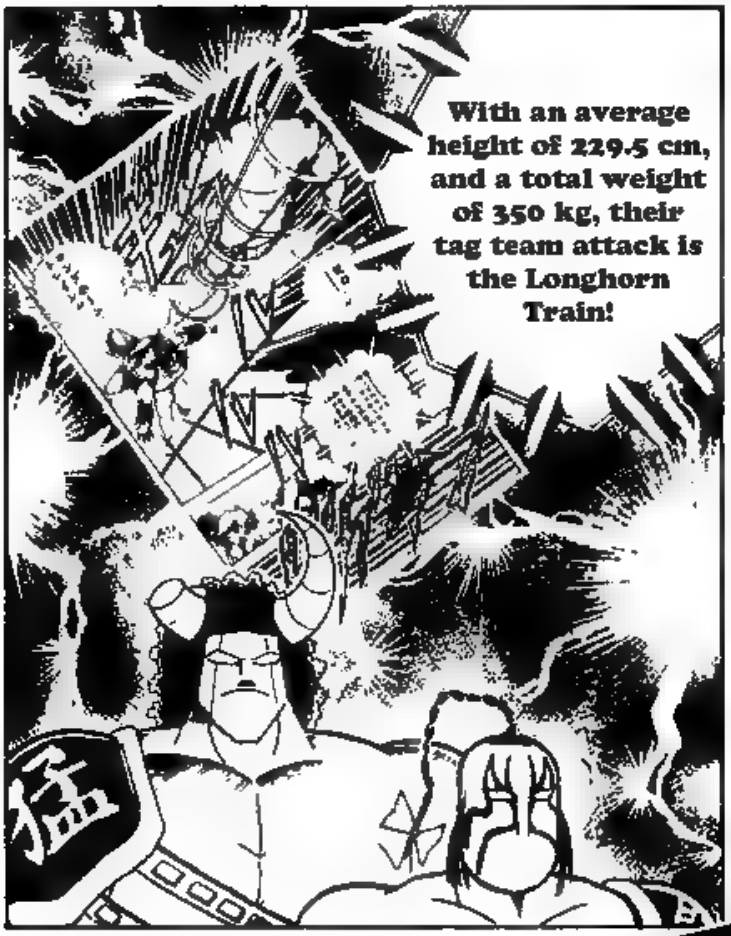


Tuh!
Well Terryman... I mean, "2nd Great", challenge the wood puzzle and come at me from any direction!

This move won't defeat the ones who hurt Geronimo!

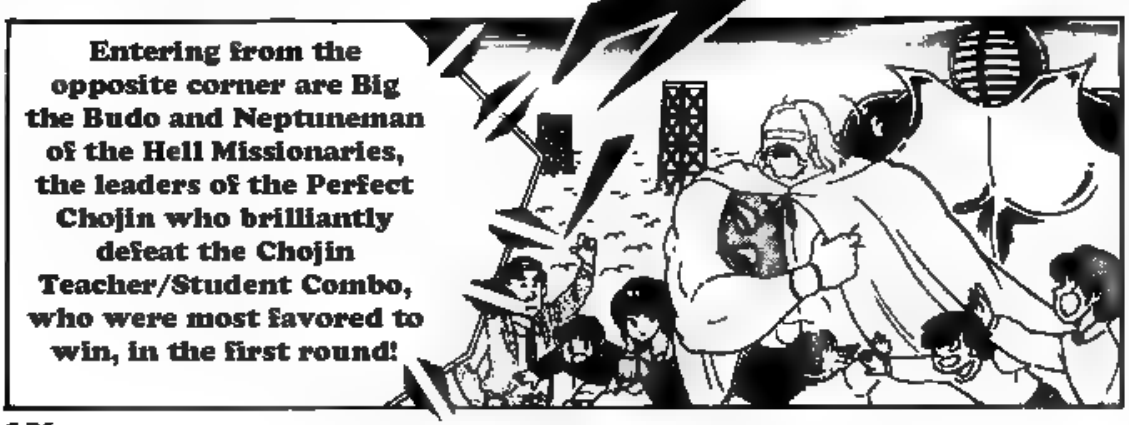
Yaaah!
Haa!
Hiyah!
Now, the Chojin Tag Tournament semifinals will begin!
Hurry, the semifinals are starting!
This is a historic day!

With the first round of matches done, the four teams who won their matches are now entering!



With an average height of 229.5 cm, and a total weight of 350 kg, their tag team attack is the Longhorn Train!

First to enter are Mongolman and Buffaloman of the 20 Million Powers! These two have shown their incredible stamina by not only defeating the Most Dangerous Combo, but the Trespassing Combo as well!

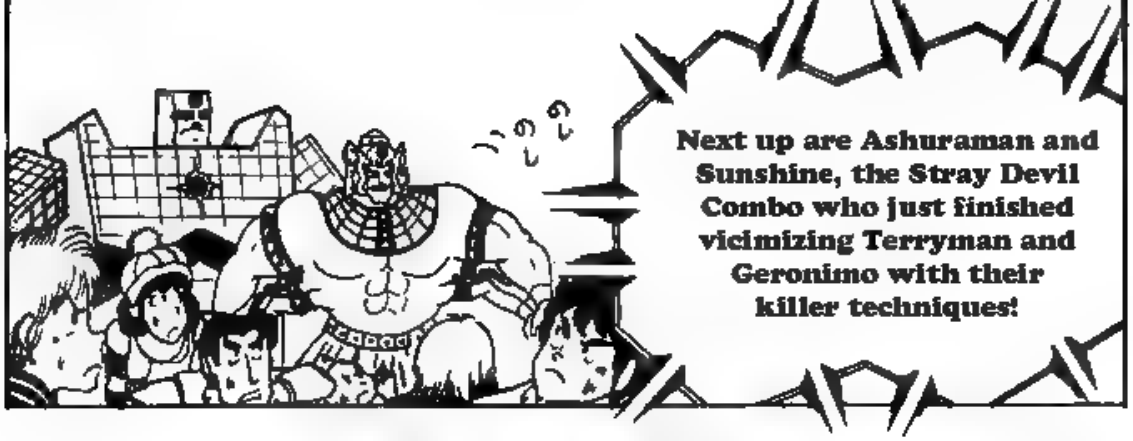


Entering from the opposite corner are Big the Budo and Neptuneman of the Hell Missionaries, the leaders of the Perfect Chojin who brilliantly defeat the Chojin Teacher/Student Combo, who were most favored to win, in the first round!

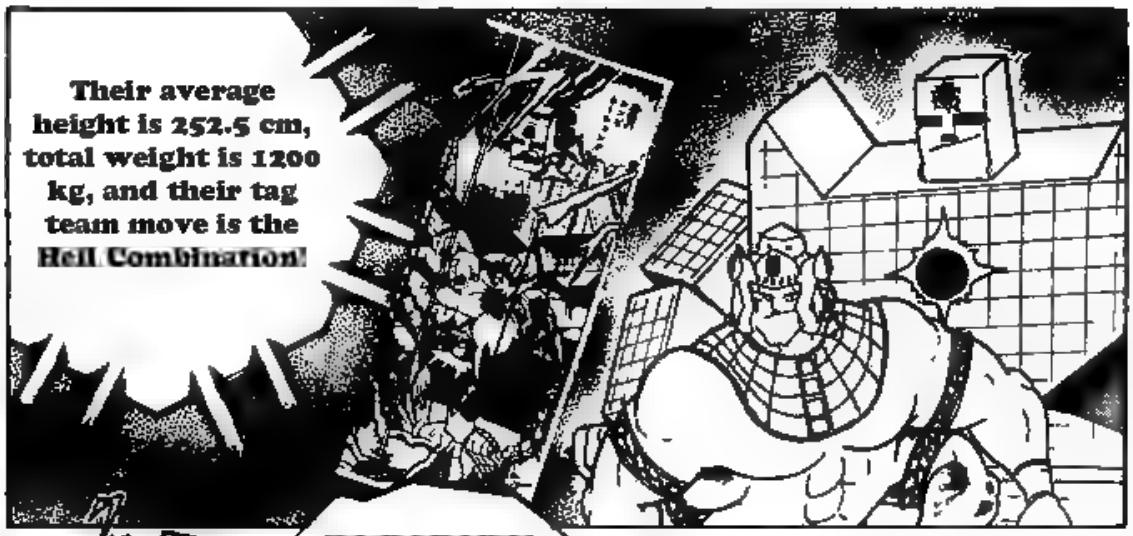
Neptune-man's so dreamy!
NUMBER ONE!
Their average height and weight are unknown, and their tag-team attack is the Cross Bomber!

All of the girls who were swooning over the Teacher/Student combo have switched over to cheering for the Missionaries!

Heh heh heh, in this word, strength is everything!



Next up are Ashuraman and Sunshine, the Stray Devil Combo who just finished vicimizing Terryman and Geronimo with their killer techniques!



Their average height is 252.5 cm, total weight is 1200 kg, and their tag team move is the Hell Combination!

KA-KAKAKA! Go ahead, hate us more! We wear your hate like a medal of honor!
Go home, devils!

Oh, there he is!

Next up will be the Muscle Brothers, but Nikui's not here yet!
Awawawa! Three of the teams have already entered!

Where did you get those bruises?
Sorry to keep you waiting, Kinnikuman!
Don't worry about it, let's just go in!
Alright, here come the stars!
And finally, Kinnikuman and Kinnikuman Great, The Muscle Brothers who showed their splendid teamwork in the first round against the 4-D Killer Combo!

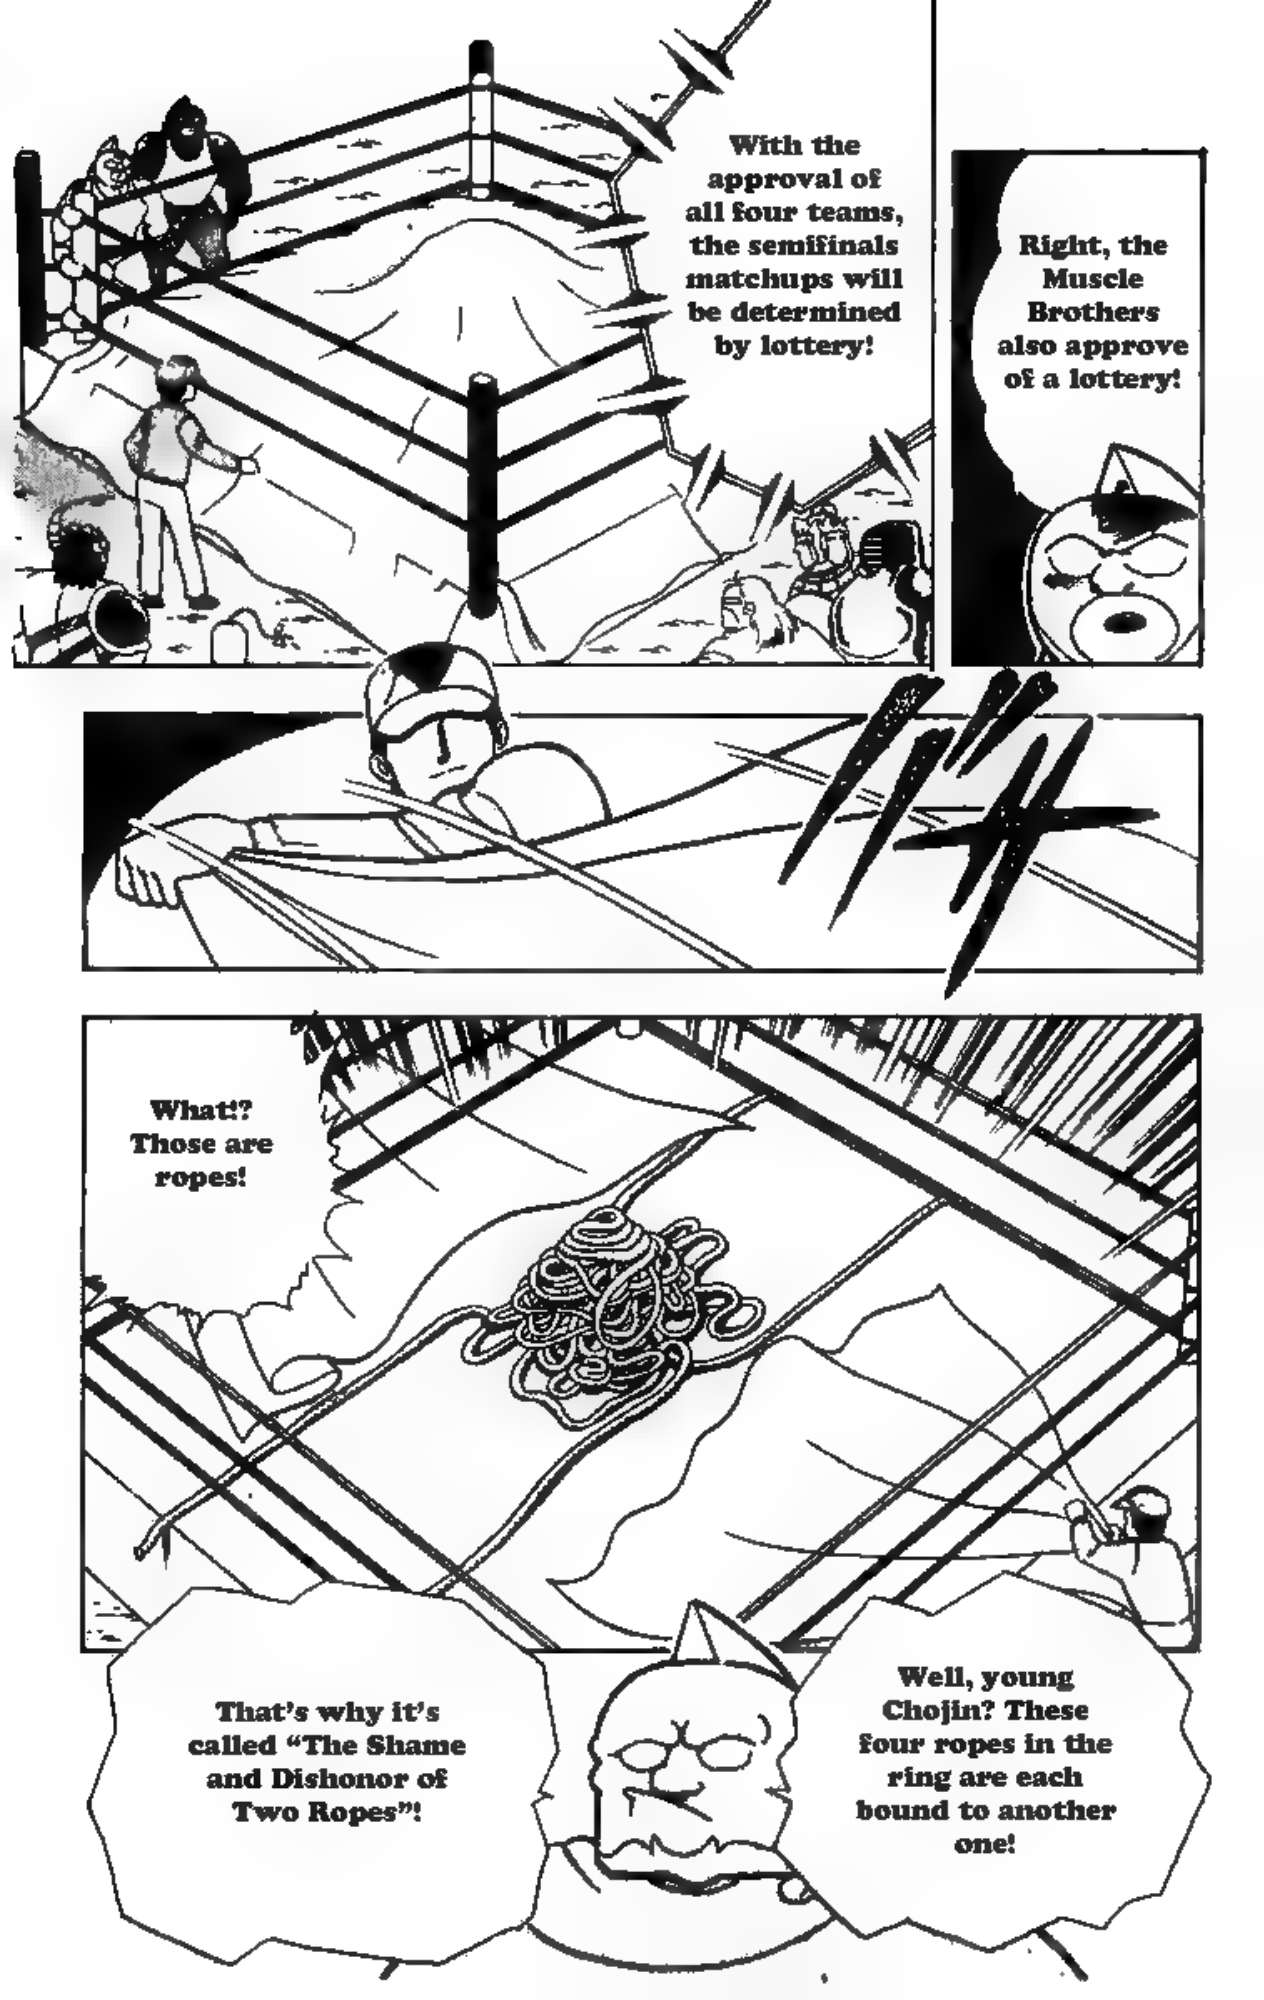
Their average height is 187.5 cm and combined weight is 185 km. Their tag team attack is Muscle Docking.

Owa!
You can't enter!

What about the tournament bracket up on Tournament Mountain!?
What!?

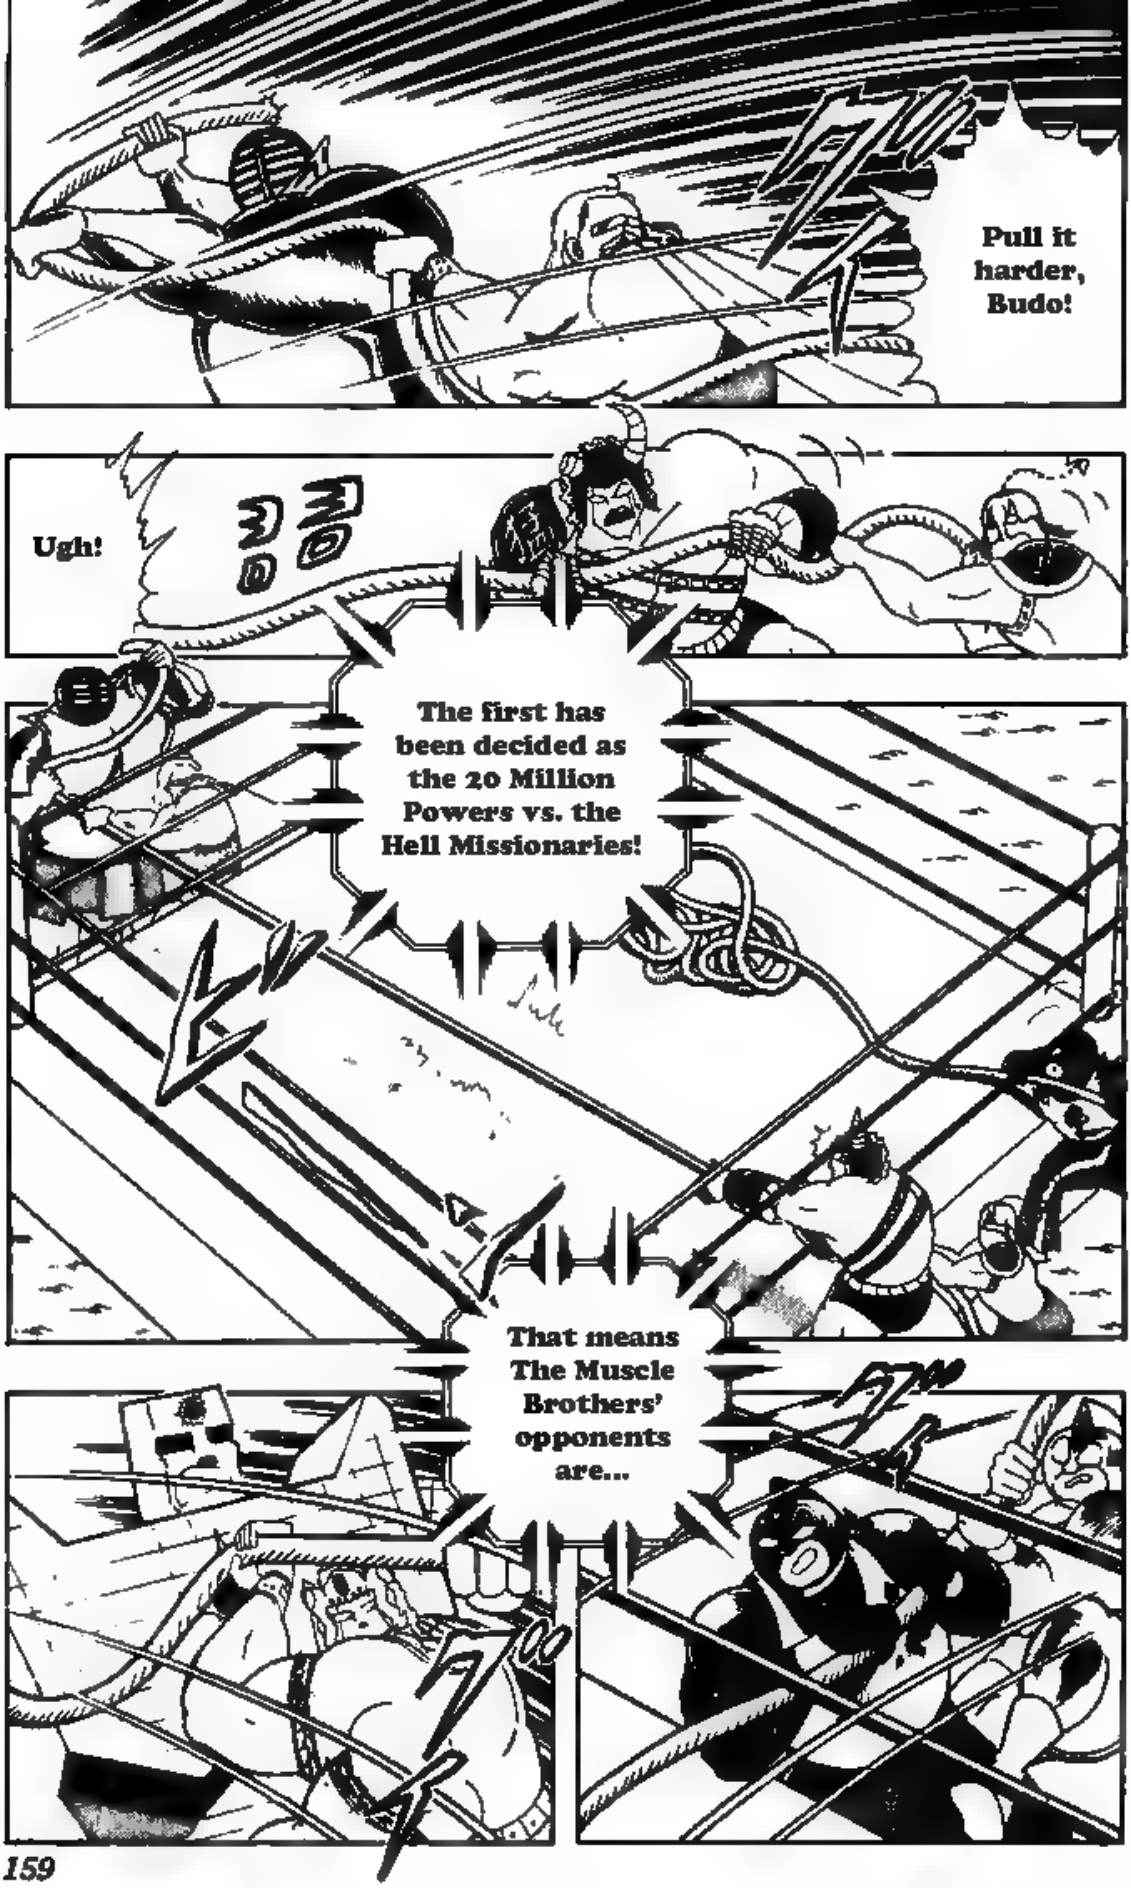
Before we start the semifinals, I want to hold a lottery to decide which teams face each other in the semifinals.
Why not!? I need to get into the ring so I can fight!

マッスル・ブラザーズ
We have the same opinion, then. The finals will be the Devil Chojin vs. the Perfect Chojin after we've crushed the Justice Chojin!
Heh heh heh... Isn't this interesting? According to the bracket, our next opponents are the Stray Devil Combo, but we don't want to face them until we've overthrown the Justice Chojin!
Should we really go with a tournament path that leaves the matchups of the best Chojin in the universe to chance?
What!? Which team are you calling "weaklings"!?
We don't object either. We want to face a team with a spine instead of weaklings.
This is getting bad...
The Hell Missionaries and Stray Devil Combo have formed an evil alliance!



With the approval of all four teams, the semifinals matchups will be determined by lottery!
Right, the Muscle Brothers also approve of a lottery!
What!? Those are ropes!
That's why it's called "The Shame and Dishonor of Two Ropes"!
Well, young Chojin? These four ropes in the ring are each bound to another one!

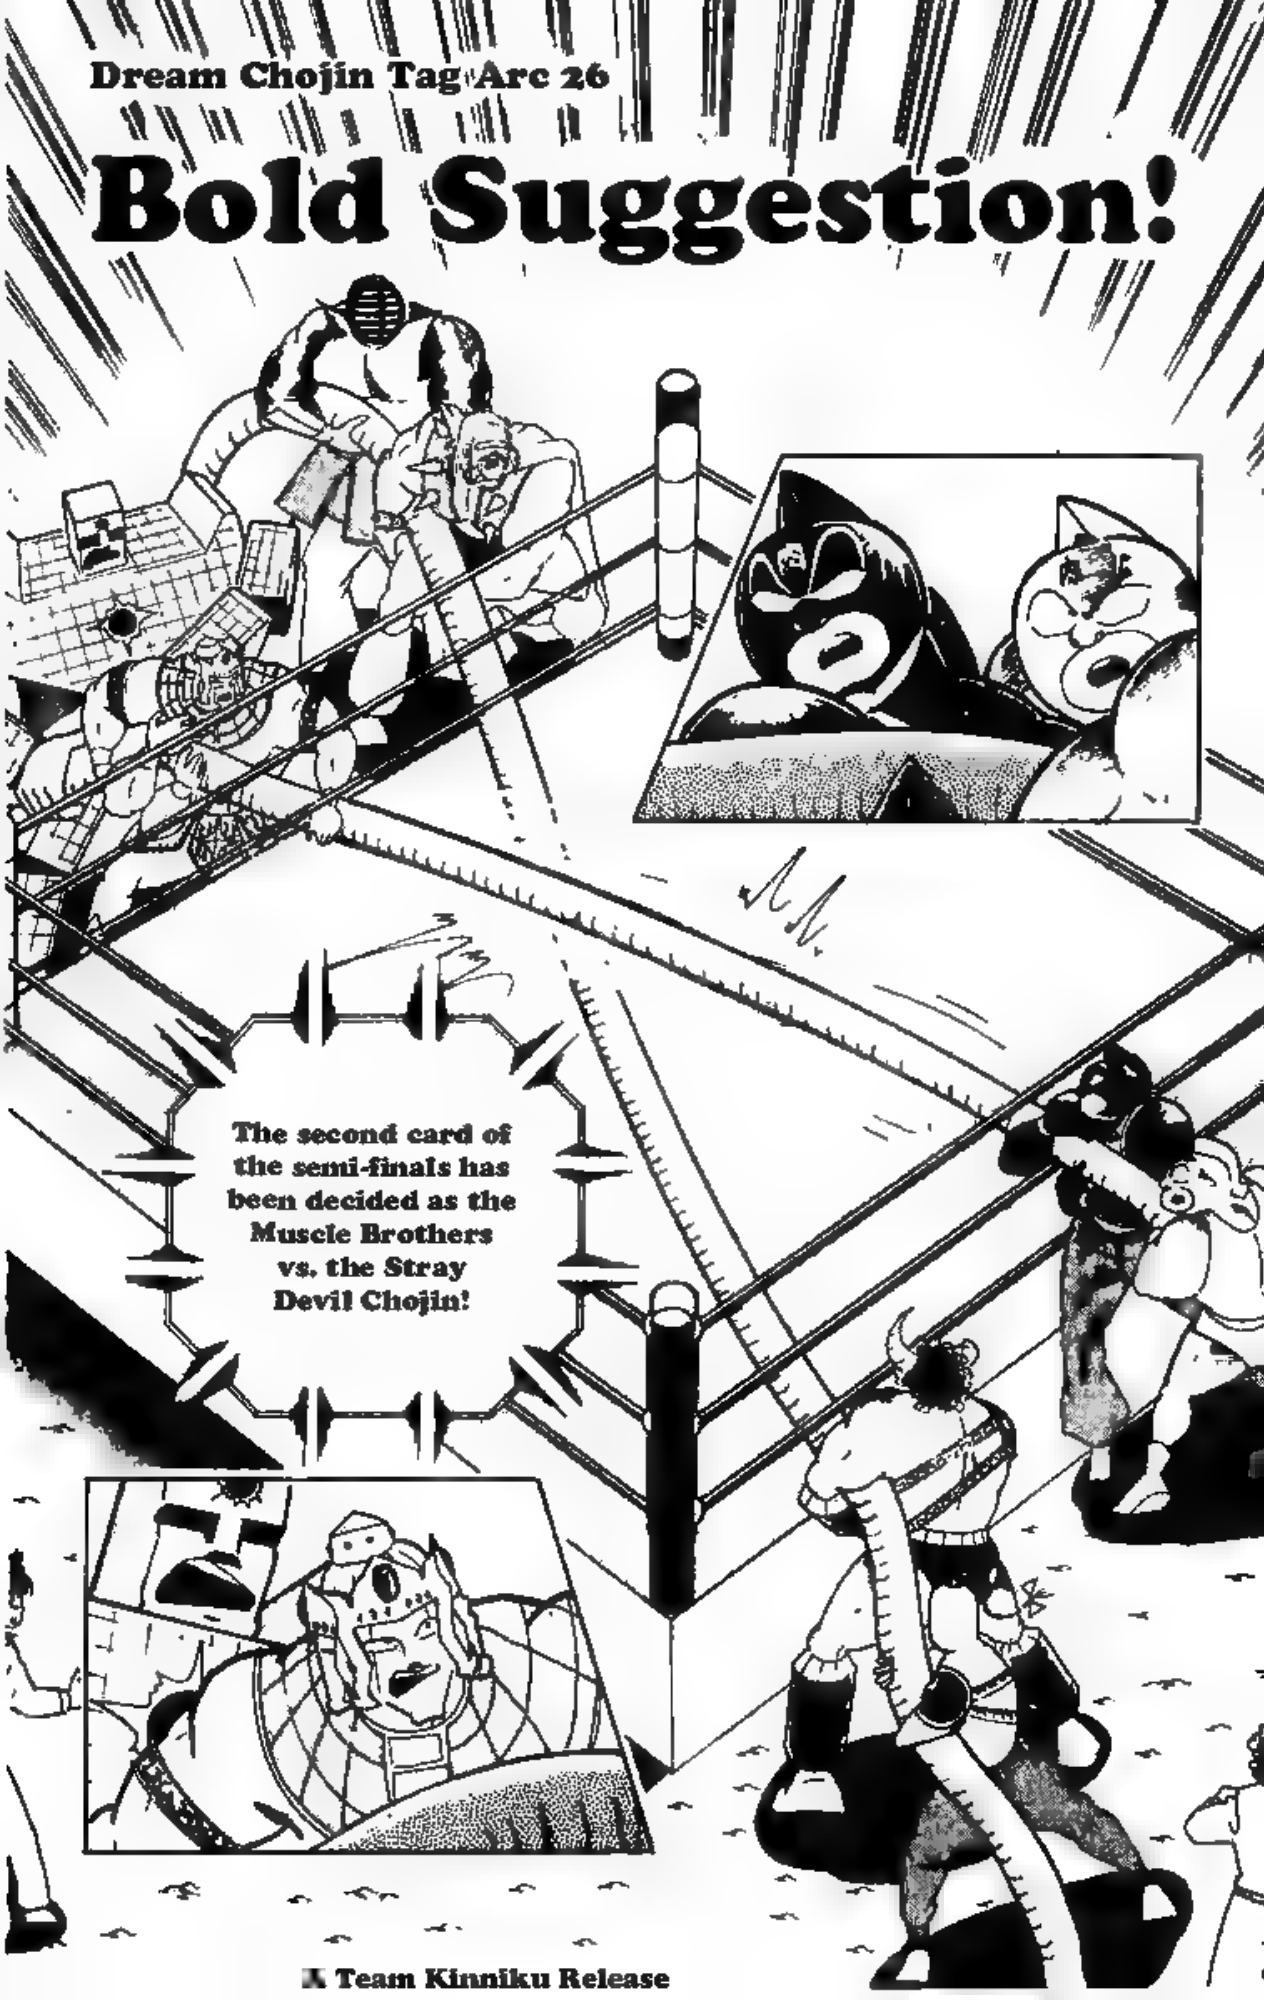
We'll take this one.
Now, each of you will grab a rope. Whoever's holding the other end will be your opponents!
Alright, pull!
Alright, it's up to the ropes of destiny!
Here!
Now!
There!
Well, the matchup lottery of fate has started!

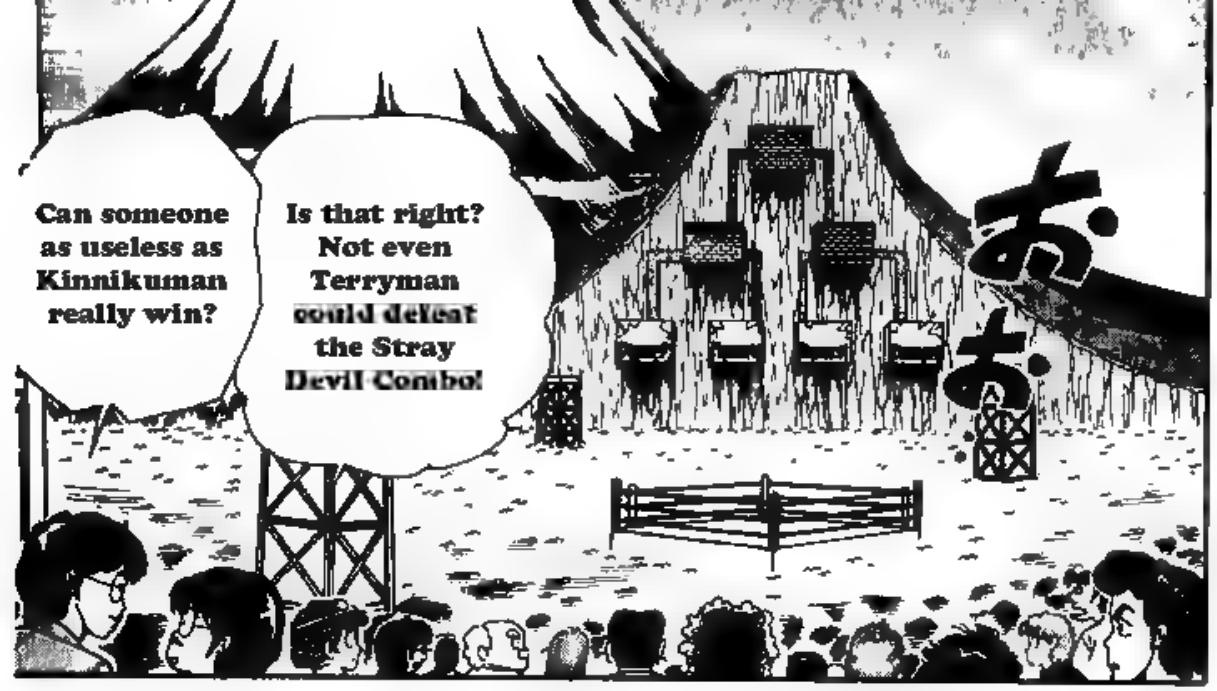


Pull it harder, Budo!
Ugh!
The first has been decided as the 20 Million Powers vs. the Hell Missionaries!
That means The Muscle Brothers' opponents are...

Dream Chojin Tag Arc 26

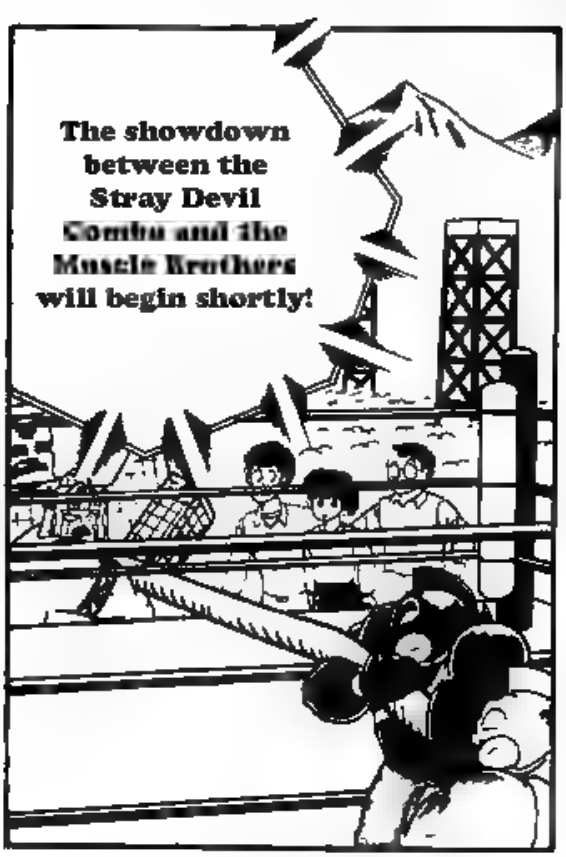
Bold Suggestion!





Can someone as useless as Kinnikuman really win?
Is that right? Not even Terryman could defeat the Stray Devil Combo!
お
お

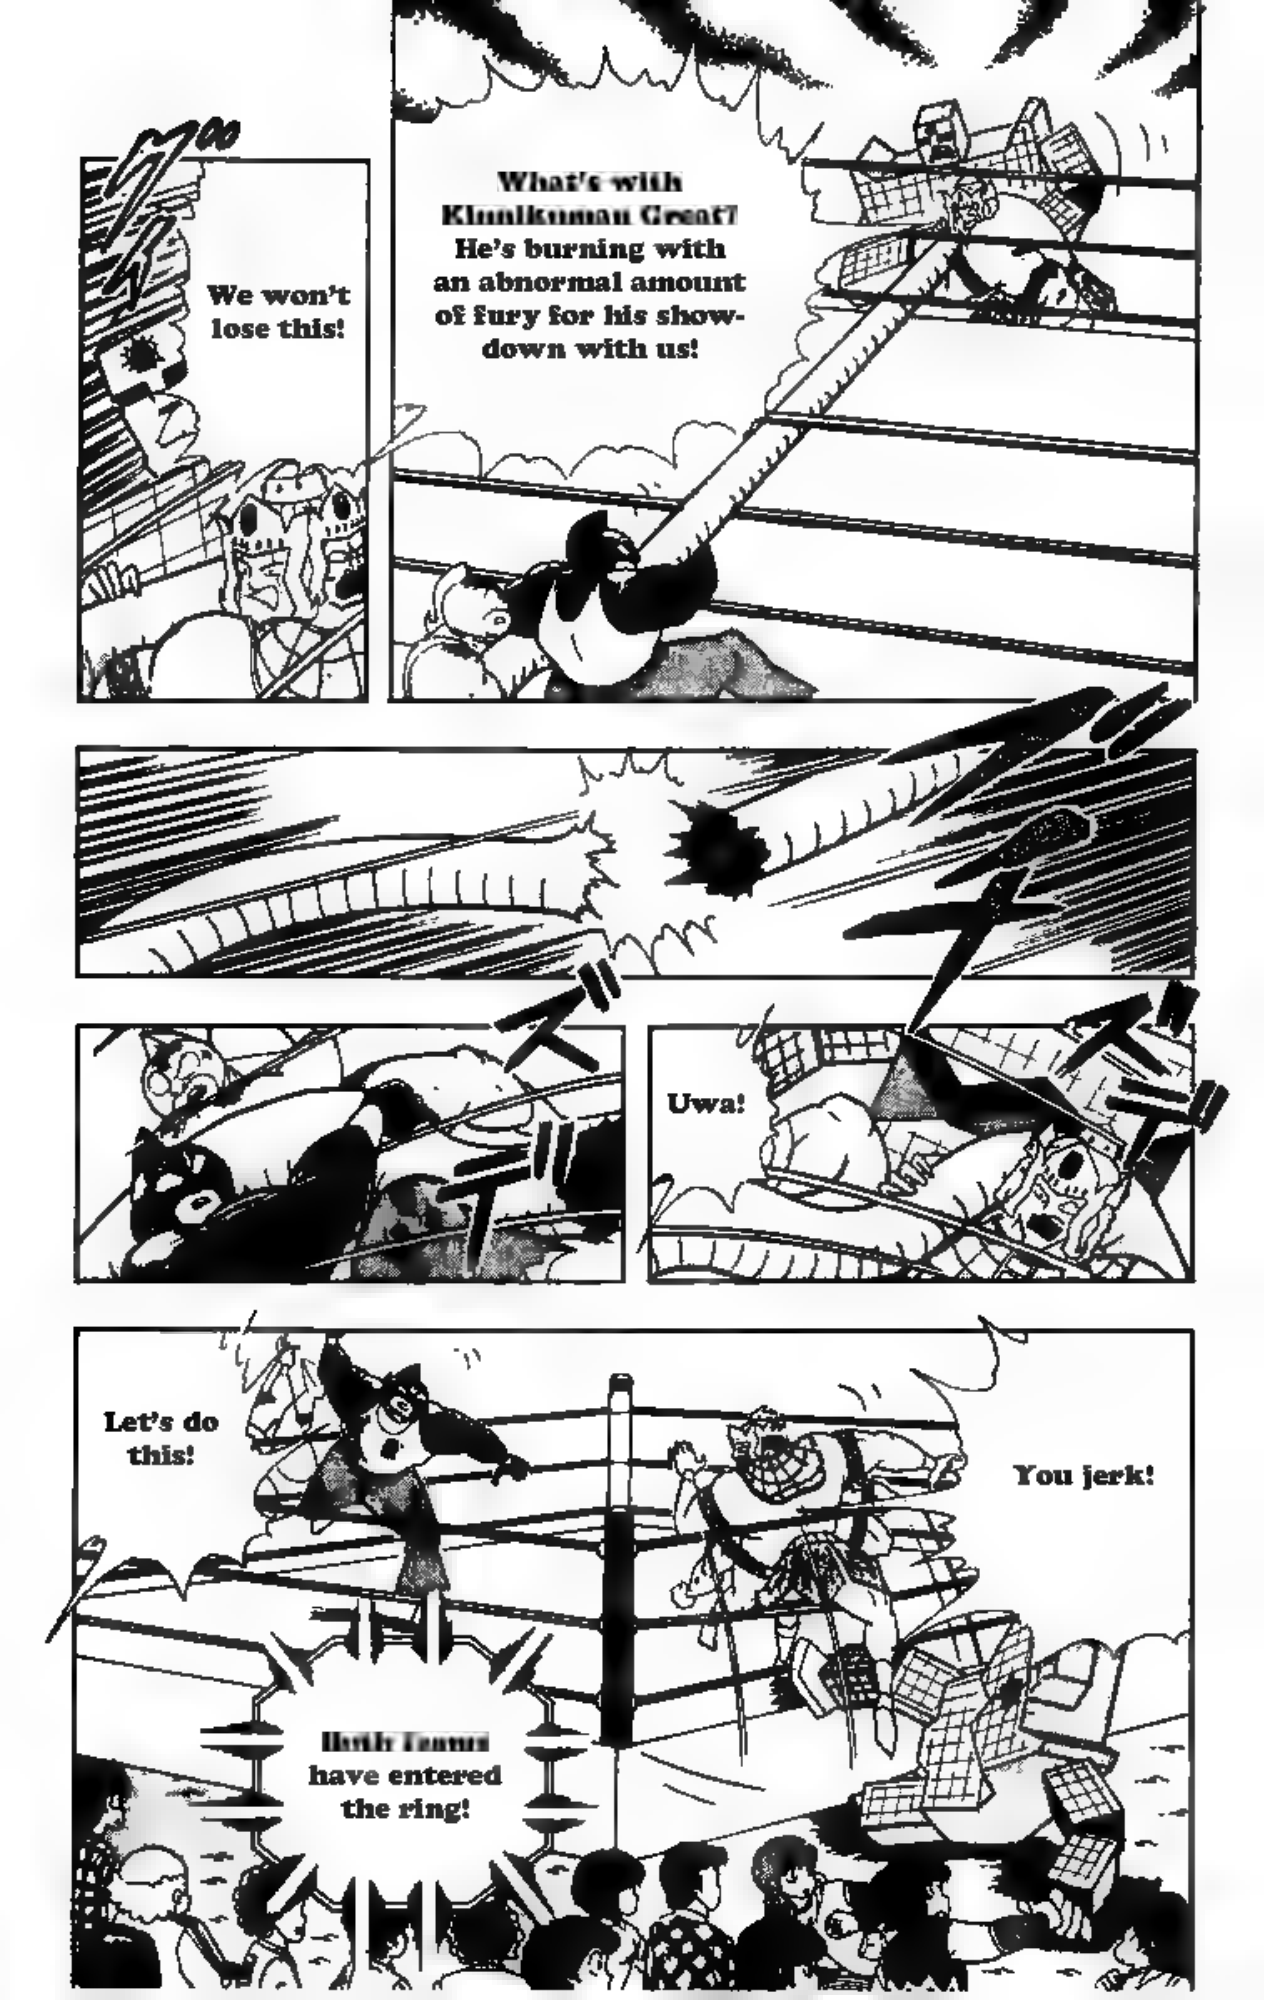
He doesn't have any confidence in his own son!
The calm and composed Kinnikuman Great is on the team, too!
Shut up! The Muscle Brothers isn't just the useless Kinnikuman!



The showdown between the Stray Devil Combo and the Muscle Brothers will begin shortly!

The second match of the semi-finals consists of the top teams, the 20 Million Powers vs. the Hell Misssionaries!
They'll return to Tournament Mountain for the semi-finals later!

Hey Niku, the match-up has already been decided. We can let go of the rope now.
...it's the Stray Devil Combo! That's the only team I want to face!
Thank you. Our next opponents aren't the 20 Million Powers or the Hell Missionaries...
Ho!
I'll send you devils back into the depths of hell! This battle will be the funeral for those who were important to me!
Niku!
Kinnikuman Great has started pulling the rope again!



We won't lose this!
What's with Kinnikuman Great? He's burning with an abnormal amount of fury for his showdown with us!
Uwa!
Let's do this!
You jerk!
[illegible] have entered the ring!

Have you forgotten that all of the fights must take place in Tournament Mountain!?
This is still the entrance ceremony! The match hasn't started yet!
Hold on, you two!
What is it?
I have a request, chairman.
Are you saying you have a problem with the way we won?
Up until this point, there have been too many indefinite results for the matches between Devil Chojin and Justice Chojin. Earlier, during the match with the New Machineguns, I attacked the Devil Chojin and it ended with a loss by default.
That's why I want to make sure that the showdown between the Muscle Brothers and the Stray Devil Combo is settled once and for all with a deathmatch!

Wow, he sure is brave.
Kinnikuman Great has requested a deathmatch against the Stray Devil Combo!

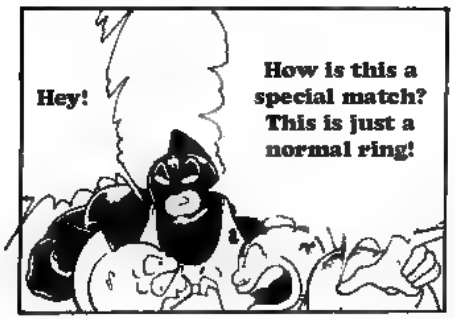
You didn't even need to say that. We've already decided that the next match would be a special match to determine the outcome of the war between the Devil Chojin and the Justice Chojin once and for all!

I share his feelings...

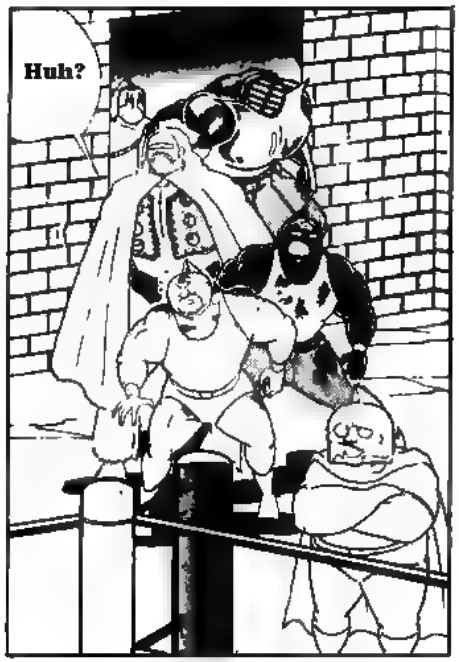
As you wish.

Would all four teams please follow me?
Chairman, it's ready.

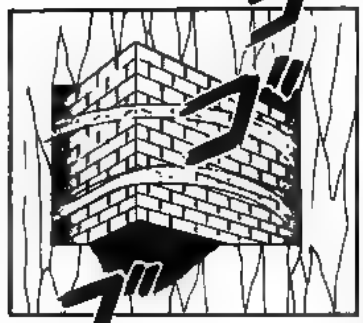
A special match?



Hey!
How is this a special match? This is just a normal ring!

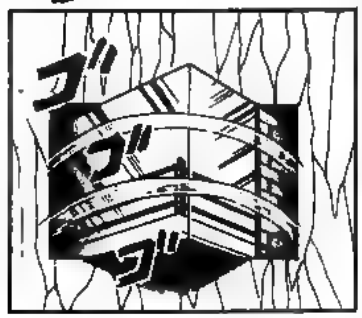


Huh?



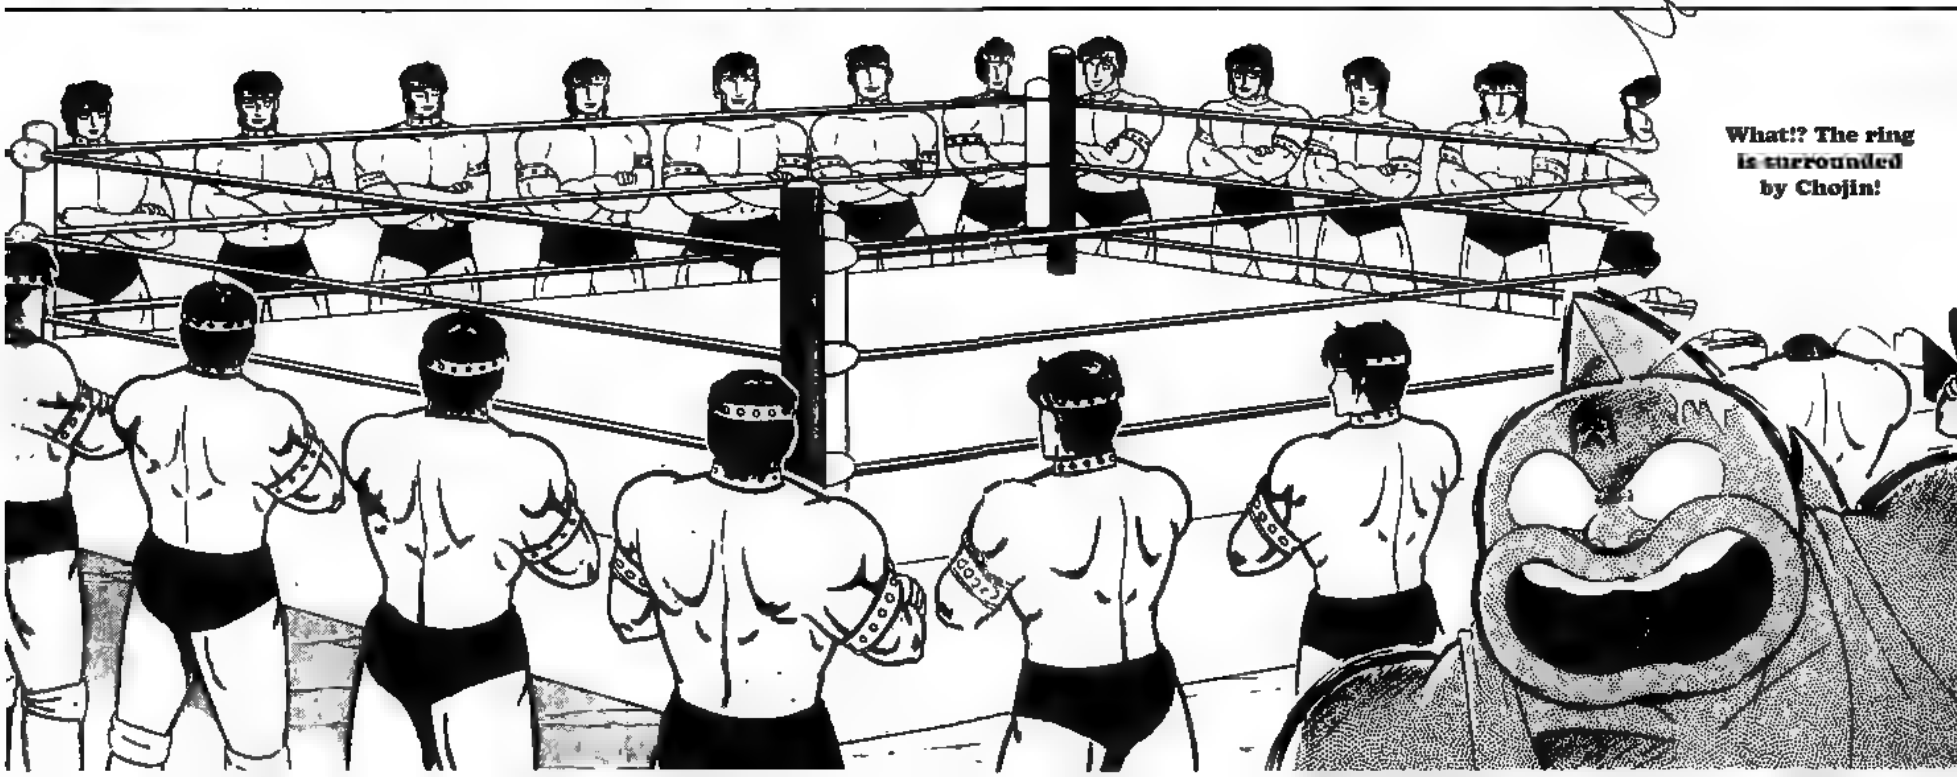
ゴゴゴゴ

What?
The ring itself isn't special, it's what's around the ring that will make this the final showdown.



ゴゴゴゴゴゴ

This is the stage for the final battle between the Stray Devil Combo and the Muscle Brothers!
Look, here it comes!



What!? The ring is surrounded by Chojin!

Whenever one of them would try to run, the human wall would push them back, forcing them to continue to fight until one of the sides couldn't fight any longer. It was called the Lumberjack Deathmatch!

Long ago, within the woodcutters of Oregon, America, whenever there was a one-on-one fight, their fellow woodcutters would surround them.

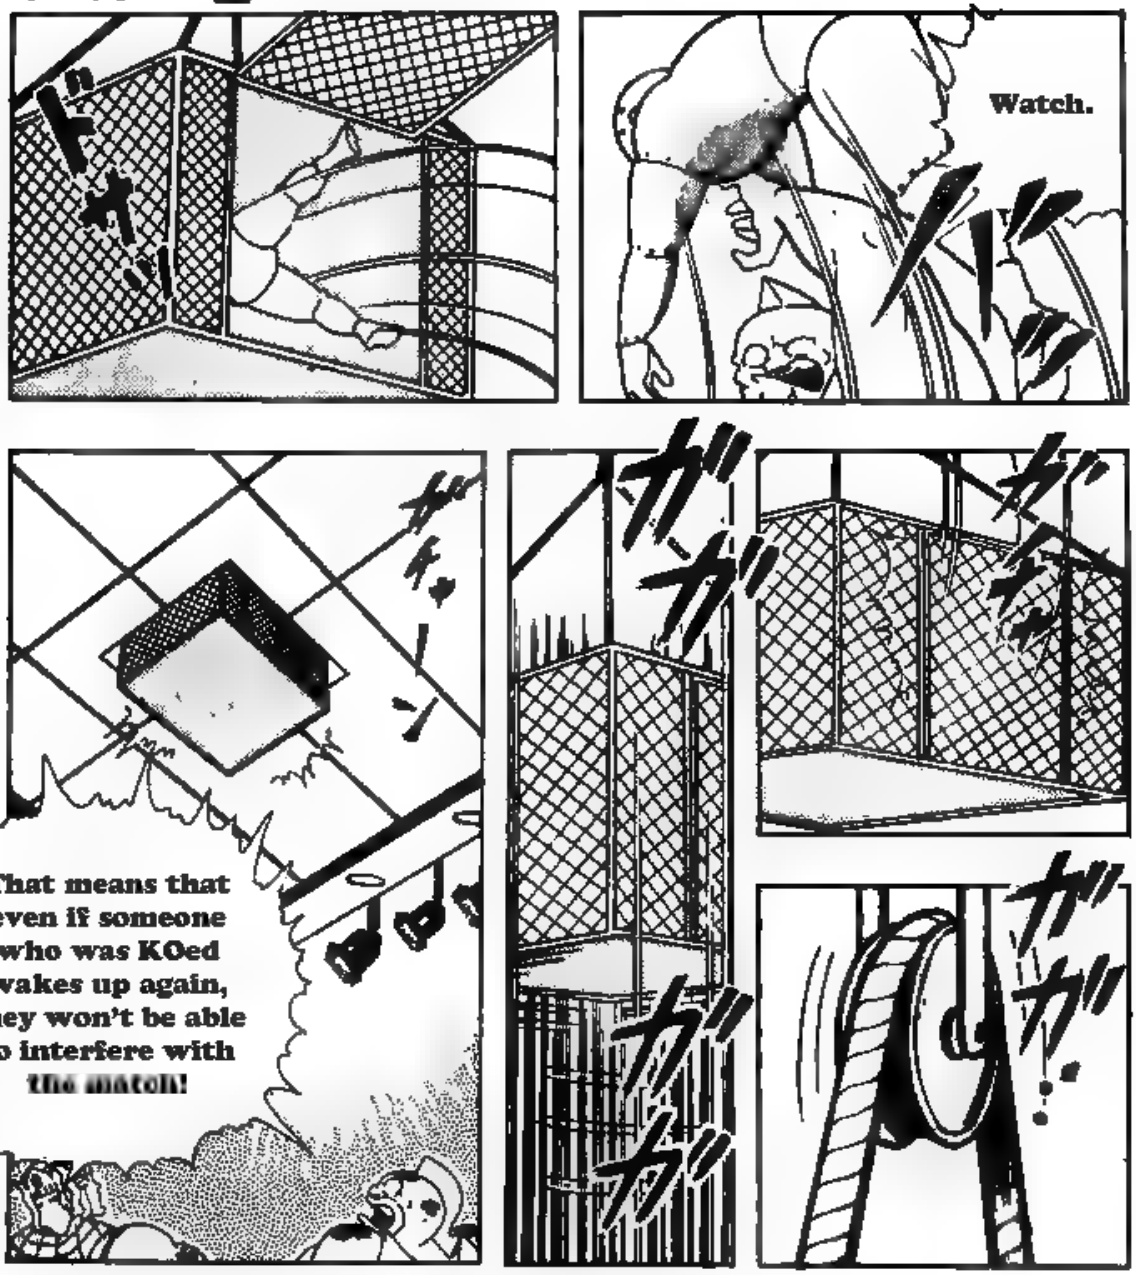
The Chojin surrounding the ring will stop any Chojin who try to give up and flee during the match.

Alright, I understand.

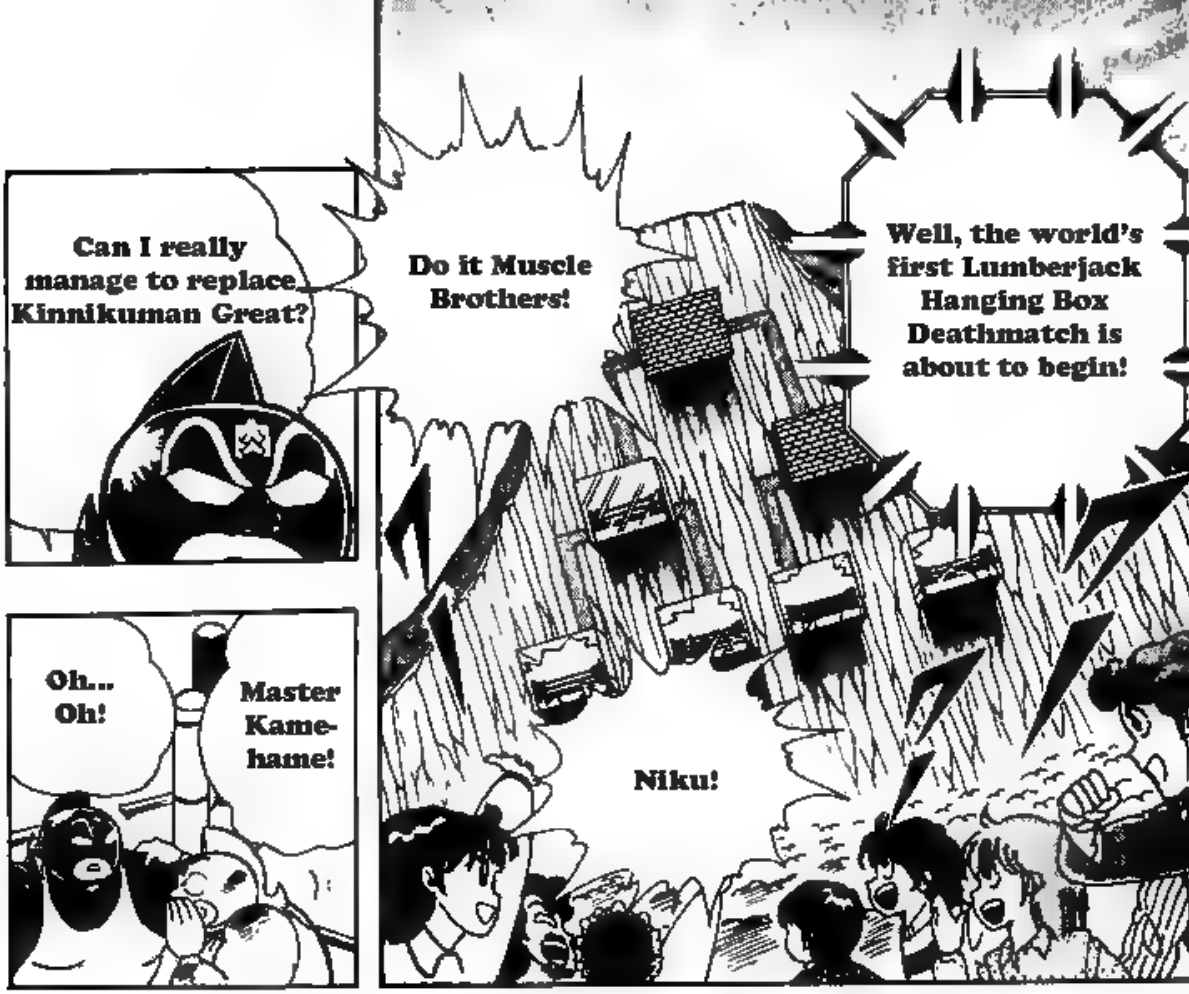
In other words, the Chojin are replacing the cage of a cage deathmatch? This really will determine the winner once and for all.

The winner of the match will be determined by KO. A Chojin will be ruled KOed when they're thrown into that box.

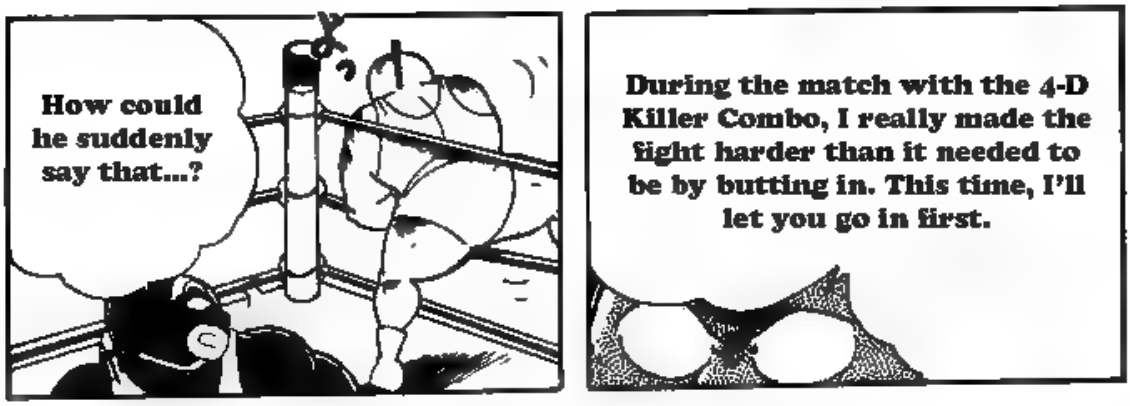
Well then, neither team objects to the Lumberjack Deathmatch rule.



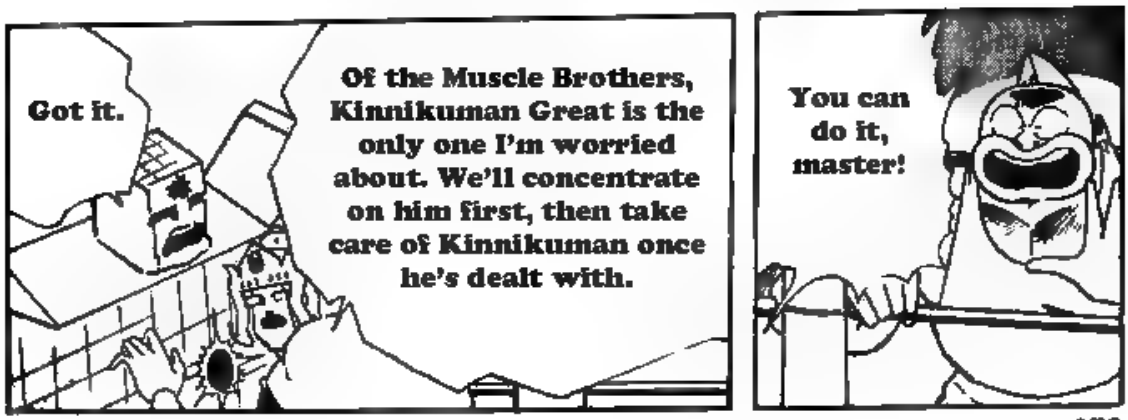
Watch.
That means that even if someone who was KOed wakes up again, they won't be able to interfere with the match!
Fine.
Now, will the 20 Million Powers and Hell Missionaries please add themselves to the Chojin surrounding the ring?
With that, let's start the match!
This really will prove the winner once and for all!



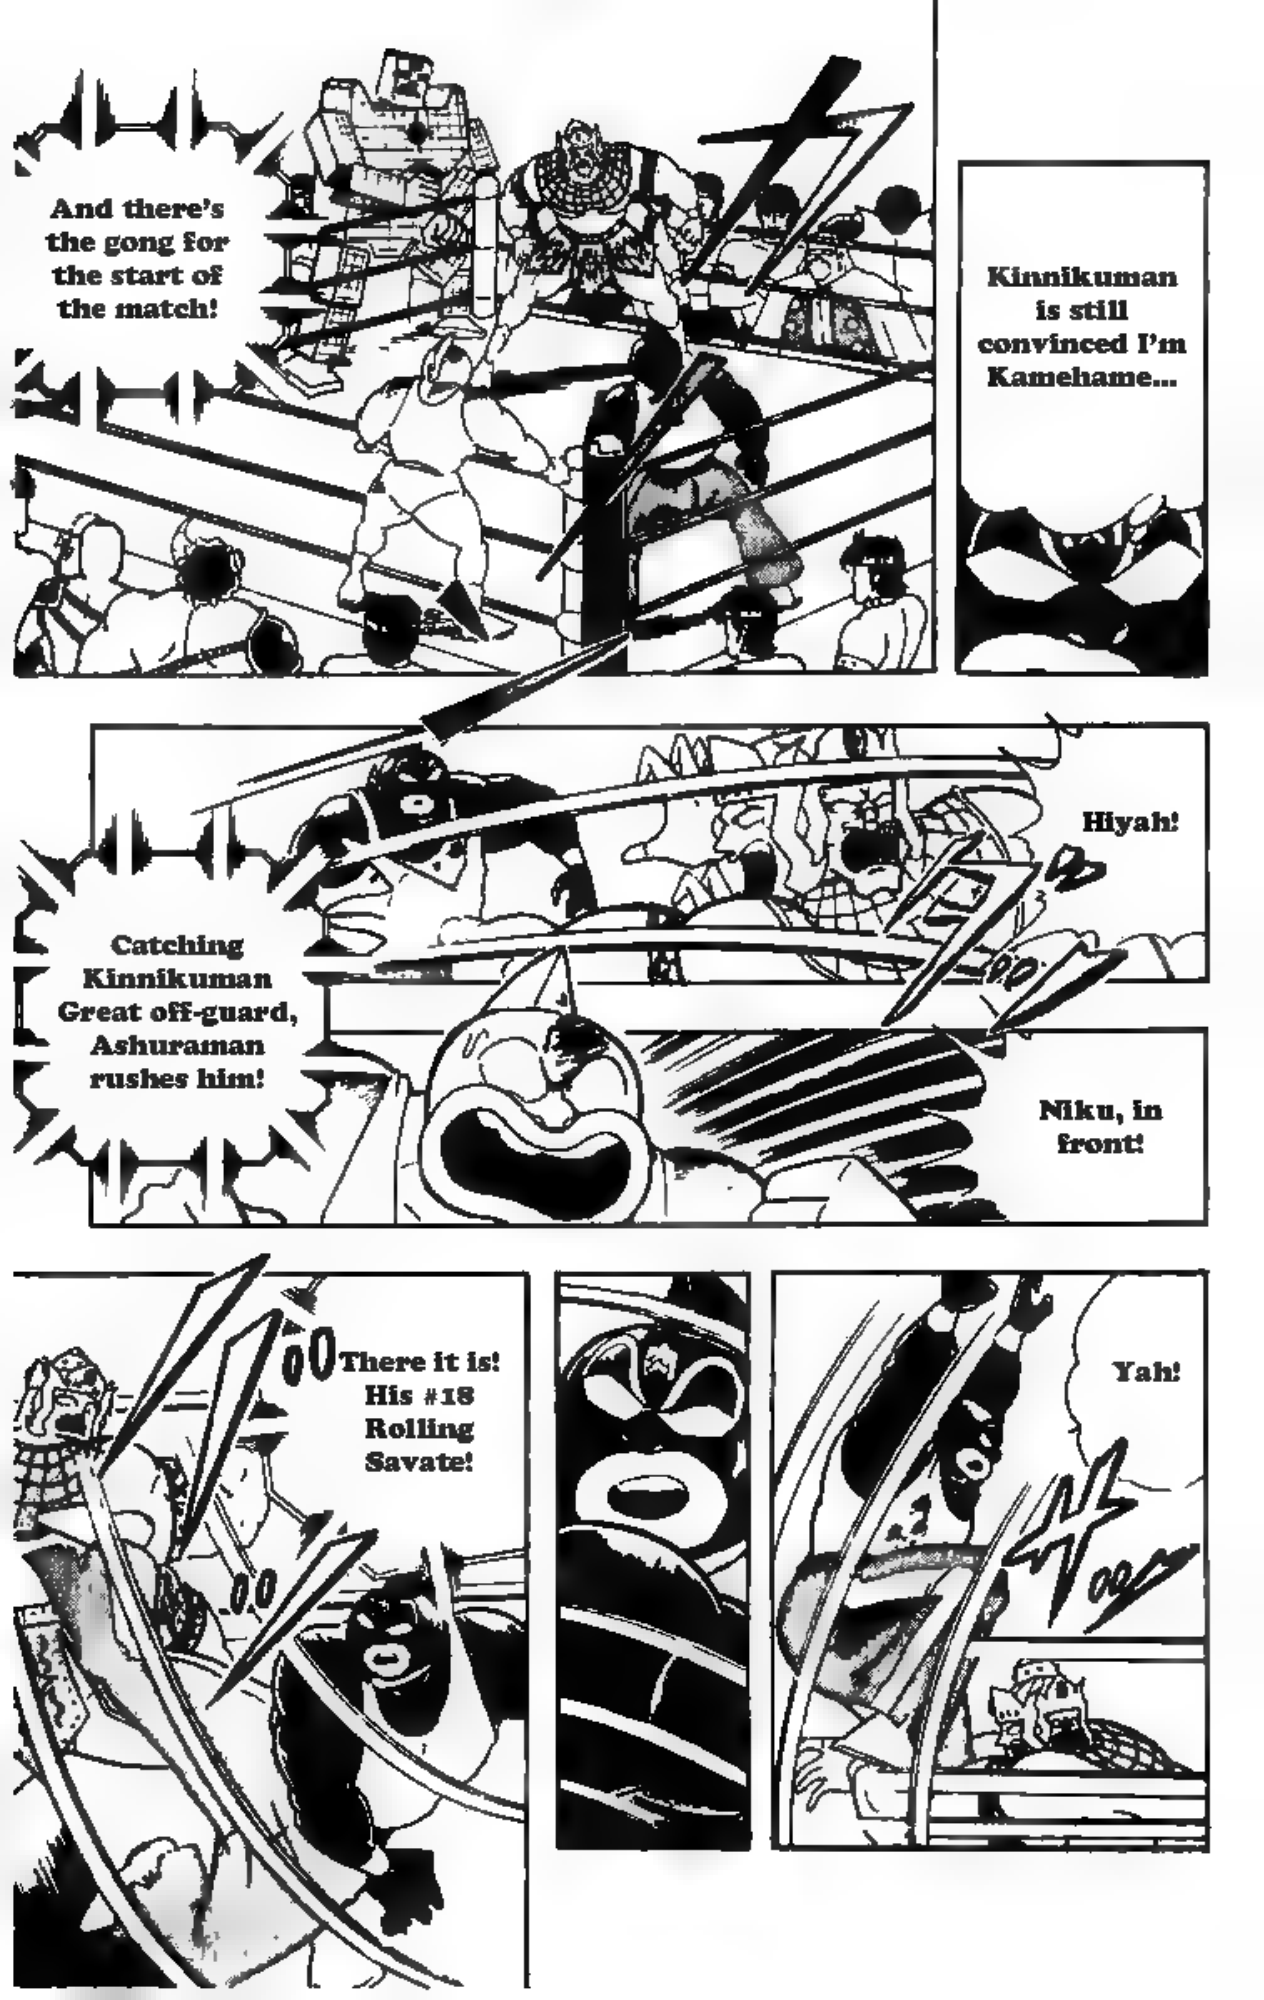
Can I really manage to replace Kinnikuman Great?
Do it Muscle Brothers!
Well, the world's first Lumberjack Hanging Box Deathmatch is about to begin!
Oh... Oh!
Master Kame-hame!
Niku!



How could he suddenly say that...?
During the match with the 4-D Killer Combo, I really made the fight harder than it needed to be by butting in. This time, I'll let you go in first.



Got it.
Of the Muscle Brothers, Kinnikuman Great is the only one I'm worried about. We'll concentrate on him first, then take care of Kinnikuman once he's dealt with.
You can do it, master!

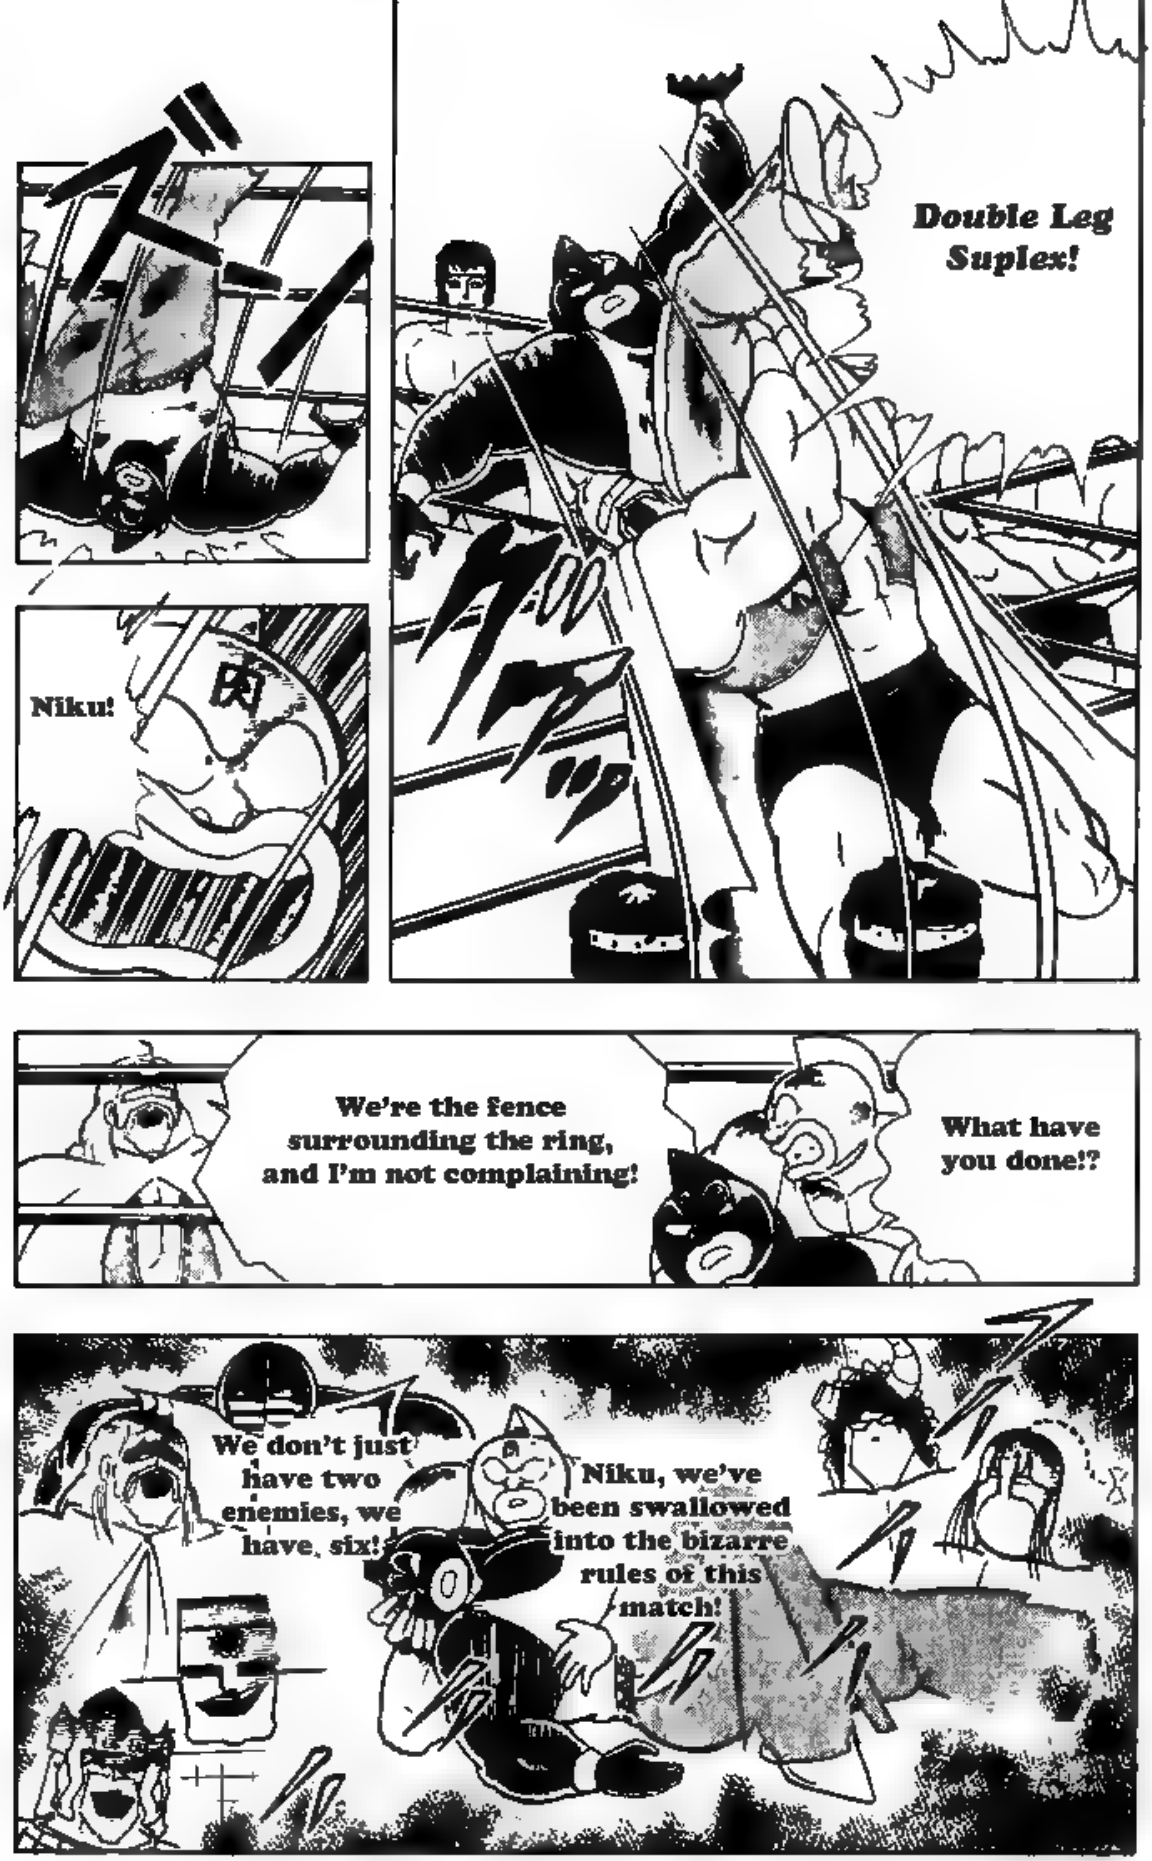


And there's the gong for the start of the match!
Kinnikuman is still convinced I'm Kamehame...
Hiyah!
Catching Kinnikuman Great off-guard, Ashuraman rushes him!
Niku, in front!
There it is! His #18 Rolling Savate!
Yah!

Ah!
Sunshine is going in to help Ashura-man!
This is strange! Kinnikoman Great has fallen out of the Rolling Sayuto!

His Flying Kneel Kick won't fail!
Continuing from his Rolling Savate, his Flying Kneel Kick has also failed! What's going on, Kinnikuman Great!?
Is there something wrong, Niku?
If there was a time to defeat them, it's now!
KAKAKA! It looks like he's in bad shape today! Let's finish them!

HELL COMBINATION PART II!
Kinnikuman Great is leaving the ring!
Escaping the ring during this match is not allowed.
Run away, Niku! Get out of the ring!
Alright, once more!

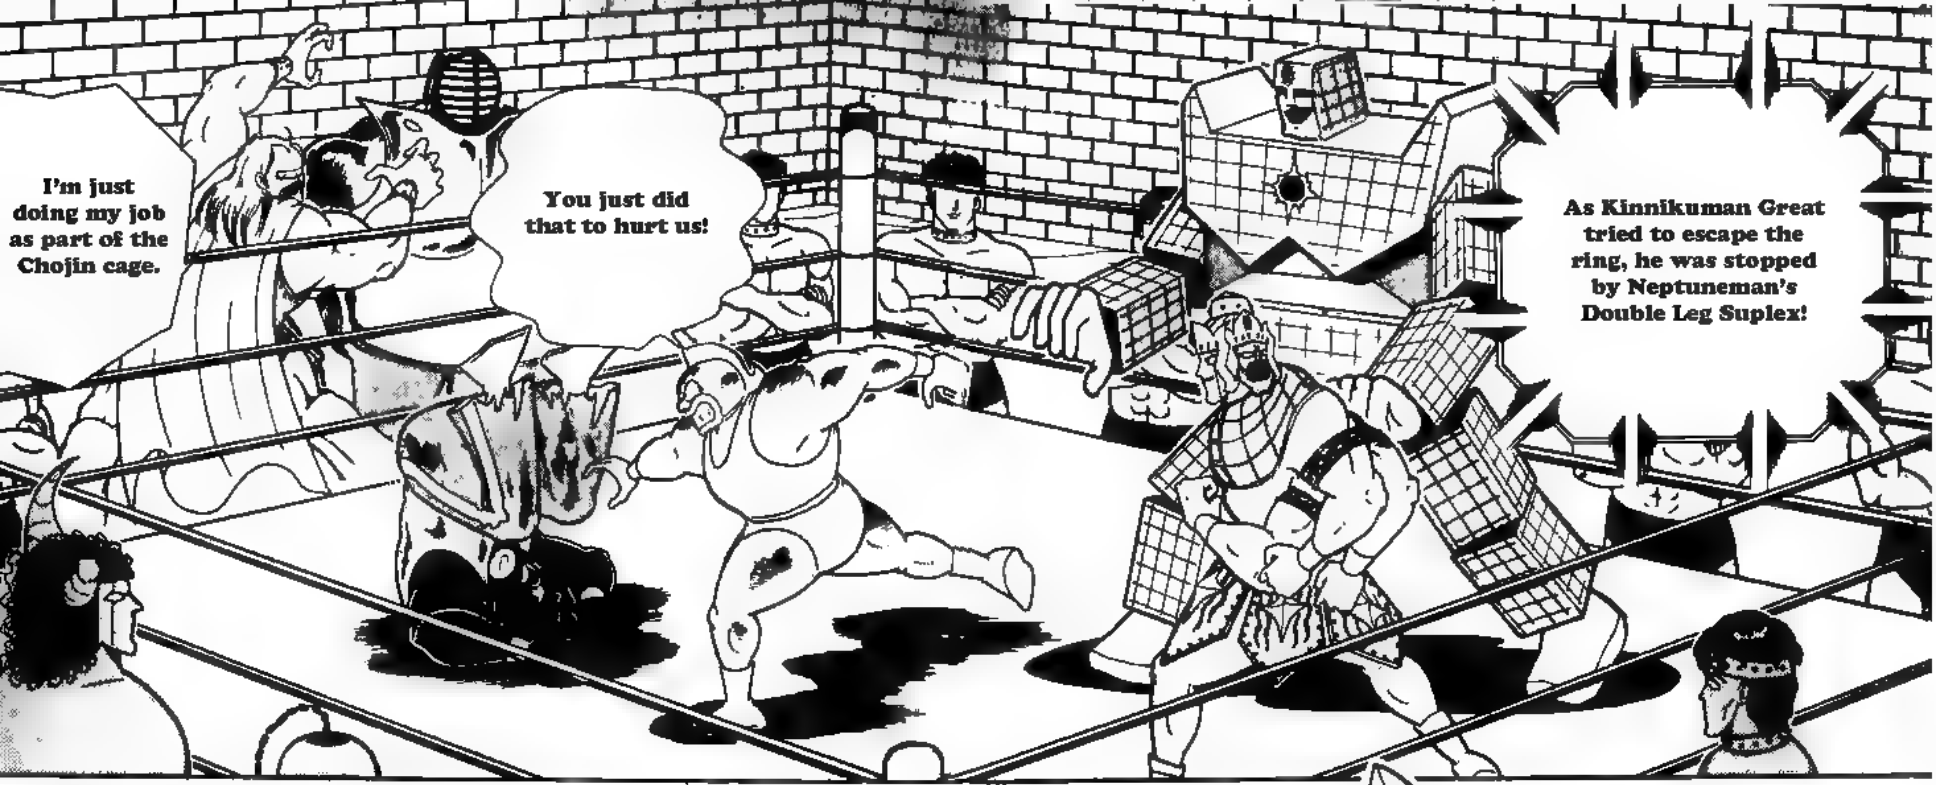


Double Leg Suplex!
Niku!
We're the fence surrounding the ring, and I'm not complaining!
What have you done!?
We don't just have two enemies, we have six!
Niku, we've been swallowed into the bizarre rules of this match!

Dream Chojin Tag Arc 27

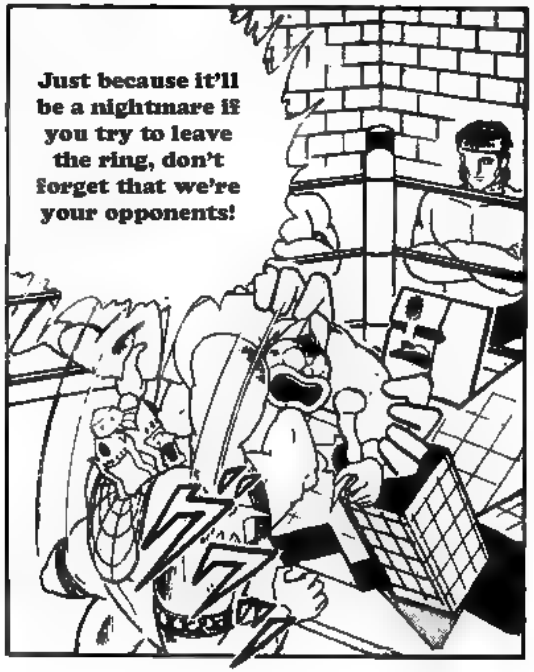
2 Against 6...!

A Team Kinniku Release



I'm just doing my job as part of the Chojin cage.
You just did that to hurt us!
As Kinnikuman Great tried to escape the ring, he was stopped by Neptuneman's Double Leg Suplex!

Why don't you try going out, too?



Just because it'll be a nightmare if you try to leave the ring, don't forget that we're your opponents!

Prince!
The stray Devil Combo have thrown Kinnikuman out of the ring!

That way we can't escape until someone is KOed.
Your job is just to push us back in the ring.

Oho.

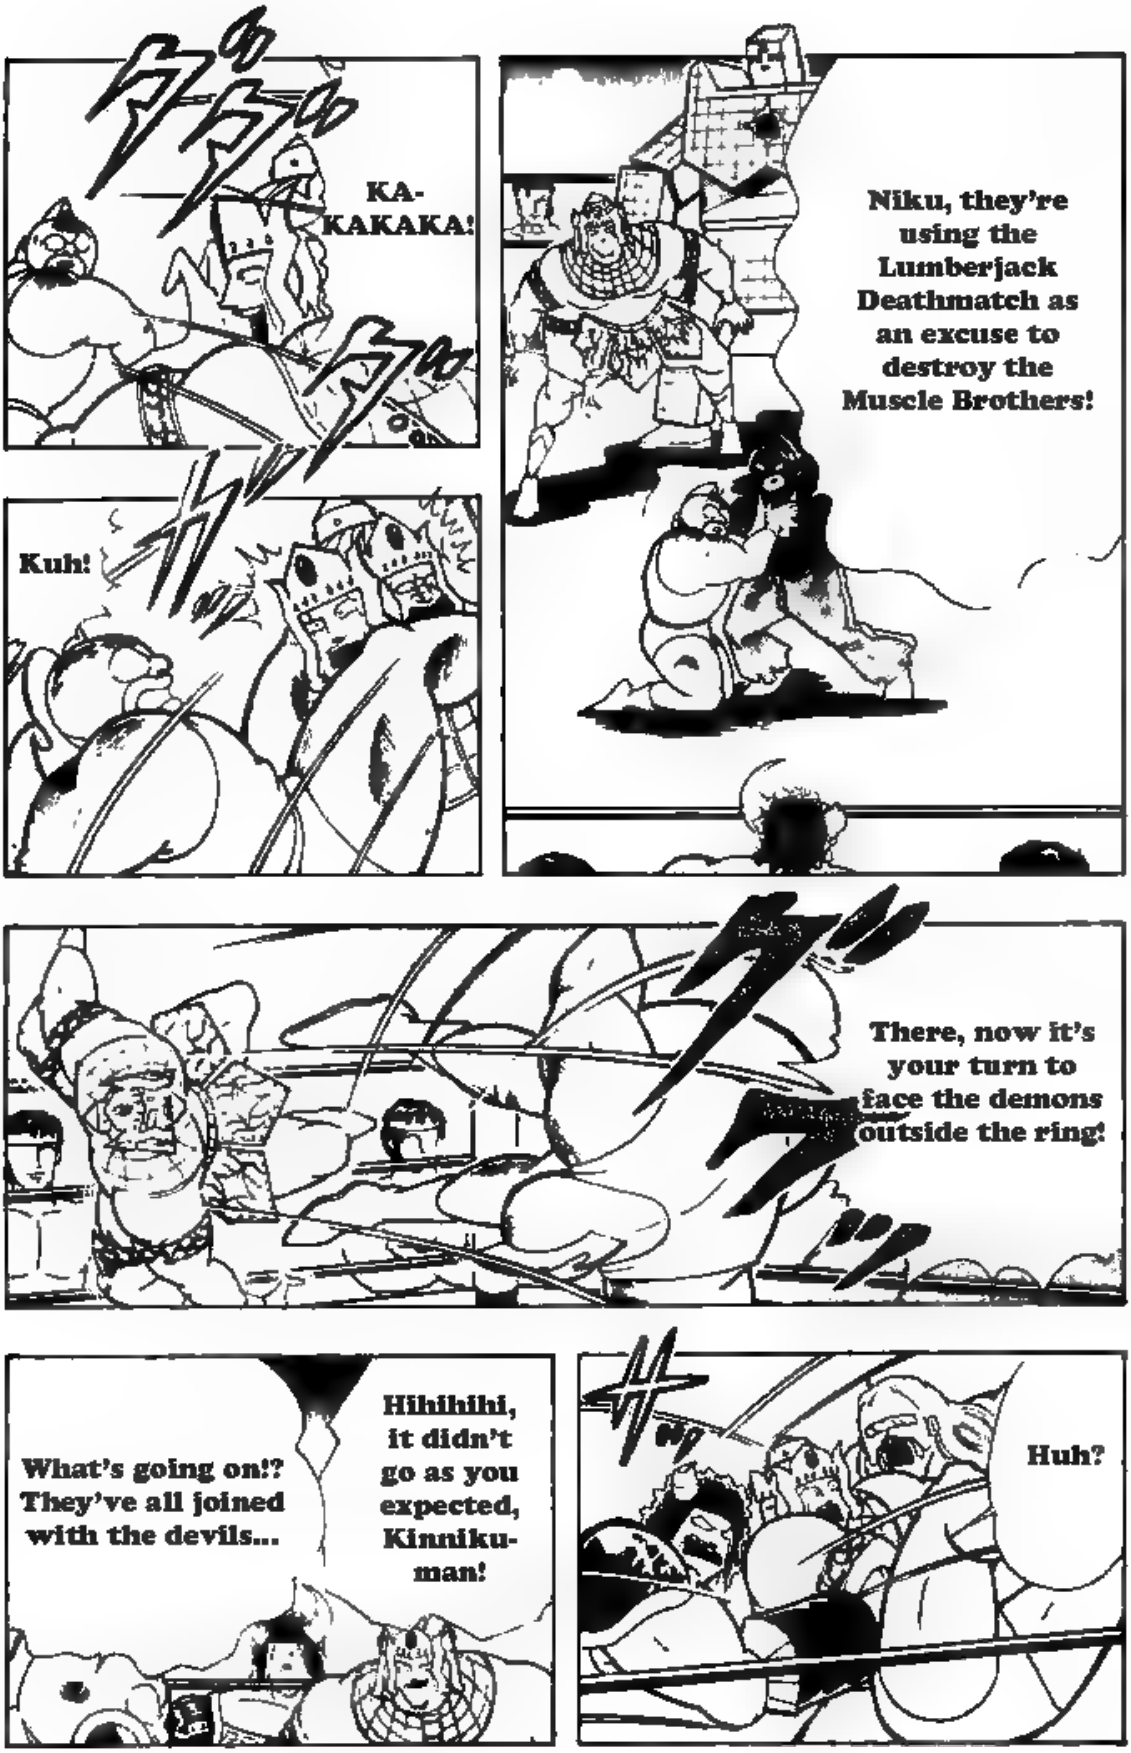
Yeah, you did show off your power... as a dirty fighter!

I wasn't trying to hurt Kinnikuman Great, I was just showing off a bit of my power!

Ha! Even though I'm your enemy, our friendship is indestructible!
Uwa, Buffaloman and Mongolman! If you have any friendship left with me, you'll catch me!
Geh!
You're soft, Kinniku-man!
Owa!
Hurricane Mixer!

Buffaloman didn't intend to rescue Kinnikuman!
Kinniku-man!
あぁ
Buffalo-man has...

Kinnikuman, it looks like your friendship with Buffaloman's team hasn't been restored yet!
KA-KAKAKA! You thought that your old allies would want to rescue you, but...
Kinnikuman!
!!
However, a weak team will be eliminated quickly.
It is now, although I do concede that I enjoyed our days fighting together as Justice Chojin.
Buffaloman, is our friendship really so meaningless that it can be controlled by mere dolls!?



KA-KAKAKA!
Kuh!
Niku, they're using the Lumberjack Deathmatch as an excuse to destroy the Muscle Brothers!
There, now it's your turn to face the demons outside the ring!
What's going on!? They've all joined with the devils...
Hihihihi, it didn't go as you expected, Kinniku-man!
Huh?

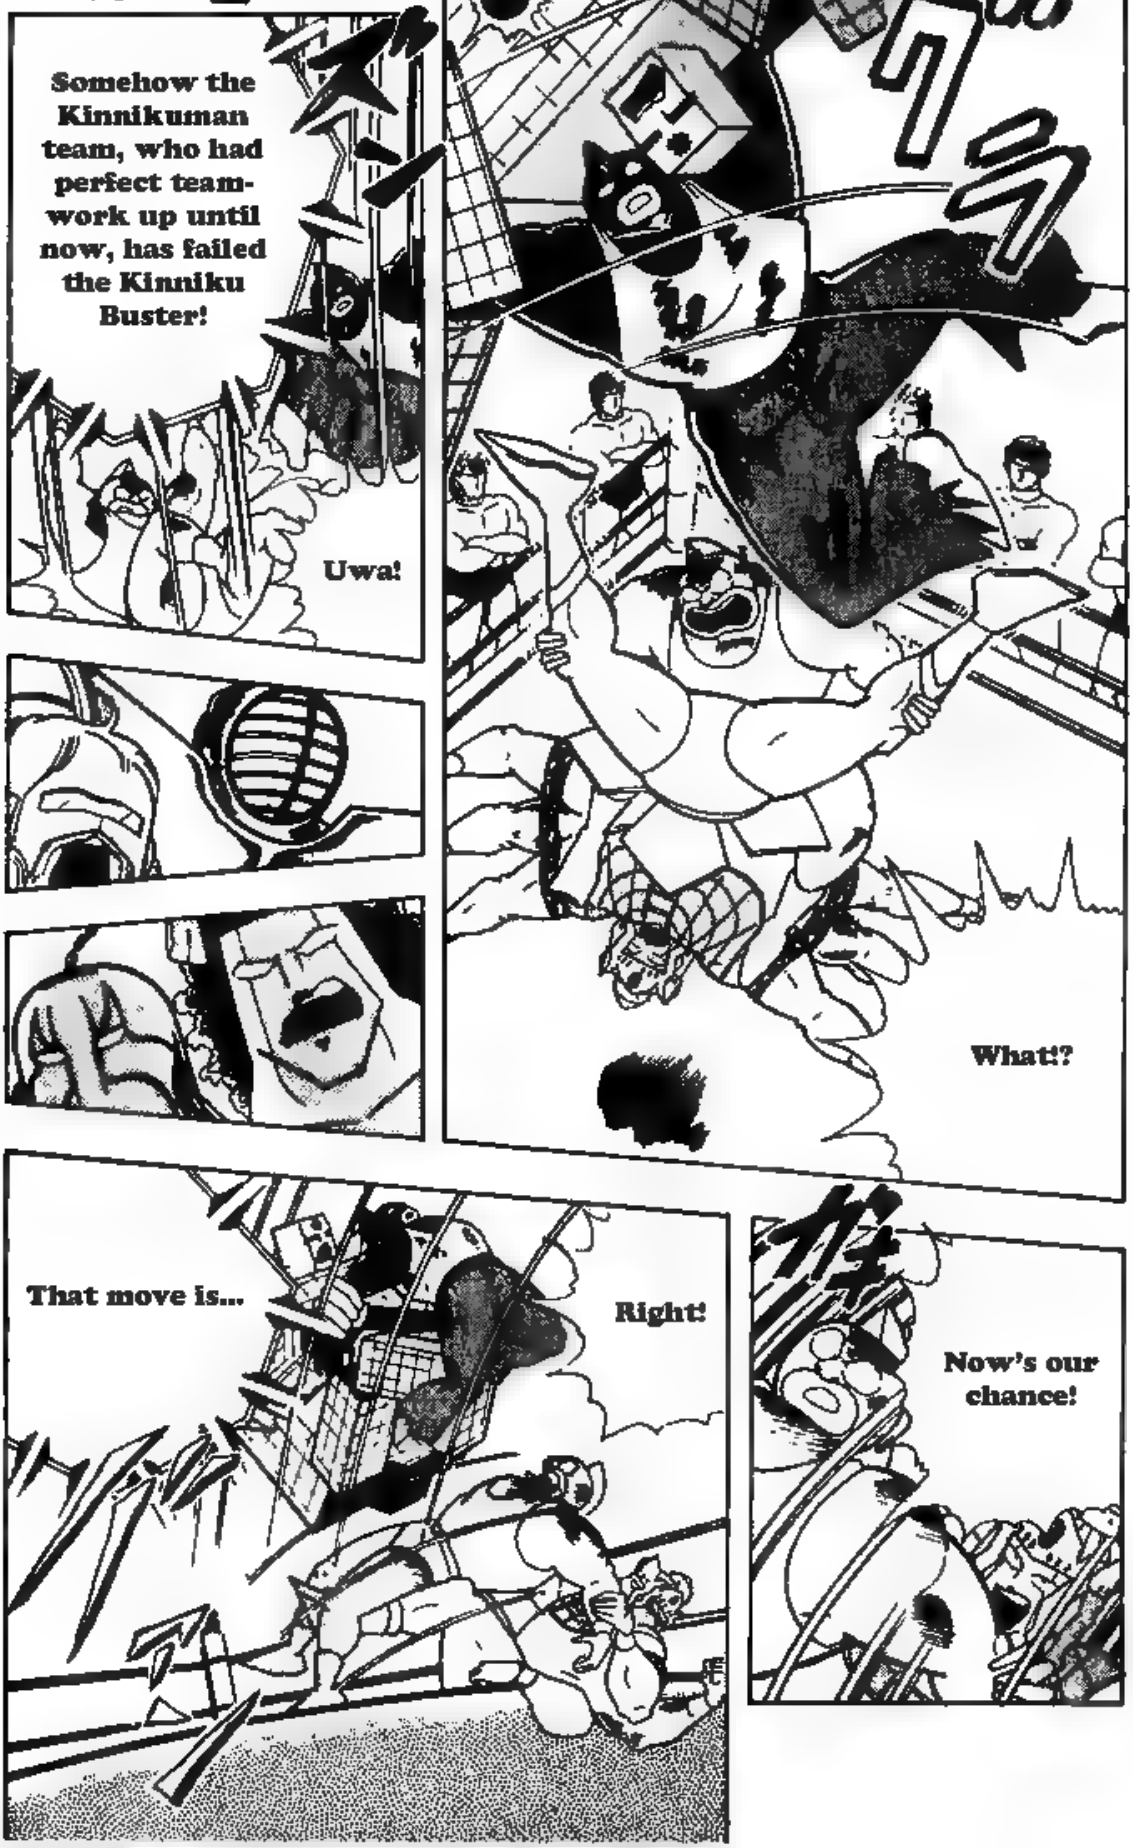
It's the Martial Arts Kick that he used in the match against the 4-D Killer Combo!
Alright Niku, use a Martial Arts Kick!
Right!
Uwa!
Got you!
His attack has failed for a third time!
Geh!

Ashuraman is driving Kinnikoman Great's head into the mat with a Reverse Tombstone Piledriver!
Die!
You were a techinical fighter earlier, but now all of your techniques are failing!
Niku, what's wrong!?
I can't imitate his shart, elegant fighting style!
I knew it! I'm not good enough to stand in for him afterall!
Let's do it, Sunshine!
Niku, behind you!

Hell Combination Part II!
Niku!
Burning Inner Strength!
Kinnikuman has jumped in, narrowly stopping the Devil Chojin!

Let's do the Muscle Docking!
Hey, Niku!
They're planning to use the Muscle Docking technique that combines both the Kinniku Buster and the Kinniku Driver!
Oh... right!
Go, Niku!
Muscle Docking's strength lies in the partners, so it needs to be done exactly. With my state of mind right now, we won't be able to pull it off...
Even the Devil Combo should be afraid of this. Muscle Docking is a frightening technique!

Kinnikuman and Great have both captured Sunshine and Ashuraman in the Kinniku Buster and Driver! If they can combine the moves, they'll complete the technique!
Woop
Hiyah!
Woop
They've won the second round!
Oh... Yeah!
Alright, time to combine them!



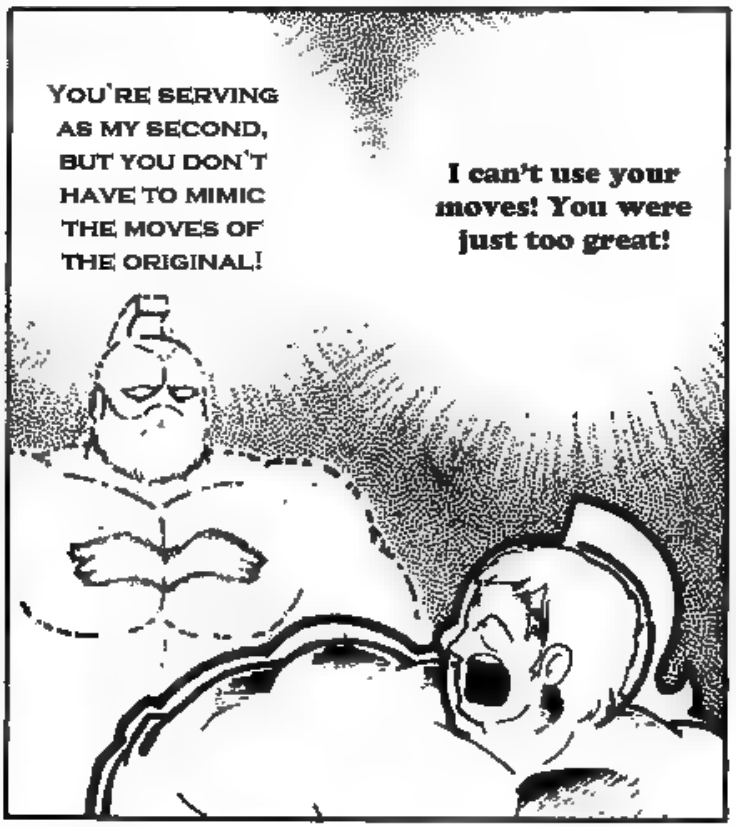
Somehow the Kinnikuman team, who had perfect team-work up until now, has failed the Kinniku Buster!
Uwa!
What!?
That move is...
Right!
Now's our chance!

Hell Combination Part I!
Suguru!
ボタ
ボタ
!!
Uwa!
Kinniku-man!
Niku, you've been acting strange all day... Maybe you've joined with the devils, too!

Kamehame!

WHERE ARE YOU GOING, TERRY-MAN? THAT'S NOT THE RING!

But...



YOU'RE SERVING AS MY SECOND, BUT YOU DON'T HAVE TO MIMIC THE MOVES OF THE ORIGINAL!
I can't use your moves! You were just too great!

I DIDN'T CHOOSE YOU BECAUSE OF YOUR SKILLS. IT WAS YOU WILD, YOUTHFUL FIGHTING STYLE FROM BEING BROUGHT UP IN THE OPEN PLAINS OF TEXAS!

THE FIGHTING STYLE OF THE NEW GREAT!
SHOW ME!

Texas-style wild fighting!

I am myself!
Without realizing it, I lost sight of my original moves!
I was too concerned with imitating the original until now...
Kinnikuman Great has entered to help Kinnikuman!
I'll show you the reborn Great's...
Hiyah!
Ashuraman stomps on the groggy Kinnikuman!
Somehow, he's using a Spinning Toe Hold!
Fighting spirit!

It can't be...
It I tag out now, I'm not a real man!
Alright, Niku! Switch!
Ashuraman, who made a quick escape, has thrown a counterattack!
It'll be easier to just tag out!
I'll be a man, Kinikuman!
Please, right now I'm only part of the way there, but if you let me stay in...

I understand, Niku. It doesn't matter if we lose the match, do what you need to.
Thanks, Kinnikuman!
I remember. The special training with Kamehame's wood puzzle!
I see it!
